Dear Chief Justice Cantil-Sakauye:

I am Gail Brewster Bereola, a judge of the California Superior Court, Alameda County. I have served on the bench as a judicial officer for 22 years. With this email, I want to go on record as adopting the statements and assertions of Judge Brenda Harbin-Forte, California Superior Court, Alameda County, which were previously submitted and are contained in the above referenced Response Form. Judge Harbin-Forte's comments express my view and I could not have said or written my views any better than she already has. I, therefore, adopt and incorporate by reference her comments as representing my own.

Thank you,

Judge Gail Brewster Bereola
California Superior Court, Alameda County
