By requiring such minimum insurance, the State shall not be deemed or construed to have assessed the risks that may be applicable to the Contractor under this Agreement. The Contractor shall assess its own risks and if it deems appropriate and/or prudent, maintain greater limits

and/or broader coverage. For full coverage, each insurance policy shall be written on an "occurrence" form; excepting that insurance for professional liability, when required, may be acceptable on a "claims made" form. If coverage is approved and purchased on a "claims made" basis, the Contractor warrants continuation of coverage, either through policy renewals or the purchase of an extended discovery period, if such extended coverage is available, for not less than three (3) years from the date of completion of the Work which is the subject of this Agreement.

- B. **Minimum Scope and Limits of Insurance.** The Contractor shall maintain coverage and limits no less than the following:
- i. **Workers' Compensation** at statutory requirements of the State of California.
 - ii. **Employers' Liability** with limits not less than \$1,000,000.00 for each accident.
 - iii. **Commercial General Liability Insurance** with limits not less than \$1,000,000.00 for each occurrence and annual aggregate.
 - iv. **Business Automobile Liability Insurance** with limits not less than \$1,000,000.00 for each accident or loss, including owned and non-owned and hired automobile coverage, as applicable.
- C. **Deductibles and Self-Insured Retentions.** Any deductibles or self-insured retentions must be declared to, and approved by, the State. The deductible and/or self-insured retention of the policies shall not limit or apply to the Contractor's liability to the State and shall be the sole responsibility of the Contractor.
- D. **Other Insurance Provisions.** The General Liability policy required in this Agreement is to contain, or be endorsed to contain, the following provisions:
- i. The State, its officers, officials, employees and agents are to be covered as additional insureds on the insurance policy required under section 21.B.iii, but only as respects liability arising out of activities performed by or on behalf of the Contractor in connection with this Agreement.
 - ii. To the extent of the Contractor's negligence, the Contractor's insurance coverage shall be primary insurance as respects the State, its officers, officials, employees and agents. Any insurance and/or self-insurance maintained by the State, its officers, officials, employees or agents shall not contribute with the insurance or benefit the Contractor in any way,

- iii. The Contractor's insurance shall apply separately to each insured against whom a claim is made and/or lawsuit is brought, except with respect to the limits of the insurer's liability.
- E. The Contractor shall provide the State certificates of insurance satisfactory to the State evidencing all required coverages are in force before Contractor begins any Work under this Agreement, and complete copies of each policy upon the State's request.
- F. If at any time the foregoing policies shall be or become unsatisfactory to the State, as to form or substance, or if a company issuing any such policy shall be or become unsatisfactory to the State, the Contractor shall, upon Notice to that effect from the State, promptly obtain a new policy, and shall submit the same to the State, with the appropriate certificates and endorsements, for approval.
- G. All of the Contractor's policies shall be endorsed to provide advanced written Notice to the State of cancellation, nonrenewal, and reduction in coverage, within thirty (30) days, mailed to the following address: Judicial Council, Administrative Office of the Courts, Business Services Manager, 455 Golden Gate Ave., 7th Floor, San Francisco, CA 94104.

22. Conflict of Interest

- A. The Contractor and employees of the Contractor shall not participate in proceedings that involve the use of State funds or that are sponsored by the State if the person's partner, family, or organization has a financial interest in the outcome of the proceedings. The Contractor and employees of the Contractor shall also avoid actions resulting in or creating the appearance of (i) use of an official position with the government for private gain; (ii) preferential treatment to any particular person associated with this Agreement or the Work of this Agreement; (iii) loss of independence or impartiality; (iv) a decision made outside official channels; or (v) adverse effects on the confidence of the public in the integrity of the government or this Agreement.
- B. The Contractor certifies and shall require any Subcontractor to certify to the following:

Former State employees will not be awarded a contract for two (2) years from the date of separation if that employee had any part of the decision making process relevant to the contract, or for one (1) year from the date of separation if that employee was in a policy making position in the same general subject area as the proposed contract within the twelve (12) month period of his or her separation from state service.

23. Covenant Against Gratuities

The Contractor warrants by signing this Agreement that no gratuities, in the form of entertainment, gifts, or otherwise, were offered by the Contractor or any agent, director, or representative of the Contractor, to any officer, official, agent, or employee of the State with a view toward securing the Contract or securing favorable treatment with respect to any determinations concerning the performance of the Contract. For breach or violation of this warranty, the State will have the right to terminate the Contract, either in whole or in part, and any loss or damage sustained by the State in procuring, on the open market, any items which the Contractor agreed to supply, shall be borne and paid for by the Contractor. The rights and remedies of the State provided in this provision shall not be exclusive and are in addition to any other rights and remedies provided by law or under the Contract.

24. National Labor Relations Board

By executing this Agreement, the Contractor certifies under penalty of perjury under the laws of the State of California that no more than one (1) final, unappealable finding of contempt of court by a federal court has been issued against the Contractor within the immediately preceding two (2) year period because of the Contractor's failure to comply with an order of the National Labor Relations Board.

25. Drug-Free Workplace

The Contractor certifies that it will provide a drug-free workplace as required by California Government Code, Section 8355 through Section 8357.

26. Nondiscrimination/No Harassment Clause

- A. During the performance of this Agreement, the Contractor and its Subcontractors shall not unlawfully discriminate against any employee or applicant for employment because of race, religion, color, national origin, ancestry, physical or mental disability, medical condition, marital status, age (over 40), sex, or sexual orientation. The Contractor shall ensure that the evaluation and treatment of employees and applicants for employment are free of such discrimination.
- B. During the performance of this Agreement, the Contractor and its Subcontractors shall not engage in unlawful harassment, including sexual harassment, with respect to any persons with whom the Contractor or its Subcontractors interact in the performance of this Agreement. The Contractor and its Subcontractors shall take all reasonable steps to prevent harassment from occurring.

- C. The Contractor shall comply with applicable provisions of the Fair Employment and Housing Act, California Government Code, Sections 12990 *et seq.*, and the applicable regulations promulgated under California Code of Regulations, title 2, Sections 7285 *et seq.* The applicable regulations of the Fair Employment and Housing Commission implementing California Government Code, Section 12990, set forth in chapter 5 of division 4 of title 2 of the California Code of Regulations, are incorporated into this Agreement by reference and made a part of it as if set forth in full.
- D. The Contractor and any of its Subcontractors shall give written Notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement.
- E. The Contractor shall include the nondiscrimination/no harassment and compliance provisions of this clause in any and all subcontracts issued to perform Work under the Agreement.

27. Americans with Disabilities Act

By signing this Agreement, Contractor assures the State that it complies with applicable provisions of the Americans with Disabilities Act (“ADA”) of 1990 (42 U.S.C. Sections 012101 *et seq.*), which prohibits discrimination on the basis of disability, as well as with all applicable regulations and guidelines issued pursuant to the ADA.

28. Permits and Licenses

The Contractor shall observe and comply with all federal, state, city, and county laws, rules, and regulations affecting services under this Agreement. The Contractor shall procure and keep in full force and effect during the term of this Agreement all permits and licenses necessary to accomplish the Work contemplated in this Agreement.

29. California Law

This Agreement shall be subject to and construed in accordance with the laws of the State of California.

30. Severability

If any term or provision of this Agreement is found to be illegal or unenforceable, this Agreement shall remain in full force and effect and that term or provision shall be deemed stricken.

31. Waiver

The omission by either party at any time to enforce any default or right, or to require performance of any of this Agreement's terms, covenants, or provisions by the other party at the time designated, shall not be a waiver of the default or right, nor shall it affect the right of the party to enforce those provisions later.

32. Signature Authority

The parties signing this Agreement certify that they have proper authorization to do so.

33. Survival

The termination or expiration of the Agreement shall not relieve either party of any obligation or liability accrued hereunder prior to or subsequent to such termination or expiration, nor affect or impair the rights of either party arising under the Agreement prior to or subsequent to such termination or expiration, except as expressly provided herein.

34. Entire Agreement

This Agreement, consisting of all documents as defined herein, constitutes the entire agreement between the parties with respect to the subject matter hereof and shall supersede all previous proposals, both oral and written, negotiations, representations, commitments, writing and all other communications between the parties. No waiver, alteration, modification of, or addition to the terms and conditions contained herein shall be binding unless expressly agreed in writing by a duly authorized officer of the State.

**JUDICIAL COUNCIL OF CALIFORNIA
ADMINISTRATIVE OFFICE OF THE COURTS**

ADMINISTRATIVE RULES GOVERNING REQUESTS FOR PROPOSALS

A. *General*

1. This solicitation document, the evaluation of proposals, and the award of any contract shall conform with current competitive bidding procedures as they relate to the procurement of goods and services. A vendor's proposal is an irrevocable offer for 30 days following the deadline for its submission.
2. In addition to explaining the Administrative Office of the Courts' (AOC's) requirements, the solicitation document includes instructions which prescribe the format and content of proposals.

B. *Errors in the solicitation document*

1. If a vendor submitting a proposal discovers any ambiguity, conflict, discrepancy, omission, or other error in this solicitation document, the vendor shall immediately provide the AOC with written notice of the problem and request that the solicitation document be clarified or modified. Without disclosing the source of the request, the AOC may modify the solicitation document prior to the date fixed for submission of proposals by issuing an addendum to all vendors to whom the solicitation document was sent.
2. If prior to the date fixed for submission of proposals a vendor submitting a proposal knows of or should have known of an error in the solicitation document but fails to notify the AOC of the error, the vendor shall bid at its own risk, and if the vendor is awarded the contract, it shall not be entitled to additional compensation or time by reason of the error or its later correction.

C. *Questions regarding the solicitation document*

1. If a vendor's question relates to a proprietary aspect of its proposal and the question would expose proprietary information if disclosed to competitors, the vendor may submit the question in writing, conspicuously marking it as "CONFIDENTIAL." With the question, the vendor must submit a statement explaining why the question is sensitive. If the AOC concurs that the disclosure of the question or answer would expose proprietary information, the question will be answered, and both the question and answer will be kept in confidence. If the AOC does not concur regarding the proprietary nature of the

question, the question will not be answered in this manner and the vendor will be notified.

2. If a vendor submitting a proposal believes that one or more of the solicitation document's requirements is onerous or unfair, or that it unnecessarily precludes less costly or alternative solutions, the vendor may submit a written request that the solicitation document be changed. The request must set forth the recommended change and vendor's reasons for proposing the change. Any such request must be submitted to the project manager listed in Section 9 of the RFP by the proposal due date and time listed on the cover letter of this RFP.

D. Addenda

1. The AOC may modify the solicitation document prior to the date fixed for submission of proposals by faxing an addendum to the vendors to whom the solicitation document was sent. If any vendor determines that an addendum unnecessarily restricts its ability to bid, it must notify the project manager listed in Section 9 of the RFP no later than one day following the receipt of the addendum.

E. Withdrawal and resubmission/modification of proposals

1. A vendor may withdraw its proposal at any time prior to the deadline for submitting proposals by notifying the AOC in writing of its withdrawal. The notice must be signed by the vendor. The vendor may thereafter submit a new or modified proposal, provided that it is received at the AOC no later than the proposal due date and time listed on the cover letter of this RFP. Modifications offered in any other manner, oral or written, will not be considered. Proposals cannot be changed or withdrawn after the proposal due date and time listed on the coversheet of this RFP.

F. Evaluation process

1. An evaluation team will review in detail all proposals that are received to determine the extent to which they comply with solicitation document requirements.
2. If a proposal fails to meet a material solicitation document requirement, the proposal may be rejected. A deviation is material to the extent that a response is not in substantial accord with solicitation document requirements. Material deviations cannot be waived. Immaterial deviations may cause a bid to be rejected.
3. Proposals that contain false or misleading statements may be rejected if in the AOC's opinion the information was intended to mislead the state regarding a requirement of the solicitation document.

4. Cost sheets will be checked only if a proposal is determined to be otherwise qualified. All figures entered on the cost sheets must be clearly legible.
5. During the evaluation process, the AOC may require a vendor's representative to answer questions with regard to the vendor's proposal. Failure of a vendor to demonstrate that the claims made in its proposal are in fact true may be sufficient cause for deeming a proposal nonresponsive.

G. Rejection of bids

1. The AOC may reject any or all proposals and may or may not waive an immaterial deviation or defect in a bid. The AOC's waiver of an immaterial deviation or defect shall in no way modify the solicitation document or excuse a vendor from full compliance with solicitation document specifications. The AOC reserves the right to accept or reject any or all of the items in the proposal, to award the contract in whole or in part and/or negotiate any or all items with individual vendors if it is deemed in the AOC's best interest. Moreover, the AOC reserves the right to make no selection if proposals are deemed to be outside the fiscal constraint or against the best interest of the State of California.

H. Award of contract

1. Award of contract, if made, will be in accordance with the solicitation document to a responsible vendor submitting a proposal compliant with all the requirements of the solicitation document and any addenda thereto, except for such immaterial defects as may be waived by the AOC.
2. The AOC reserves the right to determine the suitability of proposals for contracts on the basis of a proposal's meeting administrative requirements, technical requirements, its assessment of the quality of service and performance of items proposed, and cost.

I. Decision

1. Questions regarding the AOC's award of any business on the basis of proposals submitted in response to this solicitation document, or on any related matter, should be addressed to the individual listed in the Submission of Proposals section on the coversheet of this RFP who will forward the matter to the appropriate contracting officer.

J. Execution of contracts

1. The AOC will make a reasonable effort to execute any contract based on this solicitation document within 30 days of selecting a proposal that best meets its

requirements. However, exceptions taken by a vendor may delay execution of a contract

2. A vendor submitting a proposal must be prepared to use a standard state contract form rather than its own contract form.

K. Protest procedure

1. General

Failure of a vendor to comply with the protest procedures set forth in this Section K, will render a protest inadequate and non-responsive, and will result in rejection of the protest.

2. Prior to Submission of Proposal

An interested party that is an actual or prospective proposer with a direct economic interest in the procurement may file a protest based on allegedly restrictive or defective specifications or other improprieties in the solicitation process that are apparent, or should have been reasonably discovered prior to the submission of a proposal. Such protest must be received prior to the Proposal Closing Time. The protestor shall have exhausted all administrative remedies discussed in this Attachment B prior to submitting the protest. Failure to do so may be grounds for denying the protest.

3. After Award

A vendor submitting a proposal may protest the award based on allegations of improprieties occurring during the proposal evaluation or award period if it meets all of the following conditions:

- a. The vendor has submitted a proposal that it believes to be responsive to the solicitation document;
- b. The vendor believes that its proposal meets the administrative and technical requirements of the solicitation, proposes services of proven quality and performance, and offers a competitive cost; and,
- c. The vendor believes that the AOC has incorrectly selected another vendor submitting a proposal for an award.

Protests must be received no later than five (5) business days after the protesting party receives a Non-Award letter.

4. Form of Protest

A vendor who is qualified to protest should submit the protest to the individual listed in the Submission of Proposals section on the coversheet of this RFP who will forward the matter to the appropriate Contracting Officer.

- a. The protest must be in writing and sent by certified, or registered mail, or overnight delivery service (with proof of delivery), or delivered personally to the address noted above. If the protest is hand-delivered, a receipt must be requested.
- b. The protest shall include the name, address, telephone and facsimile numbers, and email address of the party protesting or their representative.
- c. The title of the solicitation document under which the protest is submitted shall be included.
- d. A detailed description of the specific legal and factual grounds of protest and any supporting documentation shall be included.
- e. The specific ruling or relief requested must be stated.

The AOC, at its discretion, may make a decision regarding the protest without requesting further information or documents from the protestor. Therefore, the initial protest submittal must include all grounds for the protest and all evidence available at the time the protest is submitted. If the protestor later raises new grounds or evidence that was not included in the initial protest but which could have been raised at that time, the AOC will not consider such new grounds or new evidence.

5. Determination of Protest Submitted Prior to Submission of Proposal

Upon receipt of a timely and proper protest based on allegedly restrictive or defective specifications or other improprieties in the solicitation process that are apparent, or should have been reasonably discovered prior to the submission of a proposal, the AOC will provide a written determination to the protestor prior to the Proposal Due Date. If required, the AOC may extend the Proposal Due Date to allow for a reasonable time to review the protest. If the protesting party elects to appeal the decision, the protesting party will follow the appeals process outlined below and the AOC, at its sole discretion, may elect to withhold the contract award until the protest is resolved or denied or proceed with the award and implementation of the contract.

6. Determination of Protest Submitted After Submission of Proposal

Upon receipt of a timely and proper protest, the AOC will investigate the protest and will provide a written response to the vendor within a reasonable time. If the AOC requires additional time to review the protest and is not able

to provide a response within ten (10) business days, the AOC will notify the vendor. If the protesting party elects to appeal the decision, the protesting party will follow the appeals process outlined below. The AOC, at its sole discretion, may elect to withhold the contract award until the protest is resolved or denied or proceed with the award and implementation of the agreement.

7. Appeals Process

The Contracting Officer's decision shall be considered the final action by the AOC unless the protesting party thereafter seeks an appeal of the decision by filing a request for appeal with the AOC's Business Services Manager, at the same address noted in the Submission of Proposal section of the coversheet of this RFP, within five (5) calendar days of the issuance of the Contracting Officer's decision.

The justification for appeal is specifically limited to:

- a. Facts and/or information related to the protest, as previously submitted, that were not available at the time the protest was originally submitted;
- b. The Contracting Officer's decision contained errors of fact, and that such errors of fact were significant and material factors in the Contracting Officer's decision; or
- c. The decision of the Contracting Officer was in error of law or regulation.

The vendor's request for appeal shall include:

- a. The name, address telephone and facsimile numbers, and email address of the vendor filing the appeal or their representative;
- b. A copy of the Contracting Officer's decision;
- c. The legal and factual basis for the appeal; and
- d. The ruling or relief requested. Issues that could have been raised earlier will not be considered on appeal.

Upon receipt of a request for appeal, the AOC's Business Services Manager will review the request and the decision of the Contracting Officer and shall issue a final determination. The decision of the AOC's Business Services Manager shall constitute the final action of the AOC.

8. Protest Remedies

If the protest is upheld, the AOC will consider all circumstances surrounding the procurement in its decision for a fair and reasonable remedy, including the seriousness of the procurement deficiency, the degree of prejudice to the

protesting party or to the integrity of the competitive procurement system, the good faith efforts of the parties, the extent of performance, the cost to the AOC, the urgency of the procurement, and the impact of the recommendation(s) on the AOC. The AOC may recommend any combination of the following remedies:

- a. Terminate the contract for convenience;
- b. Re-solicit the requirement;
- c. Issue a new solicitation;
- d. Refrain from exercising options to extend the term under the contract, if applicable;
- e. Award a contract consistent with statute or regulation; or
- f. Other such remedies as may be required to promote compliance.

L. News releases

1. News releases pertaining to the award of a contract may not be made without prior written approval of the AOC's Business Services Manager.

M. Disposition of materials

1. All materials submitted in response to this solicitation document will become the property of the State of California and will be returned only at the AOC's option and at the expense of the vendor submitting the proposal. One copy of a submitted proposal will be retained for official files and become a public record. Any material that a vendor considers as confidential but does not meet the disclosure exemption requirements of the California Public Records Act should not be included in the vendor's proposal as it may be made available to the public.

N. Payment

1. Payment terms will be specified in any agreement that may ensue as a result of this solicitation document.
2. **THE STATE DOES NOT MAKE ANY ADVANCE PAYMENT FOR SERVICES.** Payment is normally made based upon completion of tasks as provide in the agreement between the AOC and the selected vendor. The AOC may withhold ten percent of each invoice until receipt and acceptance of the final product. The amount of the withhold may depend upon the length of the project and the payment schedule provide in the agreement between the AOC and the selected vendor.
