Re: Report on Purchase or Lease of Electronic Recording Equipment
by Superior Courts (January 1–June 30, 2012)

Dear Ms. Boyer-Vine, Mr. Schmidt, and Mr. Wilson:

The Judicial Council respectfully submits this report, as required by Government Code section 69958, to provide information to the Legislature regarding superior court purchases and leases of electronic recording equipment during the period of January 1, 2012 through June 30, 2012. As required by statute, for each purchase or lease of equipment, the report specifies the name of the court, the types of proceedings for which the equipment will be used, the cost of the equipment, and the types of equipment purchased or leased.

Government Code section 69957 requires the courts to obtain advance approval from the Judicial Council before purchasing or leasing any electronic recording technology or equipment. Approval for purchase or lease of the equipment is subject to the equipment being used only in the manner and for the purposes authorized under that section. All 58 superior courts were surveyed regarding their purchase or lease of the equipment to ensure that all purchases were made with the required
