## Recently Enacted Legislation<sup>1</sup>

### **Assembly Bill 2746 (Stats. 2022, Ch. 800)**

Among other provisions, this legislation repeals Vehicle Code sections 40509 and 40509.5. As a result, and **beginning on January 1, 2023**, courts are no longer authorized to report failures to appear to the Department of Motor Vehicles (DMV) pursuant to those sections. However, courts should continue to report violations of Vehicle Code section 40508 to the DMV. Beginning January 1, 2027, this legislation repeals the requirement of the DMV to suspend a person's driving privilege, terminates any suspension issued by the DMV pursuant to those provisions, and removes the prohibition from issuing or renewing a driver's license. Newly added Vehicle Code section 40000.10 sets forth the punishment for a violation of Vehicle Code section 12500(a), setting a violation as an infraction for a first or second offense, except as specified, and a misdemeanor or an infraction for subsequent violations.
