

The State Bar of California

Fraud Alert

Watch for and report legal fraud in response to recent fires in California.

Remember, lawyers and their representatives **can't** do any of the following in person or by phone:

- Solicit your business at an accident scene, at a hospital or on the way to a hospital
- Solicit your business if you are unable to exercise reasonable judgment because of your physical, emotional or mental state
- Send you solicitations by mail unless the letter and envelope are clearly labeled as an advertisement
- Promise a particular outcome from legal representation

Call the State Bar of California's multilingual intake hotline to file a complaint
