Catherine Boling, et al,

v.

Public Employment Relations Board
Respondent;

City of San Diego,
Real Parties in Interest

California Fourth District Court of Appeals Case No. D069626

I, Kathleen Day, declare that I am over 18 years of age, employed in the City of Escondido, and am not a party to the instant action. My business address is 960 Canterbury Place, Ste. 300, Escondido, California. On June 15, 2017, I served the **Notice of Errata to the Combined Answer by Catherine A. Boling, T.J. Zane and Stephen B. Williams to Petitions for Review by the Public Employment Relations Board and the Union Real Parties In Interest** to the recipients listed below via the following methods:

VIA EMAIL: Pursuant to California Rules of Court, Rule 8.71, I sent the documents via email addressed to the email address listed for each recipient, and in accordance with the Code of Civil Procedure and the California Rules of Court. I am readily familiar with the firm's practice of preparing and serving documents via email, which practice is that when documents are to be served by email, they are scanned into a .pdf format and sent to the addresses on that same day and in the ordinary course of business.

VIA FEDERAL EXPRESS: I caused each such envelope to be placed in the Federal Express depository at Escondido, California. I am readily familiar with the firm's practice of collection and processing of correspondence for Federal Express delivery. Under that practice it would be deposited in a box or other facility regularly maintained by Federal Express, in an envelope or package designed by Federal Express with delivery fees prepaid.
