**APPENDIX B, REVISION 1 – AMOUNT OF THE FEES, FY 2009-2010 REVENUE OBLIGATIONS, PAYMENTS, LATE REMITTANCE PENALTIES, AND REPORTING**

**I. Fees to be Charged by Contractor; Effect of Fees Waivers**

- A. Contractor shall charge each person appearing by telephone at a court conference, hearing, or proceedings through that Contractor the statewide, uniform fees prescribed in rule 3.670 of the California Rules of Court , except as provided under 1.B and 1.C below. The fees specified in rule 3.670 for appearing by telephone supersede any fees paid under any previously existing agreements between Contractor and any Court or under any previously existing procedures.
- B. If a party has received a waiver of court fees and costs, Contractor shall not charge that party any of the fees provided for in rule 3.670, subject to the following:
  - 1) Contractor that provides the telephone appearance service shall have a lien on any judgment, including a judgment for costs, that the party may receive, in the amount of the fee that the party would have paid for the telephone appearance; and
  - 2) If Contractor later receives a fee or a portion of a fee for appearance by telephone that was previously waived, that fee shall be distributed consistent with section 72011 of the Government Code.
- C. Contractor may charge and collect a fee for telephone appearance services in proceedings for child or family support under Title IV-D of the Social Security Act that are brought by or otherwise involve a local child support agency. The fee in such a proceeding shall be twenty dollars (\$20) less than the fee for a telephone appearance provided for in rule 3.670; the reason for the \$20 difference is that no portion of the fee collected by Contractor in Title IV-D a proceeding shall be remitted to the State Treasury pursuant to 1.D. However, a request for a telephone appearance in a Title IV-D proceeding is eligible for a fee waiver, subject to a lien by Contractor on any judgment, including a judgment for costs, that the party may receive, in the amount of the fee that the party would have paid for the telephone appearance
- D. For each fee that Contractor has received for providing telephone appearance services, except for a fee received in a Title IV-D proceeding, Contractor shall pay to the state twenty dollars (\$20).The twenty-dollar amount shall be deducted only from each telephone appearance fee provided for under Code of Civil Procedure section 367.6(a)(1) and California Rules of Court, rule 3.670, and not from each late request or cancellation fee provided for under Code of Civil Procedure section 367.6(a)(2)–(3) and California Rules of Court, rule 3.670.
- E. If a party making a telephonic appearance has received a waiver of fees under Government Code section 68511.3 and Contractor has not charged that party any fee for a telephone appearance as provided in Code of Civil Procedure section 367.6(b), Contractor shall have a lien on any judgment, including a judgment of costs, in the

amount of the fee that the party would have paid for the telephone appearance. If Contractor later receives the amount previously waived, for each appearance for which Contractor receives payment, except for any payment relating to a Title IV-D proceeding, Contractor shall transmit twenty dollars (\$20) to the State Treasury in the manner prescribed in 3 below. If the charge has been waived in part, or the amount recovered by Contractor is not the full amount earned, the amount transmitted to the State Treasury shall be reduced proportionate to the amount of fees received divided by the amount of fees earned had there been no waiver.

- F. The full amount of twenty dollars (\$20) from each telephone appearance fee received by Contractor under 1.D above, or a reduced amount as allowed for in 1.E above, shall be transmitted to the State Treasury, with no deductions for merchant fees related to credit or debit cards or any other costs or expenses that may have been incurred by Contractor. Contractor shall remit the amounts owed under this section to the State Treasury using the required process described in 3 below.
- G. Notwithstanding the specific twenty dollar (\$20) amount set forth in C.–F. above as the amount that Contractor shall transmit to the State Treasury, the parties hereby acknowledge that the twenty dollars (\$20) per telephone appearance fee provided under Government Code section 72011(a) is subject to change by the Legislature. During the term of this agreement, as amended, Contractor shall be responsible for the collection and transmittal to the State Treasurer of the \$20 per fee provided under section 72011(a) or any other amount that the Legislature may prescribe.

2. FY 2009-2010 Revenue Obligation

- A. In addition to the amounts to be transmitted under 1 above, Government Code section 72011(c) requires vendors under this agreement to transmit an amount equal to the total amount of telephone appearance revenue received by all courts from all vendors for providing telephone appearances services for the 2009–2010 fiscal year. As reported by vendors, the revenues received by all courts from all vendors in FY 2009–2010 was \$943,840.00 (the FY 2009–2010 amount).
- B. As provided in Government Code section 72011(d), each vendor's share of the FY 2009–2010 amount shall be apportioned by the Judicial Council among the vendors under this Master Agreement. The following method for apportioning the FY 2009–2010 amount of revenue applies to Contractors under this Master Agreement:
  - 1) For the quarter of the fiscal year that commences on July 1, 2011 and for each quarter thereafter, all Contractors that are a party to this Master Agreement shall contribute from the telephone appearance fees that they collect a total amount equal to one a quarter of the FY 2009–2010 amount.
  - 2) The share of each Contractor for the amounts due quarterly under 2.B(1) shall be based on that Contractor's proportionate share of the total revenue collected under 1.D and 1.E. of this Master Agreement during the previous quarter. After the end of each quarter and based on the quarterly reports described in 5 below,

the AOC shall notify each Contractor of the amount of the total quarterly FY 2009–2010 amount that it is obligated to pay for that quarter. Within 15 days of receiving notice from the AOC of its apportioned amount, Contractor shall transmit that amount to the State Treasury for deposit in the Trial Court Trust Fund.

The method of apportionment in this paragraph is subject to the approval of the Judicial Council.

- C. Contractor shall remit its apportioned amount under this section to the State Treasury using the required process described in 3 below.

3. Payments

Using the form provided by the State Controller's Office (CA 25; Report to State Controller of Remittance to Treasurer TC-31), the vendor number assigned by the AOC, and the applicable revenue code, Contractor shall transmit payments to the State Treasury for deposit in the Trial Court Trust Fund. Payments to the State Treasurer under B.1 shall be made by Contractor within fifteen days (15) after the end of each calendar quarter for fees collected in that quarter. Payments to the State Treasurer under B.2 shall be made by Contractor within fifteen (15) days of receiving notice from the AOC of its apportioned quarterly FY 2009–2010 amount owing in that quarter. Contractor shall send an original and duplicate of this form CA 25 with a check payable to:

State Treasurer  
Cash Management Division  
915 Capitol Mall, Room 319  
Sacramento, CA 95814

4. Late Remittance Penalty

Contractor shall be liable for late charges at the rate equal to the lesser of one and a half percent (1.5%) per month or the highest rate legally permitted, calculated from the date remittance was due under 3 above until the date remittance is made, together with all expenses incurred in collection, including reasonable attorney's fees and expenses. If remittance is not timely made, the AOC or a Court shall notify Contractor that the remittance is overdue and must be paid within five (5) business days. Unless the amounts owing are paid in full by that date, late charges and all expenses incurred in collection, including reasonable attorney's fees and expenses, will start to accrue and be due and payable.

5. Reports

- A. Contractor will provide the AOC with quarterly reports for each calendar quarter, delivered no later than 15 days after the end of each quarter, in an electronic spreadsheet (e.g., Excel), stating for the quarterly period the telephone appearance

fees earned, waived, collected, remitted, and the number of fees earned and waived, the number of telephone appearance fees collected and remitted, the number of liens established, and the amount collected from previously waived fees pursuant to Section 367.6 of the Code of Civil Procedure. Title IV-D telephone appearances shall be reported separately from all other appearances. The quarterly reports will consist of the following items:

- 1) A summary, by court, of the total amount of fees earned, waived, collected, the total amount of the \$20 telephone appearance fees collected and remitted to the state, the total state fees collected from waivers and judgments, the total number of fees earned, waived, total number of state fees collected and remitted, and total number of state fees collected from waivers and judgments, and number of liens established. Title IV-D telephone appearances shall be reported separately from all other appearances. [See Example of Report at Attachment 2.]

- B. Contractor will provide the Administrative Office of the Courts quarterly reports for each calendar quarter, delivered no later than 15 days after the end of each calendar quarter, in electronic format, stating for the quarterly period the balance of state fees that have been collected but have not yet been remitted to the state. The quarterly reports will consist of the following items: For each telephone appearance, at minimum the following will be provided: superior court, court facility name and/or location, name of the judicial officer, appearance date and time, case number, case name, beginning balance of state fees not yet remitted to the state (“state fees outstanding”), state fees originated, date state remittance is due, date state fee remitted, amount of state fees remitted when due and late, and the ending balance of state fees outstanding. **2.8. Agreements that are Federally Funded.** It is mutually understood between the parties that this Agreement may have been written for the mutual benefit of both parties before ascertaining the availability of congressional appropriation of funds, to avoid program and fiscal delays that would occur if this Agreement were executed after that determination was made. This Agreement is valid and enforceable only if sufficient funds are made available to the JBE by the United State Government for the fiscal year in which they are due and consistent with any stated programmatic purpose, and this Agreement is subject to any additional restrictions, limitations, or conditions enacted by the Congress or to any statute enacted by the Congress that may affect the provisions, terms, or funding of this Agreement in any manner. The parties mutually agree that if the Congress does not appropriate sufficient funds for any program under which this Agreement is intended to be paid, this Agreement shall be deemed amended without any further action of the parties to reflect any reduction in funds. The parties may invalidate this Agreement under the termination for convenience or cancellation clause (providing for no more than 30 days' notice of termination or cancellation), or amend this Agreement to reflect any reduction in funds. Exemptions from the above requirements may be granted if the JBE can certify in writing that federal funds are available for the term of this Agreement.

Sec. 15) or under the Cartwright Act (Chapter 2 (commencing with Section 16700) of Part 2 of Division 7 of the Business and Professions Code), arising from purchases of goods, materials, or services by Contractor for sale to the JBE. Such assignment shall be made and become effective at the time the JBE tenders final payment to the Contractor. If the JBE receives, either through judgment or settlement, a monetary recovery for a cause of action assigned under this section, the Contractor shall be entitled to receive reimbursement for actual legal costs incurred and may, upon demand, recover from the JBE any portion of the recovery, including treble damages, attributable to overcharges that were paid by the Contractor but were not paid by the JBE as part of the bid price, less the expenses incurred in obtaining that portion of the recovery. Upon demand in writing by the Contractor, the JBE shall, within one year from such demand, reassign the cause of action assigned under this part if the Contractor has been or may have been injured by the violation of law for which the cause of action arose and (a) the JBE has not been injured thereby, or (b) the JBE declines to file a court action for the cause of action.

**2.11. Agreements for Legal Services.** Contractor shall: (i) adhere to legal cost and billing guidelines designated by the JBE; (ii) adhere to litigation plans designated by the JBE, if applicable; (iii) adhere to case phasing of activities designated by the JBE, if applicable; (iv) submit and adhere to legal budgets as designated by the JBE; (v) maintain legal malpractice insurance in an amount not less than the amount designated by the JBE; and (vi) submit to legal bill audits and law firm audits if so requested by the JBE, whether conducted by employees or designees of the JBE or by any legal cost-control provider retained by the JBE for that purpose. Contractor may be required to submit to a legal cost and utilization review as determined by the JBE. If (a) the value of this Agreement is greater than \$50,000, (b) the legal services are not the legal representation of low- or middle-income persons, in either civil, criminal, or administrative matters, and (c) the legal services are to be performed within California, then Contractor agrees to make a good faith effort to provide a minimum number of hours of pro bono legal services during each year of the Agreement equal to the lesser of either (A) 30 multiplied by the number of full time attorneys in the firm's offices in California, with the number of hours prorated on an actual day basis for any period of less than a full year or (B) the number of hours equal to 10 percent of the contract amount divided by the average billing rate of the firm. Failure to make a good faith effort may be cause for non-renewal of this Agreement or another judicial branch or other state contract for legal services, and may be taken into account when determining the award of future contracts with a judicial branch entity for legal services.

**2.12. Agreements Allowing for Reimbursement of Contractor's Costs.** Contractor must include with any request for reimbursement from the JBE a certification that the Contractor is not seeking reimbursement for costs incurred to assist, promote, or deter

union organizing. If Contractor incurs costs or makes expenditures to assist, promote or deter union organizing, Contractor will maintain records sufficient to show that no reimbursement from the JBE was sought for these costs, and Contractor will provide those records to the Attorney General upon request.

**2.13. Agreements Performed in California by Contractors that are Corporations, LLCs, or LPs.** Contractor is, and will remain for the term of the Agreement, qualified to do business and in good standing in California.

**2.14. Agreements with Contractors that Have Employees.** Contractor must maintain during the term of this Agreement workers' compensation coverage to meet minimum requirements of the California Labor Code, and it must provide coverage for employer's liability bodily injury at minimum limits of \$1 million per accident or disease.
