#### NOTES:

<sup>1</sup> AOC provides graphic of state seal for inclusion in project.
<sup>2</sup> Architect coordinates for installation of owner equipment in construction documents, provide power and or conduit

<sup>3</sup>Universal cable infrastructure serves data network, telephone, controls, security; interfaces with building automation system.

<sup>4</sup> Architect selects, designs layout, and provides A&E coordination for furniture (free standing and modular) and storage units; installation drawings/specifications to be provided by separate installers. Contractor shall coordinate with furniture and shelving/files installers during construction phase.

<sup>5</sup> Interior plants related to landscaping design (in interior spaces) by A&E team would be in scope of construction contract.

Legend: **OFOI** = Owner (AOC or Court) furnished and owner installed; **OFCI** = Owner furnished and Contractor installed (under building construction or furniture vendor contract); CFCI = Contractor furnished and installed (under building construction contract)
