JUDICIAL COUNCIL  
OF CALIFORNIA

JUDICIAL COUNCIL OF CALIFORNIA • GOVERNMENTAL AFFAIRS

NOVEMBER 2015

**D**uring the first year of the 2015–2016 Legislative Session, the Legislature and Governor enacted numerous bills that affect the courts or are of general interest to the legal community. Brief descriptions of the measures of greatest interest follow, arranged according to subject matter. The document also includes a table summarizing new laws that create or expand crimes, as well as an index listing all the bills and the page numbers on which their descriptions can be found. Legislation that requires more detail is available as an appendix in the back of the document.

The effective date of legislation is stated with each measure. Urgency measures normally take effect upon enactment, and some other measures have delayed operative dates.

This *Summary* is intended to serve only as a guide to identify bills of interest; the bill descriptions are not a complete statement of statutory changes. Code section references are to the sections most directly affected by the bill; not all sections are necessarily cited.

Until the annual pocket parts are issued, bill texts can be examined in their chaptered form in *West's California Legislative Service* or *California Deering's Advance Legislative Service*, where they are published by chapter number. In addition, chaptered bills and legislative committee analyses can be accessed on the Internet at <http://leginfo.legislature.ca.gov>. Individual chapters may be ordered directly from the Legislative Bill Room, State Capitol, 10th Street, Room B32, Sacramento, California 95814, 916-445-2323.

(CCP 706.050)

**SB 641 (WIECKOWSKI), CH. 804****EFFECTIVE/OPERATIVE DATE: JANUARY 1, 2016****DEBT BUYING: DEFAULT JUDGMENT**

Adds new provisions to the California Fair Debt Buying Practices Act. Among other things, provides that if service of a summons has not resulted in actual notice to an alleged debtor in time to defend an action brought by a debt buyer and a default or default judgment has been entered against the alleged debtor in the action, the alleged debtor may serve and file a notice of motion and motion to set aside the default or default judgment and for leave to defend the action. Requires the notice of motion to be served and filed within a reasonable time, but in no event exceeding the earlier of six years after entry of the default or default judgment against the debtor or 180 days of the first actual notice of the action. Provides, notwithstanding the above, that in the case of identity theft or mistaken identity, the notice of motion shall be served and filed within a reasonable time, but in no event exceeding 180 days of the first actual notice of the action. Provides that either party to the action may introduce evidence in support of its motion or opposition, including evidence relating to the process server who appears on the proof of service of summons and complaint. Requires the alleged debtor to serve and file with the notice a copy of the answer, motion, or other pleading proposed to be filed in the action. Provides that, on a finding by the court that the motion was made within the permissible time period and that the alleged debtor's lack of actual notice in time to defend the action was not caused by his or her avoidance of service or inexcusable neglect, the court may set aside the default or default judgment on just terms and allow the party to defend the action. Allows the court to select an appropriate remedy other than setting aside the default or default judgment in cases where the validity of the judgment is not challenged. Specifies that the bill's provisions apply to a default or default judgment entered on or after January 1, 2010, except in the case of identity theft, mistaken identity, or other instances in which the alleged debtor is not legally responsible for the debt, in which case these provisions shall apply regardless of the date of the default judgment. **EFFECTIVE/OPERATIVE DATE: JANUARY 1, 2016**

**SUSTAINABLE GROUNDWATER MANAGEMENT ACT: GROUNDWATER ADJUDICATION**

Establishes, as a companion measure to AB 1390 (summarized above), additional measures governing the groundwater adjudication process for groundwater basins that are subject to the Sustainable Groundwater Management Act (SGMA). Among other things:

- Acknowledges the state’s ability to intervene in a comprehensive adjudication.
- Expands SGMA’s findings to include that SGMA is to provide a more efficient and cost-effective groundwater adjudication process that protects water rights, ensures due process, prevents unnecessary delay, and furthers the act’s objectives.

- Recognizes that water rights may be determined in an adjudication action under the provisions of AB 1390 (Alejo; described above).
- Expands the entities who may file a request with the Department of Water Resources (DWR) to revise groundwater basin boundaries to include an entity directed by the court in an adjudication action.
- Requires the court, in an adjudication of a basin required to have a plan under SGMA, to manage the proceeding in a manner that minimizes interference with the timely completion and implementation of a groundwater sustainability plan, avoids redundancy and unnecessary costs in the development of technical information and a physical solution, and is consistent with the attainment of sustainable groundwater management with the time frames established by SGMA.
- Provides that state enforcement under SGMA shall not apply to a court-approved groundwater adjudication judgment if the judgment is submitted to DWR and DWR determines it satisfies the objectives of SGMA for the basin. Allows the same court that is handling the adjudication to review DWR’s determination, and treats such review as a coordinated legal action.
- Allows the court, after notice and, if necessary, an evidentiary hearing, to amend a judgment in response to DWR’s assessment, including incorporating corrective actions DWR has identified to make the judgment consistent with SGMA.
- Provides that a court shall not approve an entry of judgment in an adjudication action of a basin required to have a groundwater sustainability plan unless the court first finds that the judgment will not substantially impair the ability of a groundwater sustainability agency, the State Water Resources Control Board, or DWR, to comply with SGMA and achieve sustainable groundwater management.

**SB 383 (WIECKOWSKI), CH. 418**

**EFFECTIVE/OPERATIVE DATE: JANUARY 1, 2016**

**CIVIL ACTIONS: OBJECTIONS TO PLEADINGS**

Establishes the following new requirements for filing, amending, and resolving demurrers:

1. Provides that before filing a demurrer, the demurring party shall meet and confer in person or by telephone with the party who filed the pleading that is subject to demurrer to determine whether an agreement can be reached that would resolve the objections raised in the demurrer. Specifies that if an amended complaint, cross-complaint, or answer is filed, the responding party shall meet and confer again with the party who filed the amended pleading before filing a demurrer to the amended pleading.
2. With respect to the meet-and-confer process, requires the demurring party to identify all of the specific causes of action that it believes are subject to demurrer and identify with legal support the basis of the deficiencies. Further requires the party who filed the complaint, cross-complaint, or answer to provide legal support for its position that the pleading is legally sufficient or, in the alternative, how the complaint, cross-complaint, or answer could be amended to cure any legal insufficiency.
3. Requires the parties to meet and confer at least five days before the date the responsive pleading is due. Provides that if the parties are unable to meet and confer at least five days before the date the responsive pleading is due, the demurring party may obtain a 30-day extension of time within which to file a responsive pleading, by filing and serving, on or before the date on which a demurrer would be due, a declaration stating under penalty of perjury that a good-faith attempt to meet and confer was made and explaining the reasons why the parties could not meet and confer. Specifies that any further extensions shall be obtained by court order on a showing of good cause.
4. Requires the demurring party to file and serve with the demurrer a declaration stating either of the following: (a) the means by which the demurring party met and conferred with the party who filed the pleading subject to demurrer, and that the parties did not reach an agreement resolving the objections raised in the demurrer; or (b) that the party who filed the pleading subject to the demurrer failed to respond to the meet-and-confer request of the demurring party or otherwise failed to meet and confer in good faith.
5. Provides that any determination by the court that the meet-and-confer process was insufficient shall not be grounds to overrule or sustain a demurrer.
6. Provides that a party demurring to a pleading that has been amended after a demurrer to an earlier version of the pleading was sustained shall not demur to any portion of the amended complaint, cross-complaint, or answer on grounds that could have been raised by demurrer to the earlier version of the complaint, cross-complaint, or answer.
7. Provides that if a court sustains a demurrer to one or more causes of action and grants leave to amend, the court may order a conference of the parties before an amended complaint or cross-complaint, or a demurrer to an amended complaint or cross-complaint may be filed. Further provides that if a conference is held, the court shall not preclude a party from filing a demurrer and the time to file a demurrer shall not begin until after the conference has concluded.
8. Specifies that nothing in the bill prohibits the court from ordering a conference on its own motion at any time or prevents a party from requesting that the court order a conference to be held.
9. Provides that the above procedural requirements do not apply to the following civil actions: (a) an action in which a party not represented by counsel is incarcerated in a local, state, or federal correctional institution; or (b) a proceeding in forcible entry, forcible detainer, or unlawful detainer.

10. Provides that in response to a demurrer and before the case being at issue, a complaint or cross-complaint may be amended no more than three times, absent an offer to the trial court of such additional facts to be pleaded that there is a reasonable possibility the defect can be cured to state a cause of action. Specifies that nothing in this provision is intended to alter existing law concerning the rights of any party to amend its pleading or respond to that amendment after the case has been at issue. Provides further that the three-amendment limitation shall not include an amendment made without leave of court under section 472, so long as it is made before the opposing side has demurred to the original complaint.
11. Provides that the bill's provisions are not intended to affect appellate review or the rights of a party under section 430.80.
12. Provides that if a demurrer is overruled as to a cause of action and that cause of action is not further amended, the demurring party preserves its right to appeal after final judgment without filing a further demurrer.
13. Sunsets the bill's provisions on January 1, 2021. (CCP 430.41, 472, 472a)

## EMPLOYEE/EMPLOYER ISSUES

### **AB 304 (GONZALEZ), CH. 67**

**EFFECTIVE/OPERATIVE DATE:**

**URGENCY, JULY 13, 2015**

### **SICK LEAVE: ACCRUAL AND LIMITATIONS**

Amends the Healthy Workplaces, Healthy Families Act of 2014 to provide clarification regarding which workers are covered, how the paid time off is accrued, and what protections are in place for employers that already provide paid sick leave.

1. Provides that the definition of “employee” does not include specified retired annuitants.
2. Specifies that an “employee in the construction industry” means an employee performing work—deleting the reference to “onsite work” in the current provisions of the law.
3. Specifies that the law applies to an employee who works in California “for the same employer” for 30 or more days within a year.
4. Provides that an employer may use a different accrual method, other than providing one hour per every 30 hours worked, provided that the accrual is on a regular basis so that an employee has no less than 24 hours of accrued sick leave or paid time off by the 120th calendar day of employment or each calendar year, or in each 12-month period.
5. Provides that an employer may satisfy the accrual requirements of this section by providing not less than 24 hours or three days of paid sick leave that is available to the employee to use by the completion of his or her 120<sup>th</sup> calendar day of employment.
6. Amends the law to specify that an employer is not required to provide additional paid sick days if the employer has a paid-leave policy or paid-time-off policy and makes available (beginning July 1, 2015) an amount of leave that may be used for the same purposes and under the same conditions, and the policy either:
  - a. Satisfies the accrual, carry over, and use requirements of the law;
  - b. Provided paid sick leave or paid time off to a class of employees before January 1, 2015, under a sick leave policy that used an accrual method different than providing one hour per every 30 hours worked; provided that the accrual was on a regular basis so that an employee, including an employee hired into that class after January 1, 2015, had no less than one day or eight hours of accrued leave within three months; and provided that the employee was eligible to earn at least three days or 24 hours within nine months. (If an employer modifies the accrual method used in the policy it had in place before January 1, 2015, the employer shall comply with any accrual method stated in existing law or provide the full amount of leave at the beginning of the year. This bill shall not prohibit the employer from increasing the accrual amount or rate.); or
  - c. Provides that specified sick leave or annual leave benefits provided to specified state employees or officers by statute or the provisions of a memorandum of understanding meet the requirements of the paid sick day’s law.
7. Provides that an employer is not required to reinstate accrued paid time off to a rehired employee who was paid out at the time of termination, resignation, or separation of employment.
8. Provides that if an employer provides unlimited paid sick leave or unlimited paid time off, the employer may satisfy a specified written notice requirement of existing law by indicating on the notice or the employee’s itemized wage statement that such leave is “unlimited.”

9. Delays application of provisions related to the inclusion of the amount of paid sick leave available on itemized wage statements or separate writings until January 21, 2016, for employers in the broadcasting and motion picture industries.
10. Provides that an employer shall calculate paid sick leave using any of the following calculations:
  - a. **Paid sick time for nonexempt employees:**
    - i. Calculated in the same manner as the regular rate of pay for the workweek in which the employee uses paid sick time, whether or not the employee actually works overtime in that workweek;
    - ii. Calculated by dividing the employee's total wages, not including overtime premium pay, by the employee's total hours worked in the full pay periods of the prior 90 days of employment.
  - b. **Paid sick time for exempt employees:** Calculated in the same manner as the employer calculates wages for other forms of paid leave time.
11. Provides that an employer is not obligated to inquire into or record the purpose for which an employee uses paid leave or paid time off. (LAB 245.5, 246, 247.5)
