The term "Contract" as used herein means the written agreement provided under section 3517.5 of the Government Code.

ARTICLE 1 – RECOGNITION

- A. (Unit 11) Pursuant to Public Employment Relations Board (PERB) Decision SA-SR-11, as amended by SA-AC-54-S, the State recognizes the Service Employees International Union, Local 1000 (Union of California State Workers), as the exclusive representative for the Engineering and Scientific Technician Bargaining Unit, hereinafter referred to as Unit 11. Unit 11 consists of all employees in the job classifications listed by title in the Salary Schedule attached hereto and incorporated by reference as a part of this Contract. Any new classes established and assigned to Unit 11 shall be incorporated in the contract.
- B. Pursuant to Government Code sections 19815.4 and 3517, the Service Employees International Union, Local 1000 (Union of California State Workers), recognizes the Director of the Department of Personnel Administration or his/her designee as the negotiating representative for the State and shall negotiate exclusively with the Director or his/her designee, except as otherwise specifically spelled out in this Contract.
- C. The Service Employees International Union, Local 1000 (Union of California State Workers), agrees to hold the State harmless, defend and indemnify the State and its officers, agents, and employees for fees, costs, and damages resulting from a challenge, in any forum (administrative or judicial) by any person or entity, to the provisions of this Article.

ARTICLE 2 – UNION REPRESENTATION RIGHTS

2.1 Union Representatives

- A. The State recognizes and agrees to deal with designated Union stewards, elected bargaining unit council representatives, and/or Union staff on the following:
 - 1. The enforcement of this Contract;

2. Employee discipline cases, including investigatory interviews of an employee who is the subject of a non-criminal investigation;
 3. Informal settlement conferences or formal hearings conducted by the Public Employment Relations Board (PERB);
 4. Matters scheduled for hearing by the Victim Compensation and Government Claims Board;
 5. Matters pending before the State Personnel Board;
 6. AWOLs and appeals to set aside resignations;
 7. Discussions with management regarding denials of reasonable accommodation;
 8. The Department of Personnel Administration statutory appeal hearings.
- B. A written list of Union stewards, and elected bargaining unit council representatives broken down by department, unit, and designated area of representation, shall be furnished to each department and a copy sent to the State immediately after their designation. The Union shall notify the State promptly of any changes of such stewards. Union stewards shall not be recognized by the State until such lists or changes thereto are received.
- C. Area of Representation – A Union steward's "area of primary representation" is defined as an institution, office, or building. However, the parties recognize that it may be necessary for the Union to assign a steward an area of representation for several small offices, department, or buildings within close proximity. Disputes regarding this paragraph may be appealed directly to the DPA Step of the Grievance Procedure.

2.2 Access

- A. Union stewards, Union staff, and/or elected bargaining unit council representatives may have access to employees to represent them pursuant to section 2.1 A above. Access shall not interfere with the work of the employees. Union stewards, Union staff, or elected bargaining unit council representatives seeking access to employees must notify the department head or designee in advance of the visit.
- B. Access to bargaining unit employees shall not be unreasonably withheld; however, it may be restricted for reasons of safety, security, or patient care including patient privacy. If access is restricted, other reasonable accommodations shall be made.

2.3 Use of State Equipment

A copy of all materials posted must be distributed to the facility or office supervisor at the time of posting.
- B. The Union may, before or after work hours or during meal and rest periods, distribute Union literature. Distribution of Union information shall not be unreasonably denied or disrupt the work of others. However, if access for distribution of information is restricted for safety, security, or patient care including patient privacy, other reasonable accommodation will be made in accordance with department procedures.
- C. The Union may continue to use existing employee mailboxes and in-baskets for distribution of literature. Such information will be distributed to departmental employees based on the department's policies and procedures in distributing other non-business information.
- D. The Union agrees that any literature posted or distributed on site will not be libelous, obscene, defamatory, or of a partisan political nature.
- E. The Union shall be permitted incidental and minimal use of State electronic communication systems for communication of Union activities as the departments permit for other non-business purposes.

When required in advance, the Union shall reimburse the State for additional expenses, such as security, maintenance, and facility management costs or utilities, incurred as a result of the Union's use of such State facilities.

2.6 Steward Time Off

Upon request of an aggrieved employee, a steward shall be allowed reasonable time off during working hours, without loss of compensation, for representational purposes in accordance with section 2.1 A of this Contract, provided the employee represented is in the steward's designated area of representation. Release time for these purposes is subject to prior notification and approval by the steward's immediate supervisor. Upon mutual agreement of the parties, a reasonable number of additional stewards can also be granted reasonable time off under this section.

2.7 Employee Time Off

Employees shall be entitled to reasonable time off without loss of compensation to confer with a Union representative on representational matters at the work site in accordance with section 2.2 above during work hours, subject to approval of the employee's supervisor.

ARTICLE 3 – UNION SECURITY

3.1 Union Security

The State agrees to deduct and transmit to the Union all membership dues authorized on a form provided by the Union. Effective with the beginning of the first pay period following ratification of this Contract by the Legislature and the Union, the State agrees to calculate, deduct, and transmit to the Union, Fair Share fees from State employees who do not have membership dues deductions for the Union, based upon an amount or formula furnished by the Union for Fair Share fees deductions. The State further agrees to recalculate, deduct, and transmit Fair Share fees to the Union based upon any revised amounts or formulas furnished by the Union for Fair Share fees deductions during the term of this Contract. The State and the Union agree that a system of authorized dues deductions and a system of Fair Share fee deductions shall be operated in accordance with Government Code sections 3513(h), 3513(j), 3515, 3515.6, 3515.7, and 3515.8, subject to the following provisions:

1. When Fair Share fees are in effect, an employee may withdraw from membership in the Union by sending a signed withdrawal letter to the Union with a copy to the State Controller at any time. An employee who so withdraws his/her membership shall be subject to paying a Fair Share fee, if such a fee is applicable.
2. The Union agrees to indemnify, defend, and hold the State and its agents harmless against any claims made of any nature and against any suit instituted against the State arising from this section and the deductions arising therefrom.
3. The Union agrees to annually notify all State employees who pay Fair Share fees of their right to demand and receive from the Union a return of part of that fee pursuant to Government Code section 3515.8.
4. No provisions of this section or any disputes arising thereunder shall be subject to the grievance and arbitration procedure contained in this Contract.
5. Should a rescission election be successful, the written authorization for payroll deductions for Union membership shall remain in full force and effect during the life of this contract except that any employee may withdraw from the Union by sending a signed withdrawal letter to the Union with a copy to the State Controller's Office within thirty (30) calendar days prior to the expiration of this Contract.

3.2 Release of Home Addresses: Non Law Enforcement Employees

A. Home Addresses - Generally

1. Consistent with PERB regulations and State law, the State shall continue to provide the Union with home addresses on a monthly basis for all employees covered by this Contract until it expires.
2. Notwithstanding any other provision of this Contract, any employee may have his/her home address withheld from the Union at any time by submitting a written request to his/her appointing power on a form provided by the State.

B. Home Address Withholding

The State will no longer use an Employee Action Request form that provides employees with the option of having their home address withheld from the Union. Instead, bargaining unit employees will, upon request on their own initiative, be given a separate form by their appointing power that permits two choices: (1) withhold their address from the Union, or (2) to cancel a previous withhold request thereby permitting release of their home address to the Union.

C. Home Address Withhold Notification to Employees

Within one month following ratification of this Contract by both parties, the State will send a letter drafted by the Union to all existing employees that have previously requested their home address be withheld. The letter will provide said employees with the option of canceling their previous withhold request thereby permitting release of their home address to the Union.

D. Release and Use of Addresses

The State Controller's Office shall send the Union a list of all Bargaining Unit 11 employees who, pursuant to subsection C above, either did not respond or responded by indicating they wanted to continue withholding their home address from the Union. Said list(s) will contain the employee's name, agency, and reporting unit.

E. Home Address Mailings by the State

The State will mail Union information once per year to the home address of bargaining unit employees who have requested their home address be withheld from the Union. Said material shall be provided by the Union. The cost of this mailing shall be paid for by the Union. The Union agrees to hold the State harmless for any annual mail that does not reach Bargaining Unit 11 employees.

F. Address Confidentiality

Employee work and home addresses shall be maintained as confidential by the Union. The Union shall take all reasonable steps to ensure the security of work and home addresses, and shall not disclose or otherwise make them available to any person, entity, or organization.

G. Costs Reimbursable

The Union agrees to pay necessary and reasonable costs incurred by the State Controller's Office to produce the necessary name/home/work address tape file on a monthly basis.

H. Hold Harmless and Indemnification

Notwithstanding any other provision of this Contract, the Union agrees to jointly defend this section and to hold the State of California, its subdivisions, and agents harmless in defending challenges of any nature arising as a result of this section of the Contract.

I. Nature of Material

The Union agrees that any literature mailed to employees by the State will not be libelous, obscene, defamatory, or of a partisan political nature or constitute a solicitation of any product or service unrelated to representation by the Union, including that provided by and mailed on behalf of the Union. Advertisements or articles in Union provided material involving partisan politics shall not be considered of a partisan political nature or constitute a solicitation of any product or service for the purposes of this Contract.

ARTICLE 4 – STATE’S RIGHTS

- A. Except for those rights which are abridged or limited by this Contract, all rights are reserved to the State.
- B. Consistent with this Contract, the rights of the State shall include, but not be limited to, the right to determine the mission of its constituent departments, commissions, and boards; to maintain efficiency of State operation; to set standards of service; to determine, consistent with Article VII of the Constitution, the Civil Service Act, and rules pertaining thereto, the procedures and standards of selection for employment and promotion, layoff, assignment, scheduling and training; to determine the methods, means, and personnel by which State operations are to be conducted; to take all necessary action to carry out its mission in emergencies; to exercise control and discretion over the merits, necessity, or organization of any service or activity provided by law or executive order. The State has the right to make reasonable rules and regulations pertaining to employees consistent with this Contract, provided that any such rule shall be uniformly applied to all affected employees who are similarly situated.
- C. This Article is not intended to, nor may it be construed to, contravene the spirit or intent of the merit principle in State employment, nor limit the rights of State Civil Service employees provided by Article VII of the State Constitution or bylaws and rules enacted thereto. Any matters which concern the application of the merit principle to State employees are exclusively within the purview of those processes provided by Article VII of the State Constitution or bylaws and rules enacted thereto.

ARTICLE 5 – GENERAL PROVISIONS

5.1 No Strike

- A. During the term of this Contract, neither the Union nor its agents nor any employee, for any reason, will authorize, institute, aid, condone, or engage in a work slowdown, work stoppage, strike, or any other interference with the work and statutory functions or obligations of the State.
- B. The Union agrees to notify all of its officers, stewards, chief stewards, and staff of their obligation and responsibility for maintaining compliance with this section, including the responsibility to remain at work during any activity which may be caused or initiated by others, and to encourage employees violating this section to return to work.

5.2 No Lockout

No lockout of employees shall be instituted by the State during the term of this Contract.

5.3 Individual Agreements Prohibited

The State shall not negotiate with or enter into memoranda of understanding or adjust grievances or grant rights or benefits not covered in this Contract to any employee unless such action is with Union concurrence.

Upon occurrence of such an event, the parties shall meet and confer as soon as practical to renegotiate the invalidated provision(s).

5.5 Reprisals

The State and the Union shall be prohibited from imposing or threatening to impose reprisals by discriminating or threatening to discriminate against employees, or otherwise interfering with, restraining, or coercing employees because of the exercise of their rights under the Ralph C. Dills Act or any right given by this Contract. The principles of agency shall be liberally construed.

5.6 Supersession

The following enumerated Government Code sections and all existing rules, regulations, standards, practices, and policies which implement the enumerated Government Code sections are hereby incorporated into this Contract. The department head or designee shall make a reasonable effort to grant an employee the day off subject to operational need.
- Q. The parties will jointly develop a holiday compensation training program for departments.

ARTICLE 8 – LEAVES

8.1 Vacation/Annual Leave

- A. Employees shall not be entitled to vacation leave credit for the first six (6) months of service. On the first day of the monthly pay period following completion of six (6) qualifying monthly pay periods of continuous service, all full-time employees covered by this section shall receive a one-time vacation bonus of forty-two (42) hours of vacation credit. Thereafter, for each additional qualifying monthly pay period, the employee shall be allowed credit for vacation with pay on the first day of the following month as follows:

7 months to 3 years	7 hours per month
37 months to 10 years	10 hours per month
121 months to 15 years	12 hours per month
181 months to 20 years	13 hours per month
241 months and over	14 hours per month

- B. Employees may elect to enroll in the Annual Leave program to receive annual leave credit in lieu of vacation and sick leave credits. Enrollment into and out of the Annual Leave Program will occur annually during an open enrollment period during the month of April. All enrollments must be received by the employee's personnel office from April 1 to April 30. The effective date of the election shall be the first day of the June pay period.
- C. Each full-time employee shall receive credit for annual leave in lieu of the vacation and sick leave credits of this agreement in accordance with the following schedule:

1 month to 3 years	11 hours per month
37 months to 10 years	14 hours per month
121 months to 15 years	16 hours per month
181 months to 20 years	17 hours per month
241 months and over	18 hours per month

- D. Employees who elect to move to the vacation and sick leave programs will have their accrued annual leave balances converted to vacation. Employees shall have the continued use of any sick leave accrued as of the effective date of this agreement.
- E. A full-time employee who has eleven (11) or more working days of service in a monthly pay period shall earn vacation/annual leave credits as set forth above under subsection A above or C respectively. Absences from State service resulting from a temporary or permanent separation for more than eleven (11) consecutive working days which fall into two consecutive qualifying pay periods shall disqualify the second pay period.
- F. Part-time and hourly employees shall accrue proportional vacation/annual leave credits, in accordance with the chart shown in section 7 L of this Contract.
- G. Vacation/Annual Leave accrual for employees in multiple positions will be computed by combining all positions, provided the result does not exceed the amount earnable in full-time employment, and the rate of accrual shall be determined by the schedule which applies to the position or collective bargaining status under which the election was made.
- H. Annual leave that is used for purposes of sick leave is subject to the requirements set forth in section 8.2, Sick Leave, of this Contract.
- I. Workweek Group 2 employees may take vacation/annual leave credits in fifteen (15) minute increments.
- J. Workweek Group 2 employees are authorized to use existing fractional vacation/annual leave hours that may have been accumulated.
- K. Subject to operational needs, the time when vacation/annual leave shall be taken by the employee shall not be unreasonably denied. Employee vacation/annual leave requests shall be submitted and granted or denied in writing in a timely manner. Vacations/annual leave can only be cancelled when unanticipated operational needs require it.
- L. Vacation/Annual Leave requests must be submitted in accordance with departmental policies on this subject. However, when two (2) or more employees on the same shift (if applicable) in a work unit (as defined by each department head or designee) request the same vacation/annual leave time and approval cannot be given to all employees requesting it, employees shall be granted their preferred vacation/annual leave period in order of seniority (defined as total months of State service in the same manner as vacation/annual leave is accumulated). When two (2) or more employees have the same amount of State service, department seniority will be used to break the tie. Vacation/annual leave schedules, which have been established in a work unit, pursuant to the seniority provisions in this Article, shall not be affected by employee(s) entering the unit after the schedule has been established.
- M. If an employee does not use all of the vacation/annual leave that the employee has accrued in a calendar year, the employee may carry over his/her accrued vacation/annual leave credits to the following calendar year to a maximum of six hundred forty (640) hours. A department head or designee may permit an employee to carry over more than six hundred forty (640) hours of accrued vacation/annual

leave hours if an employee was unable to reduce his/her accrued hours because the employee: (1) was required to work as a result of fire, flood, or other extensive emergency; (2) was assigned work of a priority or critical nature over an extended period of time; (3) was absent on full salary for compensable injury; (4) was prevented by department regulations from taking vacation/annual leave until December 31 because of sick leave; or (5) was on jury duty.

- N. By June 1 of each calendar year those employees whose vacation/annual leave balance exceeds, or could exceed by December 31, the vacation/annual leave cap of subsection M must submit to their supervisor for approval a plan to use vacation/annual leave to bring their balance below the cap. If the employee fails to submit a plan, or adhere to an approved plan, the department head or designee has the right to order an employee to take sufficient vacation/annual leave to reduce the employee's vacation/annual leave balance or potential balance on December 31 below the cap specified in subsection M.
- O. Upon termination from State employment, the employee shall be paid for accrued vacation/annual leave credits for all accrued vacation/annual leave time.
- P. An employee who returns to State service after an absence of six (6) months or longer, caused by a permanent separation, shall receive a one-time vacation credit on the first monthly pay period following completion of six (6) qualifying pay periods of continuous service in accordance with the employee's total State service before and after the absence.

8.2 Sick Leave

- A. As used in this section, "sick leave" means the necessary absence from duty of an employee because of:
 - 1. Illness or injury, including illness or injury relating to pregnancy;
 - 2. Exposure to a contagious disease which is determined by a physician to require absence from work;
 - 3. Dental, eye, and other physical or medical examination or treatment by a licensed practitioner;
 - 4. Absence from duty for attendance upon the employee's ill or injured mother, father, husband, wife, domestic partner (as defined in accordance with Family Code section 297), son, daughter, brother, sister, or any person residing in the immediate household. Such absence shall be limited to six (6) workdays per occurrence or, in extraordinary situations, to the time necessary for care until physician or other care can be arranged.
- B. A full-time employee who has eleven (11) or more working days of service in a monthly pay period shall be eligible for up to eight (8) hours of sick leave credit. On the first day of the monthly pay period following completion of each qualifying pay period of service, each full-time employee shall earn eight (8) hours of credit for sick leave with pay.

- C. Credit for less than full-time employees shall be computed as follows:
1. Part-time employees. On the first day of the monthly pay period following completion of each monthly pay period of continuous service, each part-time employee shall be allowed, on a pro rata basis, the fractional part of his/her appropriate accrual rate of credit for sick leave with pay in accordance with the schedule in Article 7.
 2. Multiple positions under this rule:
 - a. An employee holding a position in State service in addition to the primary full-time position with the State shall not receive credit for sick leave with pay for service in the additional position;
 - b. Where an employee holds two (2) or more "less than full-time positions," the time worked in each position shall be combined for purposes of computing credits for sick leave with pay, but such credits shall not exceed the amount earned for (8 hours per pay period) full-time employment credit.
- D. An employee may be required to provide a physician's or licensed practitioner's verification of sick leave when:
1. The employee has a demonstrable pattern of sick leave abuse; or
 2. The supervisor has good reason to believe the absence was for an unauthorized reason. A supervisor has good reason if a prudent person would also believe the absence was for an unauthorized reason.
- E. An employee will not be denied the right to use sick leave or be subject to any type of corrective or disciplinary action, or in any manner discriminated against for using or attempting to exercise his/her right to use sick leave based solely on the amount of use.
- F. The department head or designee shall approve sick leave only after having ascertained that the absence is for an authorized reason and may require the employee to submit substantiating evidence including, but not limited to, a physician's or licensed practitioner's verification. The State recognizes the confidential nature of the relationship between the health care provider and patient. However, such substantiation shall include, but not be limited to, the general nature of the employee's illness or injury and prognosis (i.e., the anticipated length of the absence, any restrictions upon return to work that prevent the employee from performing the full range of his/her normal work assignment and anticipated future absences). If the department head or designee does not consider the evidence adequate, the request for sick leave shall be disapproved. Upon request, a denial of sick leave shall be in writing stating the reason for denial.
- G. Sick leave may be accumulated without limit.
- H. Sick leave may be requested and taken in fifteen (15) minute increments.

- I. A full-time employee whose continuity of employment is broken by a permanent separation of six (6) months or longer and is subsequently reemployed cannot be credited with any unused sick leave accumulated prior to the employee's separation and the full-time employee must complete one month of continuous service before being granted one day of sick leave credit. In addition, when a full-time employee has a break in the continuity of employment because of a permanent separation of less than six (6) months or because of a temporary separation, the full-time employee's prior unused sick leave balance is restored.
- J. When an employee's sick leave balance is zero, other leave credits such as vacation, CTO, PLP, personal holiday, or holiday leave may be substituted with the supervisor's approval, and shall not be unreasonably denied.

8.3 Bereavement Leave

- A. A department head or designee shall authorize bereavement leave with pay for permanent or probationary full-time State employee due to the death of his/her parent, stepparent, spouse, domestic partner (as defined in accordance with Family Code section 297), child, grandchild, grandparent, brother, sister, stepchild, or death of any person residing in the immediate household of the employee at the time of death. An intervening period of absence for medical reasons shall not be disqualifying when, immediately prior to the absence, the person resided in the household of the employee. Such bereavement leave shall be authorized for up to three (3) eight-hour days (24 hours) per occurrence. The employee shall give notice to his/her immediate supervisor as soon as possible and shall, if requested by the employee's supervisor, provide substantiation to support the request upon the employee's return to work.
- B. A department head or designee shall authorize bereavement leave with pay for a permanent full-time or probationary full-time employee due to the death of his/her aunt, uncle, niece, nephew, mother-in-law, father-in-law, daughter-in-law, son-in-law, sister-in-law, brother-in-law, or immediate family members of domestic partners as defined in paragraph A. above. Such bereavement leave shall be authorized for up to three (3) eight-hour days (24 hours) in a fiscal year. The employee shall give notice to his/her immediate supervisor as soon as possible and shall, if requested by the employee's supervisor, provide substantiation to support the request.
- C. If the death of a person as described above requires the employee to travel over 400 miles one way from his/her home, additional time off with pay shall be granted for two (2) additional days which shall be deducted from accrued leave. Should additional leave be necessary, the department head or designee may authorize the use of other existing leave credits or authorized leave without pay. Any such request shall not be arbitrarily or unreasonably denied.
- D. Employees may utilize their annual leave, vacation, CTO, or any other earned leave credits for additional time required in excess of time allowed in A or B above. Sick leave may be utilized for Bereavement Leave in accordance with sick leave provision of this Contract in section 8.2. Any such request shall not be arbitrarily or unreasonably denied.

- E. Fractional time base (part-time) employees will be eligible for bereavement leave on a pro rata basis, based on the employees' fractional time base. (See schedule in Article 7.)

Upon termination from State employment, the employee shall be paid for unused personal leave credits in the same manner as vacation or annual leave. Cash out or lump sum payment for any Personal Leave credits shall not be considered as "compensation" for purposes of retirement. If funds become available, as determined by the Department of Finance, for the Personal Leave Program, departments will offer employees the opportunity to cash out accrued personal leave. Upon retirement/separation, the cash value of the employee's personal leave balance may be transferred into a State of California, Department of Personnel Administration Deferred Compensation Program as permitted by Federal and State law.

- H. The Personal Leave Program shall not cause a break in State service, a reduction in the employee's accumulation of service credit for the purposes of seniority and retirement, leave accumulation, or a merit salary adjustment.
- I. The Personal Leave Program shall neither affect the employee's final compensation used in calculating State retirement benefits nor reduce the level of State death or disability benefits the employee would otherwise receive or be entitled to receive nor shall it affect the employee's ability to supplement those benefits with paid leave.
- J. Part-time employees shall be subject to the same conditions as Stated above, on a prorated basis.
- K. The Personal Leave Program for intermittent employees shall be prorated based upon the number of hours worked in the monthly pay period.

 - a. FMLA absences due to illness and/or injury of the employee or eligible family member may be covered with the employee's available sick leave credits and catastrophic leave donations. Catastrophic leave eligibility and sick leave credit usage for a FMLA leave will be administered in accordance with sections 8.8 and 8.2 of this Contract.
 - b. Other leave may be substituted for the FMLA absence due to illness and/or injury, at the employee's discretion. An employee shall not be required to exhaust all paid leave, before choosing unpaid leave, unless otherwise required by section 8.8 of this Contract.
 - c. FMLA absences for reasons other than illness and/or injury (i.e., adoption or care of an eligible family member), may be covered with leave credits, other than sick leave, including unpaid leave, at the employee's discretion. Except in accordance with section 8.8 of this Contract, an employee shall not be required to exhaust all leave credits available before choosing unpaid leave to cover an FMLA absence.
- C. An eligible employee shall provide certification of the need for an FMLA leave. Additional certification may be requested if the department head or designee has reasonable cause to believe the employee's condition or eligibility for FMLA leave has changed. The reasons for the additional certification request shall be provided to the employee in writing.
- D. An eligible employee shall be entitled to a maximum of twelve (12) workweeks (480 hours) FMLA leave per calendar year and all other rights set forth in the FMLA. This entitlement shall be administered in concert with the other leave provisions in Article 8 of this Contract. Nothing in this Contract should be construed to allow the State to provide less than that provided by the FMLA.
- E. On January 1 of each year, FMLA leave shall be recorded in accordance with the calendar year. Each time an employee takes an FMLA leave, the remaining leave entitlement is any balance of the twelve (12) workweeks that has not been used during the current calendar year. Employees who have taken FMLA leave under the previous 12 month rolling period, shall be entitled to additional leave up to a total of 12 weeks for the current calendar year.
- F. An employee on FMLA leave has a right to be restored to his/her same or "equivalent" position (FMLA) or to a "comparable" position (CFRA) with equivalent pay, benefits, and other terms and conditions of employment.
- G. For the purposes of computing seniority, employees on paid FMLA leave will accrue seniority credit in accordance with the Department of Personnel Administration Rules 599.608 and 599.609.

- H. Any appeals regarding an FMLA decision should be directed to the department head or designee. FMLA is a Federal law and administered and enforced by the Department of Labor, Employment Standards Administration, Wage and Hour Division. The State's CFRA is a State law which is administered and enforced by the Department of Fair Employment and Housing. FMLA/CFRA does not supersede any Article of this Contract which provides greater family and medical leave rights. This section is not subject to grievance or arbitration.

8.17 Mentoring Leave

- A. Eligible employees may receive up to forty (40) hours of "mentoring leave" per calendar year to participate in mentoring activities once they have used an equal amount of their personal time for these activities. "Mentoring leave" is paid leave time which may only be used by an employee to mentor. This leave does not count as time worked for purposes of overtime. "Mentoring leave" may not be used for travel to and from the mentoring location.
- B. An employee must use an equal number of hours of his or her personal time (approved annual leave, vacation, personal leave, personal holiday, or CTO during the workday and/or personal time during non-working hours) prior to requesting "mentoring leave". For example, if an employee requests two (2) hours of "mentoring leave", he or she must have used two (2) verified hours of his or her personal time prior to receiving approval for the "mentoring leave". "Mentoring leave" does not have to be requested in the same week or month as the personal time was used. It does, however, have to be requested and used before the end of the calendar year.
- C. Prior to requesting mentoring leave and in accordance with departmental policy, an employee shall provide his or her supervisor with verification of personal time spent mentoring from the mentoring organization.
- D. Requests for approval of vacation, CTO, and/or annual leave for mentoring activities are subject to approval requirements in this Contract and in existing departmental policies. Requests for approval of mentoring leave are subject to operational needs of the State, budgetary limits, and any limitations imposed by law.
- E. In order to be eligible for "mentoring leave", an employee must:
1. Have a permanent appointment;
 2. Have successfully completed their initial probationary period; and
 3. Have committed to mentor a child or youth through a mentoring organization that meets the quality assurance standards in accordance with the California Mentor Program Directory, under the guidance of the California Department of Alcohol and Drug Programs, for a minimum of one school year. (Most programs are aligned with the child's normal school year; however, there may be some that are less or more. Department management may make exceptions to the one school year commitment based on the mentor program that is selected.)

- F. An employee is not eligible to receive "mentoring leave" if:
 - 1. He or she is assigned to a "post" position in the Department of Corrections and Rehabilitation; or
 - 2. He or she works in a level of care position in the Departments of Developmental Services, Mental Health, Education or Veterans' Affairs.
- G. Permanent part-time and Permanent Intermittent employees may receive a pro-rated amount of mentoring leave based upon their time base. For example, a half time employee is eligible for twenty (20) hours of mentoring leave per calendar year, whereas an intermittent employee must work a qualifying monthly pay period (equivalent to 160 hours) to earn 3.3 hours of mentoring leave.
- H. Any appeals and/or disputes regarding this section shall be handled in accordance with the Complaint procedure specified in Article 6 of this Contract.

8.18 Work and Family Participation

A. Family Activity

Subject to operational needs and reasonable notice to the employer, employees shall be permitted to use accrued leave credits (vacation, annual leave, personal holiday, holiday credits, CTO) for the purpose of attending school or non-school family-related activities such as sports events, recitals, 4-H, etc., in which the employee's child is participating.

However, use of such leave shall not diminish an employee's entitlement under the Family School Partnership Act (Labor Code section 230.8) to, upon reasonable notice to the employer, use up to eight (8) hours per month but not to exceed forty (40) hours per calendar year of accrued leave credits (vacation, annual leave, personal holiday, holiday credits, CTO) for the purpose of attending school or pre-school related activities in which the employee's child is participating.

Family is defined as the employee's son, daughter, or any child the employee stands in loco parentis (to the child).

Employee leave requests for family activities shall be in accordance with the appropriate departmental procedures.

B. Family Crisis

Subject to operational needs, and upon reasonable notice to the employee's immediate supervisor, employees shall be eligible to use accumulated leave credits for the purpose of dealing with family crisis situations (e.g., divorce counseling, family or parenting conflict management, family care urgent matters and/or emergencies). If the employee has exhausted available leave credits, the employee may request unpaid leave.

Family is defined as the parent, stepparent, spouse, domestic partner (as defined in accordance with Family Code section 297), child, grandchild, grandparent, brother, sister, stepchild, or any person residing in the immediate household.

If eligible, any family crisis leave that meets the definition of serious health condition will run concurrently with subsection 8.16 of this Contract, Family and Medical Leave Act.

The State shall consider requests from employees to adjust work hours or schedules or consider other flexible arrangements consistent with a department's operational needs and the provisions of this Contract.

Employee requests related to family crisis or domestic violence shall be in accordance with departmental procedures and, except in emergencies, shall be made with reasonable notice to the employee's immediate supervisor.

The State shall maintain the confidentiality of any employee requesting accommodation under this section, but may require substantiation to support the employee's request.

8.19 Paid Time Off – Precinct Election Board

With prior approval of the employee's supervisor and under comparable conditions as provided for supervisors and managers in DPA rule 599.930, an employee in Bargaining Unit 11 may be granted time off for public service as a member of a Precinct Election Board. The employee shall be eligible for both regular State compensation and any fee paid by the Registrar of Voters for such service. Verification of service may be required.

8.20 Blood Donation Programs

Unit 11 employees who donate blood, plasma, platelets and other blood products to certified donation centers may be allowed reasonable release time without loss of compensation when donations are made either at or in close proximity to the work site. Donation verification shall be provided upon request.

ARTICLE 9 – HEALTH AND WELFARE

9.1 Health Benefit Plans

- A. The employer health benefits contribution for each employee shall be an amount equal to eighty percent (80%) of the weighted average of the Basic health benefit plan premiums for a State active civil service employee enrolled for self-alone, during the benefit year to which the formula is applied, for the four Basic health benefit plans that had the largest State active civil service enrollment, excluding family members, during the previous benefit year. For each employee with enrolled family members, the employer shall contribute an additional eighty percent (80%) of the weighted average of the additional premiums required for enrollment of those family members, during the benefit year to which the formula is applied, in the four Basic health benefit plans that had the largest State active civil service enrollment, excluding family members, during the previous year. To be eligible for this contribution, an employee must positively enroll in a health plan administered or approved by CalPERS.

1. 50% of the normal employer dependent portion of the contribution upon initial enrollment;
 2. 75% of the normal employer dependent portion of the contribution upon completion of 12 months of service; and
 3. 100% of the normal employer dependent portion of the contribution upon completion of twenty-four (24) months of service.
- C. The parties agree to work cooperatively with CalPERS and the health plans to control premium increases.
- D. Health Benefits Eligibility
1. Employee Eligibility - For purposes of this section, "eligible employee" shall be defined by the Public Employees' Medical and Hospital Care Act.
 2. Permanent Intermittent (PI) Employees
 - (1) Initial Eligibility – A Permanent Intermittent employee will be eligible to enroll in health benefits during each calendar year if the employee has been credited with a minimum of 480 paid hours in one of two PI control periods. For purposes of this section, the control periods are January 1 through June 30 and July 1 through December 31 of each calendar year. An eligible permanent intermittent employee must enroll in a health benefit plan within 60 days from the end of the qualifying control period.
 - (2) Continuing Eligibility – To continue health benefits, a permanent intermittent employee must be credited with a minimum of 480 paid hours in a control period or 960 paid hours in two consecutive control periods.

 - b. The State shall pay up to \$61.73 per month for coverage of an eligible employee plus one dependent.

- c. The State shall pay up to \$89.55 per month for coverage of an eligible employee plus two or more dependents.
2. The employee will pay any premium amount for the dental plan in excess of the State's contribution, except that the employee's share of the cost shall not exceed twenty-five percent (25%) of the total premium.

B. Employee Eligibility

Employee eligibility for dental benefits is the same as that prescribed for health benefits under section 9.1 of this Contract.

C. Family Member Eligibility

Family member eligibility for dental benefits is the same as that prescribed for health benefits under section 9.1 of this Contract.

D. Coverage During First Twenty-Four (24) Months of Employment

Employees first appointed into State service who meet the above eligibility criteria, will not be eligible for enrollment in the State-sponsored indemnity or preferred provider option plan until they have completed twenty-four (24) months of employment without a permanent break in service during the twenty-four (24) month qualifying period. However, if no alternative plan or prepaid plan is available within a fifty (50)-mile radius of the employee's residence, the employee will be allowed to enroll in the indemnity or preferred provider option plan.

9.3 Vision Benefit Plan

A. Program Description

The employer agrees to provide a vision benefit to eligible employees and dependents. The vision benefit provided by the State shall have an employee co-payment of \$10 for the comprehensive annual eye examination and \$25 for materials.

B. Employee Eligibility

Employee eligibility for vision benefits is the same as that prescribed for health benefits under section 9.1 of this Contract.

C. Family Member Eligibility

9.4 Rural Health Care Equity Program

Effective July 1, 2001, the State shall continue a Rural Health Care Equity Program for Bargaining Unit members, which may be administered in conjunction with a similar program for State employees in other bargaining units, for excluded employees, and for annuitants. The Department of Personnel Administration shall administer any fund involving Bargaining Unit members.

1. The program shall operate in the following fashion:
 - a. The State shall contribute \$1500 per year on behalf of each bargaining unit member (employee) who lives in a defined rural area, as more definitely described in Government Code section 22877.
 - (1) For Bargaining Unit members payments shall be on a monthly basis.
 - (2) For permanent employees, as in the "Medical Reimbursement Account" situation, the employee does not have to wait for reimbursement of covered medical expenses until the full amount has been deposited.
 - b. As to any employee who enters State service or leaves State service during a fiscal year, contributions for such employee shall be made on a pro rata basis. A similar computation shall be used for anyone entering or leaving the bargaining unit (e.g., promotion in mid-fiscal year).
 - c. The money shall be available for use as defined in Government Code section 22877.
 - d. A Rural Healthcare Equity Program will be established with a separate account for Bargaining Unit members, as one of several similar accounts.
 - e. Each Unit employee shall be able to utilize up to \$1500 per fiscal year, pursuant to Government Code section 22877, but with the exceptions for greater utilization hereafter noted. The pro rata limitation pursuant to paragraph 1 b is applicable here.
 - f. If an employee does not utilize the complete \$1500 pursuant to the procedures and limitations described in Government Code section 28877, then the unused monies shall be put in a "same year pool". That same year pool shall be utilized to pay those who have incurred eligible health care expenses in excess of the \$1500, but again according to the procedures and limitations in the statute. The monies in the same year pool would be distributed at the end, or even soon after, each fiscal year to that group of employees who had expenses in excess of \$1500 in the relevant fiscal year. Those monies shall be distributed on a pro tanto (pro rata) basis.
 - (1) Any employee not in Bargaining Unit all year shall receive credit under this paragraph utilizing the same pro rata formula as in paragraph 1(b). above.
 - (2) If an employee is entitled to less than \$25 under this paragraph, the money shall instead go into next year's fund pursuant to paragraph g hereafter.

- g. If monies still remain after a distribution to such employees (i.e., all employees who spent more than \$1500 as provided in Government Code section 22877 were completely reimbursed), then those surplus monies shall be rolled over into the next fiscal year's funds available for distribution to employees whose expenses pursuant to the statute exceed \$1500 in such subsequent year. Similar "rollovers" would occur in any years where all employees were completely reimbursed (or had payments made on their behalf) pursuant to Government Code 22877 and monies still remained in the pool.

9.5 Employee Assistance Program

- A. The State recognizes that alcohol, nicotine, drug abuse, and stress may adversely affect job performance and are treatable conditions. As a means of correcting job performance problems, the State may offer referral to treatment for alcohol, nicotine, drug, and stress-related problems such as marital, domestic partner, family, emotional, financial, medical, legal, gender transition or other personal problems. The intent of this section is to assist an employee's voluntary efforts to treat alcoholism, nicotine use, or a drug-related or a stress-related problem.
- B. Each department head or designee shall designate an Employee Assistance Program Coordinator who shall arrange for programs to implement this section. Employees who are referred to an Employee Assistance Program Coordinator will be referred by the appropriate management personnel. An employee using the

Employee Assistance Program, upon approval, may use accrued sick leave credits, CTO, vacation, and holiday credits for such a purpose. Leave of absences without pay may be granted by the department head or designee upon the recommendation of the Employee Assistance Program Coordinator if all sick leave, holiday credits, vacation, and compensating time off have been exhausted, and the employee is not eligible to use Industrial Disability Leave or State Disability Insurance. A list of all Employee Assistance Program Coordinators and a telephone number to contact the appropriate coordinator shall be furnished to the Union within a timely manner after the execution of this Contract. Changes to such lists and phone numbers shall be promptly furnished to the Union when such changes occur.

- C. The records concerning an employee's referral and/or treatment shall be kept confidential. No manager, supervisor, department director, or coordinator shall disclose the nature of the employee's treatment or the reason for employee's leave of absence. Records of such referrals shall not be kept in the employee's personnel file.
- D. Upon request by the Union, a department which has an internal Employee Assistance Program for its employees will meet to discuss concerns presented by the Union regarding the administration of the program.
- E. Employees laid off shall be provided services in accordance with the Employee Assistance Program. Such services are term limited for six (6) months from the actual date of layoff.

9.6 Pre-Tax of Health and Dental Premiums Costs

Employees who are enrolled in any health and/or dental plan which requires a portion of the premium to be paid by the employee, will automatically have their out-of-pocket premium costs taken out of their paycheck before Federal, State, and social security taxes are deducted. Employees who choose not to have their out-of-pocket costs pretaxed, must make an election not to participate in this benefit.

9.7 Pre-retirement Death Continuation of Benefits

Notwithstanding Government Code section 22846, the State employer shall, upon the death of an employee while in State service, continue to pay employer contributions for health, dental, and vision benefits for a period not to exceed one hundred-twenty (120) days beginning in the month of the employee's death. The surviving spouse, domestic partner or other eligible family member, if any, shall be advised of all rights and obligations during this period regarding the continuation of health and dental benefits as an annuitant by the California Public Employees' Retirement System. The surviving spouse, domestic partner or eligible family member shall also be notified by the department during this period regarding COBRA rights for the continuation of vision benefits. This section shall apply to represent State employees in bargaining units that have agreed to this provision.

9.8 Joint Union/Management Benefits Advisory Committee

- A. The State and the Union agree to establish a Joint Union/Management Benefits Advisory Committee to review benefits and to make recommendations on cost containment. This committee shall meet, at least, quarterly. Topics may include, but are not limited to, eligibility, cost containment, number and quality of benefits provided, competitiveness among providers, and standardization of benefit design, utilization, promotion, and cost, wellness and health promotion. This committee shall be advisory in nature.
- B. The committee shall be comprised of an equal number of Union and management representatives, the total number to be determined by the Department of Personnel Administration. The committee shall be co-chaired by a labor and management member.
- C. Union members on the committee shall serve without loss of compensation. All other expenses shall be the responsibility of each party participating on this committee.
- D. The Department of Personnel Administration will provide necessary staff to support the committee.

9.9 Presumptive Illness

When required by Cal/OSHA provisions, the State shall provide medical examinations for employees working in occupations which expose them to health risks. Examinations shall be in accordance with Cal/OSHA regulations.

9.10 Employee Injury on the Job

- A. In the event a disabling injury occurs to an employee while on the job, the State agrees to furnish prompt and appropriate transportation to the nearest physician or hospital. Employees may pre-designate a personal physician who would be utilized, if circumstances permit, in the event of a job related injury. The employee must obtain the physician's written consent for this designation; the designation must comply with the other requirements included in Labor Code section 4600; and, the form must be given to the State in advance of any work-related injury. Otherwise, the State will refer the injured employee for treatment to a physician of its choice.
- B. An employee who is directed by his/her supervisor to accompany or transport an injured employee to a physician or medical facility shall suffer no loss of compensation for the time spent.
- C. If the treating physician advises the injured employee to go home or the employee is admitted and remains in a hospital or clinic for treatment, the employee shall be paid for his/her full shift.
- D. The State shall not use the Department of Industrial Relations Disability Evaluation Unit Advisory Rating form as the vehicle to justify removing a worker from his/her normal work assignments.

9.11 Enhanced Industrial Disability Leave (EIDL)

- A. An employee working in the California Department of Corrections and Rehabilitation who loses the ability to work for more than twenty-two (22) workdays as the result of an injury incurred in the official performance of his/her duties may be eligible for financial augmentation to the existing Industrial Disability Leave benefits. Such injury must have been directly and specifically caused by an assault by an inmate, ward, or parolee.
- B. An employee working in the Departments of Developmental Services, Mental Health, or Veterans Affairs, or in the Special Schools in the Department of Education who loses the ability to work for more than twenty-two (22) workdays as the result of an injury incurred in the official performance of his/her duties may be eligible for a financial augmentation to the existing Industrial Disability Leave benefits. Such injury must have been directly and specifically caused by an assault by a resident, patient, student, client, or member.
- C. The EIDL benefits will be equivalent to the injured employee's net take home salary on the date of occurrence of the injury. EIDL eligibility and benefits may continue for no longer than one year after the date of occurrence of injury. For the purposes of this section, "net salary" is defined as the amount of salary received after Federal income tax, State income tax, and the employee's retirement contribution have been deducted from the employee's gross salary. The EIDL benefit will continue to be subject to miscellaneous payroll deductions.
- D. EIDL will apply only to serious physical injuries and any complications directly related medically and attributable to the assault, as determined by the department director or designee. This benefit shall not be applied to either presumptive, stress-related disabilities, or physical disability having mental origin.

- E. The final decision as to whether an employee is eligible for, or continues to be eligible for EIDL, shall rest with the department director or designee. The department may periodically review the employee's condition by any means necessary to determine an employee's continued eligibility for EIDL.
- F. Other existing rules regarding the administration of IDL will be followed in the administration of EIDL.
- G. This section relating to EIDL will not be subject to the arbitration procedure of this Contract.
- H. In circumstances that deviate from paragraphs A, B, and D the Director may consider and grant EIDL on a case-by-case basis when he/she determines the injury was in fact job-related.

9.12 FlexElect Program

- A. The State agrees to provide a flexible benefits program (FlexElect) under Internal Revenue Code section 125 and related sections 105(b), 129, and 213(d). All participants in the FlexElect Program shall be subject to all applicable Federal statutes and related administrative provisions adopted by the Department of Personnel Administration. All eligible employees must have a permanent appointment with a time base of half time or more and have permanent status, or if limited-term or temporary authorized (TAU) position, must have mandatory return rights to a permanent position.
- B. Employees who meet the eligibility criteria stated in subsection A above, will also be eligible to enroll in a Medical Reimbursement and/or Dependent Care Reimbursement account under the FlexElect Program.
- C. The State shall continue its current practice on a cash option in the FlexElect Program.

The employee's spouse, parents, and spouse's parents are also eligible to enroll in the plan, subject to the underwriting criteria specified in the plan.
- B. The long-term care insurance premiums and the administrative cost to CalPERS and the State Controller's Office shall be fully paid by the employee and are subject to payroll deductions.

9.14 Temporarily Disabled Employees

- A. When an employee claims to be temporarily disabled and prevented from performing his/her usual and customary duties, and requests modified duties, the State may require medical substantiation of the condition.

- B. Consistent with the State's Reasonable Accommodation Policy, the State shall attempt to provide alternative duties within the individual's medical restrictions and classification, dependent on availability of work and funding.
- C. Any disputes arising out of this section may only be appealed through the State Personnel Board's Reasonable Accommodation Appeals Process. This section is not subject to the grievance and arbitration procedure of this Contract.

9.15 Industrial Disability Leave (IDL)

- A. Employees who suffer an industrial injury or illness and would otherwise be eligible for Temporary Disability (TD) benefits under the Labor Code will be entitled to IDL as described in Article 4 of the Government Code, beginning with section 19869. IDL will be paid in lieu of TD benefits.
- B. Eligible employees shall receive IDL payments equivalent to full net pay for the first twenty-two (22) workdays after the date of the reported injury.
- C. In the event that the disability exceeds twenty-two (22) workdays, the employee will receive 66 and 2/3 percent of gross pay from the twenty-third (23rd) workday of disability until the end of the fifty-second (52nd) week of disability. No IDL payments shall be allowed after two (2) years from the first day (i.e., date) of disability.
- D. The employee may elect to supplement payment from the twenty-third (23rd) workday with accrued leave credits including annual leave, vacation, sick leave, or compensating time off (CTO) in the amount necessary to approximate the employee's full net pay. Partial supplementation will be allowed, but fractions of less than one (1) hour will not be permitted. Once the level of supplementation is selected, it may be decreased to accommodate a declining leave balance but it may not be increased. Reductions to supplementation amounts will be made on a prospective basis only.
- E. Temporary Disability with supplementation, as provided for in Government Code section 19863, will no longer be available to any State employee who is a member of either the PERS or STRS during the first fifty-two (52) weeks, after the first date of disability, within a two (2)-year period.
- F. If the employee remains disabled after the IDL benefit is exhausted, then the employee will be eligible to receive TD benefits as provided for in the Labor Code and supplementation, as provided in Government Code section 19863.
- G. For an employee injured prior to January 1, 2004, IDL may continue beyond the physician's statement that the employee's condition is "permanent and stationary" providing the employee has not exhausted his/her eligibility for IDL benefits, the employee has been declared a "qualified injured worker", and the employee would otherwise be entitled to Vocational Rehabilitation Maintenance Allowance (VRMA). IDL would be paid in lieu of VRMA.
- H. All appeals of an employee's denial of IDL benefits shall only follow the procedures in the Government Code and Title 2. All disputes relating to an employee's denial of benefits are not grievable or arbitrable. This does not change either party's contractual rights which are not related to an individual's denial of benefits.

9.16 Group Legal Service Plan

The State of California agrees to contract for an employee-paid group legal services plan. The plan will emphasize a choice of providers and access to legal services. The plan shall be offered on a voluntary, after-tax payroll deduction basis, and any costs associated with administering the plan shall be paid by the participating employees through a service charge.

9.17 State Disability Insurance (SDI)

A. Beginning April 1, 2006, all employees covered by this Contract will be covered under the State Disability Insurance (SDI) benefit in lieu of a Non-Industrial Disability Insurance (NDI) and Enhanced Non-Industrial Disability Insurance (ENDI) benefit as follows:

1. Employees eligible for SDI benefits are those who are defined by section 2601, et seq. of the California Unemployment Insurance Code; such as, an employee disabled due to a non-work related illness or injury of the employee, the employee's family member, domestic partner or the birth, adoption, or foster care placement of a new child.

Eligible employees covered under the SDI program shall receive benefits pursuant to California Unemployment Insurance Code section 2655.

2. Effective July 1, 2006, the State will pay the full premiums for an employee and any applicable dependent coverage for health, dental and vision benefits for the length of the employee's disability up to a maximum of 26 weeks. The State shall recover the employee's portion of the premium paid through an accounts receivable consistent with Government Code section 19838(a)(2). Any reimbursements for overpayment shall be in monthly installments and the number of repayments shall be equal to the number of monthly overpayments. By mutual agreement, the overpayment may be satisfied by the use of leave credits, excluding sick leave. If an employee's SDI leave extends past 26 weeks, the employee shall remit the full health, dental and vision premiums directly to the healthcare providers.
3. Employees participating in the Rural Health Care Equity Program (Article 9.4) shall continue eligibility as long as they are not remitting their health, dental and vision premiums directly to the healthcare providers.
4. If an employee is released by their physician to return to work on a part-time basis, an employee may use accrued vacation, annual leave, CTO, holiday credit, personal leave (PLP), or sick leave balances only for absences from work hours for reasons unrelated to the disability which rendered them eligible for SDI benefits.
5. The parties agree to meet within ninety (90) days following ratification of the Contract to explore alternatives in the area of leave supplementation or integration to the SDI benefit.

6. This clause is subject to modification pursuant to subsection A 5 above.
 - a. SDI does not cover the first seven (7) days of any disability; therefore, sick leave, vacation, CTO, holiday, PLP, or annual leave may be used to cover this period in its entirety.
 - b. An employee may elect to supplement their SDI benefit with leave integration up to 40 hours per month. However, the employee combined SDI benefit and use of leave credits cannot exceed their regular monthly net pay. Within one week of being disabled from work, the employee or his/her representative must contact their departmental personnel office to provide the following information:
 - (1) The date the disability/illness commenced;
 - (2) The estimated duration of the disability;
 - (3) A phone number where the employee can be reached;
 - (4) The election of leave credits usage during the first week of disability;
 - (5) The number of hours in a month to be charged to leave credits;
 - (6) Whether or not the employee is planning to file for SDI;
 - (7) The election to integrate leave credits with SDI benefits;
 - c. Once the SDI benefit amount has been determined, the employee must provide a copy of the SDI award letter and the SDI check stubs to the employee's personnel office in order to ensure proper integration of benefits and payment.
- B. During the three (3) month period following ratification of this Contract by the SEIU, Local 1000 members and approval by the Legislature, there will be an open enrollment period where employees may opt out of the Annual Leave Program.
- C. All appeals of a denial of an employee's SDI benefits shall only follow the procedures in the California Unemployment Insurance Code and Title 22 of the California Code of Regulations. All disputes relating to an employee's denial of benefits are not grievable or arbitrable. This limitation does not change either party's contractual rights which are not related to the denial of an individual employee's benefits.

9.18 Life Insurance

- A. In addition to the benefit provisions of Labor Code section 4702 otherwise applicable to Unit 11 employees, and the approximate \$15,000 State death benefit provided Unit 11 employees, the State agrees to pay \$50,000 to the designated beneficiary of:
 1. Any CalTrans Unit 11 employee, or
 2. A Department of Food and Agriculture Plant Quarantine Inspector, or

3. A Department of Water Resources
Water Resources Technician I/II
Construction Inspector Technician Range A/B

Bilingual Differential Pay applies to those positions designated by the Department of Personnel Administration as eligible to receive bilingual pay according to the following standards:

- A. Definition of Bilingual Position for Bilingual Differential Pay:

1. A bilingual position for salary differential purposes requires the use of a bilingual skill on a continuing basis averaging ten percent (10%) of the time. Anyone using their bilingual skills ten percent (10%) or more of the time will be eligible whether they are using them in a conversational, interpretation, or translation setting. An employee may provide their supervisor with data supporting the use of their bilingual skills ten percent (10%) or more of the time. Management will evaluate this data in assigning bilingual designation to the position. In order to receive bilingual differential pay, the position/employee must be certified by the using department and approved by the Department of Personnel Administration. (Time should be an average of the time spent on bilingual activities during a given fiscal year.);
 2. The position must be in a work setting that requires the use of bilingual skills to meet the needs of the public in either:
 - a. A direct public contact position;
 - b. A hospital or institutional setting dealing with patient, client, student, or inmate needs;
 - c. A position utilized to perform interpretation, translation, or specialized bilingual activities for the department and its clients.
 3. Position(s) must be in a setting where there is a demonstrated client or correspondence flow where bilingual skills are clearly needed.
 4. Where organizationally feasible, departments should ensure that positions clearly meet the standards by centralizing the bilingual responsibility in as few positions as possible.
 5. Actual time spent conversing or interpreting in a second language and closely related activities performed directly in conjunction with the specific bilingual transaction will count toward the ten percent (10%) standard.
- B. Rate:**
1. An employee meeting the bilingual differential pay criteria during the entire pay period would receive a maximum of \$100 per pay period including holidays.
 2. A monthly employee meeting the bilingual differential pay criteria less than the entire pay period would receive the differential on a pro rata basis.
 3. A fractional-month employee meeting the bilingual differential pay criteria would receive the differential on a pro rata basis.
 4. An employee paid by the hour meeting the bilingual differential pay criteria would receive a differential of 58 cents per hour.
- C. Employees, regardless of the time base or tenure, who use their bilingual skills more than ten percent (10%) of the time on a continuing basis and are approved by the Department of Personnel Administration will receive the bilingual differential pay on a regular basis.**

- D. Bilingual differential payments will become earnings and subject to contributions to the State Retirement System, OASDI, levies, garnishments, Federal and State taxes.
- E. Employees working in positions which qualify for regular bilingual differential pay as authorized by the Department of Personnel Administration may receive the appropriate pay during periods of paid time off and absences (e.g., sick leave, vacation, holidays, etc.).
- F. Employees will be eligible to receive the bilingual differential payments on the date the Department of Personnel Administration approves the departmental pay request. The effective date may be retroactive to the date of appointment to a position requiring bilingual skills when the appointment documentation has been delayed. The effective date may be retroactive up to sixty (60) days when the incumbent's duties are changed to include the use of bilingual skills.
- G. Bilingual salary payments will be included in the calculation of lump-sum vacation, sick leave, and extra hour payments to employees terminating their State service appointment while on bilingual status.
- H. Work Week Group 2 employees will receive bilingual salary compensation for overtime hours worked.
- I. Employees receiving regular bilingual differential pay will have their transfer rights determined from the maximum step of the salary range for their class. Incumbents receiving bilingual pay will have the same transfer opportunities that other class incumbents are provided.
- J. The bilingual differential pay should be included in the rate used to calculate temporary disability, Industrial Disability, and Non-Industrial Disability leave benefits.
- K. Employees who do not receive a bilingual differential shall not be required to use bilingual skills.

11.10 Sustained Superior Accomplishment Awards

Sustained Superior Accomplishment Awards shall not be considered "compensation" for purposes of retirement.

11.11 Union-Management Committee on State Payroll System

The parties agree to establish a Union-Management Committee to advise the State Controller on planned and anticipated changes to the State's payroll system. Topics to be explored include, but are not limited to, accuracy and timeliness of the issuance of overtime warrants, changes in earnings statements, direct deposit of employee pay, and design of and transition to a biweekly pay system.

The committee shall be comprised of an equal number of management representatives and Union representatives. In addition, the Department of Personnel Administration shall designate a chairperson of the committee. The Union may have one representative each from Bargaining Unit 11 who shall serve without loss of compensation.

11.12 Deferred Compensation Plans

Employees are to be included in the State of California, Department of Personnel Administration's, 401(k) and 457 Deferred Compensation Programs. Eligible employees under IRS Code section 403(b) will be eligible to participate in the 403(b) Plan.

11.13 Tax Deferral of Lump Sum Leave Cash Out Upon Separation

- A. To the extent permitted by Federal and State law, employees who separate from State service who are otherwise eligible to cash out their vacation and/or annual leave balance, may ask the State to tax defer and transfer a designated monthly amount from their cash payment into their existing 457 and/or 401k plan offered through the State's Savings Plus Program (SPP).
- B. If an employee does not have an existing 457 and/or 401k plan account, he/she must enroll in the SPP and become a participant in one or both plans no less than 60 days prior to his/her date of separation.
- C. Such transfers are subject to and contingent upon all statutes, laws, rules and regulations authorizing such transfers including those governing the amount of annual deferrals.
- D. Employees electing to make such a transfer shall bear full tax liability, if any, for the leave transferred (e.g., "over-defers" exceeding the limitation on annual deferrals).
- E. Implementation, continuation and administration of this section is expressly subject to and contingent upon compliance with the SPP's governing plan document (which may at the State's discretion be amended from time to time), and applicable Federal and State laws, rules and regulations.
- F. Disputes arising under this section of the Contract shall not be subject to the grievance and arbitration provisions of this Contract.

- A. Employees who are employed at Avenal, Ironwood, Calipatria, Chuckawalla Valley or Centinela State Prisons, for twelve (12) consecutive qualifying pay periods, shall be eligible for a recruitment and retention bonus of \$2,400, payable thirty (30) days following the completion of every twelve (12) consecutive qualifying pay periods.

- C. If the department mandatorily transfers an employee, he/she shall be eligible for a pro rata share for those months served.
- D. If an employee promotes to a different facility or department other than Avenal, Ironwood, Calipatria, Chuckawalla Valley or Centinela State Prisons prior to completion of the twelve (12) consecutive qualifying pay periods, there shall be no pro rata of this recruitment and retention bonus. After completing the twelve (12) consecutive qualifying pay periods, an employee who promotes within the department will be entitled to a pro rata share of the existing retention bonus.
- E. Part-time and intermittent employees shall receive a pro rata share of the annual recruitment and retention differential based on the total number of hours worked excluding overtime during the twelve (12) consecutive qualifying pay periods.
- F. Annual recruitment and retention payments shall not be considered as compensation for purposes of retirement contributions.
- G. Employees on IDL shall continue to receive this stipend.
- H. If an employee is granted a leave of absence, the employee will not accrue time towards the twelve (12) qualifying pay periods, but the employee shall not be required to start the calculation of the twelve (12) qualifying pay periods all over. For example, if an employee has worked four (4) months at qualifying institution and then takes six (6) months' maternity leave the employee will have only eight (8) additional qualifying pay periods before receiving the initial payment of \$2,400.
- I. It is understood by the Union that the decision to implement or not implement annual recruitment and retention payments or to withdraw authorization for such payments, and the amount of such payments rests solely with the State and that decision is not grievable or arbitrable.

Each item of expenses of \$25 or more requires a receipt; receipts may be required for items of expense that are less than \$25. For receipted lodging while attending non-State sponsored conferences and conventions, when the lodging is contracted by the sponsor for the event, and the appointing authority has granted prior approval for attendance and lodging at the contracted rate and establishment: Actual lodging when approved in advance by the appointing authority.

Reimbursement of lodging expenses in excess of specified amounts, excluding taxes requires advance written approval from the Department of Personnel Administration. The Department of Personnel Administration may delegate approval authority to departmental appointing powers or increase the lodging maximum rate for the geographical area and period of time deemed necessary to

meet the needs of the State. An employee may not claim lodging, meal, or incidental expenses within 50 miles of his/her home or headquarters.

C. Long-term Travel: Actual expenses for long term meals and receipted lodging will be reimbursed when the employee incurs expenses in one location comparable to those arising from the use of establishments catering to the long-term visitor.

1. Full Long-term Travel - In order to qualify for full long-term travel reimbursement, the employee on long-term field assignment must meet the following criteria:

- The employee continues to maintain a permanent residence at the primary headquarters, and
- The permanent residence is occupied by the employee's dependents, or
- The permanent residence is maintained at a net expense to the employee exceeding \$200 per month.

The employee on full long-term travel who is living at the long-term location may claim either:

- Reimbursement for actual individual expense, substantiated by receipts, for lodging, water, sewer, gas and electricity, up to a maximum of \$1,130 per calendar month while on the long-term assignment, and actual expenses up to \$10 for meals and incidentals, for each period of twelve (12) to twenty-four (24) hours and up to \$5 for actual meals and incidentals for each period of less than twelve (12) hours at the long-term location, or

Those staying overnight shall not receive any additional per diem regardless of the Saturday departure time. An employee returning to the temporary residence on Sunday will receive full per diem. This does not change Department of Personnel Administration policy regarding the per diem clock which starts at the beginning of the work shift on Monday. If the normal workweek is other than as stated above, the same principle applies.

The following clarifies Department of Personnel Administration policy regarding an employee leaving the LTA location on personal business:

The reference to leaving the LTA location for personal business and not claiming per diem or transportation expenses assumes that the employee stays overnight at a location other than the long-term accommodations.

D. **Out-of-State Travel:** For short-term out-of-State travel, State employees will be reimbursed actual lodging, supported by a receipt, and will be reimbursed for actual meal and incidental expenses in accordance with above. E. **Out of Country Travel:** For short-term out of country travel, State employees will be reimbursed actual lodging, substantiated by a receipt, and will be reimbursed actual meals and incidentals up to the maximums published in column (B) of the Maximum Travel per Diem Allowances for Foreign Areas, section 925, U.S. Department of State Standardized Regulations and the meal/incidental breakdown in Federal Travel Regulation Chapter 301, Travel Allowances, Appendix B. Long-term out of country travel will be reimbursed in accordance with the provisions of long-term travel above, or as determined by the Department of Personnel Administration.

Subsistence shall be paid in accordance with procedures prescribed by the Department of Personnel Administration. It is the responsibility of the individual employee to maintain receipts for their actual meal expenses.

F. **Transportation:** Transportation expenses include, but are not limited to, airplane, train, bus, taxi fares, rental cars, parking, mileage reimbursement, and tolls that are reasonably and necessarily incurred as a result of conducting State business. Exception to "whichever is less". If the employee begins travel one (1) hour or more before he normally leaves his home, or on a regularly scheduled day off, mileage may be computed from his/her residence.
- G. **Receipts:** Receipts or vouchers shall be submitted for every item of expense of \$25 or more. In addition, receipts are required for every item of transportation and business expense incurred as a result of conducting State business except for actual expenses as follows:
1. Railroad and bus fares of less than \$25 when travel is wholly within the State of California.
 2. Street car, ferry fares, bridge and road tolls, local rapid transit system, taxi, shuttle or hotel bus fares, and parking fees of \$10 or less for each continuous period of parking or each separate transportation expense noted in this item.
 3. Telephone, telegraph, tax, or other business charges related to State business of \$5 or less.
 4. In the absence of a receipt, reimbursement will be limited to the non-receipted amount above.
 5. Reimbursement will be claimed only for the actual and necessary expenses noted above. Regardless of the above exceptions, the approving officer may require additional certification and/or explanation in order to determine that an expense was actually and reasonably incurred. In the absence of a satisfactory explanation, the expense shall not be allowed.

Every effort shall be made to provide employees sixty (60) days but no less than thirty (30) days notice of a parking rate increase. The State shall not increase rates for existing parking lots where employees do not currently pay parking fees. Rates at new lots administered or leased by the State will be set at a level comparable to rates charged for similar lots in the area of the new lot, e.g., rates for open lots shall be compared to rates for open lots, rates for covered parking shall be compared to rates for covered parking.
- B. The State shall continue a system for employees where parking fees may be paid with pretax dollars.

12.4 Commute Program

- A. Employees working in areas served by mass transit, including rail, bus, or other commercial transportation licensed for public conveyance shall be eligible for a 75 percent (75%) discount on public transit passes sold by State agencies up to a maximum of \$65 per month. 2. Employees newly appointed (new hire to State service, promotion, transfer, or demotion from a non-uniformed classification) shall be required to purchase the uniform as a condition of employment and such purchase shall be through the single source vendor. Before the material is placed in the employee's file, the department head or designee, shall provide the affected employee an opportunity to review the material, and sign and date it. A copy of the evaluation material relating to an employee's conduct shall be given to the employee.
- D. An employee or his/her authorized representative may review his/her official personnel file during regular office hours. Where the official personnel file is in a location remote from the employee's work location, arrangements shall be made to accommodate the employee or his/her authorized representative at the employee's work location. This provision, however, does not apply to formal adverse actions except as defined in applicable Government Code sections. Meetings between employees and management concerning unsatisfactory work performance or work-related problems should, whenever practicable, be held in private or in a location sufficiently removed from the hearing and visual range of other persons. The Union recognizes that the circumstances of the situation may require an immediate response from management, and thereby preclude privacy. However, if an immediate response is not necessary, arrangements will be made for a private meeting.

13.3 Joint Apprenticeship Committee

- A. It is the policy of the State employer and Union to support the establishment of apprenticeship programs in Unit 11 where such programs are deemed appropriate. Duties that are appropriately assigned to incumbents in the employee's current classification are not out of class. Duties appropriately assigned are based on the definition and typical tasks enumerated in the California State Personnel Board specification.

Training and Development assignments are not out-of-class work.

- 2. For purposes of this section, a classification is at a "higher level" if the maximum salary of the highest salary range (excluding alternate range criteria other than deep class criteria) is any amount more than the maximum salary of the highest range of the class in which the employee holds an appointment.

 - b. Cannot feasibly be met through use of other civil service or administrative alternatives.
2. Departments may not use out-of-class assignments to avoid giving civil service examinations or to avoid using existing eligibility lists created as the result of a civil service examination.
3. When an employee is assigned out-of-class work, he/she shall receive the rate of pay he/she would have received pursuant to Title 2 California Code of Regulations section 599.673, 599.674, or 599.676 if appointed to the higher classification.
4. Out-of-class work may be discontinued by departments at any time; however, departments may not rotate employees in and out of out-of-class assignments to avoid payment of out-of-class compensation.

2. The grievance and arbitration procedure described in this section shall be the exclusive means for appealing position allocation or reallocation referenced in Government Code sections 19818.6 and 19818.20.
3. Employees may not separately file out-of-class grievances and position allocation or reallocation grievances pertaining to the same duties and responsibilities.

4. The only remedy that shall be available (whether claiming out-of-class work or position misallocation) is retroactive pay for out-of-class work. Said pay shall be limited to out-of-class work performed (a) during the one year calendar period before the employee's grievance was filed; and (b) the time between when the grievance was filed and finally decided by an arbitrator.
5. Arbitrators shall not have the authority to order reclassification (reallocation) of a grievant's position or discontinuance of out-of-class work assignments.

 - a. Fourteen (14) calendar days after receipt of the decision rendered by the supervisor; or
 - b. Twenty-one (21) calendar days after the date the employee's duties allegedly changed such that he/she stopped working out of classification or his/her position became misallocated.

However, under no circumstances may the period in which to bring the grievance be extended beyond the twenty-one (21) calendar days in Item b. above.

3. Out-of-class and misallocation grievances shall be filed with a designated supervisor or manager identified by each department head as the department level of appeal in the usual grievance procedure found in Article 6.
4. The person designated by the department head as the department level of appeal shall respond to the grievance in writing within forty-five (45) calendar days after receipt of the grievance.

1. Government Code section 19818.8 (a) A person shall not be assigned to perform the duties of any class other than that to which his or her position is allocated, except as permitted by section 19050.8.
 2. If the provisions of this section are in conflict with the provisions of a memorandum of understanding reached pursuant to section 3517.5, the memorandum of understanding shall be controlling without further legislative action, except that if those provisions of the memorandum of understanding require the expenditure of funds, the provisions shall not become effective unless approved by the Legislature in the annual Budget Act.

14.3 Classification/Pay Data

Upon request, the State shall, on an annual basis, provide the Union with a list of classifications and salaries for Unit 11 rank-and-file employees.

14.4 Duty Statements, Post Orders, and Work Instructions

Upon request of the Union within thirty (30) days of such notification, the State shall negotiate with the Union on the impact of such changes.

14.6 Job Announcements

When a department posts a job announcement for which two classifications may be considered, it shall provide the duty statement for each classification upon request to each candidate for the position.

14.7 Assignment of Duties Normally Performed by Bargaining Unit Employees

The State shall notify the Union at least thirty (30) calendar days in advance of the effective date, before assigning duties normally performed by employees in the bargaining units covered by this Contract to any employee, group, individual, organization or business enterprise, if such assignment(s) may result in the displacement of employees in bargaining units covered by this Contract.

Upon request, within thirty (30) calendar days of the Union's receipt of the notice, the State shall meet and confer with the Union over such assignments.

14.8 Contracting Out

A. Purpose

The purpose of this section is to guarantee that the State does not incur unnecessary, additional costs by contracting out work appropriately performed at less expense to the State by bargaining unit employees, consistent with the terms of this section. In achieving this purpose the parties do not intend this section to expand the State's ability to contract out for personal services. The parties agree that this section shall not be interpreted or applied in a manner which results in a disruption of services provided by State departments.

B. Policy Regarding Personal Services Contracts and Cost Savings

Except in extremely unusual or urgent, time-limited circumstances, or under other circumstances where contracting out is recognized or required by law, Federal mandate, or court decisions/orders, the State must make every effort to hire, utilize and retain bargaining unit employees before resorting to the use of private contractors. Contracting may also occur for reasons other than cost savings as recognized or required by law, Federal mandate, or court decisions/orders.

C. Information Regarding Contracts To Be Let

1. Departments will provide the Union's designated representative with copies of Requests for Proposals (RFPs) and Invitations for Bid (IFBs) for personal services contracts when released for publication if they call for services found in bargaining unit class specifications.
2. To the extent that a department is preparing to enter into a contract (or amend a contract) and it does not require an RFP or IFB, the department shall provide the Union's designated representative with a copy of the Standard Form 215 (or its departmental equivalent) if and when the Form 215 is completed but no less than five (5) business days thereafter provided the contract is/will be for services found in bargaining unit class specifications. If the Form 215 contains confidential or proprietary information, it shall be redacted as discussed below in subsection D (1).

3. The purpose of this subsection C is to provide the Union with notice and an opportunity to present alternatives which mitigate or avoid the need for contracting out, while still satisfying the needs of the State to provide services. Directors (or their designee) shall therefore meet with the Union for this purpose, if requested by the Union.

D. Review of Personal Services Contracts In Existence

1. Upon request of the Union each department shall submit copies of any or all personal services contracts that call for services found in bargaining unit class specifications. For each contract, departments shall provide additional documents establishing the number, scope, duration, justification, total costs of all such contracts, and payment of all overhead and administrative costs paid through each contract, provided it does not disclose confidential or proprietary information, in which case it shall be redacted as discussed below. The requested contract and related information shall be provided as soon as reasonably possible. The parties expect that this shall be provided no more than twenty-one (21) calendar days following the request by the Union, or longer if approved by the Union and the Department. This shall include contracts that may otherwise be protected from public disclosure, if they provide for services found in bargaining unit class specifications. However, the State may redact those portions of protected contract(s) that are proprietary, necessary to protect the competitive nature of the bid process, and that which does not pertain to the costing of personnel services found in bargaining unit classifications. The goal shall be to protect against disclosure of information which should remain confidential, while at the same time providing the Union with sufficient information to determine whether unnecessary, additional costs are being incurred by contracting out work found in bargaining unit class specifications. Costing information provided to the Union for protected contracts shall include total personnel costs for personnel services found in bargaining unit classifications plus any overhead charges paid to the contractor for these services, provided such disclosure does not breach confidentiality requirements or include proprietary information.
2. Within ten (10) workdays after receipt of the personal services contracts and associated documents as provided for in paragraph D (1) above, the Union and the department shall begin reviewing the contracts. The Union and the Department shall examine the contracts based on the purpose of this section, the terms of the contracts, all applicable laws, Federal mandates and court decisions/orders. In this regard, the Union and the Department will consider which contracts should and can be terminated immediately, which contracts will take additional time to terminate, which contracts may continue (for how long and under what conditions) and how (if necessary and cost effective) to transition contract employees or positions into civil service. All determinations shall be through express mutual agreement of the Union and the Department.
3. The Union and the Department will continue to meet as necessary to examine personal services contracts which have been let.

4. If savings are generated by the termination of personal services contracts under this provision, it is the intent of the State to implement agreements of the Union and the Department for utilization of said savings. Such agreements may include:
 - a. Contributing toward position reductions which would otherwise be accomplished by the layoff, salary reduction or displacement of bargaining unit employees.
 - b. Enabling the employment of bargaining unit employees for services currently performed by contractors;
 - c. Enabling of the conversion to bargaining unit civil service employment of qualified contract employees who wish to become State employees, as otherwise permitted by law, regulations, provisions of the contracts and resolutions by the State Personnel Board.
 - d. Providing timely, adequate and necessary recruitment efforts. These efforts may include focused recruitment, publicizing in professional journals, use of the media, job fairs, expedited hiring, expedited background checks, spot testing authorized by the SPB, State employee registries, and recruitment and retention incentives.
 - e. Such other purposes as may be mutually agreed upon.

E. Displacement Avoidance

1. The objective of this subsection is to ensure that bargaining unit employees have preference over contract employees consistent with, but not limited to the following principles.
 - a. The duties at issue are consistent with the bargaining unit employee's classification;
 - b. The bargaining unit employee is qualified to perform the job; and,
 - c. There is no disruption in services.
2. To avoid or mitigate bargaining unit employee displacement for lack of work, the appointing power shall review all existing personal services contracts to determine if work consistent with the affected employee's classification is being performed by a contractor. Displacement includes layoff, involuntary demotion, involuntary transfer to a new class, involuntary transfer to a new location requiring a change of residence, and time base reductions. If the Union and the Department that review personal services contracts determine that the terms and purpose of the contract permit the State to assign the work to a bargaining unit employee who would otherwise be displaced, this shall be implemented consistent with the other terms of this section. The State and the Union shall meet and confer for purposes of entering into an agreement about the means by which qualified employees are notified and provided with such assignments. This shall include developing a process that ensures that savings realized by

terminating the contract and reassigning the work to a bargaining unit employee to avoid displacement, are utilized to offset that employee's moving and relocation costs, the amount of which shall be consistent with the Moving/Relocation section of the parties' collective bargaining agreement.

F. Nothing in this section shall be interpreted or applied in such a manner as to interfere with the State or Federal court orders, the authority of the State or Federal courts or the authority of the special masters or receiver.

G. Relationship Between This Section and Related Statutes

The State is mindful of the constitutional and statutory obligations (e.g., Government Code § 19130) as it pertains to restriction on contracting out. Thus, nothing in this section is intended to interfere with pursuit of remedies for violation of these obligations as provided by law (e.g., Public Contract Code § 10337).

ARTICLE 15 – TRANSFER

15.1 Appeal of Involuntary Transfer

- A. The State shall make reasonable efforts to avoid involuntary transfers. An involuntary transfer which reasonably requires an employee to change his/her residence may be grieved under Article 6 only if the employee believes it was made for the purpose of harassing or disciplining the employee. If the appointing authority or the Department of Personnel Administration disapproves the transfer, the employee shall be returned to his or her former position; shall be paid the regular travel allowance for the period of time he/she was away from his/her original headquarters; and his/her moving costs both from and back to the original headquarters shall be paid in accordance with the Department of Personnel Administration laws and rules.
- B. An appeal of an involuntary transfer which does not reasonably require an employee to change his/her residence shall not be subject to the grievance and arbitration procedure. It shall be subject to the complaint procedure if the employee believes it was made for the purpose of harassing or disciplining the employee.
- C. The State shall provide a minimum of sixty (60) days written notice for an involuntary transfer which reasonably requires an employee to change his/her residence.
- D. Employees, who are unwilling to accept the geographical transfer required by their current department, may pursue other options, such as but not limited to voluntary transfer, voluntary demotion, reduced work-time program, authorized partial service retirement, or voluntary retirement or resignation. Such employees who meet the Department of Personnel Administration, State Restriction of Appointments (SROA) definition, shall be considered surplus. The department head or designee shall make job opportunity bulletins and materials available to all eligible surplus employees. Eligible surplus employees shall be permitted to apply and compete for vacant positions of their current class or other classes to which he/she can transfer, pursuant to the SROA Process. Article 16 shall govern employee rights and appeals under these conditions.

- E. With prior supervisory approval, employees shall be allowed a reasonable amount of State paid time to participate in employment interviews associated with the efforts described in paragraph D. above.
- F. When a department has two or more employees in a class who are subject to an involuntary transfer which reasonably requires an employee to change his/her residence consideration shall be given for the affected employee's seniority in accordance with Government Code 19994.2.

15.2 Intentionally Excluded

15.3 Hardship Transfer

The State and the Union recognize the importance of hardship transfers as a way of dealing with Work and Family Issues.  - 1. The change is due to an unforeseen operational need; or
 - 2. The change is made at the request of the employee.
- E. Classifications are assigned to the workweek groups as shown in the Lists of Classifications attached to this Contract.
- F. Workweek group policy for FLSA - Exempt/Excluded Employees:

State employees who are exempt/excluded from the FLSA are not hourly workers. The compensation they receive from the State is based on the premise that they are expected to work as many hours as is necessary to provide the public services for which they were hired. Consistent with the professional status of these employees, they are accountable for their work product, and for meeting the objectives of the agency for which they work.

Following is the State's policy for all employees exempt/excluded from the FLSA:

- 1. Management determines, consistent with the current Contract the products, services, and standards which must be met by FLSA - exempt/excluded employees;
- 2. The salary paid to FLSA - exempt/excluded employees is full compensation for all hours worked in providing the product or service;
- 3. FLSA - exempt/excluded employees are not authorized to receive any form of overtime compensation, whether formal or informal;
- 4. FLSA - exempt/excluded employees are expected to work, within reason, as many hours as necessary to accomplish their assignments or fulfill their responsibilities and must respond to directions from management to complete work assignments by specific deadlines. FLSA exempt/excluded employees may be required to work specific hours to provide services when deemed necessary by management;

5. FLSA - exempt/excluded employees shall not be charged paid leave or docked for absences in less than whole-day increments. Less than full-time employees shall be charged time proportionate to their scheduled hours of work. Record keeping for accounting, reimbursements, or documentation relative to other applicable statutes, such as the Family Medical Leave Act, is permitted.
6. FLSA - exempt/excluded employees shall not be suspended for less than five (5) days when facing discipline;
7. With the approval of the appointing power, FLSA - exempt/excluded employees may be allowed absences with pay for one or more whole days due to excessive work load or other special circumstances without charging leave credits;
8. Subject to prior notification and management concurrence, FLSA exempt/excluded employees may alter their work hours. Employees are responsible for keeping management apprised of their schedule and whereabouts. Prior approval from management for the use of formal leave (e.g., vacation, sick leave, personal leave, personal day) for absences of an entire day or more is required.

19.2 Overtime

- A. Overtime is earned at the rate of one and one-half times the hourly rate for all hours worked in excess of forty (40) hours in a regular workweek and is compensable by cash or CTO if it meets the following criteria:
 1. Ordered overtime of at least fifteen (15) minutes at any one time;
 2. Overtime will be credited on a fifteen (15) minute basis with a full fifteen (15) minute credit to be granted if seven (7) minutes is worked. Smaller fractional units will not be accumulated.
- B. Overtime may be compensated on a cash or CTO basis at the discretion of the department head or designee. Both parties agree and understand that a different type of overtime payment (cash or CTO) may be provided to employees at different times and may even be different for employees in the same or similar situations. However, in the event that the Department of Industrial Relations determines that this provision is inconsistent with Labor Code 204.3, the parties agree to immediately meet and confer regarding the impact of that determination.
- C. Overtime must be authorized in advance, except in an emergency, by the State or its designated representative. This authorization must also be confirmed in writing not later than ten (10) days after the end of the pay period during which the overtime was worked. Each State agency shall maintain complete and accurate records of all compensable overtime worked by its employees.

If an employee is not allowed CTO within twelve (12) pay periods following the pay period in which the overtime was worked, payment shall be made for such overtime on the next payroll.
- G. Employees may accrue up to 240 hours of CTO. All hours in excess of 240 CTO hours shall be compensated in cash.
- H. Normally, an employee who has an accumulation of 240 hours or thirty (30) days of authorized overtime shall not be required to work additional overtime.
- I. Notwithstanding any other contract provision, departmental policy, or practice, the travel time of employees who are covered by FLSA shall only be considered as time worked if it meets the definitions and requirements of travel time in sections 785.34 through 785.41 of Title 29 of the Code of Federal Regulations, except as provided in 1, 2 and 3 below.
 - 1. All time spent on required travel to an alternate worksite shall be compensated consistent with the requirements of the Fair Labor Standards Act (FLSA). For FLSA covered employees, the State shall endeavor to accommodate travel to an alternate worksite to occur during an employee's normal work hours. However, the State will also consider the business needs of the department including the costs of travel arrangements.
 - 2. Notwithstanding the above, FLSA covered employees traveling on State business, outside of their normal work hours (as defined in FLSA) will be granted a special allowance for actual time spent traveling. Employees shall receive this special allowance equivalent to the employee's regular hourly rate on a straight time, hour for hour basis, in cash or CTO, at the discretion of the department head or designee. This is not overtime compensation and shall not be considered as time worked for calculation of overtime. This paragraph also applies to passengers in carpools, vans or other vehicles, traveling on State business. This paragraph does not apply to employees who voluntarily choose to travel outside their normal work hours.
 - 3. FLSA covered drivers of a carpool, a vanpool, or other vehicle traveling on State business will be compensated consistent with FLSA for purposes of overtime and shall not receive the special allowance described in I(2) above.

- B. An additional five (5) minute break per continuous hour of work on a computer shall be granted to an employee in an hour when no other break or rest period has been granted. Upon the Union's request, the State shall consider permitting other employees the additional rest periods.

Except for employees who are assigned to a straight eight (8) hour shift, full-time employees shall normally be allowed a meal period of not less than thirty (30) minutes or not more than sixty (60) minutes which shall be scheduled near the middle of the work shift. Meal periods taken shall not be counted as part of total hours worked.

If the employee who exchanges with another employee fails to report for duty for the exchange, he/she shall be subject to repaying the actual time (hour-for-hour) of filling in behind the assignment. The State shall first use accrued time credits for the repayment; then use "accounts receivable" should time credits be insufficient for the repayment. In the event the employee fails to report for duty because of illness or injury, he/she may be required to provide medical verification in accordance with section 8.2 of this Contract.
- C. An employee who fails to report for duty for the exchange and has not provided a medical verification of illness as described, shall not be allowed to participate in an exchange for 180 calendar days from the date of the missed exchange.
- D. All exchanges must occur during the same workweek.
- E. Probationary employees are excluded from participating in exchanges of time off.
- F. No exchange shall result in an employee working double shifts.
- G. For Unit 15 the following special rules apply:
 - 1. All exchanges must occur within the pay period in which the initial exchange was taken, or ninety (90) calendar days for the initial exchange, whichever is greater, and
 - 2. Double shifts will be permitted, consistent with departmental practices.
- H. If an exchange is denied, the supervisor denying the exchange shall state the reason for the denial upon written request by the employee.
- I. This section is not subject to the grievance and arbitration procedure of this Contract.

19.10 Work In Multiple Time Zone

When traveling into a different time zone, the first day's time is computed using the time zone in which the employee started. The time worked on subsequent days is computed by using the time zone in which the employee is working. The time worked on the return trip is computed using the time zone from which the employee departed.

19.11 Call Back Time

- A. An employee who has completed a normal work shift, when ordered back to work, shall be credited with a minimum of four (4) hours work time provided the call back to work is without having been notified prior to completion of the work shift, or the notification is prior to completion of the work shift and the work begins more than three (3) hours after the completion of that work shift.
- B. When such an employee is called back under these conditions within four (4) hours of the beginning of a previous call or an additional call is received while still working on an earlier call back, the employee shall not receive an additional four (4) hours credit for the new call back.
- C. When such an employee is called back within four (4) hours of the beginning of the employee's next shift, call back credit shall be received only for the hours remaining before the beginning of the employee's next shift.
- D. When staff meetings, training sessions, or work assignments are scheduled on an employee's authorized day off, the employee shall be credited with a minimum of four (4) hours of work time. When staff meetings and training sessions are scheduled on an employee's normal workday and outside the employee's normal work shift, overtime compensation shall be received in accordance with the rules governing overtime.
- E. For reporting purposes, compensable time begins when the employee reports to the job site or begins work from a different site, which may include the employee's home, approved by the department head or designee.

19.12 Standby Time

- A. "Standby" is defined as the express and absolute requirement that an employee be available during specified off-duty hours to receive communication regarding a requirement to return to work and be fit and able to return to work, if required. It shall not be considered standby when employees are contacted or required to return to work but have not been required to be available for receipt of such contact.
- B. Each department or designee may establish procedures with regard to how contact is to be made (e.g., electronic paging device, phone) and with regard to response time while on standby.
- C. An employee who is required to be on standby status will be compensated in the following manner: for every eight (8) hours on standby, an employee shall receive two (2) hours of compensating time off (CTO), which may be prorated on the basis of fifteen (15) minutes CTO for each one hour of standby. Standby may not be scheduled in less than one hour increments.
- D. No standby credit will be earned if the employee is called back to work and receives call back credit.
- E. Standby and CTO credited as a result of standby shall not be considered time worked for purposes of qualifying for overtime.

19.13 Overtime Assignments for Work Week Group 2 Employees in Bargaining Unit 11

- A. Where the use of overtime is prevalent and there are more than three (3) equally qualified employees within a work unit, the department shall establish a seniority system to request and utilize volunteers to perform overtime work from within the appropriate work area(s) and classification(s). Through the establishment of a seniority volunteer overtime system, departments will endeavor to reduce the amount of mandatory overtime, distribute overtime fairly among volunteers insofar as circumstances, security, or health and safety permit and provide employees with prior notice of possible or actual overtime assignments. However, the Union recognizes a departments' right to require overtime or the completion of work in progress by the employee performing the work at the time the determination was made that overtime was necessary.
- B. When assigning mandatory overtime inverse seniority shall be used insofar as circumstances, security, or health and safety permit. The special needs of employees who have documented medical problems, childcare problems, or other significant reasons which would impact on the employee's ability to work the overtime assignment(s) shall be considered.
- C. For the purpose of this section, seniority shall be defined as the same seniority as used to determine vacation accrual. Any ties shall be broken by lot.

19.14 through 19.19 Intentionally Excluded

19.20 Double Backs – Department of Food and Agriculture

- B. Nothing in this section precludes employees from requesting, and management from granting, double-back shifts.

19.21 Standby Duty – Department of Fish and Game

- A. Standby duty is defined as the time that an employee is required to remain on the Department of Fish and Game fish hatchery grounds during non-work hours for immediate response to duty or to emergencies that may arise.
- B. Affected employees are those who are assigned to Work Week Group 2 who reside in State owned housing at Department of Fish and Game hatcheries, and are required to perform standby duty at the fish hatcheries.

If an employee does not complete the 15 hours of standby duty, the Department of Fish and Game shall pro-rate the compensation earned in accordance with departmental procedure.

2. Where compensating time off is not practical, the appointing authority may authorize cash compensation. Required work in excess of the minimum work week is compensable as overtime in accordance with the basic workweek group that the particular class and position is allocated to, except for the time on standby duty.
3. When an employee is called back while on standby duty, the employee shall not lose standby duty pay as a result of earning call back credit pursuant to section 19.11 (Call Back Time).
4. Employees on any approved leave shall not be required to work standby duty.

ARTICLE 20 – POST AND BID

20.1 and 20.2 Intentionally Excluded

20.3 Post and Bid Program (Unit 11)

In regards to Post and Bid, section 15.3, if any party pursues legal action regarding the constitutionality of this section, the State and the Union agree to jointly participate in the defense against any litigation.

This section shall remain in effect for the term of the Memorandum of Understanding (MOU) except as follows. section 15.3 of the Unit 11 collective bargaining agreement approved by the Legislature and Governor through Senate Bill 728, Stats. 2002, shall replace this agreement within 60 days of when the judgment and writ of mandate in Sacramento Superior Court Case No. 02CS00787 is stayed or overturned on appeal, and it shall remain in effect for the remaining term of the MOU. Should the Court of Appeals only partially invalidate section 15.3 in Case No. 02CS00787, the Saving Clause in Article 5, section 5.4 shall be operative.

Effective Date: This Post and Bid proposal takes effect upon ratification by the Legislature and the Union's membership, unless otherwise indicated by the terms of the proposal.

A. When Post and Bid Applies

1. This section shall apply to employees in the following classifications:
 - a. Disaster Assistance Program Specialists
 - b. Fish & Wildlife Technician
 - c. Water Resources Engineering Associate
 - d. Water Resources Technicians
 - e. Sanitary Engineering Associate
 - f. Sanitary Engineering Technician
 - g. All Unit 11 classifications used by the Department of Transportation (Caltrans).

2. The parties recognize the value of allowing permanent employees to voluntarily transfer between positions. The parties also recognize that when vacancies occur in the Unit 11 classifications listed in A 1 above, and the State elects to fill the position, the needs of the State must also be considered. The parties therefore agree that the State may elect to fill vacancies using methods that include but are not limited to mandatory reinstatements; placement in lieu of layoff/demotion, appointment from a State Restriction of Appointment/Surplus list, reemployment list, limited duty (vacancy to be available at the end of temporary appointment); appointments pursuant to court orders, settlement agreements, State Personnel Board decisions, or the like; hardship transfers; reassignments (rotations, position "trades," etc.); involuntary transfers in lieu of geographic relocation; promotions in place*; or an eligible employee who must be provided a reasonable accommodation.

*Promotion in place: Management shall have the option to promote employees in place without using Post and Bid provisions. For the purposes of this section, promotion in place is defined as 1) there is no true vacancy; and 2) there is no change of position, assignment, or supervisory/subordinate relationship of the employee; 3) the promotion is clearly identified as typical in cases where the employee is to move to the next higher series.

3. The parties also agree that when a vacancy occurs, the following provisions apply.

B. Bid Notice Posting:

Appointing authorities shall post a notice inviting bids (unless there are no incumbents in the classification that will be used to fill the vacancy).

1. Bid notices will be posted in the department where the vacancy exists.
2. Bid notices shall be posted in the same place where job announcements are customarily posted.
3. Bid notices shall be posted for a period of no less than ten (10) working days before the final date bids must be postmarked or fax stamped.
4. Bid notices shall at a minimum include:
 - a. The classification of the vacancy;
 - b. Department, section and geographic location of the vacancy;
 - c. Present working hours associated with the vacancy;
 - d. A complete description of the duties and any personal attributes including objective qualifications that may enable the bidder to be successful in the position (e.g., any special education, training, work experience, and/or experience using particular types of equipment). The duty statement for the position shall be provided to the bidder upon request;
 - e. Any required license or certificate, such as a Class A/B CDL;
 - f. The final date by which bids must be postmarked and/or fax stamped.
 - g. The place to submit bids, and fax number, if applicable;

- h. Where bid forms may be acquired (if the appointing power requires that bids be submitted on a specific form);
- i. The name and telephone number of the supervisor or another person to contact for additional information;
- j. How soon the employee accepting the position will be expected to report to his/her new position.

C. Eligibility to Bid:

Employee eligibility to bid shall be subject to the following criteria:

1. **Status in Class:**
 - a. The employee must already be employed by the department with the posted position and:
 - b. Currently have permanent full-time civil service status in the same civil service classification as the posted position; or
 - c. Currently have permanent intermittent civil service status in the same civil service classification as the posted position and meet the necessary criteria under SPB Rule 277 for such a time-base change.
2. **Acceptable Level of Performance:** Unless expressly waived by management in conjunction with a particular position and employee, employees must have satisfactorily performed the duties of their position during the 12 month period before bids are due. Employees shall be deemed to have performed satisfactorily if they received an overall rating of "satisfactory" on an annual performance evaluation or probationary report during the same 12 month period and they received no intervening counseling and/or corrective memos. If an employee did not receive a written performance evaluation during the 12 month period before bids are due (e.g., annual evaluation), the employee shall be deemed to have performed satisfactorily unless s/he received a counseling and/or corrective memo during the same 12 month period.
3. **Disciplinary Action:** Employee must not have received a formal disciplinary action as specified in Government Code section 19572 within the twelve (12) months of when bids are due.
4. **Other Restrictions:** An employee may be denied the right to bid for specific positions under this program for reasons related to safety, security or for other job related reasons (e.g., to avoid violating nepotism policies or where the appointment would pose a demonstrable threat to the health and safety of any employee).

D. Additional Bids

1. An employee who successfully bids pursuant to this section shall not be eligible to bid for another position for twelve (12) months following the employee's bid appointment effective date.

2. When an employee has two or more bids pending and s/he accepts an offer as the result of one of the bids, the employee shall immediately withdraw all outstanding bids.

E. Bid Submittal

1. Eligible employees may bid for posted positions by submitting a form specified on the notice inviting bids as specified by the hiring department (appointing authority). Bid forms shall be postmarked or fax stamped on or before the date specified in the posted bid notice.
2. It is the responsibility of the employee to provide the employer with an alternate means of notification if the employee is unavailable (i.e., vacation) anytime during a thirty (30) day period following the close of the bidding period.

F. Seniority

For purposes of this section "seniority" is defined as one point for each qualifying month of State service as used for purposes of determining leave (e.g., vacation) accrual. If an employee believes there is an error in the computation of the employee's seniority points, s/he shall provide documentation and request correction through the department personnel office. If two or more employees are tied for most senior then the following shall be used in the order shown until the tie is broken:

1. Most qualifying pay periods in the department with the vacancy;
2. Most qualifying pay periods in the classification of the vacancy;
3. Coin flip.

G. Selection

When management decides to fill a vacancy:

1. The most senior timely bidder who satisfies the eligibility criteria shall be offered the position. Management may contact, meet with and/or make inquiries to ensure that bidders satisfy the eligibility criteria and understand the objective qualifications. If the most senior bidder is ineligible or disqualified for any reason listed in subsection C above, that bidder will be notified of the ineligibility or disqualification at the time the selection is announced.
2. If the most senior employee offered the position declines the offer and there are remaining bidders who qualify, then the second most senior employee shall be offered the position until there are no remaining bidders who qualify.
3. Employees offered positions pursuant to this subsection shall have a maximum of three (3) working days to accept or reject the offer unless the appointing power agrees to more time. Failing to respond within three (3) working days after being contacted (or longer as agreed to by the appointing power) may be deemed a rejection of the offer by management.
4. The winning bidder shall report for work on the start date listed in the bid notice. The start date may be altered by mutual agreement.

5. Once a position is awarded, management shall notify all bidders in writing that the position has been awarded, identifying the successful bidder and how many qualifying months of State service the successful bidder possesses.
6. Within thirty (30) days of appointment under this procedure, all employees have the right to return to their former position (as defined in Government Code).

H. Other Related Matters

1. Bidding employees who accept appointments waive any and all right to claim moving, relocation and associated travel and per diem expenses. This does not, however, preclude payment of such expenses at management's discretion.
2. Nothing in this provision will prevent management from posting positions, and simultaneously beginning other methods to solicit applicants (e.g., sending contact letters out to employees on promotional lists), so no time is lost in filling the positions should, for example, there be no bidders. Such solicitation shall include the notice that the position is subject to post and bid process.

ARTICLE 21 – MISCELLANEOUS

21.1 Telecommute/Telework Program

- A. Telework is defined as performing work one or more days per pay period away from the work site to which the employee is normally assigned. Such locations must be within a preapproved work space and during preapproved work hours inside the teleworker's residence, telework centers, or other offices of the State, as approved pursuant to the department's telework policy and guidelines.
- B. Where operational considerations permit, a department may establish a telework program. If the telework arrangement conforms to telework criteria established in the department's telework policy and guidelines, no employee's request for telework shall be unreasonably denied. Upon request by the employee, the denial and the reason for denial shall be in writing. Such programs shall operate within the policies, procedures, and guidelines established by the Telework Advisory Group, as described in the Telecommuting Work Option: Information Guidelines and Model Policy, June 1992.
- C. Formal written telework or telecommuting policies and programs already adopted by departments before the date of this Contract will remain in effect during the term of this Contract. Upon the request of the Union, the departments will provide a copy of their formal written telework policy.

- D. Departments that desire to establish a telework or telecommuting policy and/or program or departments desiring to change an existing policy and/or program shall first notify the Union. Within thirty (30) calendar days of the date of such notification, the Union may request to meet and confer over the impact of a telework or telecommuting policy and/or program or change in an existing telework or telecommuting policy and/or program. Items of discussion may include concerns of layoff as a result of a telecommuting/telework program, performance or productivity expectations or standard changes; access to necessary office space in the State work sites on non-telecommuting days; and equipment, supplies, phone lines, furniture, etc.
- E. Upon written request, no more than once each fiscal year, representatives of the Department of Personnel Administration will meet with three (3) representatives of SEIU, Local 1000 to discuss improvements to the Telecommuting Work Option: Information Guidelines and Model Policy, June 1992. Union representatives shall service without loss of State compensation for this meeting.

21.2 Electronic Monitoring

If an employee believes that the State's use of current or future technology is being used for the purpose of harassment he/she may grieve such action under Article 6.

21.3 Class A and Class B Commercial Driver's License

A. Training

Each department, at the request of an employee required to upgrade his/her current driver's license to a Class A or Class B commercial driver's license and appropriate endorsements will make available to the employee any information prepared by the Department of Motor Vehicles (DMV) covering the commercial driver's license examination and any video training programs, relating to the obtaining of a commercial driver's license, which become available to the State.

B. Medical Examinations

1. The State agrees to pay the cost of medical examinations for employees required to have either a Class A or Class B driver's license, provided the employees either receive their exams from a contractor physician or clinic, or are specifically authorized in advance to be examined by their personal physician, and to be reimbursed for the cost upon presenting a voucher from the examining physician.
2. The State will pay the cost of a second medical examination and/or referrals by the examining physician, not to exceed the cost of the first medical examination provided that:
 - a. The employee fails the first medical examination, or the certification submitted is not accepted by DMV; and
 - b. A second medical examination is authorized and conducted; and

- c. The second medical certification is accepted by DMV. The State will not reimburse the employee for a second medical examination that sustains the results of the first. Costs for additional medical reexamination shall be the responsibility of the affected employee.

C. Fee Reimbursements

1. Each department will reimburse a permanent employee for filing and examination fees associated with obtaining the appropriate commercial driver's license and endorsement(s) if the employee is: (1) in a classification that requires the operation of equipment which requires either a Class A or Class B commercial driver's license and any endorsement(s), or (2) the classification designated by the department requires the employee to upgrade his/her driver's license to a Class A and/or Class B commercial driver's license and any endorsement(s), or (3) in a classification where a Class A and/or Class B commercial driver's license is an additional desirable qualification, provided:
 - a. The employee is authorized at least ten (10) workdays in advance by his/her supervisor to take the examination;
 - b. The employee has a valid, current medical certification acceptable to DMV;
 - c. The employee successfully passes the required examination and is issued the license and appropriate endorsement(s).
2. Employees applying for renewal or reinstatement of a license due to an illegal violation will not be reimbursed for any costs associated with obtaining a license as required by DMV.
3. The State will not pay any additional cost incurred as a result of an employee's failure to pass the written and/or performance test within the opportunities allowed by the original application fee.
4. Reimbursement for commercial driver's license fees will be for that portion of the commercial driver's license fee (including the cost of endorsement(s) required by the appointing power) which exceeds the cost of the regular noncommercial Class C driver's license, provided the employee applies for the required license and any required endorsement(s) simultaneously. If an employee fails to take all required extras simultaneously, reimbursement will not exceed the cost that would have been incurred had the tests been taken simultaneously.

D. Release Time for Class A and/or Class B Commercial Driver's License and Medical Examination

1. Upon ten (10) workdays advance notice to the department head or designee, the department shall provide reasonable time off without loss of compensation for a permanent employee required to take the Class A and/or B commercial driver's license examination and related medical examination(s), provided:
 - a. The examination is scheduled during the employee's scheduled work hours; and

21.4 through 21.17 Intentionally Excluded

21.18 Drug and Alcohol Testing

A. Commercial Drivers' License Holders

1. Unit 11 employees whose job assignment requires them to have a commercial drivers' license (CDL) are subject to drug and alcohol testing as defined in 49 CFR 382, et al. Employees who operate commercial vehicles seasonally as part of their required job duties for their employer may elect to deactivate their commercial driver status and remove themselves from the random testing pool by providing notice in writing to their employer at the end of each season of operating a commercial vehicle. Employees not electing to deactivate their commercial driver status for their employer will be deemed to continue to be available to operate a commercial vehicle for their employer and will remain subject to drug and alcohol testing under 49CFR382 et al and 49CFR40 et al. Employees who have received notice for a drug and alcohol test that was mailed or given to the employee prior to their employer's receipt of the employee's request to deactivate from commercial driver status must complete all such outstanding random tests.
2. The Union and the State jointly encourage unit employees to seek counseling and treatment when appropriate for substance and alcohol abuse issues. Accordingly, an employee whose job duties do not require the employee to possess a CDL, and who requests to deactivate his/her CDL status and voluntarily utilizes the resources available to him/her in evaluating and resolving problems associated with the misuse of alcohol and the use of controlled substances, shall not be required to complete any outstanding random tests nor shall the employee be disciplined for exercising his/her rights under this section.

B. Class C Drivers' License Holders

Employees who operate State equipment requiring a class C drivers' license are subject to reasonable suspicion drug and alcohol testing while on duty. Such testing will conform to the requirements and procedures of Department of Personnel Administration Rules 599.960, 599.962, 599.964, 599.965, and 599.966; 49 Code of Federal Regulations (CFR) Part 40, et al; and 49CFR Part 382, et al. Whenever the State's rules are broader or are in direct conflict between State and Federal regulations, the State's rules shall prevail.

C. Miscellaneous Provisions Applying To CDL And Class C Drivers' License Holders

1. Notwithstanding section 5.10(b), the State shall only test for amphetamines and methamphetamines, cocaine, marijuana/cannabinoids (THC), opiates (narcotics), phencyclidine (PCP) and alcohol and shall use the cut-off levels for determining positive test results contained in 49CFR40 et al, and 49CFR382 et al.
2. The State reserves full discretion to dismiss an employee for a first positive drug or alcohol test or for refusing to test. Employees so dismissed, except those on probation, shall have an opportunity to stipulate to a last-chance agreement. This opportunity may not extend to cases in which the employee has a past adverse action history or in which the positive test or refusal to test occurs in conjunction with a serious offense which in itself would result in dismissal. Serious offenses include but are not limited to workplace violence, acts that result in personal injury, acts that result in significant property damage, etc.

Last-chance agreements shall include a provision which requires an employee's evaluation by a substance abuse professional as referenced in 49CFR382.605 and follow-up testing after returning to duty. The State will pay for the substance abuse professional's evaluation and counseling by the same substance abuse professional when it is obtained through a State contract provider. While participating in rehabilitation as recommended by the substance abuse professional and with prior approval of the employer, employees may use accrued sick leave, vacation, annual leave, compensatory time off, or other accrued paid leave. Employees who have insufficient leave credits may use unpaid leave for the duration of this rehabilitation period.

3. At the employee's request, the State shall send the second portion of the split urine specimen (Sample B) to another certified drug testing laboratory of the employee's choice, and the State shall pay for the test when the test of Sample B fails to confirm the test of Sample A.
4. Employees who appeal a drug- or alcohol-related adverse action or reject on probation to the State Personnel Board shall automatically be deemed to have withdrawn with prejudice any related grievance filed pursuant to Article 6 of this contract and shall have no right to file any additional grievances related to the adverse action or rejection on probation. A grievance filed pursuant to this Article shall be filed with the department head or his/her designee within thirty (30) days after the Skelly Officer's decision. In the event the grievance is denied and not settled by the parties within ten (10) working days from the date of its filing, the Union may invoke the procedures in Article 6 to select an arbitrator. Adverse actions or rejections on probation may be arbitrated only after the grievant signs an express waiver of all rights to appeal the action or rejection to the State Personnel Board. In arbitration's involving adverse actions, the arbitrator shall determine if just cause exists and, if not, the appropriate remedy. Grievants arbitrating a rejection on probation shall have the burden of going forward and the burden of proof.

The purpose of this memo is to notify departments of an addition to existing law regarding time off for an employee who is a victim of domestic violence.

Effective January 1, 2001, Assembly Bill 2357 added section 230.1 to the Labor Code to specify that employers with 25 or more employees may not discharge or in any manner discriminate or retaliate against an employee who is a victim of domestic violence, as defined in section 6211 of the Family Code, for taking time off to seek medical attention for injuries caused by domestic violence, obtain psychological counseling related to an experience of domestic violence, obtain services from a domestic violence shelter, program, or rape crisis center, or to participate in safety planning to increase safety from future domestic violence.

As a condition for taking time off, the employee shall give the employer reasonable advance notice of the employee's intention to take time off for any of the purposes summarized above, unless advance notice is not feasible. When an unscheduled absence occurs, the employer may require the employee to certify that the absence is a result of domestic violence in the form of a police report, a court order, or medical documentation. An employer would be required to maintain the confidentiality of any employee's request for time off pursuant to provision of this law.

The law does not require an employer to compensate an employee for the time taken off under these circumstances, but the employee may use vacation, personal leave, or other compensating time off that is otherwise available to the employee.

An employee whose rights are violated under this section may be entitled to lost wages and reinstatement. An employer who willfully refuses to reinstate an employee under this section may be guilty of a misdemeanor. This law also allows an employee to file a complaint with the Division of Labor Standards Enforcement of the Department of Industrial Relations.

This section does not create a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under, or in addition to the unpaid leave time permitted by, the Federal Family and Medical Leave Act of 1993.

The provisions of this bill apply to the State as an employer and to State employees. The entitlement of any employee under this law shall not be diminished by a collective bargaining agreement.
