

From: Judge Allan J. Goodman
To: Invitations
Subject: Future of our court
Date: Sunday, July 22, 2012 6:54:00 AM

The report is only a partial, initial step. Membership of the Council must be changed so that judges who have backgrounds in counseling businesses are appointed. All members of the Council must devote at least three days a month in teams to investigate and actively oversee particular functions of the Branch. Hands-off oversight will not correct the current problems, nor will it keep the Branch on the right course.
