

Proposition 64 Data Summary Report

The data contained in these tables enumerates the self-reported petitions from each court filed for resentencing and/or reclassification under Proposition 64. Note that these data reflect filings/cases, not individual persons, and that data may vary due to revision/corrections in subsequent reports. The final disposition of these filings is not reported to the Judicial Council. Not all courts have been able to provide data for every reporting period. The total number of complete reporting periods is shown below.
