

Lesson Plan: How do we solve our problems?

¿Cómo resolvemos nuestros problemas?

Context of the lesson within the unit:

This lesson follows a lesson introducing the 3 branches of government. Students already have an understanding of how laws are made and applied. Also, students have an understanding of the purpose of a system of government. A lesson connecting problem resolution to treaties and our government will follow this lesson.

Standards Addressed:

H.S. 3.2.1 Explain how the United States and other countries make laws, carry out laws, determine whether laws have been violated, and punish wrongdoers.

H.S. 3.2.2 Describe the ways in which groups and nations interact with one another to try to resolve problems in such areas as trade, cultural contacts, treaties, diplomacy, and military force.

Common Core State Standards for English Language Arts and Literacy in History/Social Studies, Science, and Technical Subjects Grade 2nd Students

Objective(s):

- Students will understand how countries, like people, experience conflicts/problems.
- Students will understand how countries, like people, work together to resolve their problems.

Lesson Plan: How do we solve our problems?

¿Cómo resolvemos nuestros problemas?

Big Idea(s):

- The strength of a democracy is equal to the strength of its citizens
- E Pluribus Unum: Out of many, one

Essential Questions/Issues:

- Is Citizenship a right or a responsibility?

Higher Order Thinking Questions:

1. Why is it important to “work together” and resolve conflicts?
¿Por qué es importante que trabajemos juntos?
2. What could happen if an understanding/resolution is not reached?
¿Qué pudiera pasar si no pueden llegar a un acuerdo?

Special Needs of students are considered in this lesson:

Students can be put into flexible grouping scenarios that will benefit learning for all types of learners and special needs. Plenty of visuals, opportunities for verbal, written and nonverbal expression, and multiple learning modalities are available within the context of this lesson. The opportunity for student choice also gives students ownership of learning.

Extension Ideas:

Students can find current local articles that discuss problems within the community/nation and discuss solutions.
