

**ATTACHMENT 9**

**Cost Proposal**

This section is prepared to meet the requirements of Attachment 9 - Cost Proposal.

Per Attachment 9-Cost Proposal, this cost proposal is submitted separately from the Minimum Qualifications/ Technical Proposal sections.

Please provide your total proposed cost to administer this OCIP as outlined in Attachment 8 –Technical Proposal in this RFP. Costs submitted shall include, but not limited to, marketing and insurance procurement services, policy administrative services, ALL Proposer provided loss control and safety services, all claims management services and all OCIP close-out services for the entire term of this proposed contract.

The Cost Proposal shall detail only the cost proposed as required, and shall not detail any other rates, amounts, or information. It shall not detail any text that could be construed as a qualification of cost proposed.
