

Youth Questionnaire

PART 1: Below is a set of statements that describe school experiences. Read each statement carefully and consider how well the statement describes how you feel about or act in school. Choose the answer that best indicates how well it describes you. Please try to be as honest as you can.

	Mostly	Sometimes	Not at all
1. I try hard to do well in school.			
2. I enjoy learning new things in school.			
3. In school, I do just enough to get by.			
4. I know I could do better in school if things were different.			
5. I do well in some subjects but not in others.			
6. I feel good when I accomplish things in school.			
7. When I'm in school, I think about other things.			
8. When we work on something in school, I feel bored.			
9. When we work on something in school, I get involved.			
10. When I'm in school, I take part in discussions with my classmates and teachers.			
11. It is important for me to help others in my school			

PART 2: Below is a set of statements that describe how you act in different situations. Read each statement carefully and consider how well the statement describes you. Choose the answer that best indicates that. Please try to be as honest as you can.

	Mostly	Sometimes	Not at all
1. I prefer to work on my own rather than in groups			
2. I try to work out disagreements with other people by talking to them			
3. When I have problems, I am good at finding ways to solve them.			
4. I am able to take charge of my own life so that I can succeed.			
5. I believe I can achieve my goals, even if there are problems to overcome.			
6. When difficult situations happen, I can pause without immediately reacting.			
7. I try to build relationships with people who have positive attitudes and give me encouragement.			
8. I take responsibility for my mistakes.			
9. When things look hopeless, I give up.			
10. If I get angry with a friend, I can talk about it and make things better.			
11. I really like to explore new things or ideas			
12. I ask a lot of questions so that I can understand more.			

Part 3: What is the highest level of education you want to reach? (choose one)

- I want to earn a graduate or professional degree (such as a law degree or medical degree).
- I want to earn in a 4-year college degree (such as a Bachelor's degree)
- I want to earn in a 2-year college (such as an Associate's degree)
- I want to enroll in a military or vocational program after high school (vocational programs prepare you for a specific trade or occupation)
- I want to receive a High School diploma
- I want to receive a GED
