Services

1. Background, Purpose, and Ordering.

- 1.1 This Agreement sets forth the terms and conditions that apply to Contractor's provision of work ("Work") to the JBEs. "Work" shall mean Contractor's performance under this Agreement generally, and more specifically, the services ("Services") and deliverables ("Deliverables") provided by information technology ("IT) consultants discussed in Section 2.1 Contractor shall supply such IT consultants to a JBE for assistance with its IT project(s) in accordance with this Agreement. This Agreement does not obligate a JBE to place any orders for Work under this Agreement and does not guarantee Contractor a specific volume of orders.
- 1.2 Each JBE shall have the right to solicit Work under this Agreement. A JBE may solicit Work, by selecting IT consultant candidates discussed in Section 2.1 below, to assist with IT projects in accordance with the RFO process described below in Section 2.2. Thereafter, the JBE will enter into a Participating Addendum (in the form attached as Appendix E to this Agreement ("Participating Addendum") with the selected Contractor, unless the JBE has already executed a Participating Addendum with Contractor. pursuant to a prior RFO, in which case the JBE may at its sole option, either amend the Participating Addendum, or enter into a new Participating Addendum with Contractor. Pricing for Work shall be in accordance with the prices set forth in this Agreement. (Note: Contractor may charge lower rates when responding to an RFO.) After a Participating Addendum has been presented to the Contractor by a JBE, the Contractor shall acknowledge, sign, and perform under the Participating Addendum in a timely manner. Contractor shall provide the Work for each JBE in accordance with the terms of this Agreement and the applicable Participating Addendum.
- 1.3 Each Participating Addendum constitutes and shall be construed as a separate, independent contract between Contractor and the JBE signing such Participating Addendum, subject to the following: (i) each Participating Addendum shall be governed by this Agreement, and the terms in this Agreement are hereby incorporated into each Participating Addendum; (ii) the Participating Addendum may not alter or conflict with the terms of this Agreement, or exceed the scope of the Work provided for in this Agreement; and (iii) the term of the Participating Addendum may not extend beyond the Expiration Date of the Agreement. The Participating Addendum and this Agreement shall take precedence over any terms and conditions included on Contractor's invoice or similar document. Contractor shall notify the Establishing JBE within five (5) business days of receipt of a Participating Addendum from a Participating Entity. The Contractor shall promptly provide the Establishing JBE with a fully signed copy of each Participating Addendum (including any amendments) between the Contractor and a Participating Entity.

- 1.4** The JBE signing the Participating Addendum shall be solely responsible for: (i) the acceptance of and payment for the Work under such Participating Addendum; and (ii) its obligations and any breach of its obligations. Any breach of obligations by a JBE shall not be deemed a breach by any other JBE. Under no circumstances shall a JBE have any liability or obligation except pursuant to a Participating Addendum signed by such JBE, nor shall any breach by a JBE under a Participating Addendum give rise to a breach under any other Participating Addendum or be deemed grounds for termination of this Agreement by Contractor. The Establishing JBE shall have no liability or responsibility of any type related to: (i) any other JBE's use of or procurement through this Agreement (including any Participating Addendum), or (ii) such JBE's business relationship with Contractor. The Establishing JBE makes no guarantees, representations, or warranties to any Participating Entity.
- 1.5** This Agreement is a nonexclusive agreement. Each JBE reserves the right to provide, or have others provide the Work. Contractor shall reasonably cooperate with any third parties retained by a JBE to provide the Work.
- 1.6** Each calendar quarter, Contractor shall submit a report to the Establishing JBE detailing the new and existing Participating Addendums executed with all JBEs. At its option, the Establishing JBE may provide a quarterly report template that Contractor must use. To maintain contract performance records, a contractor shall submit a quarterly report even if it indicates no contract activity.

2. Services.

2.1 Description of Services.

In accordance with the RFO process set forth in 2.2 below and corresponding to the following bulleted classifications ("Classifications), Contractor will supply JBEs with IT consultant(s) who will perform Work for any JBE requiring assistance with its IT project(s). The job description, tools to be provided by the Contractor, and any required certification corresponding to each IT consultant Classification are set forth in Exhibit 3, Job Classifications and Descriptions.

The following services are expressly excluded from Contractor's Work, regardless of any classifications or descriptions contained in this Agreement: 1) any work requiring a California construction contractor's license, and 2) any prevailing wage work requiring a Department of Industrial Relations a public works registration number. 2.2 RFO Process

The JBE may request Contractor to propose competent personnel to perform Work for the JBE as set forth in Exhibit 4, Request for Offer. The RFO process is a competitive selection process exclusive only to those holders of master agreements for IT Consulting Managed Services similar to this Agreement. If Contractor's candidate is selected by the JBE to be key personnel pursuant to the evaluation criteria under the competitive RFO process, the JBE will enter into a Participating Addendum with Contractor. Thereafter, the JBE will present to Contractor a contract and/or purchase order, or other applicable ordering document for the Work. Any and all Work performed under this Agreement by such key personnel will be authorized only when an applicable ordering document by a JBE has been executed. This also includes any applicable amendments. Such contract, purchase order, or other applicable ordering document for the Work is subject to and governed by the terms of this Agreement and the Participating Addendum, and any term in the contract, purchase order, or other applicable ordering document for the Work that conflicts with or alters any term of the Agreement (or the Participating Addendum) or exceeds the scope of the Work provided for in this Agreement, will not be deemed part of the contract between Contractor and JBE. Subject to the foregoing, the Participating Addendum shall be deemed to include such purchase orders.

A. RFO Process Initiation

If a JBE desires IT consultant for a project, the JBE will develop an RFO (discussed below in Section 2.2.B). The JBE will send the RFO, substantially in the form of Exhibit 4, Request For Offer, to selected master agreement holders, which may include Contractor. At its reasonable discretion, and without having to amend the Agreement, the Establishing JBE reserves the right to update Exhibit 4, Request For Offer, from time to time. Notwithstanding any provision to the contrary, RFOs may only be sent to eligible Contractors that are master agreement holders for the Region in which the JBE is located, and for the Classification(s) that the JBE is seeking. For example, a JBE located in the Southern Region may only submit RFOs to a master agreement holder located in the Bay Region if that holder is also a master agreement holder for the Southern Region, and for the Classification(s) set forth in the RFO. The JBE, in accordance with user instructions provided to it by the Judicial Council, will determine the number of master agreement holders and which master agreement holders may be requested to propose an offer in response to the RFO. The JBE will submit RFOs and enter

into Participating Addendums within dollar amount maximums set forth in the user instructions provided to it by the Judicial Council. The Contractor's response to an RFO shall constitute a formal offer to provide key personnel as specified in the RFO.

B. Contractor's Offer

- i. Part 1, Requirements, of the RFO, will be filled out by the JBE. It will identify the specific Classification(s) and Region(s) being requested for the particular IT Project, estimated term of Work and estimated number of hours.
- ii. Part 2, Proposed Candidate Qualification, of the RFO will be filled out by Contractor. Contractor will thoroughly and completely describe an IT consultant candidate's expertise, technical competence, past work performance, and ability to meet the requirements of the RFO.
- iii. Part 3, Proposed Costs, of the RFO will be filled out by the Contractor. It will include hourly rates by Classification and Region listed or lower hourly rates than what are listed in the Agreement.

C. Clarification of an RFO

In the event Contractor seeks clarification, Contractor should submit such questions, unless directed otherwise, by email to the JBE's issuing mailbox by the due date and time for questions set forth in the RFO.

D. Submission of Offers to an RFO

- i. Offers are due by the due date and time set forth in the RFO. Contractor shall submit its offer in accordance with instructions in the RFO. The JBE may select offers to be submitted in hard copy and/or electronically.
- ii. If hardcopy, the JBE must provide their mailing address, including contact name. The Contractor must put the RFO number on the mailing label. The offer must be received by the date/time as listed on the RFO. The JBE may request the Contractor provide more than one hardcopy of its offer and/or request the offer be submitted on a thumb drive or other device.
- iii. If submitted electronically, the JBE must provide a valid email address to receive the RFO offer. The Contractor must put the RFO number in the Subject Line of the email. The email must be received by the date/time as listed on the RFO. The time stamp will be when the JBE receives the email.

- iv. Only written proposals will be accepted.
- v. Late offers will not be accepted.

E. Evaluation of the RFO Offer

- i. Offers received by the due date and time specified in the RFO will be evaluated using the criteria specified in the RFO.
- ii. In accordance with the criteria set forth in the RFO, the JBE will conduct a preliminary evaluation of the IT consultant candidates submitted in Contractor's offer. The JBE will then develop a list of the top-ranked candidates to be interviewed, if applicable, and communicate such list to Contractor.
- iii. As established in the RFO, the JBE may conduct interviews of the top-ranked candidates to clarify, among other items, aspects set forth in Contractor's offer specific to the candidate, and to determine the candidate's technical competence and communications skills.

F. Selection and Authorization of RFO

- i. After evaluation of the candidates presented in Contractor's offer, the JBE may select Contractor's offer if such offer best meets the needs of and provides the best value to the JBE. As discussed previously in Sections 1.2 and 2.2 above, the JBE will do this by entering into a Participating Addendum with Contractor, in the form attached as Appendix E to this Agreement. Protest provisions (including those that normally apply to RFPs) are not applicable to the RFO process.
- ii. In the event the JBE has already entered into a Participating Addendum with Contractor based on a previous RFO, the JBE may at its sole option: (i) amend the Participating Addendum to reflect the new RFO services; or (ii) enter into a new Participating Addendum. This Agreement, including the new or amended Participating Addendum (including amended provisions specific to the Work under the new RFO), will govern the Work under the new RFO. It may, however, still be necessary to execute other applicable documents discussed above in Section 2.2, e.g., a purchase or work order.

2.3 Project Managers. Each JBE may designate a project manager. The Establishing JBE's project manager is: **Tonya Faria**. A JBE may change its project manager at any time upon notice to Contractor without need for an amendment to this Agreement. Contractor's project manager is: **Gourav Poddar**. Subject to written approval by the JBE, Contractor may change its project manager without need for an amendment to this Agreement.

2.4 Deliverables. Contractor shall deliver to the JBEs any Deliverables from the Work, if applicable, per the requirements defined in the RFO

2.5 Timeline. Contractor must perform the Work, i.e., Services and deliver the Deliverables, according to the timeline as referenced in the RFO.

2.6 Work Warranties. Contractor warrants to the JBEs that: (i) the Work will be rendered with promptness and diligence and will be executed in a workmanlike manner, in accordance with the practices and professional standards used in well-managed operations performing services similar to the Work; and (ii) Contractor will perform the Work in the most cost-effective manner consistent with the required level of quality and performance. Contractor warrants that each Deliverable and the Services will conform to the requirements of this Agreement and all applicable specifications and documentation, as well as applicable laws. The foregoing warranty shall commence upon the JBE's acceptance of such Deliverable or Service and shall continue for a period of one (1) year following acceptance. In the event any Deliverable or Service does not conform to the foregoing warranty, Contractor shall promptly correct all nonconformities to the satisfaction of the JBE.

2.7 Resources. Contractor is responsible for providing any and all materials and resources (including personnel, equipment, tools and software) necessary and appropriate for performance of the Work and to meet Contractor's obligations under this Agreement.

2.8 Commencement of Performance. This Agreement is of no force and effect until signed by both parties and any Establishing JBE-required approval is secured. Any commencement of performance prior to an executed Agreement, which includes a Participating Addendum and may include other applicable documentation such as a work or purchase order, shall be at Contractor's own risk.

2.9 Stop Work Orders.

Each JBE may, at any time, by Notice to Contractor, require Contractor to stop all or any part of the Work being provided to such JBE for a period up to ninety (90) days after the Notice is delivered to Contractor, and for any further period to which the JBE and the Contractor may agree ("Stop Work Order"). The Stop Work Order shall be specifically identified as such and shall indicate it is issued under this provision. Upon receipt of the Stop Work Order, Contractor shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the Work covered by the Stop Work Order during the period of stoppage. Within ninety (90) days after a Stop Work Order is delivered to Contractor, or within any extension of that period to which the parties shall have agreed, the JBE shall either (i) cancel the Stop Work Order; or (ii) terminate the Work covered by the Stop Work Order as provided for in this Agreement.

If a Stop Work Order issued under this provision is canceled or the period of the Stop Work Order or any extension thereof expires, Contractor shall resume the performance of the Work. The JBE shall make an equitable adjustment in the delivery schedule and the applicable documentation shall be modified, in writing, accordingly, if:

- i. The Stop Work Order results in an increase in the time required for performance of any part of the Work; and
- ii. Contractor requests an equitable adjustment within thirty (30) days after the end of the period of stoppage.

The JBEs shall not be liable to Contractor for loss of profits because of a Stop Work Order issued under this provision.

3. Acceptance or Rejection. All Work is subject to acceptance by each JBE. The JBE may reject any Work that (i) fails to meet applicable requirements or specifications, including acceptance criteria developed by the JBE as part of the RFO process, (ii) is not as warranted, as applicable, or (iii) is performed or delivered late (without prior consent by the JBE). The JBE may use the Attachment 1, Acceptance and Signoff Form, to notify Contractor of the acceptance or rejection of the Work. If the JBE rejects any Work (other than for late performance or delivery), Contractor shall modify such rejected Work at no expense to the JBE to correct the relevant deficiencies and shall redeliver such Work to the JBE within ten (10) business days after the JBE's rejection, unless otherwise agreed in writing by the JBE. Thereafter, the parties shall repeat the process set forth in this section until the JBE accepts such corrected Work. The JBE may terminate the portion of the Agreement under Section 7.2 of Appendix C, that relates to the rejected Work at no expense to the JBE if the JBE rejects that Work (i) for late performance or delivery, or (ii) Contractor fails to cure the relevant deficiencies after two attempts.

Contractor shall provide prompt written notice to the Establishing JBE and any Participating Entity in the event that insurance coverage is cancelled or materially changed from the coverage set forth in the current certificate of insurance provided to the Establishing JBE and Participating Entities.
- 3.7 Qualifying Insurers.** For insurance to satisfy the requirements of this section, all required insurance must be issued by an insurer with an A.M. Best rating of A - or better that is approved to do business in the State of California.
- 3.8 Required Policy Provisions.** Each policy must provide, as follows: (i) the policy is primary and noncontributory with any insurance or self-insurance maintained by Judicial Branch Entities and Judicial Branch Personnel, and the basic coverage insurer waives any and all rights of subrogation against Judicial Branch Entities and Judicial Branch Personnel; (ii) the insurance applies separately to each insured against whom a claim is made or a lawsuit is brought, to the limits of the insurer's liability; and (iii) each insurer waives any right of recovery or subrogation it may have against the Establishing JBE, any Participating Entity, the Judicial Council of California, and their respective judges, subordinate judicial officers, executive officers, administrators, officers, officials, agents, representatives, contractors, volunteers or employees for loss or damage.
- 3.9 Partnerships.** If Contractor is an association, partnership, or other joint business venture, the basic coverage may be provided by either (i) separate insurance policies issued for each individual entity, with each entity included as a named insured or as an additional insured; or (ii) joint insurance program with the association, partnership, or other joint business venture included as a named insured.
- 3.10 Consequence of Lapse.** If required insurance lapses during the Term, the JBEs are not required to process invoices after such lapse until Contractor provides evidence of reinstatement that is effective as of the lapse date.
- 4. Indemnity.** Contractor (and its subcontractors) will defend (with counsel satisfactory to the JBE or its designee), indemnify and hold harmless the Judicial Branch Entities and the Judicial Branch Personnel against all claims, losses, and expenses, including attorneys' fees and costs, that arise out of or in connection with: (i) a latent or patent defect in any Work; (ii) an act or omission of Contractor, its agents, employees, independent contractors, or subcontractors in the performance of this Agreement; (iii) a breach of a representation, warranty, or other provision of this Agreement or any Participating Addendum; and (iv) infringement of any trade secret, patent, copyright or other third party intellectual property. This indemnity applies regardless of the theory of liability on which a claim is made, or a loss occurs. This indemnity will survive the expiration or termination of this Agreement or any Participating Addendum, and acceptance of any Work. Contractor (and its subcontractors) shall not make any admission of liability or other statement on behalf of an indemnified party or enter into any settlement or other agreement that would bind an indemnified party, without the affected JBE's prior written

consent; and such JBE shall have the right, at its option and expense, to participate in the defense and/or settlement of a claim through counsel of its own choosing. The duties of indemnification set forth in this paragraph exclude indemnifying a party for that portion of losses and expenses that are finally determined by a reviewing court to have arisen out of the sole negligence or willful misconduct of the indemnified party.

- 5. Option Term.** The Establishing JBE may, at its sole option, extend this Agreement beyond the Initial Term for up to three (3) consecutive optional one-year Terms, at the end of which Option Term this Agreement shall expire. In order to exercise this Option Term, the Establishing JBE must send Notice to Contractor at least thirty (30) days prior to the end of the Initial Term or Option Term, as applicable. The exercise of an Option Term will be effective without Contractor's signature, and any subsequent discussions regarding revisions to the pricing shall be subject to Section 2.1.(e) of Appendix B of this Agreement.

- A. **November 1, 2021 through October 31, 2024 ("Initial Term").**
- B. **November 1, 2024 through October 31, 2025 ("First Option Term").**
- C. **November 1, 2025 through October 31, 2026 ("Second Option Term").**
- D. **November 1, 2026 through October 31, 2027 ("Third Option Term").**

In the event the Judicial Council elects to exercise an option or options to extend the Agreement, the Agreement will not exceed a total of six (6) years in total.

- 6. Tax Delinquency.** Contractor must provide Notice to the JBEs immediately if Contractor has reason to believe it may be placed on either (i) the California Franchise Tax Board's list of 500 largest state income tax delinquencies, or (ii) the California Board of Equalization's list of 500 largest delinquent sales and use tax accounts. The Establishing JBE may terminate this Agreement immediately "for cause" pursuant to Section 7.2 below (and each JBE may terminate its Participating Addendum immediately "for cause" pursuant to Section 7.2 below) if (i) Contractor fails to provide the Notice required above, or (ii) Contractor is included on either list mentioned above.

7. Termination

7.1 Termination for Convenience. The Establishing JBE may terminate, in whole or in part, this Agreement (and a JBE may terminate, in whole or in part, a Participating Addendum) for convenience upon thirty (30) days prior Notice. After receipt of such Notice, and except as otherwise directed by the Establishing JBE (and regarding a Participating Addendum, except as otherwise directed by the JBE), Contractor shall immediately stop Work as specified in the Notice.

7.2 Termination for Cause. The Establishing JBE may terminate this Agreement, in whole or in part, immediately "for cause" (and a JBE may terminate a Participating Addendum, in whole or in part, immediately "for cause"): if (i) Contractor fails or is unable to meet or perform any of its duties under this Agreement or a Participating Addendum, and this failure is not cured within ten (10) days following Notice of default (or in the opinion of the JBE, is not capable of being cured within this cure period); (ii) Contractor or Contractor's creditors file a petition as to Contractor's bankruptcy or insolvency, or Contractor is declared bankrupt, becomes insolvent, makes an assignment for the benefit

of creditors, goes into liquidation or receivership, or otherwise loses legal control of its business; or (iii) Contractor makes or has made under this Agreement (or any Participating Addendum) any representation, warranty, or certification that is or was incorrect, inaccurate, or misleading.

7.3 Termination upon Death. This entire Agreement will terminate immediately without further action of the parties upon the death of a natural person who is a party to this Agreement, or a general partner of a partnership that is a party to this Agreement.

7.4 Termination for Changes in Budget or Law. Each JBE's payment obligation are subject to annual appropriation and the availability of funds. Expected or actual funding may be withdrawn, reduced, or limited prior to the expiration or other termination of this Agreement or Participating Addendum. Funding beyond the current appropriation year is conditioned upon appropriation of sufficient funds to support the activities described in this Agreement (including a Participating Addendum). The Establishing JBE may terminate this Agreement (and any JBE may terminate a Participating Addendum), and each JBE may limit Contractor's Work (and reduce proportionately Contractor's fees) upon Notice to Contractor without prejudice to any right or remedy of the JBEs if: (i) expected or actual funding to compensate Contractor is withdrawn, reduced or limited; or (ii) the Establishing JBE determines that Contractor's performance under this Agreement (or a JBE determines that Contractor's performance under a Participating Addendum) has become infeasible due to changes in applicable laws.

7.5 Rights and Remedies.

A. *Nonexclusive Remedies.* All remedies provided in this Agreement may be exercised individually or in combination with any other available remedy. Contractor shall notify the Establishing JBE and the affected Participating Entities immediately if Contractor is in default, or if a third-party claim or dispute is brought or threatened that alleges facts that would constitute a default under this Agreement (or a Participating Addendum). If Contractor is in default: (i) a JBE may withhold all or any portion of a payment otherwise due to Contractor, and exercise any other rights of setoff as may be provided in this Agreement; (ii) a JBE may require Contractor to enter into nonbinding mediation; (iii) the Establishing JBE may exercise, following Notice, the Establishing JBE's right of early termination of this Agreement (and a JBE may exercise its right of early termination of a Participating Addendum) as provided herein; and (iv) a JBE may seek any other remedy available at law or in equity.

B. *Replacement.* If the Establishing JBE terminates this Agreement (or if a JBE terminates a Participating Addendum) in whole or in part for cause, the JBE may acquire from third parties, under the terms and in the manner the JBE considers appropriate, services equivalent to those terminated, and Contractor shall be liable to the JBE for any excess costs for those services. Notwithstanding any other provision, in no event shall the excess cost to the JBEs for such services be excluded as indirect, incidental, special, exemplary, punitive or consequential damages of the JBEs. Contractor shall continue any Work not terminated.

C. *Delivery of Materials.* In the event of any expiration or termination of this Agreement (or a Participating Addendum), Contractor shall promptly provide the

applicable JBE or JBEs with all originals and copies of the Deliverables for such JBE, including any partially-completed Deliverables-related work product or materials, and any JBE-provided materials in its possession, custody, or control. In the event of any termination of this Agreement or Participating Addendum, the JBEs shall not be liable to Contractor for compensation or damages incurred as a result of such termination.

- D. *Participating Addenda.*** The termination of this Agreement shall not result in the termination of any outstanding Participating Addendum that has not been terminated by a JBE, and this Agreement shall continue to apply to any such Participating Addendum until such time as all Work under such Participating Addendum has been completed by its terms or is terminated as provided in this Section 7; provided, however, that the term of such Participating Addendum may not exceed the Expiration Date of this Agreement. Issuance and acknowledgement of any Participating Addendum (as evidenced by the JBE's and Contractor's signature on the Participating Addendum) must be completed before the termination or expiration of this Agreement.

7.6 Survival. Termination or expiration of this Agreement shall not affect the rights and obligations of Contractor, the Establishing JBE, and the Participating Entities which arose prior to any such termination or expiration (unless otherwise provided herein) and such rights and obligations shall survive any such termination or expiration. Rights and obligations that by their nature should survive shall remain in effect after termination or expiration of this Agreement, including any section of this Agreement that states it shall survive such termination or expiration.

7.7 Termination Assistance. At the JBE's request and option, during the Termination Assistance Period, Contractor shall provide, at the same rates charged immediately before the start of the Termination Assistance Period, to the JBE or to its designee (collectively, "Successor") services reasonably necessary to enable the JBE to obtain from another contractor, or to provide for itself, services to substitute for or replace the Work, together with all other services to allow the Work to continue without interruption or adverse effect and to facilitate the orderly transfer of the Work to the Successor (collectively, the "Termination Assistance Services"). Termination Assistance Services will be provided to the JBE by Contractor regardless of the reason for termination or expiration. "Termination Assistance Period" means the period commencing upon the expiration or termination of this Agreement and each Participating Addendum and expiring six (6) months thereafter, as such period may be extended by the Parties.

8. Assignment and Subcontracting. Contractor may not assign or subcontract its rights or duties under this Agreement (including any Participating Addendum), in whole or in part, whether by operation of law or otherwise, without the prior written consent of the Establishing JBE. Consent may be withheld for any reason or no reason. Any assignment or subcontract made in contravention of the foregoing shall be void and of no effect. Subject to the foregoing, this Agreement will be binding on the parties and their permitted successors and assigns. Approved subcontractors will be set forth in an exhibit to this Agreement; provided, however, that the Establishing JBE may withdraw its approval of a subcontractor at its discretion, including if it determines in good faith that the subcontractor is, or will be, unable to effectively perform its responsibilities. If the Establishing JBE rejects any proposed subcontractor (or

otherwise withdraws approval of a subcontractor) in writing, Contractor will assume the proposed subcontractor’s responsibilities. No subcontracting shall release Contractor from its responsibility for performance of its obligations under this Agreement or any Participating Addendum. Contractor shall remain fully responsible for the performance of subcontractors hereunder, including, without limitation, all work and activities of subcontractors providing services to Contractor in connection with the Work. Contractor shall be the sole point of contact with subcontractors under this Agreement or any Participating Addendum, and Contractor shall be solely responsible for subcontractors, including, without limitation, payment of any and all charges resulting from any subcontract, and the acts and omissions of any persons directly or indirectly employed by the subcontractor. The Establishing JBE’s consent to any subcontracting or delegation of Contractor’s obligations will take effect only if there is a written agreement between the Contractor and the subcontractor, stating that: (i) the Contractor and Subcontractor are jointly and severally liable to the Judicial Branch Entities for performing the obligations in this Agreement or any Participating Addendum; (ii) the subcontractor makes the representations, warranties, and certifications made by the Contractor in this Agreement and Participating Addendum; (iii) the Contractor and subcontractor appoint the Judicial Branch Entities as intended third party beneficiaries under Contractor’s written agreement with the subcontractor; and (iv) the subcontractor agrees to comply with, perform, and be subject to the terms of this Agreement and Participating Addendums (including without limitation, provisions regarding indemnity, insurance, confidentiality, and data security).

10. Provisions Applicable to Certain Agreements. The provisions in this section are applicable to this Agreement and to any Participating Addendum, provided, however that if this Agreement or a Participating Addendum is not of the type described in the first sentence of a subsection, then that subsection does not apply to this Agreement or such Participating Addendum.

10.1 Union Activities Restrictions. *If the Contract Amount is over \$50,000, this section is applicable.* Contractor agrees that no JBE funds received under this Agreement or any

Participating Addendum will be used to assist, promote or deter union organizing during the Term. If Contractor incurs costs, or makes expenditures to assist, promote or deter union organizing, Contractor will maintain records sufficient to show that no JBE funds were used for those expenditures. Contractor will provide those records to the Attorney General upon request.

- 10.2 Domestic Partners, Spouses, Gender, and Gender Identity Discrimination.** *If the Contract Amount is \$100,000 or more, this section is applicable.* Contractor is in compliance with, and throughout the Term will remain in compliance with: (i) PCC 10295.3, which places limitations on contracts with contractors who discriminate in the provision of benefits on the basis of marital or domestic partner status; and (ii) PCC 10295.35, which places limitations on contracts with contractors that discriminate in the provision of benefits on the basis of an employee's or dependent's actual or perceived gender identity.
- 10.3 Child Support Compliance Act.** *If the Contract Amount is \$100,000 or more, this section is applicable.* Contractor recognizes the importance of child and family support obligations and fully complies with (and will continue to comply with during the Term) all applicable state and federal laws relating to child and family support enforcement, including disclosure of information and compliance with earnings assignment orders, as provided in Family Code section 5200 et seq. Contractor provides the names of all new employees to the New Hire Registry maintained by the California Employment Development Department.
- 10.4 Priority Hiring.** *If the Contract Amount is over \$200,000 and this Agreement is for services (other than Consulting Services), this section is applicable.* Contractor shall give priority consideration in filling vacancies in positions funded by this Agreement to qualified recipients of aid under Welfare and Institutions Code section 11200 in accordance with PCC 10353.
- 10.5 Iran Contracting Act.** *If the Contract Amount is \$1,000,000 or more and Contractor did not provide to the Establishing JBE an Iran Contracting Act certification as part of the solicitation process, this section is applicable.* Contractor certifies either (i) it is not on the current list of persons engaged in investment activities in Iran ("Iran List") created by the California Department of General Services pursuant to PCC 2203(b), and is not a financial institution extending \$20,000,000 or more in credit to another person, for forty-five (45) days or more, if that other person will use the credit to provide goods or services in the energy sector in Iran and is identified on the Iran List, or (ii) it has received written permission from the Establishing JBE to enter into this Agreement (and written permission from each JBE to enter into the applicable Participating Addendum) pursuant to PCC 2203(c).
- 10.6 DVBE Commitment.** This section is applicable if Contractor received a disabled veteran business enterprise ("DVBE") incentive in connection with this Agreement. Contractor's failure to meet the DVBE commitment set forth in its bid or proposal constitutes a breach of the Agreement. If Contractor used DVBE subcontractor(s) in connection with this Agreement (or a Participating Addendum): (i) Contractor must use the DVBE subcontractors identified in its bid or proposal, unless the Establishing JBE approves in writing replacement by another DVBE subcontractor in accordance with the

terms of this Agreement; and (ii) Contractor must, within sixty (60) days of receiving final payment under each Participating Addendum, certify in a report to the applicable JBE: (1) the total amount of money and percentage of Work Contractor committed to provide to each DVBE subcontractor and the amount each DVBE subcontractor received under the Participating Addendum; (2) the name and address of each DVBE subcontractor to which Contractor subcontracted Work in connection with the Participating Addendum; (3) the amount each DVBE subcontractor received from Contractor in connection with the Participating Addendum; and (4) that all payments under the Participating Addendum have been made to the applicable DVBE subcontractors. Upon request by the JBE, Contractor shall provide proof of payment for the Work. A person or entity that knowingly provides false information shall be subject to a civil penalty for each violation. Contractor will comply with all rules, regulations, ordinances and statutes that govern the DVBE program, including, without limitation, Military and Veterans Code section 999.5.

10.7 Antitrust Claims. *If this Agreement resulted from a competitive solicitation, this section is applicable.* Contractor shall assign to the applicable JBE all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. Sec. 15) or under the Cartwright Act (Chapter 2 (commencing with Section 16700) of Part 2 of Division 7 of the Business and Professions Code), arising from purchases of goods, materials, or services by Contractor for sale to the JBE. Such assignment shall be made and become effective at the time the JBE tender's final payment to Contractor. If the JBE receives, either through judgment or settlement, a monetary recovery for a cause of action assigned under this section, Contractor shall be entitled to receive reimbursement for actual legal costs incurred and may, upon demand, recover from the JBE any portion of the recovery, including treble damages, attributable to overcharges that were paid by Contractor but were not paid by the JBE as part of the bid price, less the expenses incurred in obtaining that portion of the recovery. Upon demand in writing by Contractor, the JBE shall, within one (1) year from such demand, reassign the cause of action assigned under this part if Contractor has been or may have been injured by the violation of law for which the cause of action arose and (a) the JBE has not been injured thereby, or (b) the JBE declines to file a court action for the cause of action.

10.8 Good Standing. *If Contractor is a corporation, limited liability company, or limited partnership, and this Agreement (and any Participating Addendum) is performed in whole or in part in California, this section is applicable.* Contractor is, and will remain for the Term, qualified to do business and in good standing in California.

10.9 Equipment. The JBE may, at its option, repair any damaged or replace any of its lost or stolen items or equipment utilized by Contractor, and deduct the cost thereof from Contractor's invoice to the JBE, or require Contractor to repair or replace any damaged, lost, or stolen equipment to the satisfaction of the JBE at no expense to the JBE. If a theft occurs, Contractor must file a police report immediately.

10.10 Four-Digit Date Compliance. *If this Agreement (or any Participating Addendum) includes the purchase of systems, software, or instrumentation with imbedded chips, this section is applicable.* Contractor represents and warrants that it will provide only Four-Digit Date Compliant Deliverables and services to the JBEs. "Four-Digit Date

Compliant” Deliverables and services can accurately process, calculate, compare, and sequence date data, including date data arising out of or relating to leap years and changes in centuries. This warranty and representation are subject to the warranty terms and conditions of this Agreement and does not limit the generality of warranty obligations set forth elsewhere in this Agreement or any Participating Addendum.

10.11 Small Business Preference Commitment. This section is applicable if Contractor received a small business preference in connection with this Agreement. Contractor’s failure to meet the small business commitment set forth in its bid or proposal constitutes a breach of this Agreement (and any Participating Addendum). Contractor must within sixty (60) days of receiving final payment under this Agreement (and any Participating Addendum) report to the JBE the actual percentage of small/micro business participation that was achieved. If Contractor is a nonprofit veteran service agency (“NVSA”), Contractor must employ veterans receiving services from the NVSA for not less than seventy-five percent (75%) of the person-hours of direct labor required for the production of Work performed pursuant to this Agreement (and any Participating Addendum).

10.12 Prevailing Wage. *If this Agreement (or any Participating Addendum) includes work subject to California Prevailing Wage Laws (Labor Code §§1770 et seq., this section is applicable).* Contractor and any subcontractors performing prevailing wage work must comply with all prevailing wage laws and regulations. Prior to the start of any prevailing wage work, Contractor and all subcontractors performing such work, must provide the JBE with the Prevailing Wage and Related Labor Certification (**Appendix G**).

11. Miscellaneous Provisions.

11.1 Independent Contractor. Contractor is an independent contractor to the JBEs. No employer-employee, partnership, joint venture, or agency relationship exists between Contractor, including, but not limited to, any subcontractor of Contractor, or IT consultant working for Contractor or one of its subcontractors, and the JBEs. Contractor has no authority to bind or incur any obligation on behalf of the JBEs. If any governmental entity concludes that Contractor is not an independent contractor, the Establishing JBE may terminate this Agreement (and a JBE may terminate a Participating Addendum) immediately upon notice.

11.2 GAAP Compliance. Contractor shall maintain an adequate system of accounting and internal controls that meets Generally Accepted Accounting Principles.

11.3 Audit. Contractor must allow the JBEs or their designees to review and audit Contractor’s (and any subcontractors’) documents and records relating to this Agreement (including any Participating Addendum), and Contractor (and its subcontractors) shall retain such documents and records for a period of four (4) years following final payment under this Agreement. If an audit determines that Contractor (or any subcontractor) is not in compliance with this Agreement (including any Participating Addendum), Contractor shall correct errors and deficiencies by the twentieth (20th) day of the month following the review or audit. If an audit determines that Contractor has overcharged the JBE five percent (5%) or more during the time period subject to audit, Contractor must

reimburse the JBE in an amount equal to the cost of such audit. This Agreement (and any Participating Addendums) are subject to examinations and audit by the State Auditor for a period of three (3) years after final payment.

Licenses and Permits. Contractor shall obtain and keep current all necessary licenses, approvals, permits and authorizations required by applicable law for the performance of the Work. Contractor will be responsible for all fees and taxes associated with obtaining such licenses, approvals, permits and authorizations, and for any fines and penalties arising from its noncompliance with any applicable law. Contractor and subcontractor(s) shall not perform any work requiring a California contractor's license (C-7 or otherwise) unless Contractor and subcontractor(s) holds an active California contractor's license 1) at the time of executing this Agreement, 2) upon entering into any agreement with a JBE, and 3) for the duration of any work requiring the contractor's license. The Contractor entering into the Agreement must hold the contractor's license in accordance with California Contractors' State License Law (Bus. & Prof. §§ 7000 et seq.).

11.4 Confidential Information, Data, and Security.

- A. During the Term and at all times thereafter, Contractor will: (a) hold all Confidential Information in strict trust and confidence, (b) refrain from using or permitting others to use Confidential Information in any manner or for any purpose not expressly permitted by this Agreement, and (c) refrain from disclosing or permitting others to disclose any Confidential Information to any third party without obtaining the JBE's express prior written consent on a case-by-case basis. Contractor will disclose Confidential Information only to its employees or contractors who need to know that information in order to perform Work hereunder and who have executed a confidentiality agreement with Contractor at least as protective as the provisions of this section Contractor will protect the Confidential Information from unauthorized use, access, or disclosure in the same manner as Contractor protects its own confidential or proprietary information of a similar nature, and with no less than the greater of reasonable care and industry-standard care. Each JBE owns all right, title and interest in its Confidential Information. Contractor will notify the affected JBE promptly upon learning of any unauthorized disclosure or use of Confidential Information and will cooperate fully with the JBE to protect such Confidential Information. Upon a JBE's request and upon any termination or expiration of this Agreement or a Participating Addendum, Contractor will promptly (a) return to the JBE or, if so directed by the JBE, destroy all such JBE's Confidential Information (in every form and medium), and (b) certify to the JBE in writing that Contractor has fully complied with the foregoing obligations.
- B. *Safety and Security Procedures.* In the performance of any Work under this Agreement, Contractor shall maintain and enforce industry-standard safety and physical security policies and procedures and comply with any JBE safety and security policies and procedures in effect at the time of the Work.
- C. *Data Security.*

(1) Contractor shall comply with the Data Safeguards. Contractor shall implement and maintain a comprehensive information security program (“Contractor’s Information Security Program”) in accordance with the Data Safeguards. Contractor shall comply with all applicable privacy and data security laws, and other laws (including the California Rules of Court) and regulations relating to the protection, collection, use, and distribution of JBE data, which includes, but may not be limited to Confidential Information, as well as privacy and data security requirements and standards set forth in the JBE’s policies or procedures. To the extent that California Rule of Court 2.505 applies to this Agreement, Contractor shall provide access and protect confidentiality of court records as set forth in that rule and in accordance with this Agreement. In addition to the foregoing, Contractor represents and warrants that Contractor complies with, and throughout the term of this Agreement, Contractor and its performance of its obligations under this Agreement shall be in compliance with, the current NIST (National Institute of Standards and Technology) Special Publication 800-53, including without limitation any NIST 800-53 standards, guidelines, or requirements for security controls or data security protocols.

(2) Unauthorized access to, or use or disclosure of JBE data (including data mining, or any commercial use) by Contractor or third parties, is prohibited. Contractor shall not, without the prior written consent of an authorized representative of JBE, use or access the JBE data for any purpose other than to provide the Work under this Agreement. In no event shall Contractor transfer the JBE data to third parties, or provide third parties access to the JBE Data, except as may be expressly authorized by JBE. Contractor is responsible for the security and confidentiality of any JBE data it encounters during the Work.

(3) Contractor’s systems and equipment containing JBE data, shall be within the continental United States. Contractor shall ensure that access to the JBE data will be provided to the JBE (and its authorized users) 24 hours per day, 365 days per year (excluding agreed-upon downtime). Upon the JBE’s request, all JBE data in the possession of Contractor shall be provided to JBE in a manner requested by JBE and all copies shall be permanently removed from Contractor’s system, records, and backups, and all subsequent use of such information by Contractor shall cease.

(4) Confidential, sensitive, or personally identifiable information shall be encrypted in accordance with the highest industry standards, applicable laws, this Agreement, and JBE policies and procedures.

- D. *Data Breach.*** If there is a suspected or actual Data Breach, Contractor shall notify the JBE in writing within two (2) hours of becoming aware of such occurrence. A “Data Breach” means any access, destruction, loss, theft, use, modification or disclosure of the JBE data by an unauthorized party. Contractor’s notification shall

identify: (i) the nature of the Data Breach; (ii) the data accessed, used or disclosed; (iii) who accessed, used, disclosed and/or received data (if known); (iv) what Contractor has done or will do to mitigate the Data Breach; and (v) corrective action Contractor has taken or will take to prevent future Data Breaches. Contractor shall promptly investigate the Data Breach and shall provide daily updates, or more frequently if required by the JBE, regarding findings and actions performed by Contractor until the Data Breach has been resolved to the JBE's satisfaction, and Contractor has taken measures satisfactory to the JBE to prevent future Data Breaches. Contractor shall conduct an investigation of the Data Breach and shall share the report of the investigation with the JBE. The JBE and/or its authorized agents shall have the right to lead (if required by law) or participate in the investigation. Contractor shall cooperate fully with the JBE, its agents and law enforcement, including with respect to taking steps to mitigate any adverse impact or harm arising from the Data Breach. After any Data Breach, Contractor shall at its expense have an independent, industry-recognized, JBE-approved third party perform an information security audit. The audit results shall be shared with the JBE within seven (7) days of Contractor's receipt of such results. Upon Contractor receiving the results of the audit, Contractor shall provide the JBE with written evidence of planned remediation within thirty (30) days and promptly modify its security measures in order to meet its obligations under this Agreement.

- E. *Security Assessments.* Upon advance written notice by the JBE, Contractor agrees that the JBE shall have reasonable access to Contractor's operational documentation, records, logs, and databases that relate to data security and Contractor's Information Security Program as it relates to the Work. Upon the JBE's request, Contractor shall, at its expense, perform, or cause to have performed an assessment of Contractor's compliance with its privacy and data security obligations as it relates to the Work. Contractor shall provide to the JBE the results, including any findings and recommendations made by Contractor's assessors, of such assessment, and, at its expense, take any corrective actions.
- F. *Data Requests.* Contractor shall promptly notify the JBE upon receipt of any requests which in any way might reasonably require access to the JBE data. Contractor shall not respond to subpoenas, service of process, Public Records Act requests (or requests under California Rule of Court 10.500), and other legal requests directed at Contractor regarding this Agreement or JBE data without first notifying the JBE. If applicable, Contractor shall provide its intended responses to the JBE with adequate time for the JBE to review, revise and, if necessary, seek a protective order in a court of competent jurisdiction. Contractor shall not respond to legal requests directed at the JBE unless authorized in writing to do so by the JBE.
- G. *Miscellaneous.*
 - (1) For the avoidance of doubt, the requirements of this Section 11.5 equally apply to any IT consultants discussed in Section 2 of Appendix A, that Contractor supplies to provide Work, as well any personal device, e.g., home computer, laptop, or cell phone) used by such IT consultant to perform Work.

- (2) Contractor agrees that it will comply with any encryption software installment requirements, encryption standards for data backups, requirements for rolling backup history (Contractor's ability to restore files from multiple backups/snapshots), physical medium and other specifications for data backup hardware or software, retention periods of archived data backups, and service levels and response times for data backup retrieval/data restoration specified by a JBE as part of the RFO process set forth in Section 2.2. of Appendix A.
- (3) The provisions of this Section 11.5 shall survive the expiration or termination of this Agreement and any Participating Addendum. Contractor acknowledges that there can be no adequate remedy at law for any breach of Contractor's obligations under this Section 11.5, that any such breach will likely result in irreparable harm, and that upon any breach or threatened breach of the obligations herein, the JBEs shall be entitled to appropriate equitable relief, without the requirement of posting a bond, in addition to its other remedies at law.

11.5 Ownership of Deliverables. Unless otherwise agreed in this Agreement, regarding any Deliverables or any other work product to be provided to a JBE, Contractor hereby assigns to such JBE all rights, title, and interest (and all intellectual property rights, including but not limited to copyrights) in and to such Deliverables and work product, any partially-completed Deliverables, and related materials. Contractor agrees not to assert any rights at common law, or in equity, or establish a copyright claim in any of these materials. Contractor shall not publish or reproduce any Deliverable or other work product in whole or part, in any manner or form, or authorize others to do so, without the written consent of the JBE. Master Agreement Holder is responsible for compliance with prevailing wage laws and shall be knowledgeable of scopes of work required to perform under this Agreement or a Participating Addendum and whether the Work corresponds to a craft, classification, or type of worker, as determined by the Director

of the State of California Department of Industrial Relations, subject to sections 1770 et seq. of the California Labor Code.

- B. For all Work subject to prevailing wage laws, Contractor and all subcontractors under the Contractor shall pay all workers on Work performed pursuant to this Agreement not less than the general prevailing rate of per diem wages and the general prevailing rate for holiday and overtime work as determined by the Director of the Department of Industrial Relations, State of California, for the type of work performed and the locality in which the work is to be performed, pursuant to sections 1770 et seq. of the California Labor Code. Copies of the general prevailing rates of per diem wages for each craft, classification, or type of worker that may be required under this Agreement, as determined by Director of the State of California Department of Industrial Relations, are on file at Establishing JBE's principal office. Prevailing wage rates are also available from the JBE or on the internet at (<http://www.dir.ca.gov>).
- C. Contractor shall ensure that Contractor and all of Contractor's subcontractors execute the Prevailing Wage and Related Labor Requirements Certification attached to the Agreement and incorporated herein, whenever the scope of Work includes prevailing wage classifications.
- D. Work, a portion thereof, may be subject to compliance monitoring and enforcement by the Department of Industrial Relations. As applicable, Contractor shall post job site notices, as prescribed by regulation. Contractor shall comply with all requirements of Labor Code section 1771.4, except the requirements that are exempted by the Labor Commissioner for the Project.

12.2 Registration:

- A. For all Work subject to prevailing wage laws, Contractor shall comply with the registration and compliance monitoring provisions of Labor Code section 1771.4, including furnishing its certified payroll records (“CPR(s)”) to the Labor Commissioner of California and complying with any applicable enforcement by the Department of Industrial Relations (“DIR”). Labor Code section 1771.1(a) requires DIR public works registration as follows:

“A contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to Section 1725.5. It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded.”

- B. For all Work subject to prevailing wage laws, Contractor shall, and shall ensure that all “subcontractors” (as defined by Labor Code section 1722.1), comply with Labor Code section 1725.5, including without limitation the registration requirements with the Department of Industrial Relations that are set forth in Labor Code section 1725.5. Contractor represents that all “subcontractors” (as defined by Labor Code section 1722.1)

are registered pursuant to Labor Code section 1725.5. Contractor shall not permit any subcontractor to perform Work under this Agreement, as applicable, without first verifying the subcontractor is properly registered with the DIR as required by law, and providing this information in writing to the JBE. Contractor acknowledges that, for purposes of Labor Code section 1725.5, some of the Work may be public work to which Labor Code section 1771 applies.

- C. Contractor and subcontractors must be in compliance with the DIR public works registration requirements to perform prevailing wage Work, including current registration at the time of proposal, contract, RFO, and for the duration of the Work.

12.3 Hours of Work:

- A. Notwithstanding the timing and duration of any Work under the Agreement which is subject to JBE activities and other coordination required for occupied facilities, as provided in article 3 (commencing at section 1810), chapter 1, part 7, division 2, of the Labor Code, eight (8) hours of labor shall constitute a legal day's work. The time of service of any worker employed at any time by Contractor or by any subcontractor on any subcontract under this Agreement upon the Work or upon any part of the Work contemplated by this Agreement shall be limited and restricted by Contractor to eight (8) hours per day, and forty (40) hours during any one week, except as hereinafter provided. Notwithstanding the provisions hereinabove set forth, Work performed by employees of Contractor in excess of eight (8) hours per day and forty (40) hours during any one week, shall be permitted upon this public work upon compensation for all hours worked in excess of eight (8) hours per day at not less than one and one-half times the basic rate of pay.
- B. Contractor shall keep and shall cause each subcontractor to keep an accurate record showing the name of and actual hours worked each calendar day and each calendar week by each worker employed by Contractor in connection with the Work or any part of the Work contemplated by this Agreement. The record shall be kept open at all reasonable hours to the inspection of Judicial Council of California and to the Division of Labor Standards Enforcement of the DIR.
- C. Pursuant to Labor Code section 1813, Contractor shall as a penalty to the JBE forfeit the statutory amount (believed by the JBE to be currently twenty five dollars (\$25)) for each worker employed in the execution of this Contract by Contractor or by any subcontractor for each calendar day during which such worker is required or permitted to work more than eight (8) hours in any one calendar day and forty (40) hours in any one calendar week in violation of the provisions of article 3 (commencing at section 1810), chapter 1, part 7, division 2, of the Labor Code.
- D. Any Work necessary to be performed after regular working hours, or on Sundays or other holidays shall be performed without additional expense to the JBE.
- E. Work may take place in an occupied JBE facility; therefore, work hours may be restricted depending upon the Work. The individual project resulting from an RFO may include restrictions on hours of work. If not, the Work is subject to this Section 12, and it occurs on-site in a JBE facility, then the work must take place during business hours.

12.4 Payroll Records:

- A. In addition to submitting CPR(s) to the Labor Commissioner of California pursuant to Labor Code section 1771.4 or any other applicable law, Contractor shall provide CPR to the JBE upon request and shall cause each subcontractor performing any portion of the Work to provide to the JBE CPR(s), showing the name, address, social security number, work classification, straight time, and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker, or other employee employed by the Contractor and/or each subcontractor in connection with the Work.

- (3) CPRs shall be made available upon request by the public for inspection or copies thereof made; provided, however, that a request by the public shall be made through either the JBE, Division of Apprenticeship Standards, or the Division of Labor Standards Enforcement. If the requested CPRs have not been provided pursuant to the provisions herein, the requesting party shall, prior to being provided the records reimburse the costs of preparation by Contractor, subcontractors, and the entity through which the request was made. The public shall not be given access to the records at the principal office of Contractor.

- C. The form of certification for the CPRs shall be as follows:

- D. Each Contractor shall file a certified copy of the CPRs with the entity that requested the records within ten (10) days after receipt of a written request.

- E.** Any copy of records made available for inspection as copies and furnished upon request to the public or any public agency by the JBE, Division of Apprenticeship Standards, or Division of Labor Standards Enforcement shall be marked or obliterated in such a manner as to prevent disclosure of an individual's name, address, and social security number. The name and address of Contractor awarded Agreement or performing Agreement shall not be marked or obliterated.

Should noncompliance still be evident after the ten (10) day period, Contractor shall, as a penalty to the JBE, forfeit one hundred dollars (\$100) for each calendar day, or portion thereof, for each worker, until strict compliance is effectuated. Upon the request of Division of Apprenticeship Standards or Division of Labor Standards Enforcement, these penalties shall be withheld from progress payments then due.
- H.** It shall be the responsibility of Contractor to ensure compliance with the provisions of Labor Code section 1776.

12.5 Apprentices:

- A.** Contractor acknowledges and agrees that, if this Agreement involves a dollar amount greater than or a number of working days greater than that specified in Labor Code section 1777.5, then this Agreement is governed by the provisions of Labor Code Section 1777.5. It shall be the responsibility of Contractor to ensure compliance with this Article and with Labor Code section 1777.5 for all apprenticeship occupations.
- B.** Apprentices of any crafts or trades may be employed and, when required by Labor Code section 1777.5, shall be employed provided they are properly registered in full compliance with the provisions of the Labor Code.
- C.** Every such apprentice shall be paid the standard wage paid to apprentices under the regulations of the craft or trade at which he/she is employed, and shall be employed only at the work of the craft or trade to which she/he is registered.
- D.** Only apprentices, as defined in section 3077 of the Labor Code, who are in training under apprenticeship standards and written apprentice agreements under chapter 4 (commencing at section 3070), division 3, of the Labor Code, are eligible to be employed. The employment and training of each apprentice shall be in accordance with the provisions of the apprenticeship standards and apprentice agreements under which he/she is training.
- E.** Pursuant to Labor Code section 1777.5, if that section applies to this Agreement as indicated above, Contractor and any Subcontractors employing workers in any apprenticeable craft or trade in performing any Work under this Agreement shall apply to the applicable joint apprenticeship committee for a certificate approving the Contractor or subcontractor under

the applicable apprenticeship standards and fixing the ratio of apprentices to journeymen employed in performing the Work.

- F.** Pursuant to Labor Code section 1777.5, if that section applies to this Agreement as indicated above, Contractor and any subcontractor may be required to make contributions to the apprenticeship program.
- G.** If Contractor or subcontractor willfully fails to comply with Labor Code section 1777.5, then, upon a determination of noncompliance by the Administrator of Apprenticeship, it shall:
 - (1)** Be denied the right to bid or propose on any subsequent project for one (1) year from the date of such determination; and
 - (2)** Forfeit as a penalty to the JBE the full amount as stated in Labor Code section 1777.7. Interpretation and enforcement of these provisions shall be in accordance with the rules and procedures of the California Apprenticeship Council and under the authority of the Chief of the Division of Apprenticeship Standards.
- H.** Contractor and all subcontractors shall comply with Labor Code section 1777.6, which section forbids certain discriminatory practices in the employment of apprentices.

Special attention is directed to sections 1777.5, 1777.6, and 1777.7 of the Labor Code, and title 8, California Code of Regulations, section 200 et seq. Questions may be directed to the State Division of Apprenticeship Standards, 455 Golden Gate Avenue, San Francisco, California 94102.

- 13.2.** Dispute Notice. If the settlement of a disagreement is beyond the authority allowed the JBE's project manager and the Contractor's account manager under this Agreement, or if a disagreement has in the opinion of either party persisted for an undue length of time, either party may submit a Notice to the other party that the parties will commence the procedure set forth in this section 13 to resolve the Dispute ("Dispute Notice"). The Dispute Notice shall include: (i) detailed

factual information and supporting documentation in support of the submitting party's position; (ii) the specific Agreement provisions on which the Dispute is based; and (iii) if the Dispute involves a cost adjustment, the exact amount of the cost adjustment accompanied by all records supporting the submitting party's position. The Dispute Notice shall include a written statement signed by an authorized representative of the submitting party indicating that the Dispute is made in good faith, that the supporting data and documents are accurate and complete, and that the amount requested, if any, accurately reflects the adjustment for which the submitting party believes the other party is responsible. To assist the other party in its review of the Dispute, the submitting party shall promptly comply with reasonable requests for additional information.

- 13.3.** Dispute Notice Response. Within fifteen (15) calendar days ("Days") of receiving the Dispute Notice, the receiving Party shall provide a written response to the submitting party's Dispute Notice ("Dispute Notice Response"). The Dispute Notice Response shall include: (i) detailed factual information and supporting documentation in support of the receiving party's position; and (ii) if the Dispute involves a cost adjustment, state the exact amount that the receiving party believes is at issue accompanied by all records supporting the receiving party's position.
- 13.4.** Senior Level Negotiations. If after fifteen (15) Days of receipt of the Dispute Notice Response by the submitting party or, in the event that the receiving party fails to timely submit a Dispute Notice Response, either Party may, by providing written Notice to the other party, request that the Dispute be resolved by direct negotiations between senior level negotiators of the parties ("Senior Level Negotiations Notice"). It is within each party's discretion to determine who constitutes a senior level negotiator, and this person may be, among other possibilities, a senior executive or in-house counsel. The senior level negotiators shall confer as often as they deem reasonably necessary to exchange information and attempt to resolve the Dispute within thirty (30) Days after the Senior Level Negotiations Notice is given to the other party.
- 13.5.** Litigation. If the senior level negotiations do not result in resolution of the Dispute, either party may pursue any legally available remedy.
- 13.6.** Confidentiality. All negotiations conducted pursuant to this section 13 are confidential and shall be treated as compromise and settlement negotiations to which California Evidence Code section 1152 applies. The mediation shall be confidential and shall be subject to the provisions of California Evidence Code section 703.5 and sections 1115 through 1128.

- 13.7.** Continuation of Work. Pending the final resolution of any Dispute arising under, related to, or involving this Agreement, Contractor agrees to diligently proceed with the performance any Work under Dispute in accordance with the provisions of this Agreement and the JBE's instructions. Contractor's failure to diligently proceed with performance in this manner will be considered a material breach of this Agreement.

Remote access to JBE data from outside the continental United States is prohibited unless approved in writing in advance by JBE.

Contractor shall immediately provide to the JBE written notice in reasonable detail upon becoming aware of the existence of any Malicious Code. Without limiting the foregoing, Contractor shall use best efforts and all necessary precautions to prevent the introduction and proliferation of any Malicious Code in the Judicial Branch Entities' IT Infrastructure or networks or in the Contractor systems used to provide Work. In the event Contractor or the JBE discovers the existence of any Malicious Code, Contractor shall use its best efforts, in cooperation with the JBE, to effect the prompt removal of the Malicious Code from the Work and the Judicial Branch Entities' IT Infrastructure and the repair of any files or data corrupted thereby, and the expenses associated with the removal of the Malicious Code and restoration of the data shall be borne by Contractor. In no event will Contractor or any Subcontractor invoke any Malicious Code.
