I am in full agreement with all the commentators requesting the Judicial Council to accept and implement all of the recommendations in the SEC report. The time for change is now without further delay.

“You must change and recognize that change is your greatest ally. The person who never changes his opinion, never corrects his mistakes.” (author unknown)

“Without change there is no innovation, creativity or incentive for improvement. Those who initiate change will have a better opportunity to manage the change that is inevitable.” William Pollard

“Progress is impossible without change, and those who cannot change their minds cannot change anything.” George Bernard Shaw
