## Report Summary

Report title: Trial Court Interpreters Program Expenditure Report for Fiscal Year 2014-2015

Statutory citation: Budget Act of 2014

## Code section: Government Code section 9795

Date of report: June 23, 2016
The Judicial Council has submitted a report to the Legislature in accordance with provision 3, item 0250-101-0932, of the Budget Act of 2014 (Stats. 2014, ch. 25).

The following summary of the report is provided under the requirements of Government Code section 9795.

The total appropriation for fiscal year (FY) 2014-2015 was \$94,560,000, of which $\$ 94,473,000$ was available for reimbursement for eligible court interpreter expenditures. The total court interpreter expenditures for all case types incurred during FY 2014-2015 eligible to be reimbursed from the Trial Court Trust Fund Program 45.45 was $\$ 94,508,321$, an increase of $\$ 2,037,041$ (2.2 percent) over FY 2013-2014 expenditures, and exceeded the appropriation by $\$ 35,321$.

The increase in expenditures may be attributed, in part, to the enactment of Assembly Bill 1657 (Stats. 2014, ch. 721), which provides that a court may provide an interpreter in any civil action or proceeding at no cost to the parties, regardless of the income of the parties, and gives a priority and preference order when courts have insufficient resources to provide interpreters for limited-English-proficiency parties in all case types.

The full report can be accessed here: www.courts.ca.gov/7466.htm.
A printed copy of the report may be obtained by calling 415-865-4273.

REPORT TO THE LEGISLATURE JUNE 2016

JUDICIAL COUNCIL
OF CALIFORNIA
COURT INTERPRETERS PROGRAM

# JUDICIAL COUNCIL OF CALIFORNIA 

Hon. Tani G. Cantil-Sakauye<br>Chief Justice of California and<br>Chair of the Judicial Council<br>Mr. Martin Hoshino<br>Administrative Director<br>Judicial Council<br>OPERATIONS AND PROGRAMS DIVISION<br>Ms. Millicent Tidwell<br>Chief Operating Officer<br>\section*{COURT OPERATIONS SERVICES}<br>Mr. Robert Lowney<br>Acting Director<br>\section*{Court Interpreters Program}<br>Ms. Catharine Price<br>Supervisor<br>Ms. Sonia Sierra Wolf<br>Primary Author of Report

## I. Background

## Mandates to Provide Court Interpreting Services

Article I, section 14, of the California Constitution was amended in 1974 to provide that "[a] person unable to understand English who is charged with a crime has a right to an interpreter throughout the proceedings." This provision establishes a mandate for the courts to provide interpreters in criminal matters to all defendants who have a limited ability to understand or speak English. Further state court rulings subsequent to the constitutional amendment established the right to a court interpreter in delinquency and some family law matters for individuals with limited English proficiency.

## Judicial Council and Legislative Actions

Judicial Council action taken on January 23, 2014, authorized trial courts to request reimbursement from the Trial Court Trust Fund Program 45.45 appropriation for costs related to court interpreters for all appearances in domestic violence cases, family law cases where there is a domestic violence issue, and elder or dependent adult abuse cases, thereby eliminating the $\$ 1.73$ million cap previously in place for such expenditures. The council also approved that trial courts could request reimbursement for expenditures on court interpreter services for indigent parties in civil cases. ${ }^{1}$

Effective January 1, 2015, the enactment of Assembly Bill 1657 (Stats. 2014, ch. 721), An act to add Section 756 to, and to repeal Section 755 of, the Evidence Code, and to add Section 68092.1 to the Government Code, relating to courts, specifies that a court may provide an interpreter in any civil action or proceeding at no cost to the parties, regardless of the income of the parties, and lists case types in priority and preference order to be used in allocating interpreter resources when courts have insufficient resources to provide interpreters for all limited-Englishproficiency (LEP) persons in all case types. ${ }^{2}$

The priority order stated in section 756 of the Evidence Code is as follows (see Attachment 1):

1. Domestic violence cases, family law cases in which there is a domestic violence issue, and elder or dependent adult abuse cases (nonfinancial abuse)
2. Unlawful detainer
3. Termination of parental rights ${ }^{3}$
4. Conservatorships and guardianships
5. Proceedings to obtain sole legal or physical custody of a child or rights to visitation

[^0]6. Civil harassment or elder abuse not addressed in domestic violence cases, family law cases in which there is a domestic violence issue, and elder or dependent adult abuse cases (nonfinancial abuse)
7. All other family law
8. All other civil

In January 2015, the Judicial Council approved and adopted the Strategic Plan for Language Access in the California Courts (LAP). The LAP provides a comprehensive statewide approach that makes 75 recommendations for the provision of language access at all points of contact in the California courts. Of the eight major goals identified in the LAP, Goal 2, Provide Qualified Language Access Services in All Judicial Proceedings, states:

By 2017, and beginning immediately where resources permit, qualified interpreters will be provided in the California court to LEP court users in all courtroom proceedings and, by 2020, in all court-ordered, court-operated events. ${ }^{4}$

Under federal law, individuals who are deaf or hard of hearing and who require sign language interpreters must receive court interpreter services at no cost in all court proceedings.

## Statutory Requirement to Report on Expenditures

The Budget Act of 2014 (Stats. 2014, ch. 25), item 0250-101-0932, Schedule (4), provides appropriation from the Trial Court Trust Fund (TCTF) for the services of court interpreters. Provision 3 states that " $[t]$ he Judicial Council shall report to the Legislature and the Director of Finance annually regarding expenditures from Schedule (4)." Consistent with those requirements, this report details trial court expenditures for court interpreter services and includes expenditures provided in civil cases.

## Trial Court Trust Fund Program 45.45 Funding for FY 2014-2015

- The total appropriation for fiscal year (FY) 2014-2015 was $\$ 94,560,000$, representing a $\$ 1,766,000$ increase from the initial appropriation of $\$ 92,794,000$ in the Budget Act of 2014.
- The increase of $\$ 1,766,000$ was a result of an intra-schedule transfer budget revision from Program 45.10, Support for Operation of the Trial Courts.
- The budget amendment was approved to allow for changes in retirement and health benefit costs for court interpreter employees.
- Of the $\$ 94,560,000$ appropriation, $\$ 94,473,000$ was available for reimbursement for allowable court interpreter costs. ${ }^{5}$
- The total statewide court interpreter expenditure for all case types incurred during FY 2014-2015 eligible to be reimbursed from the TCTF Program 45.45 was $\$ 94,508,321$.

[^1]- Reimbursement for civil (domestic violence and civil) case types was $\$ 3,974,325$, or 4.21 percent of total reimbursements (for a breakdown by court, see Attachment 2).
- Table 1 summarizes the breakdown of expenditures by case type reported by the courts.
- Reimbursements to the courts increased by \$2,037, 041 (2.2 percent) over FY 2013-2014 (\$92,471,280).
- Total expenditures reimbursed to the courts exceeded the appropriation by $\$ 35,321$. This may be attributed to the initial expansion of interpreters to civil cases and is expected to increase as courts further expand interpreter services in civil cases.

| Amount over allocation | \$ | 35,321 |  |

## II. Allowable Expenditures

The following expenditures qualify for reimbursement under TCTF Program 45.45:

1. Contract court interpreters, including per diems (see section III) and travel;
2. Certified and registered court interpreters employed by the courts, including salaries, benefits, and travel;
3. Court interpreter coordinators who are certified or registered court interpreters, including salaries and benefits; ${ }^{6}$ and
4. Four court interpreter supervisor positions: two in Los Angeles County, one in Orange County, and one in San Diego County. These are the only positions funded under TCTF Program 45.45 that include funding for standard operating expenses and equipment.

Attachment 3 provides a summary by court of the total $(\$ 94,508,321)$ reimbursements for allowable court interpreter expenditures in FY 2014-2015.

## III. Rates of Pay for Contract Court Interpreters

The Judicial Council first established statewide standards for contract court interpreter compensation in January 1999 at two defined levels, a full-day rate and a half-day rate.

## Statewide Standard Rate for Certified and Registered Contract Court Interpreters

Effective September 1, 2007, the Judicial Council set the statewide standard pay rate for certified and registered independent contractor interpreters to $\$ 282.23$ for a full day and $\$ 156.56$ for a half day. The rate has remained unchanged since 2007.

## Statewide Standard Rate for Noncertified and Nonregistered Contract Interpreters

The statewide standard rate for noncertified and nonregistered interpreters is $\$ 175$ for a full day and $\$ 92$ for a half day, the rate that was established by the Judicial Council in July 1999.

Noncertified and nonregistered court interpreters who have not taken or passed the required examinations to become certified or registered court interpreters but who have demonstrated language proficiency may be provisionally qualified by the court. They may be used when no certified or registered interpreter is available. ${ }^{7}$

Actual rates paid to contract interpreters often exceed the statewide standard because each assignment must be negotiated by the trial court and is subject to current market rates, including supply and demand.

[^2]
## Comparison with Federal Rates

Provision 3 of item 0250-101-0932 of the Budget Act of 2016 states that "the Judicial Council shall set statewide or regional rates and policies for payment of court interpreters, not to exceed the rate paid to certified interpreters in the federal court system." The current federal rates for contract court interpreters are $\$ 418$ for a full day and $\$ 226$ for a half day for certified and registered interpreters and $\$ 202$ for a full day and $\$ 111$ for a half day for noncertified and nonregistered interpreters. ${ }^{8}$

California employee court interpreters negotiate salaries, benefits, and working conditions regionally. The federal system relies almost exclusively on contract interpreters, whereas court interpreter assignments in the California state courts are largely performed by employee court interpreters as illustrated in table 2.

## IV. Expenditures for Employee and Contract Interpreters

## Expenditures for Certified and Registered Employees and Contract Interpreters

Table 2 details reimbursed expenditures for employee-related and contract court interpreter costs. Total employee-related expenditures represented 83.14 percent of total interpreter reimbursements in FY 2014-2015.

Contract interpreter expenditures represented 16.86 percent of total reimbursements. As a percentage of total reimbursements, employee costs were slightly lower than those in the prior year, and contractors were slightly higher. Note that the current FY 2014-2015 reimbursements include all case types, including civil cases that were not previously eligible for reimbursement.

## Expenditures for Noncertified and Nonregistered Contract Interpreters

During FY 2014-2015, statewide expenditures for noncertified/nonregistered contract interpreters equaled $\$ 2,416,394$, or 2.56 percent of total statewide expenditures.

Table 3 illustrates annual statewide expenditures over the past five years (excluding travel) for noncertified and nonregistered interpreters, and the percent of total reimbursements for court interpreter services.

These same courts also represented the top 11 courts in the prior fiscal year. Attachment 3 provides reimbursed expenditures reported by each court by category.

## VI. Conclusion

In FY 2014-2015, the state appropriation was not quite sufficient to provide all courts with full reimbursement of their reported allowable court interpreter expenditures. Taking into consideration that AB 1657 did not take effect until January 2015, and with only six months of preliminary data reported, FY 2015-2016 expenditures will likely exceed the FY 2014-2015 total. At this time, reimbursements that exceed the appropriation are absorbed by the cumulative savings in the Program 45.45 fund.

4. (a) To the extent required by other state or federal laws, the Judicial Council shall reimburse courts for court interpreter services provided in civil actions and proceedings to any party who is present in court and who does not proficiently speak or understand the English language for the purpose of interpreting the proceedings in a language the party understands, and assisting communications between the party, his or her attorney, and the court.
(b) If sufficient funds are not appropriated to provide an interpreter to every party that meets the standard of eligibility, court interpreter services in civil cases reimbursed by the Judicial Council, pursuant to subdivision (a), shall be prioritized by case type by each court in the following order:
(1) Actions and proceedings under Division 10 (commencing with Section 6200) of the Family Code, actions or proceedings under the Uniform Parentage Act (Part 3 (commencing with Section 7600) of Division 12 of the Family Code) in which a protective order has been granted or is being sought pursuant to Section 6221 of the Family Code, and actions and proceedings for dissolution or nullity of marriage or legal separation of the parties in which a protective order has been granted or is being sought pursuant to Section 6221 of the Family Code; actions and proceedings under subdivision (w) of Section 527.6 of the Code of Civil Procedure; and actions and proceedings for physical abuse or neglect under the Elder Abuse and Dependent Adult Civil Protection Act (Chapter 11 (commencing with Section 15600) of Part 3 of Division 9 of the Welfare and Institutions Code).
(2) Actions and proceedings relating to unlawful detainer.
(3) Actions and proceedings to terminate parental rights.
(4) Actions and proceedings relating to conservatorship or guardianship, including the appointment or termination of a probate guardian or conservator.
(5) Actions and proceedings by a parent to obtain sole legal or physical custody of a child or rights to visitation.
(6) All other actions and proceedings under Section 527.6 of the Code of Civil Procedure or the Elder Abuse and Dependent Adult Civil Protection Act (Chapter 11 (commencing with Section 15600) of Part 3 of Division 9 of the Welfare and Institutions Code).
(7) All other actions and proceedings related to family law.
(8) All other civil actions or proceedings.
(c) (1) If funds are not available to provide an interpreter to every party that meets the standard of eligibility, preference shall be given for parties proceeding in forma pauperis pursuant to Section 68631 of the Government Code in any civil action or proceeding described in paragraph (3), (4), (5), (6), (7), or (8) of subdivision (b).
(2) Courts may provide an interpreter to a party outside the priority order listed in subdivision (b) when a qualified interpreter is present and available at the court location and no higher priority action that meets the standard of eligibility described in subdivision (a) is taking place at that location during the period of time for which the interpreter has already been compensated.
(d) A party shall not be charged a fee for the provision of a court interpreter.
(e) In seeking reimbursement for court interpreter services, the court shall identify to the Judicial Council the case types for which the interpretation to be reimbursed was provided. Courts shall regularly certify that in providing the interpreter services, they have complied with the priorities and preferences set forth in subdivisions (b) and (c), which shall be subject to review by the Judicial Council.
(f) This section shall not be construed to alter, limit, or negate any right to an interpreter in a civil action or proceeding otherwise provided by state or federal law, or the right to an interpreter in criminal, traffic, or other infraction, juvenile, or mental competency actions or proceedings.
(g) This section shall not result in a reduction in staffing or compromise the quality of interpreting services in criminal, juvenile, or other types of matters in which interpreters are provided.
