Michele McKay McCoy  
Judge of the Superior Court  
County of Santa Clara, State of California

July 13, 2012

I am writing on my own behalf and not on behalf of any organization.

I urge the Executive and Planning Committee, the Chief Justice, and the Judicial Council to immediately implement every recommendation of the strategic Evaluation Committee. The reasons for each recommendation are clearly set forth in the SEC's report, and borne out by the bitter experience of every sitting judge in the state.

Unfortunately I have no expectation whatsoever that *any* of the SEC's recommendations will be implemented. All of the failures of the Judicial Council to control the AOC have been pointed out in the past by other reports and other audits, and all have been ignored. It took an act of the legislature to stop the AOC from pouring more of the taxpayers' dollars down the rat hole which is the CCMS. It will take another act by the legislature to end the bloated bureaucracy which is the AOC. The Judicial Council clearly has no interest in the subject.
