Senator Nell Soto
822 N. Euclid Avenue
Ontario, CA 91762

Dear Senator Soto:

As a member of the Bench-Bar Coalition of California, President of the SBCBA, and one of your constituents, I would very much like to meet and discuss with you Senate Bill 56 concerning new Judgeships for the State, generally, and San Bernardino County, specifically.

Also, I would very much like to discuss with you issues concerning funding for new secure court facilities for San Bernardino County, Uniform Civil Filing Fees, and equal access issues to our courts.

I would also like to leave with you a brochure that contains fact sheets concerning these issues.

Your staff was kind enough to tentatively schedule a meeting with you for May 13, 2005, at 1:30 P. M. in your Ontario office.

In anxious anticipation that I will be able to meet with you, I respectfully await your kind confirmation to my residential address or cell phone number below.

Very kind regards,

Wilfred J. Schneider, Jr., President
San Bernardino County Bar Association
