<p>The Office of Governmental Affairs (OGA), on behalf of and at the direction of the Judicial Council, continues to advocate for the passage of the 17 proposals for efficiency, cost recovery, and new revenue voted for sponsorship as legislation by the Judicial Council in December 2012 for the 2013-2014 legislative session. Eleven of these efficiencies remain part of the Governor's Proposed Budget for fiscal year 2013-14 in budget trailer bill language. Of those 11, the Assembly Budget Committee recommended the passage of three, and the Senate Budget Committee recommended the passage of eight. Of the remaining six not in trailer bill language, two are the subject of active legislation, and the others are, for the moment, not moving ahead. In April, the Judicial Council voted to sponsor six additional proposals for efficiency, cost recovery, and new revenue as legislation during the current legislative session. Two of those proposals are the subject of active legislation, and the remaining four have been presented to the Department of Finance for possible inclusion in budget trailer bill</p>	

language.

OGA continues to work with Judicial Council staff to identify legislatively mandated reporting requirements for the Judicial Council, AOC, and the courts that are unnecessary, outdated, or overly burdensome. In 2012, OGA worked with AOC divisions to identify several such reporting requirements. OGA then recommended to the legislature that these requirements be repealed. One such reporting requirement was eliminated. OGA has once again asked AOC divisions to identify additional unnecessary, outdated, or overly burdensome reporting requirements. OGA will continue to take ideas for eliminating unnecessary reporting requirements to the PCLC to seek legislative action to eliminate these requirements.
