As a 10-year veteran of the trial courts, I wholeheartedly agree with Judge Charles Wachob and the Strategic Evaluation Committee's report on needed changes to the Administrative Office of the Court. I urge the Judicial Council to adopt and implement forthwith all the SEC's recommendations.

The public's faith in our judicial branch is failing. The SEC-recommended changes are a step in the right direction to insure that justice is served for all citizens of the State of California.

Sincerely,
