MONTHLY SUMMARY  
MISDEMEANOR CRIMINAL CASEFLOW MANAGEMENT REPORT  
From 0/00/0000 to 0/00/0000

\*8 Beginning in in May 2010 for this series of reports only, misdemeanors filed as citations primarily VC12500(A) will be excluded.

9 Prior to Jan 2012 report, pending cases included cases with warrants that were recalled after the end of the month, but during the data collection period.

10 Prior to Jan 2012 report, pending cases included Palm Springs citations ( approximately 750) .

As of 8/11/11, the 'PS' case prefix was re-instated solely for infraction citations.

11 Prior to Jan 2012 report, pending cases included a group of cases that should have been in warrant status (approximately 1000).

12 Prior to Feb 2012 report, pending cases included defendants that had already been sentenced (approximately 260).

13 As of 1/01/13, Banning cases reported in the Western Region instead of Mid County region.
