DATE: November 8, 2005

SUBJECT: Traffic/Criminal: 2006 Uniform Bail and Penalty Schedules
(revise Schedules) (Action Required)

Issue Statement

Vehicle Code section 40310 provides that the Judicial Council shall annually adopt a uniform traffic penalty schedule for all nonparking Vehicle Code infractions. Rule 4.102 of the California Rules of Court requires the council to revise the Uniform Bail and Penalty Schedules (“Schedules”) each year to conform to new legislation.

Recommendation

The Traffic Advisory Committee recommends that the Judicial Council, effective January 1, 2006, adopt the proposed revised 2006 Uniform Bail and Penalty Schedules.

The text of the revised Schedules is set forth in Attachment A.

Rationale for Recommendation

Rule 4.102 of the California Rules of Court provides that trial court judges, in performing their duties under Penal Code section 1269b, must annually revise and adopt a schedule of bail and penalties for all misdemeanor and infraction offenses except Vehicle Code infractions. The penalty schedule for nonparking Vehicle Code infractions is established by the Uniform Bail and Penalty Schedules adopted by the Judicial Council.

Staff completed a substantive review of recent legislation and the Schedules to identify and correct inconsistencies with statutory authority and to ensure that the fines and penalties are accurate. New text in the proposal is underlined, and deleted text is shown with strikeouts. Because this proposed version has been converted from a Word format to a spreadsheet format that has different capabilities for tracking

changes, the proposed numerical values (dollar amounts) are underlined, but the current numerical values do not appear. All changes to base fines from those previously listed are underlined in the proposed Schedules and identified below.

The Traffic Advisory Committee has reviewed the changes identified by staff as necessary to bring the Schedules into conformity with current legal requirements. Based on that review, the committee recommends that the council adopt the attached Schedules, with the designated revisions, including:

1. Deletion of the schedule for safety enhancement–double fine zones due to expiration of Vehicle Code section 42010;
2. Revision of penalty categories under Vehicle Code section 40310 to expand Category 1 to include pocket bike offenses with a base fine set at \$25;
3. Revision of section VIII of the preface to include information on amendment of Vehicle Code section 42005, which prohibits drivers of commercial vehicles and drivers with Class A, Class B, or commercial Class C driver’s licenses from attending traffic violator school to obtain dismissal of traffic violations;
4. Revision of section IV.E of the preface and the sample calculation of the bail and traffic violator school fee on page x of the preface, to clarify that the court security fee, which is charged in addition to the “total bail” and is not part of the traffic violator school fee, is collected as required by Penal Code section 1465.8;
5. Addition of new offenses for violation of Vehicle Code sections 2800(c) (Secretary of the Department of Transportation out-of-service order), 12517(a)(2) (operation of school pupil activity bus), 21720 (pocket bikes), 22450(a) (railroad grade crossing stop), 23109(e)(2) (speed contest causing bodily injury), and 38301.3 (entry into federal or state wilderness area); Public Resources Code section 4442.6 (warning label requirements for equipment with an internal combustion engine); and Fish and Game Code section 3003 (online hunting);
6. Addition of entries for violations of Vehicle Code sections 12509(e) (violation of instruction permit restriction), 21655.9 (driving low-emission vehicle without required decal or sticker); and 31401(d) (willful rental or use by owner or contractor of farm labor vehicle without inspection);
7. Increase of the base fine for violation of Vehicle Code section 2801 (refusal to obey firefighter) from \$25 to \$35; section 22348(b) (speeding over 100 miles per hour), from \$120 to \$200; section 22526(c) (blocking railroad or rail transit crossing), from \$50 to \$100; and section 27000(b) (backing alarm requirements for certain vehicles), from \$25 to \$150; and

8. Renumbering or addition of citation subdivisions and subsections to reflect recent changes.

Countywide bail schedules

Penal Code section 1269b requires judges in each county to adopt a countywide bail schedule for misdemeanor and infraction offenses, except Vehicle Code infractions, which are set by the council's Schedules, unless exempted by Penal Code section 1463.28. Under section III.B on page iii of the preface to the Schedules, courts are required to determine the court facility construction penalty that applies to the county and substitute a penalty and total bail amount, if necessary, that applies when adopting a countywide schedule. The bail amounts in the Schedules are calculated by using the maximum court facilities construction penalty amount authorized by Government Code section 70372(a) of \$5 for every \$10, or part of \$10, of a base fine.

The proposed Schedules are prepared in an electronic spreadsheet database format. The database format enables a court to easily recalculate its countywide bail schedule by using the specific court facilities construction penalty amount that applies to the county. The specific amount that the courts in each county should use to calculate that penalty and the total bail are set out in section III.B on page iv of the preface of the Schedules. The spreadsheet format enables courts to easily recalculate the penalty and total bail and adopt a uniform countywide bail schedule as required by Penal Code section 1269b.

Adoption of the 2006 Uniform Bail and Penalty Schedules will conform the Schedules to new legislation and promote uniformity in bail and penalty assessments by facilitating adoption of revised countywide bail schedules that fully incorporate the council's Schedules.

Alternative Actions Considered

No alternatives were considered. An annual revision of the Schedules is required by statute and by rule 4.102.

Comments From Interested Parties

The proposed 2006 Uniform Bail and Penalty Schedules were circulated for statewide comment. Thirty-three of the 40 responses received agreed with the proposed revisions. Seven comments that were received suggested minor changes. Attachment B lists all comments and the committee's responses.

Implementation Requirements and Costs

Implementation of the Schedules should not be difficult or costly for the courts. The electronic database format should significantly reduce the time and effort required by courts to update penalty assessment and total bail amounts for countywide bail schedules.

Fiscal impact

The overall fiscal impact should not be significant since very few new offenses have been added or fine amounts changed.

Rule 4.102. UNIFORM BAIL and PENALTY SCHEDULES

**TRAFFIC, BOATING, FORESTRY, FISH and GAME,
PUBLIC UTILITIES, PARKS and RECREATION, BUSINESS LICENSING**

The Judicial Council of California has established the policy of promulgating uniform bail and penalty schedules for certain offenses in order to achieve a standard of uniformity in the handling of these offenses.

In general, bail is used to ensure the presence of the defendant before the court. Pursuant to Vehicle Code sections 40512 and 13103, bail may also be forfeited and such forfeiture may be had without the necessity of any further court proceedings and treated as a conviction for specified Vehicle Code offenses. A penalty in the form of a monetary sum is a fine imposed as all or a portion of a sentence imposed.

To achieve substantial uniformity of bail and penalties throughout the state in traffic, boating, fish and game, forestry, public utilities, parks and recreation, and business licensing cases, trial court judges in each county, in performing their duty under section 1269b of the Penal Code to annually revise and adopt a uniform countywide schedule of bail and penalties for all misdemeanor and infraction offenses except Vehicle Code infractions, shall give consideration to the Uniform Bail and Penalty Schedules approved by the Judicial Council. The Uniform Bail and Penalty Schedule for infraction violations of the Vehicle Code shall be established by the Judicial Council in accordance with section 40310 of the Vehicle Code. Judges shall give consideration to requiring additional bail for aggravating or enhancing factors.

When a uniform countywide bail schedule is adopted pursuant to section 1269b of the Penal Code, as soon as practicable after adoption of the schedule, a copy of the schedule shall be mailed to the Judicial Council with a report stating how the revised schedule differs from the council's uniform traffic bail and penalty schedule, uniform boating bail and penalty schedule, uniform fish and game bail and penalty schedule, uniform forestry bail and penalty schedule, uniform public utilities bail and penalty schedule, uniform parks and recreation bail and penalty schedule, or uniform business licensing bail and penalty schedule.

The bail amounts in the 2005~~6~~ Uniform Bail and Penalty Schedules are calculated using the maximum court facilities construction penalty amount authorized by Government Code section 70372(a) of \$5 for every \$10 of base fine. Government Code ~~S~~section 70375(b) requires a reduction of the court facilities construction penalty by the amount collected for deposit into the local

courthouse construction fund pursuant to Government Code section 76100. The reduced court facilities construction penalty amounts that courts must use to calculate that penalty and the total bail are set out in section III(B) on page iv of the preface.

The purpose of this uniform bail and penalty schedule is to

- (1) show the bail, which for Vehicle Code offenses may also be the amount utilized for a bail forfeiture in lieu of further proceedings; and
- (2) serve as a guideline for the imposition of a fine as all or a portion of the penalty for a first conviction of a listed offense where a fine is used as all or a portion of the penalty for such offense. The amounts shown for the misdemeanors on the boating, fish and game, forestry, public utilities, parks and recreation, and business licensing bail and penalty schedules have been set with this dual purpose in mind.

Unless otherwise shown, the maximum penalties for the listed offenses are six months in the county jail or a fine of \$1,000, or both. The penalty amounts are intended to be used to provide standard fine amounts for a first-offense conviction of a violation shown where a fine is used as all or a portion of the sentence imposed.

PREFACE

I. Section and Offense

- A. Historically, only those offenses most often filed in municipal courts were included in the Uniform Bail and Penalty Schedules. Penal Code section 1269b and Vehicle Code section 40310 require the Judicial Council to establish a schedule for infractions of the Vehicle Code. The Judicial Council approved the first Traffic Infraction Bail and Penalty Schedule in November 1992.
- B. The letter “M” designates a misdemeanor: a crime punishable, at the discretion of the court, by imprisonment in a county jail for a period of no longer than 6 months or by a fine not exceeding \$1,000 or by both (Penal Code section 19).
- C. The letter “I” designates an infraction: a violation of a law not punishable by imprisonment, but by a fine generally not exceeding \$100 for violations of the Vehicle Code (Vehicle Code section 42001) or \$250 for violations of other codes (Penal Code section 19.8).

II. Base Bail

The “Base Bail” indicated is the amount from which the “additional penalties” required by Penal Code section 1464, Government Code sections 70372 and 70375, Government Code section 76000, and the surcharge required by Penal Code section 1465.7 are calculated.

III. Additional Penalties and Surcharge

- A. An “additional penalty” of between \$18 and \$23 (\$10 state penalty required by Penal Code section 1464; court facilities construction penalty of between \$0 and \$5 required by Government Code section 70372(a), as modified by Government Code section 70375(b); a DNA Identification Fund penalty of \$1 required by Government Code section 76104.6; and \$7 county penalty required by Government Code section 76000(e)) shall be levied upon every \$10, or fraction thereof, of every fine, penalty, or forfeiture imposed and collected by the courts for criminal offenses.
- B. Government Code section 70372(a) requires imposition of a state court construction penalty on every fine, penalty, or forfeiture collected by the courts for criminal offenses, including, but not limited to, all offenses, except parking offenses, as defined in Penal Code section 1463 and violations of the Fish and Game Code and Vehicle Code or local ordinances adopted pursuant to the Vehicle Code. Section 70372 specifies a maximum court construction penalty of \$5 for every \$10, or fraction thereof, of the criminal fine, penalty, or forfeiture. Government Code section 70375(b) specifies that the \$5 court construction amount authorized by section 70372(a) is reduced by the amount, determined by the County Board of Supervisors, collected for deposit into the local Courthouse Construction Fund established pursuant to Government Code section 76100. The court construction penalty amount applicable to each county that should be used to calculate that penalty and the total bail is as follows:

Alameda	\$3.00	Marin	\$3.00	San Luis Obispo	\$3.00
Alpine	\$3.00	Mariposa	\$0.00	San Mateo	\$2.75
Amador	\$3.00	Mendocino	\$5.00	Santa Barbara	\$1.50
Butte	\$5.00	Merced	\$3.00	Santa Clara	\$3.50
Calaveras	\$1.00	Modoc	\$1.50	Santa Cruz	\$5.00
Colusa	\$4.00	Mono	\$3.00	Shasta	\$1.50
Contra Costa	\$3.00	Monterey	\$3.00	Sierra	\$5.00
Del Norte	\$3.00	Napa	\$1.00	Siskiyou	\$3.00
El Dorado	\$3.00	Nevada	\$2.75	Solano	\$3.00
Fresno	\$4.00	Orange	\$1.50	Sonoma	\$3.00

Lassen	\$0.00	San Francisco	\$4.99	Yolo	\$5.00
Los Angeles	\$3.00	San Joaquin	\$1.75	Yuba	\$1.00
Madera	\$2.50				

If a county Board of Supervisors specified by resolution a contribution to the Court-House Construction fund that differs from the amount of the reduction specified above, the court should use the amount specified by resolution to calculate the reduction.

- C. Penal Code section 1464(b) provides that in the case of multiple offenses, the amount of “additional penalties” is to be determined by the total base bail or fine for all the offenses cited, and if the fine or base bail is suspended in whole or part, the “additional penalties” shall be reduced in proportion to the amount of suspension.
- D. Penal Code section 1465.7(a) requires imposition on criminal offenses of a state surcharge equal to 20 percent of the base fine used to calculate the state penalty assessment as specified in Penal Code section 1464(a). Penal Code section 1465.7(b) requires that the surcharge be imposed in addition to the state penalty assessment pursuant to Penal Code section 1464 and not be included in the base fine used to calculate the state penalty assessment as specified in section 1464.

IV. Total Bail

- A. Effective January 1, 1989, the Judicial Council adopted a “Total Bail” concept in an effort to obtain statewide consistency in the “bail” policies of the courts. The indicated “Total Bail” is for the first offense, and it must be followed to the extent required by Penal Code section 1269b.
- B. Except as otherwise required by statute, trial courts have discretion to suspend the minimum fine under Penal Code section 1203b.
- C. Except for the following exceptions, counties must adhere to the Judicial Council’s “Traffic Infraction Bail and Penalty Schedule” for infraction violations of the Vehicle Code (Penal Code section 1269b and Vehicle Code section 40310).

Penal Code section 1463.28 provides that 30 counties may exceed the “Total Bail” amounts of the Traffic Infraction Bail and Penalty Schedule. Those counties are

- | | | |
|-----------------|-----------------|-----------------|
| 1. Alpine | 11. Lassen | 21. San Joaquin |
| 2. Amador | 12. Los Angeles | 22. Santa Clara |
| 3. Butte | 13. Madera | 23. Sierra |
| 4. Calaveras | 14. Mariposa | 24. Stanislaus |
| 5. Contra Costa | 15. Mendocino | 25. Sutter |
| 6. Del Norte | 16. Modoc | 26. Trinity |

| 9. Kings | 19. San Benito | 29. Yolo |
| 10. Lake | 20. San Diego | 30. Yuba |

Additional exceptions result from two pieces of legislation that became operative January 1, 1994:

- 1. Vehicle Code section 42001 allows universities and state colleges to set a fine schedule for bicycle violations occurring in their jurisdictions that would supersede the Judicial Council penalty schedule.
- 2. Vehicle Code section 42009 requires that, for any specified offense committed within a highway construction or maintenance area during hours when work is being performed, the fine shall be double in the case of misdemeanors and in the case of infractions shall be one category higher than otherwise provided in the Traffic Infraction Penalty Schedule. An [Appendix](#) with the specified offenses listed and the enhanced amounts follows the Traffic portion of the bail and penalty schedules, starting on page [3866](#).

3. ~~Under Streets and Highways Code section 97.1, the base fine for any specified offense committed in the safety enhancement double fine zone specified in section 97.1 shall be double in the case of misdemeanors and in the case of infractions shall be one category higher than otherwise provided in the Uniform Bail and Penalty Schedule. Any additional penalty, forfeiture, or assessment imposed by any other statute shall be based on the amount of the base fine before enhancement or doubling and shall not be based on the amount of the enhanced fine imposed per Vehicle Code section 42010. The safety enhancement zone is on Route 101 at the five-mile segment between the Eureka Slough Bridge No. 4-22 to the Gannon Slough Bridge No. 4-24 in Arcata (Humboldt County). All other safety enhancement double fine zones previously listed in Streets and Highways Code section 97 expired on December 31, 2003. Due to expiration of Vehicle Code section 42010, increased fines for safety enhancement zones are no longer authorized.~~

The “Categories” indicated in the Traffic Infraction Bail and Penalty Schedule under Vehicle Code sections 40310, [and 42009\(a\), and 42010\(a\)](#) will be shown as “1a” and “1b,” “2a” and “2b,” “3a” and “3b,” and “4a” and “4b,” with the “b” subcategory referring to the violation when it is committed in a highway construction ~~or safety enhancement~~ zone.

- D. The “Total Bail” amounts within the Uniform Boating, Forestry, Fish and Game, Public Utilities, Parks and Recreation, and Business Licensing Bail Schedules are suggested amounts, and their adoption by courts is not compulsory.
- E. The “Total Bail” amount indicated includes the base bail and those “additional penalties” required by Penal Code section 1464; Government Code sections 76000, 70372, and 76104.6; and the 20 percent surcharge on the base bail required by Penal Code section 1465.7. Any other “assessment” adopted by a court—such as the assessment for “Night Court” (Vehicle Code section 42006) and “Administrative Assessments” (Vehicle Code section 40508.6)—shall be collected in addition to the “Total Bail.” The ~~\$20 fee for~~ court security ~~charge fee~~ specified by Penal Code section 1465.8 (enacted by Assembly Bill 1759; Stats. 2003, ch.159) is also collected in addition to the “Total Bail.” Penal Code section 1202.4(b)(1) requires a minimum \$100 restitution fine as an assessment in addition to the “Total Bail” in every case where there is a misdemeanor conviction. Other mandatory assessments may also be applicable, especially in DUI cases.

Fish and Game Code section 12021 authorized a \$15 penalty to be collected in addition to the fine and penalties normally collected for violations of the Fish and Game Code, to be deposited in the Fish and Game Preservation Fund and disbursed as specified. The \$15 additional penalty does not apply to violations punishable pursuant to Fish and Game Code section 12002.1(b) or 12002.2(b), or any regulation relating to the wearing or display of a fishing license.

- F. “Total Bail” shall not exceed statutory limits. Vehicle Code section 40310 specifies that the “fine” amount of the total bail shall not exceed the limitations specified by Vehicle Code sections 42001 and 42001.5.

G. In cases where a court appearance is required by a court, the amounts set forth in the Uniform Bail and Penalty Schedules do not necessarily indicate the appropriate total penalties; rather, they ensure that, in most cases, when bail is posted, sufficient funds will be available to meet the defendant’s obligations. Upon conviction, however, “additional penalties” are added to any fine. It is incumbent upon the judge who hears each case to determine the proper total penalty (fine and “additional penalties”) based upon the particular facts presented.

With the exception of juveniles under age 18, there shall be no mandatory court appearance for any infraction of the California Vehicle Code punishable by fine only, unless a statutory driver’s license restriction, suspension, or revocation is authorized by the Vehicle Code. This does not apply to violations of local ordinances based on Vehicle Code sections.

H. The “Total Bail” for an offense **not specifically listed** in the Uniform Traffic Infraction Bail and Penalty Schedule is the amount set for the general category of that offense, unless a California code or regulation specifies otherwise. The suggested minimum “Total Bail” for an offense **not specifically listed** in the Uniform Traffic Misdemeanor Bail and Penalty Schedule and the Uniform Boating, Parks and Recreation, or Business Licensing Bail and Penalty Schedules, unless a California code or regulation specifies otherwise, is

	Base	+ Additional Penalties*	+ Surcharge	= Total Bail/Penalty* (*See section III)
Misdemeanor	\$ 75	+ \$184	+ \$15	= \$274
Infraction	\$ 35	+ \$ 92	+ \$ 7	= \$134

The suggested minimum “Total Bail” for an offense **not specifically listed** in the Uniform Public Utilities Bail and Penalty Schedule, unless a California code or regulation specifies otherwise, is

Misdemeanor	\$185	+ \$437	+ \$37	= \$659
-------------	-------	---------	--------	---------

The suggested minimum “Total Bail” for an offense **not specifically listed** in the Uniform Fish and Game or Forestry Bail and Penalty Schedules, unless a California code or regulation specifies otherwise, is

Misdemeanor	\$100	+ \$230	+ \$20	= \$350
Infraction	\$ 35	+ \$ 92	+ \$ 7	= \$134

V. ***Bail Categories***

Assembly Bill 1344 (Stats. 1992, ch. 696), effective September 15, 1992, amended Vehicle Code section 40310 to classify Vehicle Code offenses into four or fewer penalty categories, according to the severity of the offenses.

The Judicial Council has approved the following categories of bail/fine after considering suggestions from its Traffic Advisory Committee and the recommendations made by the National Center for State Courts:

		Base <u>Fine</u>	Additional <u>Penalties*</u>	<u>Surcharge</u>	Total (*See sec. III) <u>Bail*</u>
Category 1	Bicyclist, motorized scooter, and pedestrian, offenses; pocket bike , vehicle registration and equipment offenses	\$ 25	+ \$ 69	+ \$ 5	= \$ 99
Category 2	Driver's license, operation of vehicle, and size and load offenses	\$ 35	+ \$ 92	+ \$ 7	= \$134
Category 3	Substance abuse infractions	\$ 70	+ \$161	+ \$ 14	= \$245
Category 4	Miscellaneous offenses for which the penalties are specifically set by the Vehicle Code, speeding offenses (refer to Speed Chart), and infractions pursuant to Penal Code section 19.8				

Vehicle Code section 14610.5(a) may be charged as either an infraction or a misdemeanor (Vehicle Code section 14610.5(b)). Penal Code section 19.8 permits the following offenses to be charged as either an infraction or a misdemeanor: Vehicle Code sections 12500(a), 14601.1, 23109(c), 27150.1, 40508, and 42005. If one of these offenses is charged as an infraction, the appropriate penalty is listed in the Traffic Infraction Bail and Penalty Schedule. If the offense is charged as a misdemeanor, the recommended penalty is listed in the Traffic Misdemeanor [Penalty and](#) Bail [and Penalty](#) Schedule.

VI. Point Count

Vehicle Code sections 12810 and 12810.2 determine the amount of point count. The Department of Motor Vehicles establishes conviction point count based upon statutory guidance and definition. Vehicle Code section 12810.5 defines a “negligent operator” based on point count. The Department of Motor Vehicles may take an administrative sanction against a person’s driving privilege based on “points” (Vehicle Code section 12810.5).

VII. Prior Convictions

A. The base fine for one Vehicle Code moving violation that is assessed “points” on a current arrest or citation shall be enhanced by \$10 for each “prior” conviction within 36 months of the new alleged offense. For calculating the enhancement, both the current and “prior” offense must be a moving violation for which a “point” has been assigned per Vehicle Code sections 12810 or 12810.2. Regardless of the number of moving violation convictions on a citation, only one “prior” per citation shall be counted in determining the enhancement on the current offense.

While Vehicle Code section 42001 references maximum fines within a one-year time frame, the Judicial Council has interpreted section 42001 to not preclude a court from considering “prior” convictions for a longer period of time.

The period of 36 months was adopted by the Judicial Council (effective January 1, 1989) to correspond to and reinforce Vehicle Code sections 12810 and 12810.5. These sections define the “point system” used by the Department of Motor Vehicles as prima facie evidence of the negligent operation of a motor vehicle.

Vehicle Code sections 15306 and 15308 specify penalties for commercial drivers in terms of subsequent offenses occurring within three years.

- B. In the case of an owner responsibility citation, the “prior” must relate to the particular vehicle for which the new offense is charged.
- C. Vehicle Code section 42004 provides that the court, in determining a penalty to be imposed pursuant to the Vehicle Code, may use a written report from the Department of Motor Vehicles that contains information showing prior convictions.
- D. With the exception of parking, pedestrian, and bicycle offenses, Vehicle Code section 40508.6 authorizes courts to establish a \$10 administrative assessment collected with bail on subsequent offenses for recording and maintaining a defendant’s record of “priors.”

VIII. Traffic Violator School

- A. Vehicle Code section 42007 provides that
 - 1. The court shall collect a fee from every person ordered or permitted to attend traffic violator school in an amount equal to the total bail set forth for the eligible offense in the uniform countywide bail schedule;
 - 2. Where multiple offenses are charged on a single notice to appear, the “total bail” amount collected is the amount applicable to the greater of the eligible offenses; and
 - 3. The court may set a lesser fee upon a showing that the defendant is unable to pay the full amount.
- B. Vehicle Code section 40512.6 provides that the fee may be converted to bail and forfeited if the defendant fails to submit proof of school completion within the time ordered by the court.
- C. Vehicle Code section 42007.1(a) provides that a \$24 fee is to be added to the “total bail” of the offense eligible for traffic violator school diversion.
- D. [Vehicle Code section 42005 prohibits drivers of commercial vehicles and drivers with a Class A, Class B, or commercial Class C driver’s license from attending traffic violator school to obtain dismissal of traffic violations.](#)

Sample Calculation of Bail and Traffic Violator's School Fee for Multiple Offenses

1. Violation of Vehicle Code sections 22450(a), 22406.5, 26453, and 26456.
2. No prior convictions are charged.
3. "Additional penalties" of between \$18 and \$23 as set out in Section III for every \$10 of base fine or portion thereof:

	AOC "Total Bail"

X. Offenses Eligible for Correction

Under Vehicle Code section 40522, an officer arresting for violations specified in Vehicle Code section 40303.5 is required to specify the offense charged and note in a form approved by the Judicial Council that the charge shall be dismissed upon proof of correction. Certain offenses specified in Vehicle Code section 40303.5 are designated in the following schedule as eligible for correction. The offenses designated in the schedule as eligible for correction, and those offenses specified by Vehicle Code section 40303.5 that are not contained in the schedule, are eligible for dismissal with proof of correction if none of the disqualifying conditions of Vehicle Code section 40610(b) exist. Those disqualifying conditions are

1. Evidence of fraud or persistent neglect;
2. The violation represents an immediate safety hazard;
3. The violator does not agree to or cannot promptly correct the violation.

Upon proof of correction of an alleged violation of section 12500 or 12951, or any violation cited pursuant to section 40610, Vehicle Code section 40611 authorizes courts to collect a \$10 transaction fee for each case. No bail amount shall be collected.

In cases alleging violation of Vehicle Code section 4000(a), Vehicle Code section 40152 requires that proof of registration or proof of payment of the appropriate registration fees or proof that the vehicle has been reduced to junk be produced in court before the offense can be adjudicated.

XI. Evidence of Financial Responsibility

Pursuant to subdivision (e) of section 16028, upon submission of evidence of financial responsibility, in a form consistent with Vehicle Code section 16020, showing that the driver was in compliance with that section at the time the notice to appear for violating Vehicle Code section 16028 was issued, further proceedings for the violation shall be dismissed and no bail amount shall be collected. Vehicle Code section 40611 authorizes courts to collect a \$10 transaction fee for each case that is dismissed pursuant to subdivision (e) of section 16028.

XII. Parking Violations

Assembly Bill 408 (Stats. 1992, ch. 1244), effective January 1, 1993, revised and recast the procedures for processing and adjudicating parking law offenses. The bill required courts to transfer the processing of parking offenses to issuing agencies not later than January 1, 1994. Consequently, the parking violations have been removed from the Uniform Bail and Penalty Schedules. Vehicle Code section 463 defines “park” or “parking” as the standing of a vehicle, whether occupied or not, otherwise than temporarily for the purpose of and while actually engaged in the loading or unloading of merchandise or passengers. Under Vehicle Code section 40225(a), equipment violations entered on a notice of parking violation are subject to a civil penalty established according to Vehicle Code section 40225(c).

1.	Mike Adye Traffic Sergeant Redondo Beach Police Department Redondo Beach	AM	N	Do not delete schedule for safety enhancement – double fine zone.	Disagree. Vehicle Code section 40010, which authorized higher fines for safety enhancement – double fine zones, has sunset and legislation to restore authority was not enacted.
2.	Anthony Alba Chief of Police San Fernando Police Department San Fernando	A	N	None.	None.
3.	Captain Rob Allen California Department of Fish and Game Sacramento	N	Y	The Department of Fish and Game would like to see a fine minimum of \$350 for violation of FGC 3003. This section will take high man hours to investigate to make a case. It is a public safety as well as a resource issue.	Agree. The recommended base fine for violations of Fish and Game Code section 3003 regarding online hunting is set at \$350 and a footnote citing the maximum base fine of \$1,000 under Fish and Game Code section 12002(a) is added.
4.	Kris Balaji Chief Division of Traffic Operations California Department of Transportation Sacramento	A	Y	None.	None.
5.	James Berg Division Commander Milpitas Police Department Milpitas	A	Y	None.	None.
6.	Stuart Bremner Executive Director Friends of the Desert Mountains Palm Desert		Y	Requests raising the base fine as a deterrent for violations of Vehicle Code section 38301 regarding off-highway vehicle violations that present an increasing threat to wildlife habitats.	Agree, in part. Traffic infractions are classified into four categories. Vehicle Code section 38301 is a Category 2 offense with a base fine of \$35. Increasing the base fine would require either reclassifying the offense as a Category 3 offense with a base fine of \$70 or legislation to provide an increased fine amount or limit over \$100.

					The Legislature has addressed this issue, to some extent, by providing for a base fine of up to \$150 in Vehicle Code section 38301.3 for unlawful entry of a motor vehicle into a federal or state wilderness area. To consider reclassification of section 38301, there would need to be substantial documentation of a statewide issue and circulation for comment of a draft proposal to enable input from interested parties.
7.	Commissioner M. Brown Department of California Highway Patrol Sacramento	AM	N	Proposes: 1. Adding Vehicle Code section 21655.9(b); 2. 23.	Sergeant Dennis Houghtelling Alameda County Sheriff's Office Oakland	A	Y	<p>The proposed changes to the Uniform Bail and Penalty Schedules for 2006 have been reviewed. One change that we are requesting consideration of is Vehicle Code section 22523(a,b), pertaining to the fine for abandoning vehicles. The abandonment of vehicles on our streets continues to be an increasing problem. This problem is significant for law enforcement and for our communities. The Alameda county Sheriff's Office receives hundreds of complaints each month regarding abandoned vehicles.</p> <p>Our employee costs associated with the removal of abandoned vehicles commonly range between \$150.00 to \$200.00 per vehicle. The base fine for this violation is currently only \$100.00. We believe that the fine for 22523(a,b) should be increased significantly. This increase would serve as a means to recover some of the exorbitant costs associated with towing these vehicles and would also serve as a strong deterrent to those who abandon vehicles on our streets. Your consideration on this matter would be greatly appreciated.</p>	<p>Agree, in part. Vehicle Code section 22523(c) mandates a fine of not less than \$100. However, a violation of section 22523(a) or 22523(b) is an infraction which has a maximum base fine of \$100 under Vehicle Code section 42001(a)(1). When one section requires a base fine of at least \$100 and the other prohibits a base fine of more than \$100, the base fine must be set at \$100 in the schedule.</p>

				<p>county per Penal Code section 1464(e). The bail schedule is a public document and our court often gets calls from police agencies and cities regarding the distribution and calculations listed in the schedules that might not be quite right. Without reading the specific statutes, you would not know the details and may be misled by the headings. Could this be clarified?</p> <p>4. In the preface, page x, under “Sample Calculations of Bail and Traffic Violator School Fee for Multiple Offenses,” it appears that the state is not adding the court security fee to traffic violator school (TVS) fee. Number 4 on this page shows the bail amount plus TVS fee and in “blue” indicates “with no court security fee.” Is this example correct? Our analysis concludes that the security fee should be added to the TVS fee per Penal Code section 1465.8(a)(2) and we currently have our system programmed to add a \$20 security fee to each violation and are charging the defendants the bail amount (which includes the \$20 court security fee) plus the \$28 TVS fee. The TVS statute, Vehicle Code section 42007, specifies the fees to collect when a charge(s) is to be dismissed for attending a TVS, including how to handle when there are multiple violations. In this latter respect, Vehicle Code section 42007(a) states in pertinent</p>	<p>amounts for collection, not amounts for distribution. Because the penalty under section 1464 is not collected for distribution to either the issuing agency or city, changing the title of the column will not resolve the problem raised by the comment.</p> <p>4. Agree, in part. The court security fee is collected in addition to, and not as part of, the council’s “total bail.” Thus, the Sample Calculation of Bail and Traffic Violator School Fee for Multiple Offenses does not include the court security fee in the TVS fee. Under Penal Code section 1465.8(a)(2) the court security fee is collected when there is a dismissal for attendance of TVS, but it must be deposited according to Penal Code section 1465.8(d) and it may not be included in the TVS fee. The sample fee calculation is revised to specify that where there is a dismissal for attendance of TVS and conviction of an offense that is not eligible for TVS, a court security fee is collected pursuant to section 1465.8.</p>

				<p>part: "Where multiple offenses are charged in a single notice to appear, the 'total bail' is the amount applicable for the greater of the qualifying offenses." In the example provided, the greatest qualifying offense is 22450(a): however, the example fails to include the security fee per Penal Code section 1465.8(a)(2) in the calculation. Is the Judicial Council attempting to include the greater non-qualifying offense of Vehicle Code section 22406.5 as the one in which the security fee is added? It seems the security fee should be charged per Penal Code section 1465.8 on the one traffic violation that is the greatest of the qualifying offenses, and it should be charged and added to the total bail/fine collected for the non-qualifying offenses. This would add an additional \$20 to the total in the example.</p>
