

Summary of Court-Related Legislation

JUDICIAL COUNCIL
OF CALIFORNIA

ADMINISTRATIVE OFFICE OF THE COURTS • OFFICE OF GOVERNMENTAL AFFAIRS

ANNUAL SUPPLEMENT

NOVEMBER 2013

During the first year of the 2013–2014 Legislative Session, the Legislature and Governor enacted numerous bills that affect the courts or are of general interest to the legal community. Brief descriptions of the measures of greatest interest follow, arranged according to subject matter.

New this year is a statement for each new or amended statute that has been determined to impact court operations and procedures. Also new this year is a table summarizing new laws that create or expand crimes.

The effective date of legislation is stated with each measure. Urgency measures normally take effect upon enactment and some measures have delayed operative dates.

The bill descriptions are intended to serve only as a guide to identifying bills of interest; they are not a complete statement of statutory changes. Code section references are to the sections most directly affected by the bill; not all sections are cited.

Until the annual pocket parts are issued, bill texts can be examined in their chaptered form in *West's California Legislative Service* or *Deering's Legislative Service*, where they are published by chapter number. In addition, chaptered bills and legislative committee analyses can be accessed on the Internet at www.leginfo.ca.gov/bilinfo.html. Individual chapters may be ordered directly from the Legislative Bill Room, State Capitol, Sacramento, California 95814, 916-445-2323.

ADMINISTRATION

AB 10 (ALEJO), CH. 351

EFFECTIVE/OPERATIVE DATE: JANUARY 1, 2014

MINIMUM WAGE: ANNUAL ADJUSTMENT

SUMMARY DESCRIPTION OF NEW LAW: On and after July 1, 2014, the minimum wage for all industries shall be not less than \$9 per hour, and on and after January 1, 2016, the minimum wage for all industries shall be not less than \$10 per hour. (LAB 1182.12)

IMPACT ON COURT: Courts may need to update their official employee notice boards reflecting the new state minimum wage. This change may also impact purchased goods/services after July 1, 2014.

AB 556 (SALAS), CH. 691

EFFECTIVE/OPERATIVE DATE: JANUARY 1, 2014

FAIR EMPLOYMENT AND HOUSING ACT: MILITARY VETERANS

SUMMARY DESCRIPTION OF NEW LAW: Adds “military and veteran status” to the list of categories protected from employment discrimination under the Fair Employment and Housing Act (FEHA). The bill also provides an exemption for an inquiry by an employer about military or veteran status for the purpose of awarding a veteran’s preference as permitted by law. (GOV 12920, 12921, 12926, 12940)

IMPACT ON COURT: Courts will need to update their workplace notices for employees to know their rights and responsibilities. Courts should be on the lookout for new California Department of Fair Employment and Housing notices.

AB 868 (AMMIANO), CH. 300

EFFECTIVE/OPERATIVE DATE: JANUARY 1, 2014

COURTS: TRAINING PROGRAMS: GENDER IDENTITY AND SEXUAL ORIENTATION

SUMMARY DESCRIPTION OF NEW LAW: Expands training requirements for judges, referees, commissioners, mediators, Court Appointed Special Advocates, and others who work in family law cases to include the effects of gender, gender identity, sexual orientation, and cultural competency as well as sensitivity training regarding lesbian, gay, bisexual, and transgender (LGBT) youth. (GOV 68553; W&I 102, 304.7, 317)

SB 146 (LARA), CH. 129

**EFFECTIVE/OPERATIVE DATE: URGENCY,
AUGUST 19, 2013**

WORKERS’ COMPENSATION: MEDICAL TREATMENT: BILLING

SUMMARY DESCRIPTION OF NEW LAW: Amends workers’ compensation requirements so that pharmacies used by employees being treated under Labor Code section 4600 do not have to submit requests for payment with an itemization of services provided or a copy of prescriptions filled. (LAB 4603.2)

IMPACT ON COURT: SB 146 corrects an unnecessary and incompatible provision of law with the Division of Workers’ Compensation’s (DWC’s) electronic billing standard for pharmacy billings, which does not support attachments that would be necessary to comply with the literal requirements of the new statute (i.e., providing an actual copy of a prescription that was issued electronically or telephonically). This bill is designed to narrowly resolve this problem. Court staff responsible for workers’ compensation claims should be aware of this change in law.

SB 292 (CORBETT), CH. 88

EFFECTIVE/OPERATIVE DATE: JANUARY 1, 2014

EMPLOYMENT: SEXUAL HARASSMENT

SUMMARY DESCRIPTION OF NEW LAW: Overturns the First Appellate District’s decision in *Kelley v. Conco Companies* (2011) 196 Cal.App.4th 191, and clarifies that an employment-related sexual harassment claim made under the Fair Employment and Housing Act (FEHA) does not require proof of sexual desire toward the plaintiff. (GOV 12940)

IMPACT ON COURT: Courts will need to incorporate this into their biannual sexual harassment training.

SB 496 (WRIGHT), CH. 781

EFFECTIVE/OPERATIVE DATE: JANUARY 1, 2014

IMPROPER GOVERNMENTAL ACTIVITY: DISCLOSURE: PROTECTION

SUMMARY DESCRIPTION OF NEW LAW: Clarifies rights and procedures under the California Whistleblower Protection Act (WPA) and related statutes. Among other things, clarifies that an action for damages under the WPA is exempt from the presentation requirements of the Government Claims Act. (GOV 905.2, 1102.5, 8547.15, 19683)

IMPACT ON COURT: Court human resource or personnel departments will need to update staff, supervisors, and managers to ensure rights and procedures are consistently upheld.

APPELLATE

SB 743 (STEINBERG), CH. 386
EFFECTIVE/OPERATIVE DATE: JANUARY 1, 2014
ENVIRONMENTAL QUALITY: TRANSIT-ORIENTED INFILL PROJECTS, JUDICIAL REVIEW STREAMLINING FOR ENVIRONMENTAL LEADERSHIP DEVELOPMENT PROJECTS AND ENTERTAINMENT AND SPORTS CENTER IN THE CITY OF SACRAMENTO

SUMMARY DESCRIPTION OF NEW LAW: Among other things, requires the Judicial Council, on or before July 1, 2014, to adopt a rule of court to establish procedures applicable to certain lawsuits seeking review of a public agency's action in certifying an environmental impact report and in granting project approvals for a downtown arena project in the City of Sacramento. Directs that the procedures established by the rule require that actions or proceedings, including any appeals therefrom, be resolved, to the extent feasible, within 270 days of the certification of the record. Amends the expedited judicial review procedures enacted in AB 900 (Stats. 2011, ch. 354) by requiring the council to adopt a parallel rule of court, under the same deadline, that applies the same 270-day timeline (absent the "to the extent feasible" language) for the courts to resolve lawsuits challenging projects that have been certified according to the AB 900 process. Limits the forms of injunctive relief that the court may use in any action challenging the downtown arena project, as specified. Authorizes the City of Sacramento to prosecute a specified eminent domain action associated with the downtown arena prior to completing CEQA review for the project. (GOV 65088.1, 65088.4; PRC 21155.4, 21168.6.5 21181, 21183, 21185, 21186, 21187, 21189.1, 21189.3)

BUDGET

AB 110 (BLUMENFIELD), CH. 20
EFFECTIVE/OPERATIVE DATE: URGENCY, JUNE 27, 2013

BUDGET ACT OF 2013

SUMMARY DESCRIPTION OF NEW LAW:

Among other things, enacts the following provisions of the judicial branch budget:

1. Augments the judicial branch budget by \$63 million, to be divided among branch entities as follows:
 - \$60 million to the trial courts, to be distributed utilizing the newly adopted funding allocation methodology;
 - \$500,000 for the Supreme Court;
 - \$2.375 million for the Courts of Appeal; and
 - \$150,000 for the Habeas Corpus Resource Center.

The augmentation includes accountability measures for the trial courts, including the requirement that individual court plans be provided to the Legislature no later than September 1, 2013, discussing how the trial courts will "maintain or increase public access to justice" with their respective shares of the funds, followed by a report to the Legislature, due between April 14 and May 14, 2014, describing how the courts used or are in the process of using their augmentation.

2. Authorizes the Judicial Council to spend \$325,000 to reimburse the California State Auditor for the costs of trial court audits incurred by the California State Auditor under section 19210 of the Public Contract Code. No later than September 1, 2014, the Judicial Council shall report to the appropriate fiscal and policy committees of the Legislature on how the funding identified in this provision was allocated.
3. Authorizes 16 subordinate judicial officer positions to be converted to judgeships in the 2013–2014 fiscal year under the authority described in subparagraph (B) of paragraph (1) of subdivision (c) of section 69615 of the Government Code. (VARIOUS SECTIONS)

IMPACT ON COURT: When combined with budget trailer bills SB 75 (Appendix C) and SB 76 (Appendix D), this package of bills comprises the budget package that impacts each court's budget. The budget trailer bills provide more specific operational impacts with respect to fees, audits, budget process, collections, reimbursements, parole revocation hearings, and other procedural changes. Court administrative and budget staff should be aware of this bill because of the fiscal changes and future implications on budget and court operations. Of particular interest to trial courts is item 0250-101-0932 (in the Budget Act) containing local assistance payable from the Trial Court Trust Fund.

SB 75 (COMMITTEE ON BUDGET AND FISCAL REVIEW), CH. 31

EFFECTIVE/OPERATIVE DATE: URGENCY, JUNE 27, 2013

COURTS

SUMMARY DESCRIPTION OF NEW LAW: Enacts the courts budget trailer bill, including amendments relating to the judicial branch.

See Appendix C for a full description of the bill.

SB 76 (COMMITTEE ON BUDGET AND FISCAL REVIEW), CH. 32

EFFECTIVE/OPERATIVE DATE: URGENCY, JUNE 27, 2013

PUBLIC SAFETY

SUMMARY DESCRIPTION OF NEW LAW: Among other things, chapters out two key provisions of the realignment law enacted by SB 75 (Stats. 2013, ch. 31) relating to parole revocation and parole revocation proceedings.

See Appendix D for a full description of the bill.

CIVIL

AB 227 (GATTO), CH. 581

EFFECTIVE/OPERATIVE DATE: URGENCY, OCTOBER 5, 2013

PROPOSITION 65: ENFORCEMENT

SUMMARY DESCRIPTION OF NEW LAW: Makes various revisions to the Safe Drinking Water and Toxic Enforcement Act (Proposition 65). Among other things, precludes litigation as well as the payment of money in set-

tlement for certain alleged violations of Prop. 65 relating to exposure to alcohol and food-related chemicals, tobacco smoke, and vehicle exhaust if the alleged violator has taken specified remedial measures and has not committed prior offenses. Provides, in the event of a dispute over whether a specified action brought under Prop. 65 is barred by the new "notice and opportunity to cure," that the alleged violator shall bear the burden of proving the applicability of, and compliance with, these affirmative defense/safe harbor provisions. Specifies that, upon the conclusion of such an action, if the trial court determines that the alleged violator has prevailed on the affirmative defense, the court may, upon motion of that alleged violator or upon the court's own motion, review the basis for the belief of the plaintiff that the action was not precluded by the new safe harbor provisions in the bill. Requires the Judicial Council, on January 1, 2019, and at each five-year interval thereafter, to adjust the amount of a new civil penalty. (H&S 25249.7)

AB 499 (TING), CH. 158

EFFECTIVE/OPERATIVE DATE: JANUARY 1, 2014

JUDICIAL PROCEEDINGS: INJUNCTIONS PROHIBITING HARASSMENT

SUMMARY DESCRIPTION OF NEW LAW: Provides, on or after July 1, 2014, that a civil injunction prohibiting harassment may remain in effect for up to five years. Provides further that such injunction orders may be renewed for an additional five-year period, with both the original and renewed order subject to modification or termination by further order of the court upon either written stipulation or motion of a party. (CCP 527.6)

IMPACT ON COURT: Trial courts will need to notify judges and subordinate judicial officers of this change.

NOTE: The forms that need to be revised (to change the duration of civil harassment (CH) orders from "up to 3" to "up to 5" years) are forms CH-100-INFO, CH-109, CH-110, CH-120, and CH-120-INFO. The default duration contained in CH-130, item 4, does not need to be changed because AB 499 has not amended Code of Civil Procedure section 527.6(j)(2), which states: "The failure to state the expiration date on the face of the form creates an order with a duration of three years from the date of issuance."

AB 824 (JONES), CH. 81

EFFECTIVE/OPERATIVE DATE: JANUARY 1, 2014

WRITTEN AGREEMENTS: EXCLUSION OF EVIDENCE

SUMMARY DESCRIPTION OF NEW LAW: Adds trust instruments to the list of agreements that are covered by the statute codifying the parole-evidence rule. (CCP 1856)

IMPACT ON COURT: Judges and subordinate judicial officers will need to be informed that Code of Civil Procedure section 1856 now expressly includes trust instruments within the application of the parole-evidence rule.

AB 1121 (ATKINS), CH. 651

EFFECTIVE/OPERATIVE DATE: JULY 1, 2014

GENDER IDENTITY: PETITION FOR CHANGE OF NAME

SUMMARY DESCRIPTION OF NEW LAW: Provides that if no objection is timely filed, the court shall grant a petition for a change of name based on gender identity without a hearing. Specifies that if the petition for a change of name is sought to conform the petitioner's name to his or her gender identity, that action is exempt from the requirement for publication and the petition and order of the court shall indicate that the proposed name is confidential. Makes the court-related provisions in the bill operative on July 1, 2014. Creates an optional administrative procedure through the State Registrar for a transgender person born in California to amend gender and name on his or her birth certificate without first obtaining a court order. (CCP 1277, 1278; H&S 103426)

See Appendix A for a full description of the bill.

AB 1167 (DICKINSON), CH. 156

EFFECTIVE/OPERATIVE DATE: JANUARY 1, 2014

COURT RECORDS: ELECTRONIC FORMS

SUMMARY DESCRIPTION OF NEW LAW: Among other things, requires instructions given to a levying officer to include specified information if the instructions are accompanied by a writ of execution for money, possession of personal or real property, or sale of personal or real property that was issued by the court as an electronic record or by a document printed from an electronic record that was issued by the court. Provides generally that the levying officer may proceed in the same manner as if he or she is in possession of a paper version of the original writ. (CCP 687.010; GOV 68150)

IMPACT ON COURT: This bill expands the list of court documents that may be electronically signed or verified to include a writ, subpoena, or other legal process. Staff in courts that electronically issue written instructions and writs of attachment will need to update procedures and ensure that the written instructions contain the requisite information needed by the levying officer. Court staff should work with the local sheriff's office to coordinate this process.

AB 1183 (JONES), CH. 18

EFFECTIVE/OPERATIVE DATE: JANUARY 1, 2014

CIVIL DISCOVERY: MOTION TO COMPEL FURTHER RESPONSE

SUMMARY DESCRIPTION OF NEW LAW: Provides that the existing requirement that a discovery motion to compel a further response must be filed within 45 days of the service of a response or supplemental response begins to run after service of a verified response or supplemental verified response. (CCP 2030.300, 2031.310, 2033.290)

AB 1253 (BLUMENFIELD), CH. 652

EFFECTIVE/OPERATIVE DATE: JANUARY 1, 2014

VEHICLES: MOBILE ADVERTISING DISPLAYS

SUMMARY DESCRIPTION OF NEW LAW: Clarifies that a city or county may also establish civil penalties for violation of a local ordinance or resolution regulating mobile billboards. (VEH 21100)

AB 1404 (COMMITTEE ON JUDICIARY), CH. 86

EFFECTIVE/OPERATIVE DATE: JANUARY 1, 2014

REAL PROPERTY: BOUNDARIES

SUMMARY DESCRIPTION OF NEW LAW: Clarifies and modernizes California's almost 150-year-old neighborhood fence statute. Among other things, provides that there is a rebuttable presumption that adjoining landowners gain an equal benefit from the shared fencing that divides their properties, unless otherwise agreed to by the parties in a written agreement. Provides that the above presumption may be overcome by a preponderance of the evidence demonstrating that imposing equal responsibility for the reasonable costs of construction, maintenance, or necessary replacement of the fence would be unjust. Authorizes the court, in cases where a party successfully rebuts the presumption, either to order a contribution of less than an equal share for the costs of construction, maintenance, or necessary replacement of the fence or to order no contribution. (CIV 841)

IMPACT ON COURT: Judges and subordinate judicial officers must be informed of the presumption that costs must be equally apportioned, as specified, and of the provisions of subdivision (b) of section 841, which specify the factors the court must consider in determining whether the presumption has been rebutted.

SB 233 (LENO), CH. 64

EFFECTIVE/OPERATIVE DATE: JANUARY 1, 2014

DEBT BUYING

SUMMARY DESCRIPTION OF NEW LAW: Enacts the Fair Debt Buying Practices Act, imposing various requirements on practices that may be used to collect on purchased consumer debt. Among other things, requires specific and detailed information about the underlying debt to be included in any action brought by a debt buyer on a consumer debt. Prohibits a debt buyer from bringing suit, initiating another proceeding, or taking any other action to collect a consumer debt if the applicable statute of limitations on the cause of action has expired. (CIV Title 1.6C.5, 1788.50-Part 4; CCP 581.5, 700.010, 706.103, 706.104, 706.108, 706.122)

See Appendix F for a full description of the bill.

SB 310 (CALDERON, R), CH. 251

EFFECTIVE/OPERATIVE DATE: JANUARY 1, 2014

MORTGAGES: FORECLOSURE NOTICES: TITLE COMPANIES

SUMMARY DESCRIPTION OF NEW LAW: Exempts title companies from liability for violations of the Homeowners' Bill of Rights in certain circumstances. Provides specifically that, unless acting in the capacity of a trustee, a licensed title company or underwritten title company shall not be liable for a violation of specified sections of the Homeowners' Bill of Rights in the Civil Code if it records or causes to record a notice of default or notice of sale at the request of a trustee, substitute trustee, or beneficiary in good faith and in the normal course of its business activities. Provides further that specified sections of the Homeowners' Bill of Rights in the Civil Code shall not be construed to affect the liability of a trustee, substitute trustee, or beneficiary that requests a licensed title company or underwritten title company to record a notice of default or notice of sale. (CIV 2924.25, 2924.26)

SB 426 (CORBETT), CH. 65

EFFECTIVE/OPERATIVE DATE: JANUARY 1, 2014

CIVIL PROCEDURE: DEFICIENCY JUDGMENTS

SUMMARY DESCRIPTION OF NEW LAW: Prohibits a deficiency from being owed or collected for any of the following: (a) after a sale of real property or estate for years therein for failure of the purchaser to complete his or her contract of sale; (b) under a deed of trust or mortgage given to the vendor to secure payment of the balance of the purchase price of that real property or estate for years therein; or (c) under a deed of trust or mortgage on a dwelling for not more than four families given to the lender to secure repayment of a purchase money loan that was used to pay all or part of the purchase price of that dwelling, occupied entirely or in part by the purchaser. Prohibits a deficiency from being owed or collected for deficiency on a note secured by a deed of trust or mortgage on real property if the property has been sold under the power of sale provision of the mortgage or deed of trust (i.e., a non-judicial foreclosure). Specifies that the provisions of this bill do not impact existing law governing the liability of a guarantor, pledgor, or other surety with respect to the deficiency, nor does it impact existing law governing other collateral pledged to secure an obligation that is the subject of a deficiency. (CCP 580b, 580d)

IMPACT ON COURT: Trial courts will need to notify judges, subordinate judicial officers, and research attorneys. This will have minimal impact on the clerical processing of deficiency judgments.

SB 551 (GAINES, T.), CH. 176

EFFECTIVE/OPERATIVE DATE: JANUARY 1, 2014

RENEWAL AND EXECUTION OF JUDGMENTS: JUDGMENT DEBTOR

SUMMARY DESCRIPTION OF NEW LAW: Clarifies that a judgment debtor whose liability for the judgment has ceased shall not subsequently be named by the judgment creditor on an application for writ of execution or renewal of judgment. (CCP 683.140, 699.510)

IMPACT ON COURT: Court staff will need to update procedures and, if applicable, case management systems that issue enforcement documents such as writs and abstracts.

SB 612 (LENO), CH. 130

EFFECTIVE/OPERATIVE DATE: JANUARY 1, 2014

RESIDENTIAL TENANCY: VICTIMS OF HUMAN TRAFFICKING AND ELDER OR DEPENDENT ADULT ABUSE

SUMMARY DESCRIPTION OF NEW LAW: Among other things, allows a tenant to terminate his or her tenancy if the tenant or a household member was the victim of human trafficking, provided that the tenant gives specified notice accompanied by supporting documentation of the act constituting an act of human trafficking. Authorizes, until January 1, 2016, a tenant to substantiate the need for early termination of a lease or rental agreement, based upon domestic violence, sexual assault, stalking, elder or dependent adult abuse, or human trafficking, by providing documentation from a qualified third party, based on information received while acting in his or her professional capacity, indicating that the tenant or household member is seeking assistance for physical or mental injuries or abuse, as specified. Requires the Judicial Council, by July 1, 2014, to develop or revise a form that may be used by a party to assert in the responsive pleading the grounds described above as an affirmative defense to an unlawful detainer action. (CIV 1946.7; CCP 1161.3)

IMPACT ON COURT: Trial courts will need to notify judges and subordinate judicial officers of this additional affirmative defense to an unlawful detainer, and the Judicial Council will need to incorporate it into the form required by Code of Civil Procedure section 1161.3 to be used by a party in the responsive pleading to an unlawful detainer action.

COURT FACILITIES

AB 619 (GARCIA), CH. 452

EFFECTIVE/OPERATIVE DATE: JANUARY 1, 2014

COURT FACILITIES

SUMMARY DESCRIPTION OF NEW LAW: Amends Government Code section 70377 pertaining to the interest calculation on late payments to the judicial branch construction funds; changes calculation to the Local Agency Investment Fund (LAIF) rate. Saves money for those trial courts found to have inadvertently made incorrect remittances to the State Court Facilities Construction Fund (SCFCF) or the Immediate and Critical Needs Account (ICNA). Makes the calculation rate for late remittance

payments to judicial branch construction funds consistent with the calculation rate for late payments to the Trial Court Trust Fund, which was changed to the LAIF rate in 2007. (GOV 70377)

COURT OPERATIONS

AB 1352 (LEVINE), CH. 274

EFFECTIVE/OPERATIVE DATE: JANUARY 1, 2014

COURTS: DESTRUCTION OF COURT RECORDS

SUMMARY DESCRIPTION OF NEW LAW: Authorizes the destruction of various court records earlier than is permitted under existing law, thereby enabling trial courts to reduce their storage costs. Establishes statutory records retention periods for new types of records that are not dealt with under existing law—such as records resulting from the new criminal justice realignment process. Clarifies that the clerk of the court may use technology to generate certified copies of court records. Reorganizes the primary records retention statute in a more logical, readable, and understandable manner. (GOV 68150, 68151, 68152)

See Appendix B for table.

COURT REPORTERS

AB 648 (JONES-SAWYER), CH. 454

EFFECTIVE/OPERATIVE DATE: JANUARY 1, 2014

COURT REPORTERS

SUMMARY DESCRIPTION OF NEW LAW: Cleans up last year’s language creating the \$30 fee for court reporter services in civil proceeding lasting less than one hour. Clarifies that:

1. The fee shall only be charged in proceedings where a court reporter is provided (if, due to unforeseen circumstances, the a court reporter is not provided, the fee shall be refunded as soon as practicable);
2. The fee applies in civil proceeding lasting one hour or less;
3. The fee shall be charged to the party who files papers resulting in the proceeding being scheduled;
4. The fee shall be deposited with the clerk of the court as specified by the court but not later than the conclusion of the day’s court session;

5. The fee will be charged once per case for all proceedings conducted within the same hour;
6. The fees collected shall be deposited into the Trial Court Trust Fund and distributed back to the court in which the fees were collected; and
7. The fee shall be waived for parties that have received a fee waiver.

(GOV 68086)

IMPACT ON COURT: Trial courts will need to inform judges and subordinate judicial officers. Court staff will need to review procedures to ensure the collection of the fee complies with the statute. As a practical matter, the fee should be collected when papers are filed that result in the matter being scheduled for hearing in a department where the court ordinarily provides a court reporter. It may be necessary to develop a refund policy for instances when the hearing does not go forward due to the matter being dropped from the calendar.

CRIMINAL LAW AND PROCEDURE

AB 68 (MAIENSCHIN), CH. 764

EFFECTIVE/OPERATIVE DATE: JANUARY 1, 2014

PAROLE

SUMMARY DESCRIPTION OF NEW LAW: Requires the Department of Corrections and Rehabilitation to give notice of any medical parole hearing or any medical parole release to both the county of commitment and the county of proposed release at least 30 days, or as soon as feasible, prior to a medical parole hearing or a medical parole release. (PEN 3550)

IMPACT ON COURT: Judges and subordinate judicial officers who handle parole revocation cases should be aware of the mandatory notice requirements for medical parole.

AB 139 (HOLDEN), CH. 144

EFFECTIVE/OPERATIVE DATE: JANUARY 1, 2014

DOMESTIC VIOLENCE: FEES

SUMMARY DESCRIPTION OF NEW LAW: Among other things, specifies that the \$500 payment required by every person granted probation in domestic violence cases is a fee, not a fine, and cannot be reduced for time served. Clarifies the distribution of the \$500 fees: two-thirds to

county domestic violence program funds (W&I 18305), and one-third to the state Domestic Violence Restraining Order Reimbursement Fund and the state Domestic Violence Training and Education Fund. (PEN 1203.97; W&I 18305)

AB 492 (QUIRK), CH. 13

EFFECTIVE/OPERATIVE DATE: JANUARY 1, 2014

PROBATION: NONVIOLENT DRUG OFFENSES

SUMMARY DESCRIPTION OF NEW LAW: Eliminates the requirement that whenever a person is granted probation for a nonviolent drug possession offense, the sentencing court transfer jurisdiction of the entire case upon a finding by the receiving court of the person's permanent residency in the receiving county, unless there is a determination on the record that the transfer would be inappropriate. (PEN 1203.9)

IMPACT ON COURT: Courts and probation departments have been operating under the probation transfer process found in Penal Code section 1203.9 for a number of years. AB 492 brings Penal Code section 1210.1 cases (also known as Prop. 36 or the Substance Abuse and Crime Prevention Act of 2000 cases) in line with all other probation transfers, thereby creating a single, uniform process.

AB 508 (CALDERON, I.), CH. 234

EFFECTIVE/OPERATIVE DATE: JANUARY 1, 2014

DEBT COLLECTION: HOMELESS VETERANS

SUMMARY DESCRIPTION OF NEW LAW: Provides that if a court, during the course of its routine process to collect fees, fines, and forfeitures or other penalties imposed by the court due to a citation issued for violation of a state or local law, obtains information that a person who has been issued a citation for loitering, curfew violations, or illegal lodging that is outstanding or unpaid served in the military within the last eight years and is homeless or has no permanent address, the court shall not garnish the wages or levy against bank accounts of that person for five years from the date the court obtained that information. Defines "homeless" or "having no [permanent] address" as a person who does not have a fixed, regular, adequate nighttime residence, or who has a primary nighttime residence that is (a) shelter designed to provide temporary living accommodations; (b) an institution that provides temporary residence for individuals intended to be institutionalized; or (c) a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings.

(PEN 1463.012)

IMPACT ON COURT: Courts must inform in-house collections staff, the county collections unit, or any third-party contractor responsible for collecting court-ordered debt of new law. New procedures must be developed to suspend collections efforts for five years if the court (or other collecting agency) obtains information that a person with eligible violations is a homeless veteran. Procedures should be developed to document that finding and current procedures must be updated to discharge any civil assessment imposed under Penal Code section 1214.1, if applicable. Case management systems and/or payment schedules should be modified as needed.

AB 539 (PAN), CH. 739

EFFECTIVE/OPERATION DATE: JANUARY 1, 2014

**FIREARM POSSESSION: PROHIBITIONS:
TRANSFER TO LICENSED DEALER**

SUMMARY DESCRIPTION OF NEW LAW: Allows anyone who is prohibited from owning or possessing a firearm to transfer any firearm or firearms in his or her possession, or of which he or she is the owner, to a licensed firearms dealer for the duration of the prohibition if the prohibition on owning or possessing the firearm will expire on a date specified in the court order. Requires a firearms dealer who stores a firearm under these circumstances to notify the Department of Justice of the date that the dealer has taken possession of the firearm, and would also require the Attorney General to maintain a record of this information. Makes conforming changes to the above provisions.

IMPACT ON COURT: Courts must ensure they are providing the current DOJ forms related to the transfer of a firearm and must also ensure they have current restraining order forms with the correct transfer information.

AB 568 (MURATSUCHI), CH. 125

EFFECTIVE/OPERATIVE DATE: JANUARY 1, 2014

**CRIMINAL PROCEDURE: TESTIMONY OF LAW
ENFORCEMENT OFFICERS**

SUMMARY DESCRIPTION OF NEW LAW: Provides, for purposes of introducing hearsay statements at a preliminary hearing, that a law enforcement officer is defined as any officer or agent employed by a federal, state, or local government agency who has either five years of law enforcement experience or has completed a training course certified by the Commission on Peace Officer Standards and Training (POST) that includes training in the investiga-

tion and reporting of cases and in testifying at preliminary hearings, and whose primary responsibility is the enforcement of any law, the detection and apprehension of persons who have violated any law, or the investigation and preparation for prosecution of cases involving violations of law. (PEN 872)

AB 624 (MITCHELL), CH. 266

EFFECTIVE/OPERATIVE DATE: JANUARY 1, 2014

COUNTY JAIL: REHABILITATION CREDITS

SUMMARY DESCRIPTION OF NEW LAW: Authorizes a sheriff or county director of corrections to award a prisoner, in addition to the credits otherwise earned, program credit reductions from his or her term of confinement for successful completion of specific program performance objectives for rehabilitative programming, including academic programs, vocational programs, vocational training, substance abuse programs, and core programs such as anger management and social life skills. (PEN 4019.4)

CONVICTIONS: EXPUNGEMENT

SUMMARY DESCRIPTION OF NEW LAW: Authorizes courts, in their discretion and in the interest of justice, to grant dismissals (commonly referred to as “expungements”) for eligible petitioners who were convicted of a felony and sentenced to local prison under Penal Code section 1170(h)(5). Individuals filing such petitions shall reimburse the court for the actual costs of services rendered, not to exceed \$150, whether or not the petition is granted and the records are sealed or expunged. However, the court may order reimbursement only in cases where the petitioner has the ability to pay. (PEN 1203.41)

IMPACT ON COURT: This bill will increase the number of expungements processed by the courts. The court will need to create or modify procedures to process these Penal Code section 1170(h) felony expungements. The current expungement application will need to be updated (Judicial Council form CR-180, Petition for Dismissal) or create a new application. Minute orders and courtroom paperwork may need to be modified to reflect these changes. Judges, subordinate judicial officers, and court staff should be informed of the changes and trained on the procedure/expansion.

**BOARD OF STATE AND COMMUNITY
CORRECTIONS**

SUMMARY DESCRIPTION OF NEW LAW: Requires the Board of State and Community Corrections (BSCC) to develop definitions of key terms relevant to data collection and evidence-based programs and practices, including, but not limited to, “recidivism,” “average daily population,” “treatment program completion rates,” and any other terms deemed relevant in order to facilitate consistency in local data collection, evaluation, and implementation of evidence-based practices, promising evidence-based practices, and evidence-based programs. Requires the BSCC to consult with specified stakeholders and experts when developing the definitions, including a representative of the Administrative Office of the Courts. (PEN 6027)

IMPACT ON COURT: Courts should be aware of the changes, specifically the data collection, which may create shifts in local sentencing to probation, Penal Code section 1170(h)(5)(A) “straight local sentences,” or section 1170(h)(5)(B) “split sentences with mandatory supervision.”

CORRECTIONS

SUMMARY DESCRIPTION OF NEW LAW: Authorizes up to \$315 million for immediate in-state and out-of-state prison capacity. Increases the amount of funding that county probation departments receive if they can serve felony probationers locally and keep them from coming to state prison. Requires that if the federal three-judge panel modifies its order requiring the state to reduce its prison population to 137 percent of capacity by December 31, 2013, in a way that reduces the cost of compliance, the first \$75 million in savings will go to reducing recidivism, upon appropriation by the Legislature. (GOV 19050.2, 19050.8; PEN 1233.1, 1233.3, 1233.4, 2910, 11191, 13602, 1233.9, 2915, 6250.2)

IMPACT ON COURT: This bill will put two plans into effect to alleviate California's prison overcrowding. With respect to courts, SB 105 places many responsibilities on the Administrative Office of the Courts, while local county programs will be evaluated under Penal Code sections 1233.1, 1233.3, 1233.4, and 1233.9 to determine failure and return-to-custody rates for persons placed on probation, mandatory supervision, and postrelease community supervision. These plans could indirectly impact courts through the probation and sheriff's departments. A table containing the operative dates for SB 105 can be found in Appendix E.

See Appendix E for a full description of the bill.

SUMMARY DESCRIPTION OF NEW LAW: Among other things requires limousines operating within the state to have: (1) at least one or two rear push-out windows with at least one window located on each side of the vehicle. If the design of the vehicle precludes the installation of a push out window on each side of the vehicle, the second push out window must be located on the roof of the vehicle. For limousines that are precluded from installing any side push out windows, one push out window must be installed on the roof of the vehicle; and (2) at least two rear side doors that meet certain criteria. WITNESSES

SUMMARY DESCRIPTION OF NEW LAW: Adds kidnapping to commit a robbery or to commit a robbery or a sex crime, sexual acts with a child under 10, criminal threat, and stalking to the crimes for which a prosecuting witness may have a support person. Expands current law allowing support persons to apply to cases in which the defendant is charged with an attempt to commit any of the listed crimes. Expands existing provisions for minor victims under the age of 11 or persons with a disability that permit these witnesses specified comfort and support and protect them from coercion or undue influence. Adds kidnapping to commit a robbery or to commit a robbery or a sex crime; assault with intent to commit mayhem, rape,

sodomy, or oral copulation; human trafficking; sexual acts with a child under 10; criminal threat; and stalking to the crimes for which those accommodations may be made. SB 162 (LIEU), CH. 56

EFFECTIVE/OPERATION DATE: JANUARY 1, 2014

PRISONERS: TEMPORARY REMOVAL

SUMMARY DESCRIPTION OF NEW LAW: Permits superior court judges to issue temporary removal orders on state prison inmates in specific circumstances for investigative purposes prior to the filing of felony cases. Requires a finding of good cause in an affidavit by the requesting district attorney or peace officer stating the law enforcement purpose is legitimate and necessary. The removal must contain the signature of the judge making the order and contain the seal of the court. The removal shall be for no longer than 30 days but may be extended upon application for an extension and shall not exceed an additional 30 days beyond the initial period specified in the removal order. (PEN 2690.5)

IMPACT ON COURT: This bill is the result of a recent Court of Appeals case that found the superior courts lacked jurisdictional authority over the transfer of prison inmates prior to the filing of a felony case. (*Swarthout v. Superior Court of Los Angeles* (2012) 208 Cal.App.4th 701) This legislation provides the superior court with the statutory authority to order these inmate transfers to county facilities.

YOUTH OFFENDER PAROLE HEARINGS

SUMMARY DESCRIPTION OF NEW LAW: Establishes a parole process for persons sentenced for crimes they committed before the age of 18 years to prison terms that are not life without parole (LWOP), three-strikes, or Jessica's Law sentences. It requires the Board of Parole Hearings (BPH) to conduct a youth offender parole hearing to provide an opportunity for early release. Makes a person eligible for release on parole at a youth offender parole hearing (1) during the 15th year of incarceration if the person meeting these criteria received a determinate sentence, (2) during the 20th year if the person received

a sentence that was less than 25 years to life, or (3) during the 25th year of incarceration if the person received a sentence that was 25 years to life. (PEN 3041, 3046, 3051, 4801)

SB 378 (BLOCK), CH. 150

EFFECTIVE/OPERATIVE DATE: JANUARY 1, 2014

OFFICIAL RECORD OF CONVICTION: ADMISSIBILITY OF ELECTRONICALLY DIGITIZED COPY

SUMMARY DESCRIPTION OF NEW LAW: Provides that an electronically digitized copy of an official record of conviction that has been certified in accordance with specified requirements is admissible to prove the commission, attempted commission, or solicitation of a criminal offense, prior conviction, service of a prison term, or other act, condition, or event documented by the record. Defines “electronically digitized copy” to mean a copy that is made by scanning, photographing, or otherwise exactly reproducing a document, is stored or maintained in a digitized format, and bears an electronic signature or watermark unique to the entity responsible for certifying the document. (EVID 452.5)

IMPACT ON COURT: Courts that have electronic data management and document storage may be able to expedite requests for preparing and certifying an electronic ‘prior conviction packet’ file one time rather than incurring the costs associated with producing and certifying multiple hard copies.

SB 463 (PAVLEY), CH. 508

EFFECTIVE/OPERATIVE DATE: JANUARY 1, 2014

SENTENCING

SUMMARY DESCRIPTION OF NEW LAW: Existing law provides that most felonies are punishable by a triad of terms of incarceration in state prison, comprising low, middle, and upper terms. Existing law, operative on and after January 1, 2014, requires the court to impose the middle term unless there are circumstances in mitigation or aggravation of the crime. This bill extends to January 1, 2017, the provisions of law that specify that the court shall, in its discretion, impose the term or enhancement that best serves the interests of justice. The bill also makes conforming changes. (PEN 186.22, 186.33, 1170, 1170.1, 1170.3, 12021.5, 12022.2, 12022.4)

Provides that upon the granting of the order, the court clerk shall allow no access to the court file and records. Requires the court to give the petitioning person a copy of the order and inform the petitioner that he or she may state that the arrest never occurred. (PEN 851.87)

IMPACT ON COURT: If a county’s district attorney has an active prefiling diversion program, the court may see a significant increase in filings under this section. This will include additional filing, data entry, and hearings. Court staff will need to create a procedure for processing these types of petitions.

(PEN 851.865, 4900, 4901, 4902, 4903, 4904, 1485.5, 1485.55)

IMPACT ON COURT: Judges and subordinate judicial officers should make sure that factual findings and credibility determinations are detailed in the court's record so that persons subject to these cases may make claims to the California Victim Compensation and Government Claims Board.

SB 717 (DESAULNIER), CH. 317

EFFECTIVE/OPERATIVE DATE:

URGENCY, SEPTEMBER 20, 2013

SEARCH WARRANTS: DRIVING UNDER THE INFLUENCE

SUMMARY DESCRIPTION OF NEW LAW: Authorizes the issuance of a search warrant to allow law enforcement officers to take a sample of blood or other bodily fluid that may be used as evidence in misdemeanor driving under the influence (DUI) cases when a person refuses to submit to or complete a blood test as requested by the officer. (PEN 1524)

IMPACT ON COURT: This legislation is in response to the U.S. Supreme Court's ruling in *Missouri v. McNeely* (2013) 133 S.Ct. 1552, 185 L.Ed.2d 696, which held that the natural metabolization of alcohol in the bloodstream did not present a per se exigency that justified an exception to the Fourth Amendment's search warrant requirement for nonconsensual blood testing in all drunk-driving cases, and that exigency needed to be determined, instead, on a case-by-case basis based on the totality of the circumstances. The court stated that, in those drunk-driving cases in which officers can reasonably obtain a warrant before a blood sample can be drawn without significantly undermining the efficacy of the search, the Fourth Amendment requires they do so. In California, there was no statutory authorization for issuing a warrant for a blood draw in misdemeanor DUI cases. If the alleged misdemeanor violator refuses to consent to a blood test as required by Vehicle Code section 23612, the court may issue a search warrant to allow officers to take a sample of the blood as evidence in the DUI matter. This change may increase the number of search warrants processed by the courts and increase the off-hours contact officers requesting search warrants will make with judges and subordinate judicial officers.

SB 769 (BLOCK), CH. 46

EFFECTIVE/OPERATIVE DATE: JANUARY 1, 2014

VETERANS: CRIMINAL DEFENDANTS

SUMMARY DESCRIPTION OF NEW LAW: Clarifies that dismissal of a case under provisions for veteran-defendants who had military service-related mental health issues does not restore a defendant's right to possess a firearm and does not prevent conviction for being a felon or drug addict in possession of a firearm. (PEN 1170.9)

IMPACT ON COURT: Courts with veterans court calendars should pay particular attention to this bill. Defendants must also be provided with the firearms prohibition packet upon conviction. For courts that had not been giving these packets to veterans, this will require a change in court procedures.

(FAM 6325.5)

IMPACT ON COURT: Judges should determine if the parties' relationship qualifies them for a support proceeding. SB 274 (LENO), CH. 564

EFFECTIVE/OPERATIVE DATE: JANUARY 1, 2014

FAMILY LAW: PARENTAGE: CHILD CUSTODY AND SUPPORT

SUMMARY DESCRIPTION OF NEW LAW: Authorizes a court to find that a child has more than two parents if such a finding is necessary to avoid harm to the child. The Uniform Parentage Act (UPA) defines the legal relationship between parents and children. The purpose of this bill is to eliminate the limitations under a 2011 case (In re M.C. (2011) 195 Cal.App.4th 197) in which the court was limited in recognizing the rights of more than two parents under the UPA, regardless of the circumstances. (VARIABLES)

IMPACT ON COURT: Courts will need to establish processes for adding an additional parent to a case or proceeding under the UPA. Case management reprogramming may be required. Mediators need to know to offer services to more than two parents in proceedings. Judges and subordinate judicial officers need to be informed of new provisions for allocating custody and visitation (amends FAM 3040) as well as child support (FAM 4052.5) obligations among the parents.

UNDUE INFLUENCE

SUMMARY DESCRIPTION OF NEW LAW: Provides in the Elder Abuse and Dependent Adult Civil Protection Act (EADACPA) a new definition of “undue influence” to mean “excessive persuasion that causes another person to act or refrain from acting by overcoming that person’s free will and results in inequity.” Sets forth specific factors that courts must consider in determining whether the result in question was produced by undue influence. Makes this new definition the operative definition in the Probate Code for specified cases alleging undue influence of elders, minors, and dependent adults. States the intent of the Legislature that the provision applying the new definition in the Probate Code is to supplement the common law meaning of undue influence without superseding or interfering with the operation of that law. (PROB 86; W&I 15610.30, 15610.70)

IMPACT ON COURT: Trial courts will need to notify judges and subordinate judicial officers of new Probate Code section 86 and the changes and additions to Welfare and Institutions Code sections 15610.30 and 15610.70. Court staff such as probate attorneys/examiners will need to be made aware of the new law. This bill should have no significant impact on court operations.

INTESTATE SUCCESSION: CHILDREN

SUMMARY DESCRIPTION OF NEW LAW: Provides that a parent of a child who died intestate does not inherit from or through that child if any of the following is true: (1) the parent’s parental rights were terminated and the parent-child relationship was not judicially reestablished, (2) the parent failed to acknowledge the child, or (3) the parent left the child during the child’s minority and made no effort to provide for the child’s support or to communicate with the child, or both, for at least seven consecutive years that continued until the end of the child’s minority, with the intent to abandon the child. Specifies that failure to provide support or communicate with the child for the required period is presumptive evidence of the parent’s intent to abandon the child. Provides further that a parent who does not inherit under any of the above is deemed to have predeceased the child and the intestate estate passes as otherwise required by law. (PROB 6452)

IMPACT ON COURT: Trial courts will need to notify judges and subordinate judicial officers that Probate Code section 6452 has been repealed and replaced with new language affecting the rights of parents to inherit from or through a child on the basis of the parent and child relationship. Court staff such as probate attorneys/examiners will need to be made aware of the new law. This bill should not have a significant impact on court operations.

IMPACT ON COURT: In light of the elimination of this requirement, trial courts will need to notify judges and subordinate judicial officers of the amendments to Revenue and Taxation Code section 17735 and the elimination of the need for a property tax clearance certificate in specified estates. Court staff such as probate attorneys/examiners will need to be made aware of the new law. This bill should not have a significant impact on court operations.

**CONSERVATORS AND GUARDIANS:
PERSONAL RIGHTS OF CONSERVATEES**

SUMMARY DESCRIPTION OF NEW LAW: Provides that the care, custody, and control of a conservator shall not extend to personal rights retained by the conservatee, including, but not limited to, the right to receive visitors, telephone calls, and personal mail, unless specifically limited by court order. (PROB 2351)

IMPACT ON COURT: Trial courts will need to notify judges and subordinate judicial officers of the need to make specific orders limiting contact with visitors, telephone calls, and mail if necessary to protect the conservatee from abuse. Court staff responsible for conservatorship orientation sessions and self-help center staff should be made aware of this bill. Other court staff such as courtroom clerks, court investigators, and probate attorneys/examiners will need to be made aware of the new law. It may be prudent to inform private professional fiduciary groups, county counsel, and public guardians of this change in the law. This bill should have no significant impact on court operations.

SUMMARY DESCRIPTION OF NEW LAW: Revises and recasts the requirements by which a trustee is to determine whether money received from a distributing entity is to be treated as a partial liquidation. SUMMARY DESCRIPTION OF NEW LAW: Allows a personal representative to petition the court to provide assistance in a proceeding to determine beneficiaries and distribution rights. Provides that the court may grant or deny this petition, in whole or in part, on the pleadings, without an evidentiary hearing or further discovery. Specifies that such a petition may be granted only upon a showing of good cause. Specifies further that the court shall determine the manner and capacity in which the personal representative may provide assistance in the proceeding. Provides that the court may direct the personal representative to file papers as a party to the proceeding, or to take other specified action, if the action is deemed by the court to be necessary to assist the court. (PROB 11704)

IMPACT ON COURT: Trial courts will need to notify judges and subordinate judicial officers of the amendments to Probate Code section 11704. Court staff such as probate attorneys/examiners will need to be made aware of the new law. This bill should have no significant impact on court operations.

AB 1293 (BLOOM), CH. 382

EFFECTIVE/OPERATIVE DATE: JANUARY 1, 2014

COURTS

SUMMARY DESCRIPTION OF NEW LAW: Adds a probate fee of \$40 for the filing of a request for special notice in decedents' estate, guardianship, conservatorship, or trust proceedings to help courts cover their costs incurred to ensure that proper service of notices and other documents to all persons who have requested special notice has been given by other filing parties or, if such notice has not been given, that the hearings on petitions filed by these other parties are postponed so that proper notice can be given to the requesting parties. (GOV 70662)

IMPACT ON COURT: Court staff such as legal processing clerks, fiscal services personnel, and probate attorneys/examiners will need to be informed of the new fee. Since this is a new fee, statewide fee schedules have to be modified and local case management systems will need to be updated. The responsibility to give the special notice is not on the court. When a request for special notice is properly requested in a proceeding, the party filing any matter included in item 2 of the Judicial Council form Request for

Special Notice (form DE-154, GC-035) must give notice and a copy of the paper filed to the party requesting special notice. If special notice has not been properly given, continuances may be necessary. Court orders when special notice is dispensed with, waived, or required are not been changed by this bill.

AB 1339 (MAIENSCHIN), CH. 248
EFFECTIVE/OPERATIVE DATE: JANUARY 1, 2014
PROFESSIONAL FIDUCIARIES: GUARDIANS AND CONSERVATORS

SUMMARY DESCRIPTION OF NEW LAW: Among other things, requires that when a petition to appoint a guardian or a temporary guardian, or a conservator or a temporary conservator, is filed and the petitioner or proposed guardian or conservator is a professional fiduciary, the petition also include the petitioner's or proposed guardian's or conservator's proposed hourly fee schedule or another statement of the petitioner's or proposed guardian's or conservator's proposed compensation from the estate of the proposed ward or conservatee for services performed. Requires the guardian or conservator, if he or she is a professional fiduciary, to file concurrently with the inventory and appraisal a proposed hourly fee schedule or another statement of his or her proposed compensation from the estate of the ward or conservatee for services performed. Authorizes the guardian or conservator to submit a new proposed hourly fee schedule or another statement of his or her proposed compensation at any time on or after one year from the original submission, as specified. Provides that the submittal of a new hourly fee schedule or another statement of the guardian's or conservator's proposed compensation, as authorized by this bill, shall not preclude a court from later reducing the guardian's or conservator's hourly fees or other compensation, or his or her attorney's fees or other compensation. (PROB 1510, 1821, 2250, 2614.7, 2614.8, 2643, 2643.1)

IMPACT ON COURT: Trial courts will need to notify judges and subordinate judicial officers of the amendments to Probate Code sections 1510, 1821, 2250, and 2643, and of the additions of Probate Code sections 2614.7, 2614.8, and 2643.1. Judges and subordinate judicial officers will need to be aware of the requirement that an hourly fee schedule or another statement of a private professional fiduciary's proposed compensation must be filed with the inventory and appraisal before an order for periodic payments can be made. Court staff such as probate attorneys/examiners will need to be made aware of the new law and that submission

of an hourly fee schedule or another statement of a private professional fiduciary's proposed compensation does not preclude the court from reducing fees when appropriate. This bill should have a minimal impact on court operations. Courtroom clerks should be informed of the new law in the event judges desire to include a finding on the minute order that the hourly fee schedule or other statement of a private professional fiduciary's proposed compensation has been filed as required. Legal processing clerks need to be made aware of the new law so they understand why the proposed fee accompanies the inventory and appraisal. AB 1339 was sponsored by the Professional Fiduciaries Association of California

(EVID 912, 965, 966, 967, 968)

IMPACT ON COURT: Judges and subordinate judicial officers must be informed of the newly established lawyer referral service–client privilege established by Evidence Code section 966, and of related provisions in new sections 967 (requiring a lawyer referral service to claim the privilege if disclosure of a privileged communication is sought and the client has not consented to the disclosure), 968 (specifying circumstances under which the privilege does not arise), and section 965 (defining terms for purposes of these provisions).

Makes the court-related provisions in the bill operative on July 1, 2014. Creates an optional administrative procedure through the State Registrar for a transgender person born in California to amend gender and name on his or her birth certificate without first obtaining a court order. (CCP 1277, 1278; H&S 103426)

NEW PROVISIONS GOVERNING PETITIONS FOR A CHANGE OF NAME BASED ON GENDER IDENTITY

OPTIONAL ADMINISTRATIVE PROCEDURE FOR NAME CHANGES

APPENDIX C

SB 75 (Committee on Budget and Fiscal Review), CH. 31

EFFECTIVE/OPERATIVE DATE: URGENCY, JUNE 27, 2013

COURTS

SUMMARY DESCRIPTION OF NEW LAW: Enacts the courts budget trailer bill, including amendments relating to the judicial branch.

SMALL CLAIMS

Increases the fee charged to the plaintiff for each defendant to whom the court clerk mails a copy of the claim under section 116.340 of the Code of Civil Procedure. States that the fee shall be distributed to the court in which the fee was collected. (CCP 116.232)

IMPACT ON COURT: Courts should have done all of the following:

- Updated all case management and accounting systems to increase the Uniform Civil Fee charged to plaintiffs for small claims served to defendants by mail. The fee was increased to \$15 as of 6/27/13.
- Updated all fee schedules.
- Posted public notice of the changes.
- Due to the lack of advance opportunity for notice prior to the effective date, handled filings with insufficient fees.

COURT COLLECTIONS

Facilitates use of the Franchise Tax Board's Tax Intercept Program for the collection of delinquent payments as follows:

- States that neither the Controller nor the Franchise Tax Board (FTB) may condition a request for offset against a refund from the FTB, winnings in the California State Lottery, or a cash payment for unclaimed property for any overdue and unpaid fine, penalty, assessment, bail, vehicle parking penalty, or court-ordered reimbursement for court-related services on the submission of the person's social security number. (GOV 12419.10(a)(1))

- Provides that FTB may, if necessary to confirm the identity of a person before making an offset, obtain a social security number from the Department of Motor Vehicles (DMV). (GOV 12419.10(d))

IMPACT ON COURT: Courts that participate in the Franchise Tax Board's Tax Intercept Program will no longer be required to obtain and provide social security numbers to the FTB prior to initiating the Tax Intercept Program. Instead, the FTB and State Controller's Office will use their existing legal authority to obtain social security numbers from the DMV if necessary to confirm the identity of a person before making an offset.

COURT REPORTER FEES

Clarifies that for each proceeding lasting less than one hour, a fee of \$30 shall be charged for the services of a court reporter. Clarifies that the proceeds of the fees collected shall be distributed to the court in which the fee was collected. (GOV 68086(a)(1)(A))

IMPACT ON COURT: Courts need to inform judges, subordinate judicial officers, and staff that the \$30 court reporter fee should be charged for each proceeding lasting less than one hour. No changes needed for distribution.

TRIAL COURT BUDGET ISSUES

Clarifies issues related to trial court reserves and cash flow as follows:

- Requires the Judicial Council to offset each trial court's preliminary and final allocations by the amount of reserves held by the court in excess of the amount authorized to be carried over in accordance with subdivision (b) of section 77203 of the Government Code. (GOV 68502.5(c)(2)(A))
- Exempts from the calculation of the 1 percent carryover of unexpended funds those funds specified in statute and attached as **Exhibit 1**. (GOV 77203(b)(1)–(6))

➤ Permits the Administrative Office of the Courts to borrow interest-free funds from the State Court Facilities Construction Fund, the Immediate and Critical Needs Account, and the Judicial Branch Workers' Compensation Fund if the cash balance of the Trial Court Trust Fund is insufficient to support trial court operations. (GOV 68502.6(a)–(c))

➤ Requires the Administrative Office of the Courts to submit a report to the Joint Legislative Budget Committee and the Department of Finance for each loan executed under this section no later than August 30 of each year. Specifies report content requirements. (GOV 68502.6(d))

➤ Removes the sunset date of January 1, 2017, from the provision that requires trial courts, before adopting a baseline budget plan for the fiscal year, to provide the public notice of, and an opportunity for input on, the trial court's proposed budget plan. (GOV 68511.7(e))

IMPACT ON COURT: Court financial staff should be aware of the new requirements and clarifications of the new laws, which will have substantial financial impact on courts beginning June 30, 2014, when courts will be limited from carrying over unexpended funds that exceed 1 percent of their operating budgets from the prior fiscal year with only some exceptions. See **Exhibit 1** for details. Court should also be aware of loan options available to the AOC in the event that the cash balance of the Trial Court Trust Fund is insufficient to support trial court operations.

EXEMPLIFICATION FEES

Increases from \$20 to \$50 the fee for the exemplification of a record or other paper on file.

IMPACT ON COURT: Courts should have done all of the following:

➤ Updated all case management and accounting systems to increase the Uniform Civil Fee charged for exemplification of a record or other paper on file. The fee was increased to \$50 as of June 27, 2013.

➤ Updated all fee schedules.

➤ Posted public notice of the changes.

➤ Due to the lack of advance opportunity for notice prior to the effective date, handled filings with insufficient fees.

JUDICIAL BRANCH AUDITS

Establishes a framework for audits of judicial branch entities as follows:

➤ Directs the State Auditor, beginning March 15, 2015, and continuing biennially thereafter, to identify five judicial branch entities, excluding the Administrative Office of the Courts, for audit to assess enumerated risk factors. Requires the State Auditor to commence an audit of each identified judicial branch entity, subject to an appropriation for this audit whereby monies are allocated in the annual Budget Act. Further requires the Administrative Office of the Courts to reimburse the State Auditor for the actual costs of the audits. (PCC 19210(a)–(b))

➤ Directs the State Auditor, on or before March 15, 2015, and continuing biennially thereafter, to commence an audit of the Administrative Office of the Courts. (PCC 19210(c))

IMPACT ON COURT: Court executive officers, judges, and subordinate judicial officers should be aware of the enumerated risk factors as listed in subsections (A) through (H) of Public Contract Code section 19210 in case their court is selected for an audit.

DETERMINATION OF REPAYMENT IN REUNIFICATION

Includes the county financial officer among the entities entitled to determine that payment by a parent or guardian for the costs of support, legal services, probation costs, or any other reimbursable costs, as defined, shall be waived (1) if that repayment will pose a barrier to reunification with the child because it will limit the ability of the parent or guardian to comply with the requirements of the reunification plan or compromise the parent's or guardian's current or future ability to meet the financial needs of the child, or (2) if the court finds that the repayment would be unjust under the circumstances of the case. (W&I 903.45(b))

IMPACT ON COURT: Courts need to make court staff aware of this new provision for county financial officers and clarify that, if the county officer determines that payment of reimbursable costs should be waived for the parent or guardian, the county financial officer is then prohibited from petitioning the court for an order of repayment of these costs.

**REPORTING AND DATA COLLECTION
PERTINENT TO THE COMMUNITY CORRECTIONS
PERFORMANCE INCENTIVE ACT**

Requires that county probation departments provide data to the Administrative Office of the Courts (AOC) related to offenders on mandatory supervision and postrelease community supervision; assigns additional tasks to the AOC related to SB 678; makes specified funding adjustments under that act; and removes the sunset date of January 1, 2015. (PEN 1229–1233.8)

COMPUTATION OF CAP ON CARRY-FORWARD FUND BALANCE

The amount of the cap can be computed by multiplying a court's prior-year "operating budget" by 1 percent. "Operating budget" is equivalent to total expenditures of operating funds from the prior-year.¹ If the amount of a court's ending fund balance less any unspent statutorily restricted monies that can be excluded from the cap as allowed by GC 77203 is equal to or less than the cap, the Judicial Council will not reduce that court's allocation as required by GC section 68502.5. If the fund balance less excludable unspent monies is higher, the Judicial Council is required to reduce that court's allocation by the amount over the cap on a one-time basis.

¹ Operating funds do not include fiduciary and proprietary funds.

APPENDIX D

SB 76 (COMMITTEE ON BUDGET AND FISCAL REVIEW), CH. 32

EFFECTIVE/OPERATIVE DATE: URGENCY, JUNE 27, 2013

PUBLIC SAFETY

SUMMARY DESCRIPTION OF NEW LAW: Among other things, chapters out two key provisions of the realignment law enacted by SB 75 (Stats. 2013, ch. 31) relating to parole revocation and parole revocation proceedings.

JURISDICTION FOR PAROLE REVOCATION

Addresses which courts have jurisdiction to conduct parole revocation proceedings and expands court jurisdiction to conduct revocation proceedings to include the trial court in the county in which an alleged violation occurred, in addition to the trial court in the county of supervision. (PEN 1203.2)

IMPACT ON COURT: Penal Code section 1203.2(b) (1) has been amended to including the trial court in the county in which an alleged violation of supervision has occurred as having jurisdiction to hear petitions to revoke parole and impose a term of custody. This will allow the Department of Corrections and Rehabilitation to attach their petition to the new case filed in another county's trial court. It will also prevent having to transport a defendant between county court systems for separate hearings. Courts will need to be aware they may hold hearings on parole petitions even if the parolee is not currently being supervised in their county.

JURISDICTION FOR PAROLE REVOCATION HEARINGS

Addresses which courts have jurisdiction to conduct parole revocation proceedings and expands court jurisdiction to conduct revocation proceedings to include the trial court in the county in which an alleged violation occurred, in addition to the trial court in the county of supervision. (PEN 3000.08) NOTE: Chapters out section 23 of SB 75 (Stats. 2013, ch. 31).

IMPACT ON COURT: Penal Code section 3000.08(a) has been amended to include the trial court in the county in which an alleged violation of supervision has occurred as having jurisdiction to hear petitions to revoke parole

and impose a term of custody. This will allow the Department of Corrections and Rehabilitation to attach their petition to the new case filed in another county's trial court. It will also prevent having to transport a defendant between county court systems for separate hearings. Courts will need to be aware they may hold hearings on parole petitions even if the parolee is not currently being supervised in their county. Additional language in this section specifies that the term of mandatory supervision begins upon a person's release from state prison prior to or on or after July 1, 2013, after serving a prison term, or whose sentence has been deemed served pursuant to Section 2900.5. This additional clarification is important to note, but should not impact court operations.

CUSTODY CREDITS

Adds Penal Code section 4019.1 to allow the sheriff to award additional time credits to any inmate sentenced to the county jail who participates in an in-custody work or job training program other than those specified in section 4019.2 and who is eligible to receive one day of credit for every one day of incarceration under section 4019. The sheriff or county director of corrections may instead award one and one-half days of credit for every one day of incarceration that the inmate satisfactorily participates in work or job training subject to this section. (GOV 29552, 30027.9, 30061, 30070; PEN 326.3, 1170, 1203.2, 3000.08, 3003, 3451, 4019.1, 5003.2, 13821; W&I 1984, 18220, 18220.1)

Courts will not be awarding these new custody credits at sentencing. However, the new credits could impact when a person is released to mandatory supervision. Some courts are providing pre- and post-release hearings to ensure there is a smooth transition. See also AB 624 (Stats. 2013, ch. 266).

APPENDIX E

SB 105 (STEINBERG), CH. 310

EFFECTIVE/OPERATIVE DATE: JANUARY 1, 2014

CORRECTIONS

SUMMARY DESCRIPTION OF NEW LAW: Authorizes up to \$315 million for immediate in-state and out-of-state prison capacity. Increases the amount of funding that county probation departments receive if they can serve felony probationers locally and keep them from coming to state prison. Requires that if the federal three-judge panel modifies its order requiring the state to reduce its prison population to 137 percent of capacity by December 31, 2013, in a way that reduces the cost of compliance, the first \$75 million in savings will go to reducing recidivism,

upon appropriation by the Legislature. (GOV 19050.2, 19050.8; PEN 1233.1, 1233.3, 1233.4, 2910, 11191, 13602, 1233.9, 2915, 6250.2)

IMPACT ON COURT: This bill will put two plans into effect to alleviate California's prison overcrowding. With respect to courts, SB 105 places many responsibilities on the Administrative Office of the Courts, while local county programs will be evaluated under Penal Code sections 1233.1, 1233.3, 1233.4, and 1233.9 to determine failure and return-to-custody rates for persons placed on probation, mandatory supervision, and postrelease community supervision.
