SUBJECT: 2008 Uniform Bail and Penalty Schedules (revise schedules) (Action Required)

Issue Statement

Vehicle Code section 40310 provides that the Judicial Council must annually adopt a uniform traffic penalty schedule for all nonparking Vehicle Code infractions. Under rule 4.102 of the California Rules of Court, trial courts, in performing their duty under Penal Code section 1269b, must annually revise and adopt a schedule of bail and penalties for all misdemeanor and infraction offenses except Vehicle Code infractions. The penalty schedule for traffic infractions is established by the Uniform Bail and Penalty Schedules approved by the Judicial Council.

Recommendation

The Traffic Advisory Committee recommends that the Judicial Council, effective January 1, 2008, adopt the proposed 2008 Uniform Bail and Penalty Schedules.

The text of the revised schedules is set forth in Attachment A.

Rationale for Recommendation

Rule 4.102 of the California Rules of Court provides that trial court judges, in performing their duties under Penal Code section 1269b, must annually revise and adopt a schedule of bail and penalties for all misdemeanor and infraction offenses except Vehicle Code infractions. The penalty schedule for nonparking Vehicle Code infractions is established by the Uniform Bail and Penalty Schedules (Schedules) adopted by the Judicial Council.

Staff completed a substantive review of recent legislation and the Schedules for consistency with statutory authority and to ensure that the fines and penalties are accurate. New text in the proposal is underlined, and deleted text is shown with

strikeouts. Because this proposed version is in a spreadsheet format that has limited capabilities for tracking changes, the proposed numerical values (dollar amounts) in the Schedules are underlined, but the current numerical values do not appear, except in the preface. All changes to base fines are underlined in the proposed Schedules and identified below.

The Traffic Advisory Committee has reviewed the changes identified by staff as necessary to bring the Schedules into conformity with current legal requirements and recommends that the council adopt the attached Schedules, with the designated revisions, specifically:

1. Revision of the text on pages b and c of the introduction to be consistent with the language of rule 4.102, as amended effective 1/1/07;

2. Revision of the amounts listed in section III.B on page iv of the preface for the court construction penalty assessment under Government Code sections 70372(a) and 70375(b). The revised information reflects that the amount of the penalty approved by resolution of the county board of supervisors is adjusted in counties where court facilities have transferred and there is no bonded indebtedness for the court facilities as defined in Government Code section 70301;

3. Revision of section IV.C.3 on page vi of the preface to provide information regarding (a) eligibility of a segment of Route 12 between the Route 80 junction in Solano County and the Route 5 junction in San Joaquin County for classification as a safety enhancement–double fine zone under recently amended Streets and Highways Code section 97 and (b) eligibility under Streets and Highways Code section 97.4 for a safety enhancement–double fine zone in Alameda and Contra Costa counties;

4. Revision of section VIII.D on page ix of the preface for consistency with recently amended Vehicle Code section 42005 and other statutory provisions. Under Assembly Bill 645, effective July 31, 2007, section 42005 prohibits drivers charged with violations that are assessed two negligent operator points under Vehicle Code section 12810 from attending traffic violator school to obtain dismissal of traffic violations;

5. Revision of the sample calculation of traffic violator school fee in section VIII.D on page x of the preface to provide that a court that conducts night or weekend court sessions may collect a $1 assessment under recently amended Vehicle Code section 42006;

6. Revision of section XII on page xii of the preface to provide information on the addition of disabled parking violations under Vehicle Code sections 22507.8, 22500(i), 22500(*l*), and 22522 that may be cited as infractions on notice to appear citations;

7. Amendment of the Traffic Infraction Fixed Penalty Schedule to add infraction offenses for violation of Vehicle Code sections:

   - 5201(f)(1–2), illegal license plate covering;
   - 5201(g), reading or recognition of license plate by an electronic device or remote emission sensing device illegally obstructed or impaired;
   - 5201.1(a), sale of prohibited product or device to obscure license plate;
   - 21281.5(a–d), illegal operation of electrical personal assistive mobility device;
   - 21452(b), failure of pedestrian to properly respond to signal of a yellow light or arrow;
   - 22500(i), parking in bus loading area;
   - 22500(*l*), parking at curb constructed to provide wheelchair accessibility;
   - 22507.8(a–c), violation of disabled parking provisions;
   - 22522, parking near sidewalk access ramp for disabled;
   - 23123(a), driving while using a wireless telephone not configured for hands-free use, effective July 1, 2008;
   - 23124(b), driving while a minor and using a wireless telephone or mobile service device, effective July 1, 2008;
   - 34500.3(a), noncompliance with California Highway Patrol cargo regulations;
   - 34501.3(a)(1), motor carrier schedule necessitating unlawful speeds;
   - 34501.3(a)(2), motor carrier schedule necessitating exceeding hours of service requirements;

8. Increase of the base fine from $35 to $50 for a violation of Vehicle Code section 38301, unlawful to violate off-highway vehicle operation regulations;

9. Adjustment of the total bail amounts for the highway construction zone schedule to include all the penalties;

10. Addition of Vehicle Code sections 23105 and 23109.1 to the highway construction zone and safety enhancement zone schedules;

11. Addition of Vehicle Code section 9853.8, illegal operation of a vessel without required numbering or in noncompliance with emission standards;

12. Increase of the recommended base fine from $35 to $50 in the Parks and Recreation Bail and Penalty Schedule for violations in Title 14 of sections 4355, restrictions on vehicle operation; 4357, license requirements to operate vehicle; and 4359(b), no horses/pack animals except in designated areas;

13. Addition of Fish and Game Code sections 3004(b), unlawful discharge of firearm, arrow, or crossbow bolt across a public road, and 3004.5(a), use of unlawful rifle or pistol ammunition; and

14. Renumbering or addition of citation subsections and modification of negligent operator point counts to reflect recent changes.

Countywide bail schedules
Penal Code section 1269b requires judges in each county to adopt a countywide bail schedule for misdemeanor and infraction offenses, except Vehicle Code infractions, which are set by the council's Schedules, unless exempted by Penal Code section 1463.28. Under section III.B on page iii of the preface to the Schedules, courts are required to determine the court facility construction penalty that applies to the county and substitute a penalty and total bail amount, if necessary, that applies when adopting a countywide schedule. The bail amounts in the Schedules are calculated by using the maximum court facilities construction penalty amount authorized by Government Code section 70372(a) of $5 for every $10, or part of $10, of a base fine.

The proposed Schedules are prepared in an electronic spreadsheet database format. The database format enables a court to easily recalculate its countywide bail schedule by using the specific court facilities construction penalty amount that applies to the county. The specific amount that the courts in each county should use to calculate that penalty and the total bail are set out in section III.B on page iv of the preface. The spreadsheet format enables courts to easily recalculate the penalty and total bail and adopt a uniform countywide bail schedule as required by Penal Code section 1269b.

Adoption of the 2008 Uniform Bail and Penalty Schedules will conform the Schedules to new legislation and promote uniformity in bail and penalty assessments by facilitating adoption of revised countywide bail schedules that fully incorporate the council's Schedules.

<u>Alternative Actions Considered</u>
No alternatives were considered. Annual revision of the Schedules is required by statute and by rule 4.102.

Comments From Interested Parties

The proposed 2008 Uniform Bail and Penalty Schedules were circulated for statewide comment from November 2 to 13, 2007. Of the 28 comments received, 12 agreed with the proposal, 7 agreed if modified, and 9 did not agree. The comments and the committee's responses are attached at pages 6–29.

Several of the comments that requested modification and all of the comments that did not agree requested either a reduction or an increase of the fine and penalties for riding a bicycle where prohibited on a trail or in a park in violation of section 4360 of title 14 of the California Code of Regulations. The Schedules' recommended fine for violating section 4360 has not changed, but the mandatory penalties on the fine have increased in recent years. A violation of section 4360, which is adopted under the Public Resources Code, is presumed to be a misdemeanor and may be reduced to an infraction with consent of the judicial officer and prosecutor with a fine of up to $1,000 plus penalties for either an infraction or misdemeanor violation. (Pub. Res. Code, § 5008(d).)

The Schedules recommend a "Total Bail" of $190 for an infraction offense and $298 for a misdemeanor violation of section 4360. The recommended "Total Bail" is consistent with the amount set forth for numerous violations of regulations adopted under the Public Resources Code. Local countywide bail schedules may adopt a different recommended fine and a judicial officer has discretion to raise or lower the fine in individual cases. Comments in favor of lowering the fine drew comparisons to other violations with lower fine amounts under the Vehicle Code but overlooked the fact that the Vehicle Code has express statutory limitations that do not apply to violation of regulations adopted under the Public Resources Code where significantly higher fines are authorized for infraction offenses. In response to the comments and to improve uniformity of recommended fines for violations of regulations adopted under the Public Resources Code, the proposed Schedules retain the current fine amount for section 4360 and increase the recommended fine from $35 to $50 for infraction violations regarding illegal vehicles and horses under sections 4355, 4357, and 4359(b) of title 14.

Implementation Requirements and Costs

Implementation of the Schedules should not be difficult or costly for the courts. The electronic database format should significantly reduce the time and effort required by courts to update penalty assessment and total bail amounts for countywide bail schedules.

Fiscal impact

The overall statewide fiscal impact should be negligible. There are no significant changes in base fines or penalty assessments for common offenses this year.

2.	Mary Benson Executive Director Los Angeles Trails Project Sun Valley	N	Y	Reckless driving is reckless driving. The newest version of mountain bikes was clocked in Japan at 136 kph downhill. The weight and speeds of mountain bikes pose a safety threat to pedestrians (hikers, joggers dog walkers). Trail encounters have resulted in serious injury and even death. State agencies that offer opportunities to report illegal and dangerous mountain bike riding show that the frequency, intensity, and hostility is on the rise. Jan 1, 2007 California could be found negligent by not protecting the safety of the park visitors that have a right to a bike free trail experience. The fines should be RAISED. Fines and ordinances should mirror those prohibiting motor vehicles on sidewalks and new laws to add speed limits to 5 mph on non motorized trails on a parity where pedestrians and vehicles mix, like in parking lots with the felony penalties assessed according to the new laws in the California Vehicle Code affecting dangerous riding behavior on mountain trails where hikers and equestrians do not expect an encounter.	The Department of Parks and Recreation is authorized to regulate use of parks and recreational trails to protect geological features, plants, and animals from disturbance, injury, and damage and to preserve the peace and protect hikers, cyclists, and other park and trail users. (See Pub. Res. Code, §§ 5003 and 5008; Cal. Code Regs., tit. 14, §§ 4304-4308.) Fines for riding a bicycle where prohibited in a park or on a recreational trail in violation of section 4360 of title 14 are controlled by statute. Under Public Resources Code section 5008(d), any person who violates a department rule or regulation for parks and trails is guilty of a misdemeanor that may be punished by imprisonment in the county jail not exceeding 90 days, by a fine not exceeding $1,000 plus penalty assessments, or by both that fine and imprisonment, except that a judge may, considering the recommendation of the prosecuting attorney, reduce the charged offense from a misdemeanor to an infraction. Any person convicted of the offense after such a reduction may be punished by a fine of not less than $10 nor

					more than $1,000 plus penalty assessments. By making a violation of the regulations under the Public Resources Code a misdemeanor that may be reduced to an infraction with a base fine of up to $1,000, the Legislature has shown the intention that unless a judicial officer determines otherwise, such violations are subject to higher penalties than most traffic infractions, which are punishable only by a base fine of no more than $100 plus penalty assessments. Under section 4360 of title 14 of the California Code of Regulations, a person who is charged with riding a bicycle in a park or on a trail where it is prohibited is cited for a misdemeanor violation. The recommended fine in the schedules is listed as $75 plus penalty assessments for consistency with violations that have similar sentencing provisions. For individual cases, a judicial officer has discretion to reduce the charge to an infraction and lower the fine or raise it to the maximum of $1,000 plus penalty assessments.

3.	Connie Berto Director Marin Horse Council, Inc. San Anselmo	A	Y	I live in Marin County where the mountain bike was invented. They have become the scourge of narrow trails and destroyers of peace and tranquility in the out-of-doors. What vehicles are to bicycles on the roads, mountain bikes are to other users -- hikers, walkers, families, and equestrians -- on the trails. We can all share wide fire roads with their good sight-lines and room to move aside from other recreationalists. Speeding bicycles do not belong on footpaths because of documented safety hazards, accidents, even deaths caused by mountain bikers. The agencies are wise to try to reduce conflicts by restricting bicycle access to fire roads only. THEREFORE: The fines for citations given to illegal mountain biking is long, LONG, overdue. They should be raised ten times what they are currently. A low fine for citations for illegal bike riding is just "a ticket to ride." It's the price of a day's amusement, according to some emails I've read written by cyclists. It is a joke, to many of them. They brag about giving false information to rangers. Research also indicates that any soil loosened by activities such as mountain bicycling causes erosion and sedimentation ultimately killing salmon eggs and fry. Coho are on the brink of extinction in my area. The restrictions of mountain bikes on single track trails and the increase in fines is a necessary and effective tool for dissuading would-be lawbreakers. Unfortunately, the lack of human resources to police these wilderness areas is sorely lacking. After business hours, in park lands adjacent to my neighborhood, renegade groups of cyclists tear up the single track trails that are closed to them, at night, terrorizing wildlife and disrupting breeding and life patterns. The legislature and judiciary have my full support to raise fines to an even greater level. If we, as a society, could determine the actual cost in natural capital and the loss of habitat and species, with fisheries degradation etc. we would not tolerate mountain biking in our park lands. 7.	Peter Donohue	A	N	I find the fines a bit out of balance, when comparing the vehicle code fines to the park and recreation fines. For example, rules where a driver of a motor vehicle does something unsafe (like 21755 - unsafe passing on right shoulder) is $146. But all the fines for parks and recreation are more expensive. For example, if you are skiing out of bounds (section 4701) or bicycling on a trail you are not supposed to be (4360), the fee is either $190 (infraction) or $298 (misdemeanor). It seems to me that those infractions where safety is more directly impacted should carry higher fines. But to compare apples to apples, let's look at a case where the vehicle code talks about an infraction where someone is where they shouldn't be. Vehicle code 21207.5 (riding of motor vehicles on bike trail) carries a fine of only $108, compared to 2 to 3 times that for a similar law under parks and recreation. These park fines seem out of line with vehicle code fines. Cars have direct safety impacts to	Overall, the Legislature and the Department of Parks and Recreation determine what activities are illegal in parks and what fines and penalties are appropriate for such illegal activity. The recommended fine and "Total Bail" for violating section 4360 is consistent with the amount set forth for numerous violations of regulations adopted under the Public Resources Code. Under the Public Resources Code, a violation of section 4360, is presumed to be a misdemeanor and may be reduced to an infraction with consent of the judicial officer and prosecutor with a fine of up to $1,000 plus penalties for either an infraction or misdemeanor violation. (Pub. Res. Code, § 5008(d).) Although the recommended fine for violating section 4360 has not changed, the statutory mandatory penalties on the fine have increased in recent years. Local countywide bail schedules may adopt a different recommended fine and a judicial officer has discretion to raise or lower the fine in individual cases. Comparison of fines for violation of section 4360 to other violations of the Vehicle Code with lower fine amounts overlooks the fact

Most infraction moving violations of the Vehicle Code are set in the schedules at 35 percent of the maximum statutory base fine of $100. The recommended base fine of $50 for an infraction violation of section 4360 of title 14 of the California Code of Regulations is set at only 5 percent of the maximum statutory base fine of $1,000. VC 21207.5 is not comparable to section 4360. Section 21207.5 limits use of bike trails by restricting use to nonmotorized bicycles, and the maximum statutory base fine is $100. Section 4360 prohibits operation of all bicycles on trails where use is not allowed, and the maximum statutory base fine is $1,000. Also, serious traffic violations where a vehicle is operated in a reckless manner are cited as misdemeanors under VC 23103, which has a statutory base fine of between $145 and $1,000 plus penalties. (See page 123 of the proposed schedules, citing 14 Cal. Code Regs. 4360.) Almost all violations of this type are going to be for riding a mountain bike noncompliantly on a trail that is officially closed to bicycles. The reason some trails are so closed has nothing to do with safety or other important social policies, but simply because some jurisdictions overreacted decades ago when the mountain bike became popular and without due reflection banned them from a variety of trails that they can be ridden in perfect safety for the rider and other trail users. The laws prohibiting mountain bike use on such trails are holdovers that a few agencies, for various reasons, have not yet changed. These include the East Bay Regional Park District, the East Bay Municipal Utilities District, the Marin Muncipal Water District, and some others. At least in the east bay regional parks, the law is rarely enforced and widely	As discussed above, under the Public Resources Code and title 14 of the California Code of Regulations, the Department of Parks and Recreation is authorized to regulate use of parks and recreational trails to protect geological features, plants, and animals from disturbance, injury, and damage and to preserve the peace and protect hikers, cyclists, and other park and trail users. By prohibiting operation of bicycles in parks and on trails as ordered by the department, section 4360 protects cyclists, hikers, animals, and the environment from potential injury. These prohibitions are classic malum prohibitorum offenses (wrong simply because the law prohibits it) rather than malum in se (wrong because it harms society by its nature). Sometimes these laws are also violated when bicyclists ride bicycles in certain parks at night contrary to an ordinance, even though modern lighting systems have made this a completely safe activity in principle. If the base fine is going to be only $20 (see Veh. Code, § 23123, subd. (a), eff. July 1, 2008; proposed schedules, p. 19) for the serious safety hazard of talking on a handheld cell phone while driving, it should not be $50 and $75 for the relatively innocuous offense of noncompliant bicycle riding in a park. Also, Vehicle Code section 40310 expressly requires that infraction violations of the Vehicle Code be divided into four or fewer penalty categories. This limits the ability to differentiate fine amounts for specific Vehicle Code offenses where the Legislature has not provided an express statutory fine amount for a violation.

The total bail amount includes penalty assessments that are calculated on a standard "fine" amount. For violations where there are prior offenses, the total bail amount is calculated by using an enhanced base "fine" amount plus penalty assessments calculated for that "fine" amount. 3. 10.	J. Grigsby	AM	N	My comment relates to 14 Cal. Code Regs. 4360, "Operation of Bicycles." It is bizarre that the fine for riding a bicycle (4360) greatly exceeds the fines for (for instance) driving a motor vehicle off-road (4355), or driving an unlicensed motor vehicle (4357), and exceeds even more greatly the penalty for things like unsafe passing on the right (CVC 21755) or texting on your cell phone when driving (CVC 23123) - actions that regularly kill cyclists.	To improve uniformity the recommended fines for sections 4355 and 4357 will be increased to match those for section 4360. See also response to comments 2, 7, and 8 above.

				First, there are tens of thousands of off-road trails in the state, ranging from well-traveled multi-day hiking trails (i.e. John Muir Trail) to dirt paths between parking lots. The overwhelming majority are completely unsigned. By contrast, carpool lanes (which carry a similar fine) are very clearly signed in order to avoid unfairly penalizing motorists. Should cyclists be fined $300 for riding trails where there is often absolutely no way to tell that this fine may be levied? Imagine the outcry if carpool lanes around the state were completely unmarked, and you had to "just know" where they were and what times they were in effect...and could be fined $300 if you guessed wrong! Second, the legal status of many of these trails is doubtful at best. For instance (this is a real example), you see a small dirt path in the Presidio which leads from the end of a dead-end residential street, behind a parking lot, to a road less than a quarter mile away. It has no signage and isn't on any park map. Is it legal to ride your bicycle on it? Who knows? Even the park police don't give a consistent answer, yet they should be able to hand you a $300 ticket? Where there is signage, it is often conflicting. I

July 1, 2008 for the portion on driving with a cell phone. It is absurd that the fine for driving while talking on a cell phone is less than the ridiculously high fine for riding a bicycle on unsigned or illegal trails. The danger posed to cyclists, and the public in general by drivers distracted by cell phones far exceeds the minimal impact of illegal off-road cyclists. Cyclists, at the most, are perhaps moderately endangering hikers and equestrians IF they ride recklessly; and more likely are simply endangering themselves by riding on remote trails. The fine for illegal riding should be capped at or below the fine for driving while distracted by a cell phone conversation, as the consequences of the latter are much more dire than the former.	See response to comments 2, 7, and 8 above.

16.	Michael Mejia Michael Mejia Photography	N	N	The penalty rate as suggested for using trails out of bounds is unreasonable. Historically such boundaries and rulings were performed in a broad sweep without consideration for cycling use. The ruling was nearly arbitrary. Cycling poses no threat to well-being in such circumstances, as does a speeding car on public streets, playing with fireworks, talking on the cell phone when driving. Further cycling presence has been proven to be much less destructive and erosive than horses. Why should fines dealing with boundaries have the same weight as the wonton destruction of flora and fauna? I think these proposed fines should be lowered.	See response to comments 2, 7, and 8 above.

For example, if you or bicycling on a trail you are not supposed to be (4360), the fee is either $190 (infraction) or $298 (misdemeanor). I believe that the fine for riding on an illegal trail is as much as the fine for running a red light in a car! But to compare apples to apples, let's look at a case where the vehicle code talks about an infraction where someone is where they shouldn't be. Vehicle code 21207.5 (riding of motor vehicles on bike trail) carries a fine of only $108, compared to 2 to 3 times that for a similar law under parks and recreation. These park fines seem out of line with vehicle code fines. Cars have direct safety impacts to the public (being one of the greatest causes of death in the U.S.), yet we put greater fines on park infractions which have little safety impact. As a car commuter and a bike commuter and someone who sees drivers every day running red lights, speeding, weaving in and out of traffic (in school zones non the less!) it makes sense that

People on cell phones are incredibly dangerous to everyone around them, myself included! In today's "Green" environment, I hope that we foster MORE bicycle riding. Open more trails to foster LESS health care related needs. Fining a cyclist upwards of $300!!! for riding an unmarked trail is against everything green, in our future. Again, please please please FOSTER more bicycling, not make it a crime. We can either have our kids outside and getting exercise, or we can have them loitering, playing video games, watching TV, getting into trouble. 				Mountain biking frequently causes deaths or serious injuries, both in riders and in people or animals they collide with. Horses have been frightened into jumping off trails, resulting in injuries requiring that they be put to death. The risk of serious injury, contrary to Ted Stroll's comments, is a large part of why mountain biking has been banned in many parks, including Yosemite. Rule 4.102. UNIFORM BAIL AND PENALTY SCHEDULES

TRAFFIC, BOATING, FORESTRY, FISH AND GAME, PUBLIC UTILITIES, PARKS AND RECREATION, BUSINESS LICENSING

The Judicial Council of California has established the policy of promulgating uniform bail and penalty schedules for certain offenses in order to achieve a standard of uniformity in the handling of these offenses.

In general, bail is used to ensure the presence of the defendant before the court. ~~Pursuant to~~ Under Vehicle Code sections 40512 and 13103, bail may also be forfeited and such forfeiture may be ~~had~~ ordered without the necessity of any further court proceedings and treated as a conviction for specified Vehicle Code offenses. A penalty in the form of a monetary sum is a fine imposed as all or a portion of a sentence imposed.

To achieve substantial uniformity of bail and penalties throughout the state in traffic, boating, fish and game, forestry, public utilities, parks and recreation, and business licensing cases, the trial court judges ~~in each county~~, in performing their duty under Penal Code section 1269b ~~of the Penal Code~~ to annually revise and adopt a ~~uniform countywide~~ schedule of bail and penalties for all misdemeanor and infraction offenses except Vehicle Code infractions, ~~shall~~ must give consideration to the Uniform Bail and Penalty Schedules approved by the Judicial Council. The Uniform Bail and Penalty Schedule for infraction violations of the Vehicle Code ~~shall~~ will be established by the Judicial Council in accordance with ~~section 40310 of the~~ Vehicle Code section 40310. Judges ~~shall~~ must give consideration to requiring additional bail for aggravating or enhancing factors.

~~When~~ After a court adopts a ~~uniform~~ countywide bail and penalty schedule ~~is adopted pursuant to~~, under Penal Code section 1269b ~~of the Penal Code~~, the court must, as soon as practicable, ~~after adoption of the schedule,~~ mail a copy of the schedule to the Judicial Council with a report stating how the revised schedule differs from the council's uniform traffic bail and penalty schedule, uniform boating bail and penalty schedule, uniform fish and game bail and penalty schedule, uniform forestry bail and penalty schedule, uniform public utilities bail and penalty schedule, uniform parks and recreation bail and penalty schedule, or uniform business licensing bail and penalty schedule.

~~The bail amounts in the Uniform Bail and Penalty Schedules are calculated using the maximum court facilities construction penalty amount authorized by Government Code section 70372(a) of $5 for every $10 of base fine. Government Code section 70375(b) requires a reduction of the court facilities construction penalty by the amount collected for deposit into the local~~

~~courthouse construction fund pursuant to Government Code section 76100. The reduced court facilities construction penalty amounts that courts must use to calculate that penalty and the total bail are set out in section III(B) on page iv of the preface.~~

The purpose of this uniform bail and penalty schedule is to

1. Show the standard amount for bail, which for Vehicle Code offenses may also be the amount utilized for a bail forfeiture ~~in lieu~~ instead of further proceedings; and
2. Serve as a guideline for the imposition of a fine as all or a portion of the penalty for a first conviction of a listed offense where a fine is used as all or a portion of the penalty for such offense. The amounts shown for the misdemeanors on the boating, fish and game, forestry, public utilities, parks and recreation, and business licensing bail and penalty schedules have been set with this dual purpose in mind.

Unless otherwise shown, the maximum penalties for the listed offenses are six months in the county jail or a fine of $1,000, or both. The penalty amounts are intended to be used to provide standard fine amounts for a first offense conviction of a violation shown where a fine is used as all or a portion of the sentence imposed.

The bail amounts in the Uniform Bail and Penalty Schedules are calculated using the maximum court facilities construction penalty amount authorized by Government Code section 70372(a) of $5 for every $10, or part of $10, of base fine. Government Code section 70375(b) requires a reduction of the court facilities construction penalty by the amount collected for deposit into the local courthouse construction fund pursuant to Government Code section 76100. The reduced court facilities construction penalty amounts that courts must use to calculate that penalty and the total bail are set out in section III(B) on page iv of the preface.

PREFACE

I. Section and Offense

A. Historically, only those offenses most often filed in municipal courts were included in the Uniform Bail and Penalty Schedules. Penal Code section 1269b and Vehicle Code section 40310 require the Judicial Council to establish a schedule for infractions of the Vehicle Code. The Judicial Council approved the first Traffic Infraction Bail and Penalty Schedule in November 1992.

B. The letter "M" designates a misdemeanor: a crime punishable, at the discretion of the court~~,~~ by imprisonment in a county jail for a period of no longer than 6 months or by a fine not exceeding $1,000 or by both (Penal Code section 19).

C. The letter "I" designates an infraction: a violation of a law not punishable by imprisonment, but by a fine generally not exceeding $100 for violations of the Vehicle Code (Vehicle Code section 42001) or $250 for violations of other codes (Penal Code section 19.8).

II. Base Bail

The "Base Bail" indicated is the amount from which the "additional penalties" required by Penal Code section 1464, Government Code sections 70372, 70375, 76000, 76104.6, and 76104.7, the surcharge required by Penal Code section 1465.7, and the penalty authorized by Government Code section 76000.5 are calculated.

III. Additional Penalties and Surcharge

A. An "additional penalty" of between $19 and $24 ($10 state penalty required by Penal Code section 1464; court facilities construction penalty of between $0 and $5 required by Government Code section 70372(a), as modified by Government Code section 70375(b); a DNA Identification Fund penalty of $2 required by Government Code sections 76104.6 and 76104.7; and a county penalty of up to $7 required by Government Code section 76000(e)) shall be levied upon every $10, or ~~fraction thereof~~ part of $10, of every fine, penalty, or forfeiture imposed and collected by the courts for criminal offenses. The "additional penalty" may increase by $2 for every $10, or part of $10, of the base fine if the county board of supervisors elects to levy an emergency medical services (EMS) penalty assessment under Government Code section 76000.5.

B. Government Code section 70372(a) requires imposition of a state court construction penalty on every fine, penalty, or forfeiture collected by the courts for criminal offenses, including, but not limited to, all offenses, except parking offenses, as defined in Penal Code section 1463 and violations of the Fish and Game Code and Vehicle Code or local ordinances adopted pursuant to the Vehicle Code. Section 70372 specifies a maximum court construction penalty of $5 for every $10, or ~~fraction thereof~~ part of $10, of the criminal fine, penalty, or forfeiture. Government Code section 70375(b) specifies that the $5 court construction amount authorized by section 70372(a) is reduced by the amount, determined by the county board of supervisors, collected for deposit into the local Courthouse Construction Fund established pursuant to Government Code section 76100. For violations committed on or after July 1, 2007, the court construction penalty amount in a county without bonded indebtedness for court facilities is increased by the ratio of the square footage of court facilities transferred from the county to the state to the total court facility square footage in the county. The court construction penalty amount applicable to each county that should be used to calculate that penalty and the total bail is as follows:

Alameda, to 6/30/08	$3.~~00~~52	Marin	$3.00	San Luis Obispo	$3.00
Alpine	$3.00	Mariposa	$~~0~~4.00	San Mateo	$2.75

Los Angeles	$3.00	San Joaquin	$1.75	Yuba	$1.00
Madera	$~~2.5~~5.00				

If a county board of supervisors specified by resolution a contribution to the Courthouse Construction Fund that differs from the amount of the reduction specified above, the court should use the amount specified by resolution to calculate the reduction.

C. Penal Code section 1464(b) provides that in the case of multiple offenses, the amount of "additional penalties" is to be determined by the total base bail or fine for all the offenses cited, and if the fine or base bail is suspended in whole or part, the "additional penalties" shall be reduced in proportion to the amount of suspension.

D. Penal Code section 1465.7(a) requires imposition on criminal offenses of a state surcharge equal to 20 percent of the base fine used to calculate the state penalty assessment as specified in Penal Code section 1464(a). Penal Code section 1465.7(b) requires that the surcharge be imposed in addition to the state penalty assessment pursuant to Penal Code section 1464 and not be included in the base fine used to calculate the state penalty assessment as specified in section 1464.

E. For violations committed on or after July 1, 2007, in counties without bonded indebtedness for court facilities, the county penalty assessment amount under Government Code section 76000(e) is decreased by the ratio of the square footage of court facilities transferred from the county to the State to the total court facility square footage in the county.

IV. Total Bail

A. Effective January 1, 1989, the Judicial Council adopted a "Total Bail" concept in an effort to obtain statewide consistency in the "bail" policies of the courts. The indicated "Total Bail" is for the first offense, and it must be followed to the extent required by Penal Code section 1269b.

B. Except as otherwise required by statute, trial courts have discretion to suspend the minimum fine under Penal Code section 1203b.

C. Except for the following exceptions, counties must adhere to the Judicial Council's "Traffic Infraction Bail and Penalty Schedule" for infraction violations of the Vehicle Code (Penal Code section 1269b and Vehicle Code section 40310).

Penal Code section 1463.28 provides that 30 counties may exceed the "Total Bail" amounts of the Traffic Infraction Bail and Penalty Schedule. Those counties are

1. Alpine	11. Lassen	21. San Joaquin
2. Amador	12. Los Angeles	22. Santa Clara
3. Butte	13. Madera	23. Sierra
4. Calaveras	14. Mariposa	24. Stanislaus
5. Contra Costa	15. Mendocino	25. Sutter
6. Del Norte	16. Modoc	26. Trinity
7. Fresno	17. Mono	27. Tulare
8. Humboldt	18. Plumas	28. Tuolumne
9. Kings	19. San Benito	29. Yolo
10. Lake	20. San Diego	30. Yuba

Additional exceptions result from two pieces of legislation that became operative on January 1, 1994:

1. Vehicle Code section 42001 allows universities and state colleges to set a fine schedule for bicycle violations occurring in their jurisdictions that would supersede the Judicial Council penalty schedule.

2. Vehicle Code section 42009 requires that for any specified offense committed within a highway construction or maintenance area during hours when work is being performed, the fine shall be double in the case of misdemeanors and in the case of infractions shall be one category higher than otherwise provided in the Traffic Infraction Fixed Penalty Schedule. An appendix with the specified offenses listed and the enhanced amounts follows the Traffic portion of the bail and penalty schedules, starting on page72.

3. ~~Senate~~ Assembly Bill ~~3~~ 112 (Stats. ~~2006~~ 2007, ch. ~~179~~ 258) ~~added~~ amended Streets and Highways Code section 97 ~~and Vehicle Code section 42010~~, effective January 1, ~~2007~~ 2008, which provides for increased fines for a safety enhancement–double fine zone on the segment of Route 12 between the Route 80 junction in Solano County and Route 5 junction in San Joaquin County. Streets and Highways Code section 97.4 provides for increased fines for a safety enhancement–double fine zone on Vasco Road between the Interstate 580 junction in Alameda County and the Walnut Boulevard intersection in Contra Costa County upon resolutions by Alameda and Contra Costa County Boards of Supervisors. Under section 97, the base fine for any specified offense committed in the safety enhancement–double fine zone shall be double in the case of misdemeanors and in the case of infractions shall be one category higher than otherwise provided in the Uniform Bail and Penalty Schedules. Any additional penalty, forfeiture, or assessment imposed by any other statute shall be based on the amount of the base fine before enhancement or doubling and shall not be based on the amount of the enhanced fine.

   The "Categories" indicated in the Traffic Infraction Bail and Penalty Schedule under Vehicle Code sections 40310, 42009(a), and 42010 will be shown as "1a" and "1b," "2a" and "2b," "3a" and "3b," and "4a" and "4b," with the "b" subcategory referring to the violation when it is committed in a highway construction zone or safety enhancement–double fine zone.

D. The "Total Bail" amounts within the Uniform Boating, Forestry, Fish and Game, Public Utilities, Parks and Recreation, and Business Licensing Bail Schedules are suggested amounts, and their adoption by courts is not compulsory.

E. The "Total Bail" amount indicated includes the base bail and those "additional penalties" required by Penal Code section 1464; Government Code sections 76000, 70372, 76104.6, and 76104.7; and the 20 percent surcharge on the base bail required by Penal Code section 1465.7. When authorized by the county board of supervisors, the "Total Bail" for a countywide bail schedule adopted under Penal Code section 1269b may also include an additional $2 penalty under Government Code section 76000.5, enacted by Senate Bill 1773 (Stats. 2006, ch. 841), for every $10, or part of $10, of the base fine. Any other "assessment" adopted by a court—such as the assessment for "Night Court" (Vehicle Code section 42006) and "Administrative Assessments" (Vehicle Code section 40508.6)—shall be collected in addition to the "Total Bail." The court security fee specified by Penal Code section 1465.8 (enacted by Assembly Bill 1759; Stats. 2003, ch.159) is also collected in addition to the "Total Bail." Penal Code section 1202.4(b)(1) requires a minimum $100 restitution fine as an assessment in addition to the "Total Bail" in every case where there is a misdemeanor conviction. Other mandatory assessments may also be applicable, especially in DUI cases.

   Fish and Game Code section 12021 authorized a $15 penalty to be collected in addition to the fine and penalties normally collected for violations of the Fish and Game Code, to be deposited in the Fish and Game Preservation Fund and disbursed as specified. The $15 additional penalty does not apply to violations punishable pursuant to Fish and Game Code section 12002.1(b) or 12002.2(b) or to any regulation relating to the wearing or display of a fishing license.

F. "Total Bail" shall not exceed statutory limits. Vehicle Code section 40310 specifies that the "fine" amount of

the total bail shall not exceed the limitations specified by Vehicle Code sections 42001 and 42001.5.

G. In cases where a court appearance is required by a court, the amounts set forth in the Uniform Bail and Penalty Schedules do not necessarily indicate the appropriate total penalties; rather, they ensure that, in most cases, when bail is posted, sufficient funds will be available to meet the defendant's obligations. Upon conviction, however, "additional penalties" are added to any fine. It is incumbent upon the judge who hears each case to determine the proper total penalty (fine and "additional penalties") based upon the particular facts presented.

With the exception of juveniles under age 18, there shall be no mandatory court appearance for any infraction of the California Vehicle Code punishable by fine only. A court may require a mandatory appearance for an infraction violation of the Vehicle Code when a statutory driver's license restriction, suspension, or revocation is authorized, community service or proof of payment or correction is mandatory, or a violation requires specific action under the Vehicle Code in addition to a fine. This paragraph does not apply to violations of local ordinances based on Vehicle Code sections.

H. The "Total Bail" for an offense **not specifically listed** in the Uniform Traffic Infraction Bail and Penalty Schedule is the amount set for the general category of that offense, unless a California code or regulation specifies otherwise. The suggested minimum "Total Bail" for an offense **not specifically listed** in the Uniform Traffic Misdemeanor Bail and Penalty Schedule and the Uniform Boating, Parks and Recreation, or Business Licensing Bail and Penalty Schedules, unless a California code or regulation specifies otherwise, is

	Base	+	Additional Penalties*	+	Surcharge	+	EMS PA*	=	Total Bail/Penalty* (*See section III)
Misdemeanor	$ 75	+	$192	+	$15	+	$16	=	$298
Infraction	$ 35	+	$ 96	+	$ 7	+	$ 8	=	$146

The suggested minimum "Total Bail" for an offense **not specifically listed** in the Uniform Public Utilities Bail and Penalty Schedule, unless a California code or regulation specifies otherwise, is

Misdemeanor	$185	+	$456	+	$37	+	$38	=	$716

The suggested minimum "Total Bail" for an offense **not specifically listed** in the Uniform Fish and Game or Forestry Bail and Penalty Schedules, unless a California code or regulation specifies otherwise, is

Misdemeanor	$100	+	$240	+	$20	+	$20	=	$380
Infraction	$ 35	+	$ 96	+	$ 7	+	$ 8	=	$146

V. Bail Categories

Assembly Bill 1344 (Stats. 1992, ch. 696), effective September 15, 1992, amended Vehicle Code section 40310 to classify Vehicle Code offenses into four or fewer penalty categories, according to the severity of the offenses.

The Judicial Council has approved the following categories of bail/fine after considering suggestions from its Traffic Advisory Committee and the recommendations made by the National Center for State Courts:

		Base Fine		Additional Penalties*		Sur-charge		EMS PA*		Total (*See sec. III) Bail*
Category 1	Bicyclist, motorized scooter, pedestrian, pocket bike, vehicle registration and equipment offenses	$ 25	+	$ 72	+	$ 5	+	$ 6	=	$108
Category 2	Driver's license, operation of vehicle, and size and load offenses	$ 35	+	$ 96	+	$ 7	+	$ 8	=	$146
Category 3	Substance abuse infractions, VC 2818, and VC 21706.5	$ 70	+	$168	+	$14	+	$ 14	=	$266
Category 4	Miscellaneous offenses for which the penalties are specifically set by the Vehicle Code, speeding offenses (refer to Speed Chart), and infractions pursuant to PC 19.8									

Vehicle Code section 14610.5(a) may be charged as either an infraction or a misdemeanor (Vehicle Code section 14610.5(b)). Penal Code section 19.8 permits the following offenses to be charged as either an infraction or a misdemeanor: Vehicle Code sections 12500(a), 14601.1, 23109(c), 27150.1, 40508, and 42005. If one of these offenses is charged as an infraction, the appropriate penalty is listed in the Traffic Infraction Bail and Penalty Schedule. If the offense is charged as a misdemeanor, the recommended penalty is listed in the Traffic Misdemeanor Bail and Penalty Schedule.

VI. Point Count

Vehicle Code sections 12810 and 12810.2 determine the amount of point count. The Department of Motor Vehicles establishes conviction point count based on statutory guidance and definition. Vehicle Code section 12810.5 defines a "negligent operator" based on point count. The Department of Motor Vehicles may take an administrative sanction against a person's driving privilege based on "points" (Vehicle Code section 12810.5).

VII. Prior Convictions

A. The base fine for one Vehicle Code moving violation that is assessed "points" on a current arrest or citation shall be enhanced by $10 for each "prior" conviction within 36 months of the new alleged offense. For calculating the enhancement, both the current and "prior" offense must be a moving violation for which a "point" has been assigned per Vehicle Code section 12810 or 12810.2. Regardless of the number of moving violation convictions on a citation, only one "prior" per citation shall be counted in determining the enhancement on the current offense.

While Vehicle Code section 42001 references maximum fines within a one-year time frame, the Judicial Council has interpreted section 42001 to not preclude a court from considering "prior" convictions for a longer period of time. The period of 36 months was adopted by the Judicial Council (effective January 1, 1989) to correspond to and reinforce

Vehicle Code sections 12810 and 12810.5. These sections define the "point system" used by the Department of Motor Vehicles as prima facie evidence of the negligent operation of a motor vehicle.

Vehicle Code sections 15306 and 15308 specify penalties for commercial drivers in terms of subsequent offenses occurring within three years.

B. In the case of an owner responsibility citation, the "prior" must relate to the particular vehicle for which the new offense is charged.

C. Vehicle Code section 42004 provides that the court, in determining a penalty to be imposed pursuant to the Vehicle Code, may use a written report from the Department of Motor Vehicles that contains information showing prior convictions.

D. With the exception of parking, pedestrian, and bicycle offenses, Vehicle Code section 40508.6 authorizes courts to establish a $10 administrative assessment collected with bail on subsequent offenses for recording and maintaining a defendant's record of "priors."

VIII. Traffic Violator School

A. Vehicle Code section 42007 provides that

1. The court shall collect a fee from every person ordered or permitted to attend traffic violator school in an amount equal to the total bail set forth for the eligible offense in the uniform countywide bail schedule;

2. Where multiple offenses are charged on a single notice to appear, the "total bail" amount collected is the amount applicable to the greater of the eligible offenses; and

3. The court may set a lesser fee upon a showing that the defendant is unable to pay the full amount.

B. Vehicle Code section 40512.6 provides that the fee may be converted to bail and forfeited if the defendant fails to submit proof of school completion within the time ordered by the court.

C. Vehicle Code section 42007.1(a) provides that a $24 fee is to be added to the "total bail" of the offense eligible for traffic violator school diversion.

D. Vehicle Code section 42005 prohibits drivers of commercial vehicles and drivers with a Class A, Class B, or commercial Class C driver's license from attending traffic violator school to obtain dismissal of traffic violations. Assembly Bill 645 (Stats. 2007, ch. 161), effective July 31, 2007, amended subdivision (d) of section 42005 to exclude violations of Vehicle Code sections 20001, 20002, 23103, 23104, 23105, 23140, 23152, or 23153, or 23103, as specified in section 23103.5, from eligibility for a dismissal for completion of traffic violator school.

Sample Calculation of Bail, Traffic Violator School Fee, and Court Security Fee for Multiple Offenses

1. Violation of Vehicle Code sections 21453(a), 22108, and 24252(a).
2. No prior convictions are charged.
3. "Additional penalties" of between $19 and $26 as set out in section III for every $10 of base fine or portion thereof:

AOC "Total Bail" Without Traffic School		Traffic Violator School and Correction Total	
VC 21453(a)	= $ 100	(VC 21453(a))	$380
VC 22108	= $ 35	TVS fee	$ 24
VC 24252(a)	= $ 25	Correction fee	$ 10
Total base fine	= $ 160	Court security	$ 40
Penalties and surcharge	= $ 448	(CAP fee)	($)
TOTAL	= $ 608	TOTAL	$ 454

4. The defendant is ordered to attend traffic violator school under VC 41501 for VC 21453(a) and VC 22108. Per VC 42007 the defendant is charged for the greater/more severe of the qualifying offenses: VC 21453(a) @ $380 plus the $24 TVS fee per VC 42007.1 (total of $404).
5. The charges of VC 21453(a) and VC 22108 are continued under VC 41501. The charge of VC 24252(a) is continued pending proof of correction, required under VC 40522 for dismissal.
6. The defendant presents to the court timely evidence that he or she has completed traffic violator school. The VC 21453(a) and VC 22108 violations are dismissed under VC 41501.
   The defendant submits to the court timely evidence under VC 40616 that the violation of VC 24252(a) has been corrected. The VC 24252(a) violation is dismissed under VC 40522, and a $10 "transaction fee" is charged under VC 40611. The court security fee of $40 is collected and distributed as required by Penal Code section 1465.8 for dismissal of VC 21453(a) and VC 22108 for completion of traffic violator school.
7. The case is closed, with the court collecting $414 ($380 + $24 + $10) plus the $40 court security fee and any court assistance program (CAP) fee under VC 11205(m). Under VC 42006, courts that conduct night or weekend court may also collect an assessment of $1.

IX. Late Charge

Vehicle Code section 40310 requires the imposition of a late charge of 50 percent on any traffic penalties not paid within 20 days. The 20 days shall be counted from the mailing of a notice that the penalty has been assessed.

The initial penalty consists of the base fine, an enhancement for prior convictions (if any), the state, county, and court facility construction additional penalties, and the emergency medical services penalty, if authorized (Penal Code section 1464 and Government Code sections 70372, 70375, 76000, 76000.5, 76104.6, and 76104.7).

Sample Calculation of Late Penalty

1. Base fine		$ 25
2. Enhancement for one prior conviction		+ 10
Enhanced base fine		$ 35
3. Additional penalties (PC 1464 and GC 70372, 70375, 76000, 76000.5, 76104.6, and 76104.7) ($26* x 4) (*See section III)		+ 104
	Initial Penalty	$ 139
4. Night court assessment (VC 42006)		+ 1
5. Administrative assessment for maintaining a record of priors (VC 40508.6)		+ 10
6. Surcharge on base fine (PC 1465.7)		+ 7
7. Court security fee (PC 1465.8)		+ 20
	Total Due	$177
8. Late charge (VC 40310) [50% of initial penalty]		+ 69.50
	Total Due	$ 246.50

X. Offenses Eligible for Correction

Under Vehicle Code section 40522, an officer arresting for violations specified in Vehicle Code section 40303.5 is required to specify the offense charged and note in a form approved by the Judicial Council that the charge shall be dismissed upon proof of correction. Certain offenses specified in Vehicle Code section 40303.5 are designated in the following schedule as eligible for correction. The offenses designated in the schedule as eligible for correction~~,~~ and those offenses specified by Vehicle Code section 40303.5 that are not contained in the schedule~~,~~ are eligible for dismissal with proof of correction if none of the disqualifying conditions of Vehicle Code section 40610(b) exist. Those disqualifying conditions are

1. Evidence of fraud or persistent neglect;

2. The violation represents an immediate safety hazard;

3. The violator does not agree to or cannot promptly correct the violation.

Upon proof of correction of an alleged violation of section 12500 or 12951~~,~~ or any violation cited pursuant to section 40610, Vehicle Code section 40611 authorizes courts to collect a $10 transaction fee for each case. No bail amount shall be collected.

In cases alleging violation of Vehicle Code section 4000(a), Vehicle Code section 40152 requires that proof of registration or proof of payment of the appropriate registration fees or proof that the vehicle has been reduced to junk be produced in court before the offense can be adjudicated.

XI. Evidence of Financial Responsibility

Pursuant to subdivision (e) of section 16028, upon submission of evidence of financial responsibility, in a form consistent with Vehicle Code section 16020, showing that the driver was in compliance with that section at the time the notice to appear for violating Vehicle Code section 16028 was issued, further proceedings for the violation shall be dismissed and no bail amount shall be collected. Vehicle Code section 40611 authorizes courts to collect a $10 transaction fee for each case that is dismissed pursuant to subdivision (e) of section 16028.

XII. Parking Violations

Assembly Bill 408 (Stats. 1992, ch. 1244), effective January 1, 1993, revised and recast the procedures for processing and adjudicating parking law violations as administrative offenses subject to a civil penalty. The bill required courts to transfer the processing of parking offenses to issuing agencies not later than January 1, 1994. Consequently, parking violations that cannot be cited as infractions have been removed from the Uniform Bail and Penalty Schedules.
Vehicle Code section 463 defines "park" or "parking" as the standing of a vehicle, whether occupied or not, otherwise than temporarily for the purpose of and while actually engaged in the loading or unloading of merchandise or passengers.
Under Vehicle Code section 40225(a), equipment violations entered on a notice of parking violation are subject to a civil penalty established according to Vehicle Code section 40225(c). The Traffic Infraction Fixed Penalty Schedule includes Vehicle Code sections that may be cited for a stopping violation on a notice to appear that is signed by the driver. Under Vehicle Code section 42001.13, a violation of disabled parking provisions in Vehicle Code section 22507.8 may be cited as an infraction on a notice to appear. Under Vehicle Code section 42001.5, a violation of Vehicle Code sections 22500(i), 22500(*l*), and 22522 may be cited as an infraction on a notice to appear.
