APPROVED BY THE ATTORNEY GENERAL

Contract Number TCMA-200201	Amendment Number 11
TAXPAYER'S FEDERAL EMPLOYER IDENTIFICATION NUMBER	

STD. 2 (REV. 5-91)

THIS AMENDED MASTER AGREEMENT, made and entered into this 28th day of November, 2005, ("Effective Date") in the State of California, by and between the Administrative Office of the Courts ("AOC"), through its duly elected or appointed, qualified and acting

TITLE OF OFFICER ACTING FOR Court Business Services Manager	AGENCY Judicial Council of California Administrative Office of the Courts 455 Golden Gate Ave. San Francisco, CA 94102	, hereafter called the AOC or State, and
CONTRACTOR'S NAME ADP, Inc.		, hereafter called the Contractor or ADP.

WITNESSETH: That the Contractor (also referred to as "ADP") for and in consideration of the covenants, conditions, agreements, and stipulations of the State hereinafter expressed, does agree to furnish outsourced payroll services to the State as set forth herein:

As set forth in the Amended and Restated Master Agreement No. **TCMA-200201** attached hereto ("Master Agreement"), Contractor shall provide payroll services to the Superior Courts of California. Attached and incorporated into this Master Agreement are the following Contract Documents: (1) Exhibit A: Definitions; (2) Exhibit B: General Terms and Conditions (including Attachment B-1, Modifications to Contractor's Client Account Agreement and Authorization to Debit/Credit Form); (3) Exhibit C: Description of Types of Work (including Attachment C-1, Service Model and Service Level Agreement, (4) Exhibit D: Work Order Process (including Attachment D-1, Sample Work Order and Attachment D-2, Acceptance and Signoff Form); and (5) Exhibit E: Contractor's Price List. In the event of a conflict between the Contract Documents, the following descending order of precedence will govern: Exhibit B, Exhibit C, Exhibit A, Exhibit E, and Exhibit D. Any Amendments, starting with the most recent, will take precedence over the existing Contract Documents.

This Agreement sets forth the terms and conditions, and ordering process for the Contractor's provisioning of **outsourced payroll and payroll-related services** to the Superior Courts of California ("Courts") and, as may be requested, the AOC on behalf of the Courts. Amendment 9 of this Agreement No. TCMA-200201 encumbered **\$200,000** for the purpose of funding the Service Model described in Attachment C-1 for an initial twelve month period. Attachment C-1, Section 6.d describes the payment terms and the process for funding the Service Model beyond the initial twelve month period.

The Contractor's Work, schedule, prices and total Work Order Amount will be authorized through Work Orders, bilaterally executed between the Contractor and the Courts. This Master Agreement only applies to payroll services processed on Contractor's "AutoPay" platform out of its Northern California Processing Center. Courts already processing with Contractor's payroll services prior to the date of this Master Agreement may apply to be covered by this Master Agreement by the submission of a Work Order.

This amended Agreement commences upon the **Effective Date**, and remains effective through **December 1, 2007** ("Initial Term"). Upon expiration of the term, the AOC, in its sole discretion, may elect to extend the Term of this Agreement for two additional one-year options. At such time, the parties will agree to any changes in pricing; however, in no event will the price increase more than five percent (5%) per product line, excluding increases to W-2s (which shall not be so limited). In the event the parties cannot come to agreement on any such increases (within such limitations), neither party shall be obligated to continue the Agreement for the additional term. Any individual Work Order authorized will establish a specific term for that Work Order. For existing Work Orders in effect beyond the expiration of the Master Agreement or effected by termination of the Master Agreement, the terms and conditions of this Master Agreement remain effective, until expiration or termination of the Work Order. In no event will Contractor be required to provide any services under any Work Order or for the benefit of any particular Court after expiration or termination of the Work Order. Except as expressly provided in the Agreement, no liability will attach to the AOC solely by reason of entering into this Agreement.

IN WITNESS WHEREOF, this Master Agreement has been entered into by the parties hereto, effective upon the Effective Date.

Exhibit B: General Terms & Conditions

Subject to the following terms and conditions, ADP, Inc. ("ADP") will provide each applicable Client (each, a "Client") with such payroll, tax filing and other data processing or reporting services ("Services") as Client may request from time to time, pursuant to the terms and conditions and procedures set forth in the Master Agreement. Additionally, ADP will provide the AOC with specific reporting services summarizing some or all of the individual Clients' data pursuant to the terms and conditions and procedures set forth in the Master Agreement. AOC represents that it has the legal right and all approvals necessary to receive such data.

Certain Services such as Official Bank Checks, FSDD/ADPCheck (ADP pays Client's employees from ADP's own bank account) and Tax Filing, are available only if clients meet ADP's eligibility requirements, and require execution of additional forms (e.g. Power of Attorney, Authorization to Debit, bank OBC agreement). FSDD Services will be provided to Client in accordance with the operating rules of the National Automated Clearing House Association. In the event of a conflict between terms and conditions set forth in this Agreement and terms and conditions set forth in any ADP form that the Client may be required to sign, the terms and conditions of this Agreement will prevail as the form relates to ADP, Client, and the AOC.

The parties agree that certain aspects of Contractor's standard form entitled "Client Account Agreement and Authorization to Debit/Credit" (the "CAA") shall not apply or shall be deemed clarified as set forth in Attachment 1 to this Exhibit B, despite the fact that Clients will be executing unmodified versions of the CAA (*i.e.*, this provision shall govern with respect to any conflicts between it and any CAA's executed by Clients).

Each Client will select which ADP services it requires, and is responsible for the related invoices and payments. The AOC will not utilize ADP's services under this Agreement for its own payroll needs.

1. Acceptance of the Work; Changes to Work Orders. The Client's Representative is responsible for the sign-off acceptance or delivery of a rejection within 10 working days of completion and delivery of all the non-recurring Work required by Work Orders and submitted pursuant to this Agreement (including any modifications or changes to such Work Orders pursuant to the Change Process described below). Prior to approval of the Work and prior to approval for payment, the Client's Representative will apply the acceptance criteria listed in this provision, to determine the acceptability of the Work provided by ADP. Unsatisfactory ratings will be resolved as set forth in this provision.

- A. Acceptance Criteria ("Criteria") for Work Orders issued pursuant to this Agreement and in accordance with specific statements of work (including any modifications or changes to such Work Orders pursuant to the Change Process described below):
- i. timeliness;
 - ii. completeness- as described in Work Order, or other specifications;

Amendment No. 11 to Master Agreement No. TCMA-200201 with ADP, Inc.

- iii. technical accuracy - as measured against commonly accepted standards (e.g. statistical formulas, industry standards, or de facto marketplace standards).
- B. ADP will provide the Work, as directed by Client's Representative. The Client will accept the Work, provided ADP has delivered the Work in accordance with the Criteria. The Client's Representative will use the Attachment D-2, Acceptance and Signoff Form, to this Agreement, to notify ADP of the Work's acceptability.
- C. If the Client rejects the Work provided, the Client's Representative will submit to ADP a written rejection using Attachment D-2, the Acceptance and Signoff Form, detailing the Work's failure to meet the Criteria. If the Client rejects the Work, then ADP will have a reasonable period of time (taking into account the nature of the work involved) from receipt of the Notice of rejection to correct the stated failure(s) to conform to the Criteria.
- D. If the Client's Representative requests further change, such will be handled pursuant to the Change Process described in subparagraph F below.
- E. If Client's Representative and ADP cannot agree on the Work's acceptability, a principal of ADP and a Client executive, or Client's designee, will meet to discuss the problem. If agreement cannot be reached, in the reasonable judgment of a Client executive, and /or ADP fails to cure such deficiencies that are perceived in the Work to the reasonable satisfaction of an executive of the Client in the reasonable time agreed upon by the parties (taking into account the nature of the work involved), the Client may reject the Work and will notify ADP in writing of such action and the reason(s) for so doing. Upon rejection of the Work, the Client may terminate the Work Order pursuant to the terms of the Agreement (and notify the State's Project Manager) in accordance with the provisions set forth herein; provided that Client will pay ADP for all services rendered and Work performed, unless such was rendered or performed in less than a commercially reasonable manner.
- F. Changes to Work Order.
 - i. Any changes to a Work Order's scope of work must be submitted to ADP and the Client's project managers in a written change order ("Change Order"). Once received by ADP and Client project managers, these two persons will have 48 hours to agree on the appropriate course of action, effect on the project and changes to the staffing, schedule, and fees. Change Order documents will require a statement directing agreed project changes and dated authorization signatures of both Contractor and Client.
 - ii. If within 48 hours the project managers are unable to agree on the Change Order and its impact, any issues will be escalated to the next highest level of ADP and Client management.
 - iii. Agreement and authorization at this level must occur within 48 hours of

Amendment No. 11 to Master Agreement No. TCMA-200201 with ADP, Inc.

notification, failure to reach agreement will require escalation to the next higher levels until an accord is reached and authorized.

- iv. ADP and AOC will jointly develop a Change Order document that will be the official record of all approved changes to Work Orders.

2. Accounting System Requirement. ADP will maintain an adequate system of accounting and internal controls that meets Generally Accepted Accounting Principles ("GAAP").

7. Choice of Law. This Agreement will be subject to and construed in accordance with the laws of the State of California without regard to its conflict of law principles.

8 Confidentiality; Protection of Client Files.

- A. Confidentiality. Confidential Information disclosed hereunder will remain the exclusive and confidential property of the disclosing party. The receiving party will not disclose the Confidential Information of the disclosing party and will use at least the same degree of care, discretion and diligence in protecting the Confidential Information of the disclosing party as it uses with respect to its own confidential information. The receiving party will limit access to Confidential Information to its employees with a need to know such Confidential Information and will instruct such employees to keep such information confidential. Notwithstanding the foregoing, the receiving party may disclose Confidential Information (i) to the extent necessary to comply with any law, rule, regulation or ruling applicable to it, (ii) as appropriate to respond to any summons or subpoena or in connection with any litigation and (iii) to the extent necessary to enforce its rights under this Agreement or, in the case of ADP, to perform the Services. Upon the request of the disclosing party, the receiving party will return or destroy all Confidential Information of the disclosing party that is in its possession. For purposes of this Section, "Confidential Information" will mean: all information of a confidential or proprietary nature provided by the disclosing party to the receiving party for use in connection with the Services, but does not include (i) information that is already known by the receiving party, (ii) information that becomes generally available to the public other than as a result of disclosure by the receiving party in violation of this Agreement, and (iii) information that becomes known to the receiving party from a source other than the disclosing party on a non-confidential basis. Confidential Information of ADP also includes all ADP trade secrets, processes, proprietary data, information or documentation related thereto, or any pricing or product information furnished to Client by ADP.

ADP will take reasonable precautions to prevent the loss of or alteration to Client's data files in ADP's possession, but ADP does not undertake to guarantee against any such loss or alteration. Accordingly, Client will, to the extent it deems necessary, keep copies of all source documents of the information delivered to ADP or inputted by Client or on behalf of Client into the ADP system and will maintain a procedure external to the ADP system for the reconstruction of lost or altered data files. If requested by Client, ADP will deliver to Client (in a standard ADP format and at ADP's then standard rates) copies of Client's data files then in ADP's possession. A copy of ADP's current record retention policy relating to the Services is available upon request. ADP will maintain a record retention policy and may from time to time, in its sole discretion, modify or amend such policy. However, ADP is not, and will not be, Client's official record keeper.
- C. Force Majeure. Any party will be excused from performance, for any period of time that the party is prevented from performing its obligations, as a result of an act of God, war, earthquake, civil disobedience, court order, labor dispute, or other cause beyond the party's reasonable control. Such non-performance will not

constitute grounds for default.

9. [Intentionally Omitted]

10. Conflict of Interest. ADP and its employees will avoid actions resulting in or creating the appearance of (1) use of an official position with the government for private gain; (2) preferential treatment to any particular person associated with this Agreement or the Work of this Agreement; (3) loss of independence or impartiality; (4) a decision made outside official channels; or (5) adverse effects on the confidence of the public in the integrity of the government or this Agreement.

11. Client Duties and Responsibilities.

- A. **Data and Policies.** Clients will make available in timely manner at no charge to ADP all data and policies necessary for the successful functioning of the systems ADP is installing. "Data" is all employee information necessary to process payroll and will include, without limitation, information on wages, pay and tax history, name, address, benefit and deduction types, direct deposit accounts, interfaces to Client and third party systems (e.g. Flexible Spending Account and Benefit Administrators). "Policies" include all information about Client pay, deduction, benefit, time keeping and other employee programs. Policy information may include, but is not limited to: bargaining unit contracts, written and electronic documentation, test data, examples and sample output. The Clients are responsible for the accuracy and completeness of all data and policies provided to ADP for the performance of the Work Orders.
- B. **Client Personnel.** Client will provide a project manager, to coordinate all activities for Client project team members. Client's project manager will manage the Client resources, to meet specified project deliverables, deadlines and objectives. Client will assure that any project team members will be knowledgeable in their business processes and readily accessible and available for participation in the project. Executive level decisions will be made in a timely manner, to avoid adversely impact the agreed-upon delivery schedule of any Work Orders.
- C. **Delay Caused by Clients.** Any delays due to unavailability of Client personnel, Client's delays in making key business decisions, and/or unavailability of necessary Client-provided information resulting in delays to Work Order deliverables and related Change Orders will not be a breach of the Agreement by ADP.
- D. **Work Space and Equipment.** Client will provide, at no charge to ADP, work space, services and equipment (such as copiers, fax machines, internet access) as Contractor reasonably requires to perform the Services, upon ADP's reasonable notice of such requirements.

12. Dispute Resolution. Client and Contractor will attempt, in good faith, to resolve any disputes informally. Contractor will meet with the Court's Representative to discuss

the matter and consider the action necessary to resolve a dispute.

- A. Escalation. If a dispute remains unresolved following Notice by either party, each party's Vice President, General Manager (or, in the case of a Court, its Court Executive Officer) or other designated representative will meet to exchange information and attempt resolution within fifteen days of the effective date of the Notice. If the matter is not resolved, the aggrieved party will submit a second Notice which will: (i) provide detailed factual information; (ii) identify the specific provisions in this Agreement on which any demand is based; (iii) advise if the demand involves a cost adjustment and, if so, provide the exact amount, accompanied by all supporting records; and (iv) attach a declaration that the demand is made in good faith, the supporting data are accurate and complete, and the amount requested properly reflects the necessary adjustment. Notice will be signed by an authorized representative of the aggrieved party.
- B. Additional Information. Each party will comply with reasonable requests for additional information. Any additional information will be provided within fifteen days after receipt of a written request, unless otherwise agreed.
- C. Confidentiality During Dispute Resolution. All dispute resolution negotiations are considered confidential, and will be treated as compromise and settlement negotiations, to which California Evidence Code § 1152 applies. Unless the dispute involves the lack of funding for payroll or tax filing, Contractor agrees that pending final resolution of the dispute, Contractor will proceed diligently with the performance of the Work, including Work associated with the dispute, unless otherwise directed by Court.

13. Indemnity – Contractor. Subject to the limitations in Section 19, ADP will indemnify, defend, and save harmless the State and the Clients and their officers, agents, and employees from any and all claims and losses accruing or resulting to any and all other contractors, Subcontractors, suppliers, and laborers, and any other person, firm, or corporation furnishing or supplying Work, Materials, Data, or services in connection with the performance of this Agreement or any individual Work Order, and from any and all claims and losses accruing or resulting to any person, firm, or corporation who may be injured or damaged by ADP or its agents or employees in the performance of this Agreement or any individual Work Order.

A. Control of Defense and Settlement.

Any defense counsel retained by ADP to defend an indemnified party in any claim, action, suit or proceeding covered under ADP's indemnity obligations ("Claim" or "Claims") shall be subject to the reasonable approval of the AOC (and the reasonable basis for any objection shall be provided in writing to ADP). ADP shall keep the AOC informed of any Claims and shall provide periodic written reports to the AOC of any significant developments. "Significant developments" include all settlement offers with plaintiffs or with other parties joined by way of cross-complaint, all situations which

Amendment No. 11 to Master Agreement No. TCMA-200201 with ADP, Inc.

contemplate the dismissal of any parties, and all such other circumstances which may occur that reasonably warrant assessment by the AOC of its liability exposures. The AOC shall provide ADP with prompt notice of any Claim for which indemnification will be required; provided that failure to provide prompt notice with respect to a Claim shall not relieve ADP of its obligations under this section except to the extent failure to notify prejudices ADP's ability to defend and/or settle the Claim. Nothing in this section shall be construed in any manner that would alter the respective rights and obligations of the Parties as they are affected by Rule 6.14 of the California Rules of Court.

ADP shall control the defense and/or settlement of each Claim; provided that (1) ADP shall not make any admission of liability or other statement on behalf of an indemnified party, or enter into any settlement or other agreement that would bind the an indemnified party, without the AOC's prior written consent, which consent shall not be unreasonably withheld; and (2) the AOC shall have the right, at its option and expense, to participate in the defense and/or settlement of such Claim through counsel of its own choosing.

14. Funding.

- A. Funding. Client will be liable for ADP's losses arising from or in connection with any action, proceeding or claim made or brought against ADP by any bank with whom Client maintains a payroll account or funds for any ADP error, omission or failure incident or pursuant to ADP providing the Services to Client that would have been corrected by ADP except Client refuses or is unable to fund or reimburse such bank, excluding any loss that could be characterized as consequential, indirect, special or incidental damages.
- B. Debits. Client will be liable for debits properly initiated by ADP hereunder. Client unconditionally promises to pay to ADP the amount of any unfunded payroll file (including any debit which is returned to ADP because of insufficient or uncollected funds or for any other reason), upon demand and interest thereon at the rate set forth in the Payment provisions. Also, if any debit to a Payee's account reversing or correcting a previously submitted credit(s) is returned for any reason, Client unconditionally promises to pay the amount of such debit upon demand and interest thereon at the rate set forth in the Payment provisions.

15. Independent Contractor. ADP and the agents and employees of ADP, in the performance of this Agreement, will act in an independent capacity and not as officers or employees or agents of the State of California.

- A. Americans with Disabilities Act. By signing this Agreement, ADP assures the State that it complies with the Americans with Disabilities Act ("ADA") of 1990 (42 U.S.C. § 012101 *et seq.*), which prohibits discrimination on the basis of disability, as well as with all applicable regulations and guidelines issued pursuant to the ADA.

Amendment No. 11 to Master Agreement No. TCMA-200201 with ADP, Inc.

- B. **Collective Bargaining.** ADP and any of its Subcontractors will give written Notice of their obligations under subsections A, D and F of this Section 15 to labor organizations with which they have a collective bargaining or other agreement.
- C. **Drug-Free Workplace.** ADP certifies that it will provide a drug-free workplace as required by California Government Code sections 8355 through 8357.
- D. **Fair Employment and Housing.** ADP will comply with the provisions of the Fair Employment and Housing Act, California Government Code section 12990 *et seq.*, and the applicable regulations promulgated under California Code of Regulations, title 2, section 7285 *et seq.* The applicable regulations of the Fair Employment and Housing Commission implementing California Government Code section 12990, set forth in chapter 5 of division 4 of title 2 of the California Code of Regulations, are incorporated into this Agreement by reference and made a part of it as if set forth in full.
- E. **National Labor Relations Board.** By executing this Agreement, ADP certifies under penalty of perjury under the laws of the State of California that no more than one (1) final, unappealable finding of contempt of court by a federal court has been issued against the Contractor within the immediately preceding two (2) year period because of the Contractor's failure to comply with an order of the National Labor Relations Board.
- F. **Nondiscrimination Clause.** During the performance of this Agreement, ADP and its Subcontractors will not unlawfully discriminate against any employee or applicant for employment because of race, religion, color, national origin, ancestry, physical or mental disability, medical condition, marital status, age (over 40), sex, or sexual orientation. ADP will ensure that the evaluation and treatment of employees and applicants for employment are free of such discrimination.
- G. **Permits and Licenses.** ADP will observe and comply with all federal, state, city, and county laws, rules, and regulations affecting services under this Agreement. ADP will procure and keep in full force and effect during the term of this Agreement all permits and licenses necessary to accomplish the Work contemplated in this Agreement.
- H. **Subcontractor Provisions Required.** ADP will include the nondiscrimination and compliance provisions of this Section 15 in any and all subcontracts issued to perform Work under the Agreement.

16. Insurance Requirements

- A. ADP will maintain in full force during the full term of the Agreement (through third party insurance providers or through the self-insurance program of ADP's ultimate parent corporation, Automatic Data Processing, Inc.), insurance in the following amounts and coverage:
 - i. Workers' Compensation, with limits not less than the statutory requirement for the state of residency.
 - ii. Employers' Liability, with limits not less than \$1,000,000.00 for each accident.
 - iii. Comprehensive General Liability Insurance with limits not less than \$1,000,000.00 for each occurrence, combined single limit bodily injury and property damage.
 - iv. Comprehensive Automobile Liability Insurance with limits not less than \$1,000,000.00 for each occurrence, combined single limit bodily injury and property damage, including owned and non-owned and hired automobile coverage, as applicable.
- B. Upon request of the State, ADP will provide the State certificates of insurance satisfactory to the State evidencing all required coverages before ADP begins any work under this Agreement.
- C. Approval of the insurance by the State will not relieve or decrease the ADP's liability under this Agreement

17. Intellectual Property.

- A. Ownership of Proprietary Rights. All computer programs (other than pre-packaged third-party software), tutorials and related documentation made available, directly or indirectly, by ADP to Client as part of the Services (the "ADP Products") are the exclusive property of ADP or the third parties from whom ADP has secured the rights to such ADP Product. All rights, title and interest in or to any copyright, trademark, service mark, trade secret, and other proprietary right relating to ADP Products and the related logos, product names, etc. are reserved. The use of any software included in, or supplied by ADP for use with, ADP Products will be governed by the license agreement (whether written, shrink wrapped or on-line) delivered with such software.
- B. Indemnity by ADP for Infringement. ADP will defend Client in any suit or cause of action alleging that ADP Products, as provided by ADP and used in accordance with the terms of this Agreement, infringe upon any United States copyright, trade secret, or other proprietary right of a third party. ADP will pay damages assessed, including reasonable attorneys' fees, against Client in any such suit or cause of action, provided that, (i) ADP is promptly notified in writing of such suit or cause of action, (ii) Client assists ADP as reasonably required by ADP, (iii) subject to the next sentence, ADP controls any negotiations or defense, and (iv) Client takes all

reasonable steps to mitigate any potential damages that may result. ADP shall comply with the requirements set forth in section 13.A (“Control of Defense and Settlement”) in conducting such defense or in any settlement. The foregoing infringement indemnity will not apply and ADP will not be liable for any damages assessed in any suit or cause of action resulting from a Client Infringement Event (as defined below). If any ADP Product is held or believed to infringe on any third-party’s intellectual property rights, ADP may, in its sole discretion, (a) modify ADP Product to be non-infringing, (b) obtain for Client a license to continue using such ADP Product, or (c) if neither (a) nor (b) are practical, terminate this Agreement as to the infringing ADP Product and return to Client any unearned fees paid by Client to ADP in advance. This Section 17B states ADP’s entire liability and Client’s exclusive remedies for infringement of intellectual property rights of any kind.

- C. Client Infringement. In the event a court of competent jurisdiction (in a suit or other cause of action brought by ADP against any Client) determines that a Client Infringement Event has occurred, the limitations on liability contained in this Agreement (except with respect to any damages that may be characterized as consequential, special, incidental, indirect or similar damages, or as lost profits), shall not be binding upon the court in its decision regarding damages that must be paid to ADP.

“Client Infringement Event” means (i) any alteration, change, modification and/or enhancement of ADP Products made by Client or any third party on behalf of Client without ADP’s express permission; (ii) Client’s use of ADP Products in combination with any hardware, software or other materials not expressly authorized by ADP; (iii) Client’s use of other than the most current release of ADP Products that results in a claim or action for infringement that could have been avoided by use of the current release, (iv) use of ADP Products after Client has been notified that ADP Products infringe upon the intellectual property rights of a third party, or (v) use by Client of unmodified ADP Products after Client has been informed of modifications that would avoid claims of infringement.

18. Key Personnel.

- A. Contractor shall provide certain Key Personnel, as identified in Attachment C-1, Service Model and Service Level Agreement.
- B. The State shall have the right to notify ADP of its objection to the continuing assignment of any of Contractor’s Key Personnel provided to State under this Agreement if, in the State’s opinion, the performance of Contractor’s Key Personnel is unsatisfactory. As set forth in Attachment C-1, Service Model and Service Level Agreement. Contractor and State shall outline concerns and determine appropriate action plans for correction. In the event Contractor and State do not come to mutual agreement regarding whether to terminate such Key Personnel’s involvement in the ongoing services to State or the Courts, Contractor shall provide Notice to State of its final determination not to reassign

the Key Personnel in question. In such event, State shall have the right to terminate this Agreement. However, Notice of such termination must be received by Contractor within forty-five Days after State's receipt of Contractor's Notice of its final determination not to reassign the Key Personnel in question.

- C. If any of Contractor's Key Personnel become unavailable during the term of this Agreement, including Key Personnel removed as a result of the procedure described in paragraph B above, Contractor shall immediately assign a substitute acceptable to the State's Project Manager, and identify replacement personnel possessing equivalent or greater experience and skills.

19. Limitation of Liability. This Section 19 sets forth the full extent of ADP's liability for damages resulting from this Agreement or the Services rendered, regardless of the form in which such liability or claim for damages may be asserted, and sets forth the full extent of Client's remedies. Each of ADP and Client acknowledges that the fees for the Services to be provided hereunder reflect the allocation of risk set forth in this section.

- A. **Client Responsibility.** Client will be responsible for (i) the consequences of any instructions Client may give to ADP, (ii) Client's failure to use the Services in the manner prescribed by ADP, and (iii) Client's failure to supply accurate input information.
- B. **Errors and Omissions.** ADP's sole liability to Client or any third party for claims of any type or character arising from errors or omissions in the Services that are caused by ADP will be to correct the affected Client report, data or tax agency's filings, as the case may be. Upon the request of Client, ADP will correct any error or omission made by ADP in connection with the Services at no additional charge to Client. Notwithstanding the foregoing, ADP shall be fully responsible to replace funds received from Client that are lost by ADP as the result of the delivery of such funds, due solely to ADP error, to unintended third parties (*i.e.*, parties other than the intended payees).
- C. **Mitigation of Damages.** Both parties will use reasonable efforts to mitigate any potential damages or other adverse consequences arising from or related to the Services.
- D. **Limit on Monetary Damages.** Except as provided in subsections 19.E. and 19.H, below and the last sentence of subsection 19.B above, and except for ADP's liability under the intellectual property indemnity contained in Section 17, ADP's maximum aggregate liability in each calendar year under this Agreement for claims of any type or character made by Client or any third party arising from or related to the Services will be limited to an amount equal to the average amount of fees paid by Client per month for the Services multiplied by three (3). Such monthly average will be calculated based upon the twelve months preceding the month in which the damage is alleged to have occurred (or, if less than twelve

- months, such number of months that Client has actually been receiving the Services). ADP will issue Client a credit(s) equal to the applicable amount and any such credit(s) will be applied against subsequent payroll processings.
- E. Tax Penalties and Interest Assessments. If, as a result of an error or omission made by ADP in performing the Tax Filing Services, an applicable taxing authority imposes a penalty on or assesses interest against Client, ADP will (i) pay all penalties resulting from ADP's error or omission and (ii) pay any interest charges imposed on Client for the failure to pay funds to the extent and for the period that such funds were held by ADP. In any such case, Client will be responsible for all additional taxes and any other interest charges.
- F. OBC/ADPChecks/FSDD. Neither ADP nor the Originating Bank will be liable for any damages to Client arising from any decision to refrain from or delay originating debit/credit entries or issuing ADPChecks in connection with Client's payroll (i) after reasonable efforts to verify such debit/credit entries by the required security procedure have failed, (ii) due to Client's lack of creditworthiness or (iii) because ADP has not received timely funds from Client. Client agrees that ADP will not be liable for any damages to Client arising from any bank decision to withhold the release of a Client payroll which is processed on Official Bank Checks, unless caused by ADP error or omission. Regardless of any such delay in the release of Official Bank Checks, Client will still be obligated to pay ADP for applicable payroll processing charges. With respect to FSDD Services, ADP and the Originating Bank have implemented a security procedure to verify the authenticity of debit/credit instructions transmitted to the Originating Bank, and not for detecting errors in such instructions. Such security procedure includes (i) a unique file identification number and transmission password, (ii) encryption, and (iii) automated verification of total dollars and number of items in the file. Client agrees that this procedure constitutes a commercially reasonable method of providing security against unauthorized instructions. Client will be bound by any debit/credit instruction issued in respect to Client, and received and verified by the Originating Bank in accordance with such security procedure, and neither ADP nor the Originating Bank will be liable for any loss sustained from any instructions which are not authentic if such security procedures have been followed in good faith.
- G. No Consequential Damages. NEITHER ADP, THE ORIGINATING BANK NOR CLIENT WILL BE RESPONSIBLE FOR SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL OR OTHER SIMILAR DAMAGES (INCLUDING LOST PROFITS) THAT THE OTHER PARTY MAY INCUR OR EXPERIENCE IN CONNECTION WITH THIS AGREEMENT OR THE SERVICES, HOWEVER CAUSED AND UNDER WHATEVER THEORY OF LIABILITY, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.
- H. NOTWITHSTANDING ANY LIMITATION CONTAINED IN THIS SECTION OR ELSEWHERE IN THIS AGREEMENT, EACH PARTY (THE "FIRST

PARTY") SHALL BE FULLY RESPONSIBLE FOR ALL DIRECT AND ACTUAL DAMAGES SUFFERED BY THE OTHER PARTIES AS A RESULT OF THE FRAUDULENT OR CRIMINAL ACTS OF THE FIRST PARTY AND/OR ITS EMPLOYEES AND AGENTS.

20. Ownership of Results and Records. Any interest of ADP in studies, reports, memoranda, computation sheets, questionnaires or surveys, Data in any form, or other documents and/or recordings prepared by ADP in connection with Work to be Performed under any individual Work Order will become the property of the Client. Upon the Client's written request, ADP will provide the Client with all these materials within thirty (30) calendar days provided ADP may nonetheless retain copies thereof if required by applicable law or if reasonably necessary by ADP for the performance of its obligations.

21. Payment. The consideration to be paid to ADP under this Agreement will be compensation for all ADP's expenses incurred in the performance of this Agreement, including travel and per diem, unless otherwise expressly provided. ADP agrees that it will have no recourse against the State for any act or omission of the Client arising from ADP's furnishing goods or services pursuant to this Agreement, any such recourse to be solely had against the applicable Client. State acknowledges and agrees that in the event of any non-payment of monies by a Client to ADP (other than withholding of payment subject to a good faith dispute of which a prompt and detailed written notice has been provided to ADP by Client), or uncured material breach by a Client, ADP will be permitted to suspend the provisions of any and all services to such Client, and if such default continues, to terminate such services.

A. **Payment.** Client will pay ADP for the Services indicated on each Work Order at the rates set forth in Exhibit E to the Master Agreement, for the Initial Term of this Master Agreement. If any Client requests Services which are not priced on Exhibit E, the rate for such services will be set forth on the Work Order applicable to such Client. ADP may increase prices annually after the Initial Term upon at least 30 days prior written notice to Client if such change is part of a general price change by ADP to its clients for affected items. These prices do not include monthly communication charges or communication installation charges, which will be paid by Client.

Client will pay all undisputed invoice amounts (or the undisputed portions) within 30 (thirty) days of receipt of invoice. If Client fails to pay any amount due hereunder, whether by acceleration or otherwise, Client, on written demand, will pay interest at the rate of 1.5% per month (or the maximum allowed by law if less) on such past due amount from the due date thereof until the payment date. Client will reimburse ADP for any expenses incurred, including interest and reasonable attorney fees, in collecting amounts due ADP hereunder.

B. **Taxes.** Amounts equal to any applicable taxes levied or based on this Agreement, will be added to all payments, exclusive of taxes based on ADP's net income.

22. Record Retention. ADP will maintain all financial Data, supporting documents, and all other records relating to performance and billing under this Agreement for a period in accordance with State and Federal law, a minimum retention period being no less than seven (7) years. The retention period starts from the date of the submission of the final payment request. The Contractor is also obligated to protect Data adequately against fire or other damage.

23. Services.

- A. **Performance Standard.** ADP will perform the Services in a professional manner, using personnel having a level of skill in the area commensurate with the requirements of the Services to be performed. If ADP employees are located on Client's property, ADP will advise such employees to observe the reasonable security and safety policies of Client, as communicated to ADP sufficiently in advance from time to time.
- B. **Use of Services.** Client will use the Services in accordance with the instructions and reasonable policies established by ADP from time to time and communicated to Client. Client will use the Services only for the internal business purposes of the Client, or to provide data or reporting to the AOC. Client will not provide, directly or indirectly, any of the Services to any party other than the Client or the AOC.
- C. **Impound Services.** If Client is receiving any of the Services that require ADP to impound funds from Client's Account to pay Client's third-party payment obligations (e.g., Tax Filing Services, WGPS, FSDD Services and/or ADPCheck Services) ("Impound Services"), Client shall have sufficient, collected funds in Client's Account within the deadline established by ADP to satisfy such third-party payment obligations in their entirety. ADP may commingle Client's impounded funds with other clients', ADP's or ADP-administered funds of a similar type. ALL AMOUNTS EARNED ON SUCH FUNDS WHILE HELD BY ADP WILL BE FOR THE SOLE ACCOUNT OF ADP.
- D. **Accuracy of Client Information, Review of Data.** All Services provided hereunder will be based upon information provided to ADP by Client (including proof of federal, state and local tax identification numbers) and Client is responsible for the accuracy of all such information. ADP has no obligation to verify the accuracy of such data and will not be liable for any adverse consequences resulting from errors or omissions contained in such data. Upon receipt from ADP, whether electronically or otherwise, Client will promptly review all disbursement records and other reports prepared by ADP for validity and accuracy according to Client's records. Client will immediately notify ADP of any error or omission discovered by Client or any discrepancy between the information provided by ADP and Client's records and will not distribute any paycheck or rely on any record, report or document containing any such error, omission or discrepancy until such error, omission or discrepancy, as the case may be, has been corrected.

- E. **Client Responsible for Compliance with Laws.** The Services are designed to assist Client in complying with applicable laws and governmental regulations. Nevertheless, Client (and not ADP) will be responsible (i) for compliance by Client with all laws and governmental regulations affecting its business and (ii) for any use Client may make of the Services to assist it in complying with such laws and governmental regulations. Client will not rely solely on its use of the Services in complying with any laws and governmental regulations. No state or federal agency monitors or assumes any responsibility for the financial solvency of third-party tax filers.
- F. **Century Date-Change.** The ADP Products will be year 2000 ready, that is, the ADP Products will be no more likely to produce logical or arithmetic inconsistencies, will be no more likely to experience any abnormal or unanticipated shutdowns or other interruptions, and will be no more likely to produce any invalid or incorrect results or experience other degradations in performance or functionality, when dealing with dates beyond December 31, 1999 than they are when dealing with dates before December 31, 1999. Notwithstanding the foregoing, ADP makes no statements as to the interoperability of the ADP Products with any third parties' systems.
- G. **FSDD/ADPCheck.** With respect to FSDD Services, prior to the first credit to the account of any employee or other individual (a "Payee"), Client shall obtain a signed authorization from such Payee (a "Payee Authorization"), which shall be in a form approved by ADP and shall authorize the initiation of credits to such Payee's account and debits of such account to recover funds credited to such account in error. Client shall retain a copy of each Payee Authorization during the period such Payee Authorization is in effect and for two years thereafter and shall furnish such copy to ADP upon request. Client agrees not to distribute any ADPChecks to Payees prior to 4:00 p.m. local time on the banking day immediately before payday. Client also agrees to cooperate with ADP to recover funds erroneously included in any ADPCheck issued to any Payee or credited to any Payee's account in error. If Client desires to stop payment on any ADPCheck, Client shall provide ADP with a written stop payment request in the form provided by ADP. ADP shall then place a stop payment order with ADP's bank within twenty-four (24) hours of ADP's receipt of such stop payment request. Client shall not request ADP to stop payment on any ADPCheck which represents funds to which the applicable payee is rightfully entitled. Client represents and warrants to ADP and to the bank originating debit/credit instructions on ADP's behalf (the "Originating Bank"), if applicable, that: (a) each credit and debit (reversing or correcting a prior payroll credit) to the account of a Payee is timely and has been authorized pursuant to a Payee Authorization signed by such Payee and held by Client; (b) at the time any credit is made to the account of any such Payee, Client has no actual knowledge of the revocation or termination of such Payee's Payee Authorization; (c) each debit to the account of a Payee (reversing or correcting a prior payroll credit) is for a sum which is due and owing to Client and Client has notified the Payee of such debit prior to its initiation; (d) the amount indicated by Client as being owed to each Payee is in fact

due and owing to such Payee; and (e) Client's electronic credit payments comply with United States laws and all other applicable laws.

24. Severability; Survival. If any term or provision of this Agreement is found to be illegal or unenforceable, this Agreement will remain in full force and effect and that term or provision will be deemed stricken. The termination or expiration of the Agreement will not relieve a party of any obligation or liability accrued hereunder prior to or subsequent to such termination or expiration, nor affect or impair the rights of either party arising under the Agreement prior to or subsequent to such termination or expiration, unless expressly provided herein.

25. Subcontracting. ADP reserves the right to subcontract all or a portion of work to be provided on behalf of the Client. ADP retains responsibility for delivery of services for all agreed upon Work Orders and/or Change Orders. No party to this Agreement will in any way contract on behalf of or in the name of another party to this Agreement.

26. Termination for Cause. The State may terminate this Master Agreement if ADP fails to perform the material provisions, at the time and in the manner provided. If the Agreement is terminated, the State may proceed with the Work in any manner it deems proper.

27. Termination by State, for Other Than for Cause. In addition to termination for cause, State may terminate this Master Agreement at any time upon providing ADP written Notice at least ten (10) Days before the effective date of termination. Upon receipt of the termination Notice, ADP will promptly discontinue entering into new Work Orders with Clients under this Agreement. State shall be obligated to notify all Clients in such event. ADP shall continue to provide service to Clients with an authorized Work Order under the terms and conditions of this Master Agreement, unless the Client or ADP terminates the Work Order pursuant to section 28 below.

28. Term and Termination; Default by Client; Remedies Upon Default.

A. Termination for Other than Cause. During the first 90 days of service, with respect to Services covered by this Agreement (other than Impound Services), Client may terminate its Work Order at any time; thereafter (whether before or after partial termination of this Master Agreement), either ADP or Client may terminate a Work Order upon 180 Days prior Notice to the other, unless otherwise agreed. With respect to the Impound Services, either ADP or Client may terminate a Work Order upon at least 30 days prior written notice. If the State terminates this Master Agreement, in whole or in part, prior to the expiration of a Client's Work Order, Client may, with respect to Work terminated by the State, (i) continue to receive the Work under the terms of this Master Agreement for the remainder of the term for this Work Order, or (ii) terminate the Work Order or the component of the Work that has been terminated by the State, pursuant to this section. If Client terminates all or a portion of their Work Order, the Client will pay ADP for work performed and services rendered before the termination.

- B. Impound Services. Notwithstanding anything contained herein, any of the Impound Services may be immediately terminated by ADP without prior notice if (i) any of the events in Subsection (C) of this Section 28 occur with respect to Client, (ii) any unauthorized credits or debits are initiated in Client's name, (iii) the Originating Bank notifies ADP that it is no longer willing to originate debits and credits for any reason, (iv) the Authorization to Debit is terminated, (v) Client terminates or is terminated from the Tax Filing Services, or (vi) ADP reasonably determines that Client no longer meets ADP's eligibility requirements for such Services. ADP agrees that in the event of a financial default by a Client with respect to the funding to ADP of any third party payment obligations (i.e. tax filing funds or employee wages, but not ADP's fees for the Services), ADP will initially suspend the Services (as opposed to outright termination thereof) and notify the AOC and the applicable Client of the default. ADP will be permitted to terminate the Services (and the applicable Work Order) if such default is not cured within five business days thereafter; provided that if a Client commits two such financial defaults then upon any such default thereafter, ADP will be permitted to terminate the Services (and the applicable Work Order) immediately (without any such "suspended" service period) and without formal notice. With respect to financial defaults by a Client in respect of ADP fees (i.e. beyond 30 days of receipt of invoice, as specified in section 21.A above), ADP will provide notice of default and a one-week opportunity for Client to cure same before it will be permitted to terminate Services (or the applicable Work Order), but this sentence will not apply to any Client after the second such financial default. ADP shall not be responsible for any adverse consequences to Clients or their employees/payees that result from a suspension of Services that is permitted by this Section (and Section 21).
- C. Client Defaults. Notwithstanding anything contained herein (other than the last 3 sentences of section 28.B above), if Client (i) defaults in the payment of any fees to ADP hereunder, (ii) materially defaults in the performance of any of its other obligations hereunder, (iii) commits an act of bankruptcy or becomes the subject of any Bankruptcy Act proceeding or becomes insolvent, or if any substantial part of Client's property becomes subject to any levy/seizure, assignment, application or sale for or by any creditor or governmental agency, or (iv) has any material adverse change (in ADP's reasonable opinion) in its financial condition (e.g. a significant likelihood that Client will be unable to fund the next payroll), then, in any such event, ADP may, upon prior written Notice (a) suspend this Agreement and/or any of the Services, (b) declare all amounts due and to become due immediately due and payable and/or (c) require Client to deposit an amount equal to its average per processing charges or to prepay for future processing. If any such default by Client is curable but not cured within 30 days of receipt of such Notice of default from ADP, ADP may immediately terminate all services to the applicable Client immediately upon written Notice of same to such Court and the AOC. ADP shall not be responsible for any adverse consequences to Clients or their employees/payees that result from a suspension of Services that is permitted by this Section.

- D. **Post-Termination.** If any of the Services are, or may be, terminated by ADP pursuant to subparagraphs (B) or (C) above, ADP will be entitled to allocate any funds remitted or otherwise made available by Client to ADP in such priorities as ADP (in its sole discretion) may determine appropriate (including reimbursing ADP for payments made by ADP on Client's behalf to a third party as part of the Services (unless such payment by ADP is an error by ADP or otherwise constitutes a breach by ADP of this Agreement)) and if any such Services are terminated, Client will immediately: (i) become solely responsible for all of its third-party payment obligations covered by such Services then or thereafter due (including, for Tax Filing Services, all related penalties and interest); (ii) reimburse ADP for all payments made by ADP hereunder on Client's behalf to any third party; and (iii) pay any and all fees and charges invoiced by ADP (and in accordance with the rates specified in this Agreement) to Client relating to the Services. If ADP elects not to terminate any or all of the Services as permitted hereunder, ADP may require Client to pay its outstanding and all future third-party payment amounts covered by the Services and/or ADP's fees and charges for the Services to ADP by bank or certified check or by wire transfer as a condition to receiving further Services.
- E. **Remedies Cumulative.** These remedies are cumulative, and in addition to all other rights and remedies available to ADP hereunder, by operation of law or otherwise.
- 29. Third Party Beneficiaries.** Nothing in this Agreement creates, or will be deemed to create, third party beneficiaries of or under this Agreement. CLIENT AGREES THAT OTHER THAN ADP'S OBLIGATIONS TO CLIENT HEREUNDER, ADP HAS NO OBLIGATION TO ANY THIRD PARTY (INCLUDING, WITHOUT LIMITATION, CLIENT'S EMPLOYEES AND/OR ANY TAXING AUTHORITIES) BY VIRTUE OF THIS AGREEMENT.
- 30. Waiver.** The omission by either party at any time to enforce any default or right, or to require performance of any of this Agreement's terms, covenants, or provisions by the other party at the time designated, will not be a waiver of the default or right, nor will it affect the right of the party to enforce those provisions later.
- 31. Warranty – Services.** ADP warrants and represents that each of its employees, independent contractors or agents assigned to perform any services or provide any technical assistance in planning, development, training, consulting or related services under the terms of this Agreement will have the skills, training, and background reasonably commensurate with his or her level of performance or responsibility, so as to be able to perform in a competent and professional manner. ADP further warrants that the services provided hereunder will conform to the requirements of this Agreement in all material respects.

32. Warranties Disclaimer. EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, ADP EXPRESSLY DISCLAIMS ANY WARRANTY, EITHER EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT, NON-INTERRUPTION OF USE, AND FREEDOM FROM PROGRAM ERRORS WITH RESPECT TO THE SERVICES, ADP PRODUCTS, ANY CUSTOM PROGRAMS CREATED BY ADP OR ANY THIRD-PARTY SOFTWARE DELIVERED BY ADP.

33. Signature Authority. The parties signing this Master Agreement and any Work Orders issued pursuant to this Master Agreement certify that they have proper authorization to do so.

34. Inducement and Entire Agreement. Neither party has been induced to enter into this Agreement by any representation or warranty not set forth in this Agreement. This Master Agreement, consisting of all documents as defined (and/or incorporated) herein, constitutes the entire agreement between the parties, regarding the subject matter, and supersedes all previous proposals, both oral and written, negotiations, representations, commitments, writing and all other communications between the parties. No waiver, alteration, modification of, or addition to the terms and conditions contained herein will be binding unless expressly agreed in writing by ADP and a duly authorized officer of the State.

ATTACHMENT B-1
MODIFICATIONS TO CONTRACTOR'S CLIENT ACCOUNT AGREEMENT AND
AUTHORIZATION TO DEBIT/CREDIT FORM

The parties agree that certain aspects of Contractor's standard form entitled "Client Account Agreement and Authorization to Debit/Credit" (the "CAA") shall not apply or shall be deemed clarified as set forth herein, despite the fact that Clients will be executing unmodified versions of the CAA (*i.e.*, this provision shall govern with respect to any conflicts between it and any CAA's executed by Clients).

Contractor agrees that the following modifications shall be incorporated into the CAA:

1. FRONT OF FORM

a. Service Fees

The note corresponding to the heading "DEBIT METHOD (check Applicable Box)" currently states "Note: (ACH method will be used to collect all service fees)". This note is hereby amended with "The ACH method will be used to collect all service fees if the client opts to have service fees debited. ATTACHMENT C-1
SERVICE MODEL AND SERVICE LEVEL AGREEMENT

1. General Description:

Establishing a Service Model and Service Level Agreement for the Trial Courts provides a strategy and approach to ensure the delivery of service excellence and quality. Effective November 28, 2005, ADP will begin to provide the Service Model described herein, including the service standards ("Service Level Agreement") for the term of this Agreement. Payment terms and conditions for the Service Model are reflected in paragraph 6 of this Attachment C-1.

Issues and problems that may require escalation include, but are not limited to, the following:
 - Service Team failed to resolve the issue in a timely manner or to the satisfaction of the Court or AOC
 - General dissatisfaction with the service or support received

6. Payment Terms and Conditions for Service Model

a. Contract Amount for Service Model

The total amount the AOC will pay to the Contractor under this Agreement for performance of the Work required to provide the Service Model described herein is **\$200,000 for the initial twelve month period**. The Contractor will invoice the AOC in equal amounts of \$16,666.67 each month. This amount is inclusive of all costs, benefits, expenses, fees, overhead, profits, and other costs and/or expenses incidental to the performance of the specified requirements set forth herein.

b. Taxes

The AOC is exempt from federal excise taxes and no payment will be made for any taxes levied on the Contractor's or any Subcontractor's employees' wages. The AOC will pay for any applicable State of California or local sales or use taxes on the services rendered or equipment or parts supplied pursuant to this Agreement.

c. Method of Payment

The Contractor shall submit an invoice for the Service Model no more often than once a month. After receipt of invoice, the AOC will either approve the invoice for payment or give the Contractor specific written reasons why part or all of the payment is being withheld and what remedial actions the Contractor must take to receive the withheld amount.

The AOC will make payment in arrears after receipt of the Contractor's properly completed invoice. Invoices shall clearly indicate the following:

- i) The Contract number;
- ii) A unique invoice number;
- iii) The Contractor's name and address;
- iv) Taxpayer identification number;
- v) Description of the Work provided;
- vi) The contractual charges, and,

San Francisco, CA 94102-3688

Please note that invoices or vouchers not on printed bill heads shall be signed by the Contractor or the person furnishing the supplies or services.

d. Continuous Funding and Evaluation of Cost for Service Model

- i) After the third quarterly account review, the AOC and ADP will review adjusting the annual fee based on the need for an increase or reduction in Service Team personnel. The increase or decrease will be based on the assumption that the cost for a single

Amendment No. 11 to Master Agreement No. TCMA-200201 with ADP, Inc.

member of the Service Team is \$50,000 per year. The increase or decrease will become effective on the anniversary date of the Service Model. The parties will continue to review the need for a change in the Service Team resources on an annual basis thereafter, or as may be otherwise agreed.

- ii) After the Service Model has been in effect for the initial twelve month term ADP will begin to bill the Courts directly, unless otherwise directed by the AOC. The direct billing to the courts will be on a monthly basis. The monthly fee will be determined by dividing the annual fee for the Service Model by the current number of pays across all courts covered by the master agreement. Each quarter the number of pays across courts will be reviewed and the per pay per payroll amount will be adjusted accordingly.
