

Filed April 25, 2013

IN THE COURT OF APPEAL OF THE STATE OF CALIFORNIA  
SIXTH APPELLATE DISTRICT

Misc. Order 13-1

IT IS HEREBY ORDERED that effective May 15, 2013, pursuant to California Rules of Court, rule 8.70, any motion filed in the Sixth Appellate District shall be submitted for filing electronically. This electronic filing will satisfy, and substitute for, the filing requirement of a paper original and any required paper copy in this court. The court will return an electronic copy to the sender indicating the document has been filed.

This order shall apply to all motions filed in the Court of appeal with the following exception:

Any party filing a Motion to Augment the Record or any Request for Judicial Notice which attaches documents that are to be made part of the record on appeal shall submit the original motion and attached documents in paper form and one copy electronically.

If this order causes undue hardship or significant prejudice to any party, the party shall file an original motion and one scan-ready copy, accompanied by a declaration of hardship. "Scan-ready" means the document is unbound and does not have tabs.
