The link above will take you to the Court's webpage where you can send documents electronically.

Documents are required to be text-searchable, (note that scanned images are NOT text-searchable), no more than 5MB in size and (for briefs and writs) an exact duplicate of the paper copy.

On occasion, a scanned document will make electronic files larger than needed. When scanning, make sure the settings for scanning are set to black and white and the DPI (dots per inch) is set no higher than 300.
