RE: Publication of Court of Appeal Opinions

Dear Chief Justice:

It is my honor to present to you today the accompanying document, jointly submitted by the State Bar of California, the California Attorney General, the California Judges Association, the Bar Association of San Francisco, and the San Diego County Bar Association, requesting that the Supreme Court adopt a change in the California Rules of Court respecting the publication of Court of Appeal opinions, after first referring this proposal to the Judicial Council for its study and solicitation of views.

Respectfully,

ELLIOT L. BIEN
