## 1. Ordering

- a. A JBE shall contact the designated Contractor representative to obtain pricing and availability information for the goods and services it needs which are provided under the Master Agreement.

Typically, this equipment is purchased by a court as part of the Screening Equipment Replacement Program. If that is the case, the court will receive a communication from the Program Manager outlining the estimated cost of the purchase, and will be asked to provide a copy of the Purchase Order. If the court is making a purchase outside the framework of the Program, it is not necessary to provide a copy of the Purchase Order to Security Operations, but the court may opt to do so anyway as that allows the Program Manager to better track inventory and plan replacement. The equipment becomes part of the inventory and should be eligible for replacement regardless of how the purchase was made.

- b. A JBE shall create and issue to the Contractor a Purchase Order to obtain the goods and services provided under the Master Agreement. All Purchase Orders will reference Master Agreement MA-2017-06. The terms and conditions of the Master Agreement are applicable to all Purchase Orders, regardless of the ordering document or ordering process. Pricing for the goods and services obtained by the JBE under the Master Agreement shall be in accordance with the prices set forth in the Master Agreement.
- c. Purchase Orders issued by a JBE constitute and will be construed as a separate, independent contract between Contractor and such JBE. Such contract will be subject to and incorporate the terms and conditions of the Master Agreement, provided the following: any additional or supplemental terms and conditions contained in the Purchase Order or in any invoice or confirmation of the Purchase Order that conflict with or materially alter any term or condition of this Agreement, (a) will not be deemed part of such Purchase Order; and (b) will not serve to supersede or modify any provision of this Agreement.
- d. JBEs issuing a Purchase Order under this Master Agreement will include the name and contact information of a JBE contact person in the Purchase Order. Contractor shall contact the JBE's designated contact regarding questions on any Purchase Order or payment status of any Purchase Order.
- e. The JBE signing the Purchase Order shall: (i) be solely responsible for the acceptance of and payment for goods and services under such Purchase Orders; and (ii) be subject to the terms and conditions of the Master Agreement and is solely responsible for its obligations and any breach of its obligations.
- f. Per section 3.6 (Certificates of Insurance) in Appendix C (General Provisions) of the Master Agreement, before the Contractor begins performing any services, Contractor shall give the ordering JBE certificates of insurance attesting to the existence of coverage, and stating that the policies will not be canceled, terminated or amended to reduce coverage without thirty days' prior written notice to the ordering JBE.
- g. State of California prevailing wage requirements are not applicable to the Master Agreement.
