

IN THE COURT OF APPEAL OF THE STATE OF CALIFORNIA
FOURTH APPELLATE DISTRICT
DIVISION ONE

In re: Order of the Presiding Justice

Misc. Order No. 052010

THE COURT:

The Office of the Attorney General, Appeals, Writs and Trials Sections (the AG) and Appellate Defenders, Inc. (ADI) have entered into agreements to accept e-service of documents on each other in certain criminal appeals. Copies of these agreements have been provided to the court and are maintained in a court master file.

In addition, the AG has agreed to accept e-mail service from panel attorneys designated by ADI in a Notice of Approval; all panel attorneys so designated have executed an agreement to accept e-mail service from the AG. From time to time ADI will submit changes to the list of designated panel attorneys to both the AG and the court by means of a revised Notice of Approval that will specify the changes made thereto and will include an updated master list of approved attorneys and copies of the agreements executed by any attorneys newly added to the master list. Copies of the AG agreement and those of designated panel attorneys are in the court's master file.

All agreements in the court master file are deemed to be part of the record on appeal for each case to which they apply.
