A JBE may place orders for Work by entering into a Participating Addendum with Contractor in the form attached as **Appendix E** to this Agreement (“Participating Addendum”). Pricing for Work shall be in accordance with the prices set forth in this Agreement. After a Participating Addendum has been presented to the Contractor by a JBE, the Contractor shall acknowledge, sign, and perform under the Participating Addendum in a timely manner. Contractor shall provide the Work for each JBE in accordance with the terms of this Agreement and the applicable Participating Addendum.
- 1.3** Each Participating Addendum constitutes and shall be construed as a separate, independent contract between Contractor and the JBE signing such Participating Addendum, subject to the following: (i) each Participating Addendum shall be governed by this Agreement, and the terms in this Agreement are hereby incorporated into each Participating Addendum; (ii) the Participating Addendum may not alter or conflict with the terms of this Agreement, or exceed the scope of the Work provided for in this Agreement; and (iii) the term of the Participating Addendum may not extend beyond the expiration date of the Agreement. Subject to the foregoing, the Participating Addendum shall be deemed to include such purchase orders.
- 1.5** The JBE signing the Participating Addendum shall be solely responsible for: (i) the acceptance of and payment for the Work under such Participating Addendum; and (ii) its obligations and any breach of its obligations. Any breach of obligations by a JBE shall not be deemed a breach by any other JBE. Under no circumstances shall a JBE have any liability or obligation except pursuant to a Participating Addendum signed by such JBE, nor shall any breach by a JBE under a Participating Addendum give rise to a breach under any other Participating Addendum or be deemed grounds for termination of this Agreement by Contractor. The Establishing JBE shall have no liability or responsibility of any type related to: (i) any
