EXHIBIT F
SERVICE MODEL AND SERVICE LEVEL AGREEMENT

1. General Description:

Establishing a Service Model and Service Level Agreement for the Trial Courts provides a strategy and approach to ensure the delivery of service excellence and quality. Effective November 28, 2005, ADP will begin to provide the Service Model described herein, including the service standards (“Service Level Agreement”) for the term of this Agreement. Payment terms and conditions for the Service Model are reflected in paragraph 6 of this Exhibit E.

2. Description of Service Model and Service Standards

a. Staffing Requirements and Key Personnel

i. The Service Model will include a team of four implementation and service support associates that are exclusively dedicated to implementing and supporting payroll processing products and services for the Trial Courts and the AOC (“Service Team”). These resources will be allocated to work specifically on support of the Trial Court's payroll processing for any new conversions or day-to-day service support needs.

ii. In order to ensure coverage, knowledge sharing, training, and overall project management, the Service Team will be structured and managed so that two support associates from each of the respective functions (implementation and service) are always available, during the designated hours.

iii. The Key Personnel named below are members of the Service Team:

- **Karen Brown Davis** – 13 year ADP Autopay experience with management, implementation/conversion, project management and service experience

- **Debra Morales** – 9 year ADP Autopay experience in service support, technical business conversion, and implementation.

- **Jennifer Franklin** – 8 year ADP Autopay experience in service support for client service with primary emphasis over the last 4 years in large account services (upward of 5,000 pays)

- **Courtney Bailon** – 8 year ADP Autopay with customer service experience in multi-sized clients and multi-application usage.

iv. Service Team members will possess the following competencies as defined by ADP’s internal service level standards:

- Collaborative
- Relationship building

b. Hours and Communication

i. The Service Team will be available beginning November 28, 2005 Monday through Friday, excluding holidays, from 8:00am to 5:00pm (Pacific Standard Time). Extended hours of support are available to meet critical requests (e.g. hardware crash, Court is unable to process payroll, Court requires additional time to prepare payroll) if requested before to 2:00 p.m. on the day the support is required.

ii. The Service Team will return all calls from the AOC and / or Courts within twenty-four hours.

iii. Courts will have toll-free direct phone contact with service support for day-to-day questions.

iv. Voice mail for each team member and dedicated central e-mail address for the team.

c. Escalation Process for Problem Resolution

i. In the event the Court does not have adequate resolution when an issue or problem is presented to the Service Team, the Court may escalate the problem using the process set forth in subparagraph ii below. Issues and problems that may require escalation include, but are not limited to, the following:

   - Service Team failed to resolve the issue in a timely manner or to the satisfaction of the Court or AOC

   - General dissatisfaction with the service or support received

   - Feedback regarding quality of service or Service Team member(s)

ii. The Court will first contact the Service Team for problem resolution. If the problem is not resolved to the Court’s satisfaction, the Court will contact one of the ADP managers listed below:

   - Debbie Dyson, Client Relations Executive: 408 970-7640

   - Linda Olander, Client Service Manager: 408 496-5950

   If after contacting one of the ADP managers listed above, the problem is not yet resolved to the Court’s satisfaction, the Court will contact the AOC Project Manager named in the Agreement. The AOC Project Manager will contact ADP’s Account Representative to facilitate a satisfactory resolution. If the
State of California Master Agreement No. TCMA-200201-A with ADP, Inc.

problem is not satisfactorily resolved, the AOC and ADP will use the Dispute Resolution process set forth in the Agreement.

d. Test Platform
i. ADP will develop and maintain test database platforms with minimum of two parallels.

ii. ADP will utilize the test database platforms for: (i) all payroll conversions prior to the Court’s payroll moving into production; and (ii) for all enhancements before the enhancement is moved into production.

iii. ADP will provide any technical requirements that may apply for the use of the test database platforms to the Court.

iv. ADP will develop protocols for testing of enhancements, including clearly defined roles and responsibilities.

e. New Court Implementation Standards

i. ADP’s implementation plan for a payroll conversion, including multi-product engagements, will include milestone agreements with project planning documents, statements of work identifying roles and responsibilities for ADP and the Court, and time frames. All projects will be completed by the agreed upon due dates. Revised dates will be mutually agreed upon.

ii. A new conversion will include one on-site introductory visit at the Court location or an AOC Sacramento or AOC Southern California location (dependent on distance).

iii. The Service Model includes documentation of the Client’s payroll setup and documentation of changes to the payroll setup, also referred to as documentation of the Client’s account profile.

f. Account Changes / Updates

Prior to implementing a change or update to an existing account, ADP will submit a completed Work Order form and provide a Transactional Project Plan document to the Court for written approval. The Transactional Project Plan will: (1) identify the scope of the change; (2) establish the roles and responsibilities of ADP and the Court; and (3) establish the time frame to implement the change. Completion and acceptance of the change will be based on the Transactional Project Plan. All projects will be completed by the agreed upon due dates. Revised dates will be mutually agreed upon.
g. Training

i. **Annual Year-end Training**: Each Court can send one attendee to the annual year-end client training / seminar at no charge. If a Court elects not to attend the annual training, another Court or the AOC may attend in its place.

ii. **Conversion Training for New Courts**: ADP will develop and provide conversion training at no charge prior to processing a Court’s first payroll. In order to facilitate a successful conversion, the Court will attend the training prior to processing of its first payroll.

iii. **Booster Training for Existing Courts**: Courts currently receiving ADP’s payroll services will attend Booster Training developed and provided by ADP at no charge to the Court. The Booster Training will be based on call trends and feedback provided to the Service Team.

3. **Quarterly User Group Sessions**

ADP will assist in the facilitation of quarterly user group sessions built around common topics or themes. The sessions will be working forums that will allow participants an opportunity share common concerns or issues. The input and structure of the meetings will be based on call trends, upcoming court events, product enhancements and frequently asked questions. ADP will attend at least one session each year at an AOC location.

4. **Reports, Monitoring, Program Measurements, and Account Reviews**

a. **Reports and Surveys**: The following reports and surveys will be provided:

i. **Conversion / Implementation Survey**: Each court will receive a Conversion / Implementation Survey after conversion of the Court’s payroll.

ii. **Transaction Survey**: A transaction survey will be provided for each call or activity. The transaction survey will be emailed to the caller’s email address, as long as an email address for the caller has been provided to ADP.

iii. **Bi-annual Quality Survey**: A Bi-annual Quality survey will be provided to each Trial Court. The survey is a measurement of overall quality of the product, service, and support. The survey will be one of the tools used to measure the level of support the Service Model provides.

iv. **Bi-weekly Open Case Activity Report**: A Bi-weekly Open Case Activity Report will be provided to each Trial Court. Upon request, ADP will provide copies of the individual court open case activity reports to the AOC.
b. **Program Measurements**: After the Service Model has been in effect for six months, ADP and the AOC will meet to set metrics for measurements of success based on the historical data provided from the reports and surveys.

c. **Quarterly Account Review**: Based on the service level expectations set forth in this Service Model and Service Level Agreement, ADP will present a Quarterly Account Review to the AOC. The presentation will include, but is not limited to:

- Number of calls to the Service Team for the previous quarter
- Summary of ADP transaction surveys received from the Courts for the previous quarter
- Summary of the bi-annual quality surveys received from the Courts for the previous quarter
- Summary of the conversion implementation surveys received from the Courts for the previous quarter
- Review of the status and service level agreement terms based on service quality metrics that have been established for the program measurements.

The session will also provide an open forum to outline any current concerns from ADP and/or the AOC, upcoming Court conversions and projects/plans, and feedback from any AOC surveys that may have been provided to the Courts.

5. **Dispute Recovery**

a. In the event a Court experiences a payroll critical issue, as described below, the Court may recover costs to align with the impacted payroll processing costs, labor, and expense. Payroll critical issues include:

- Court hardship with entire payroll not paid on time
- Erroneous payroll
- Systematic failure of ADP Northern California mainframe

b. The cost recovery process will go through the Escalation Process for Problem Resolution described in 2.c. above and, if the Court and ADP do not come to a mutually acceptable agreement, the Court and ADP will include the AOC in the cost recovery discussions.

6. **Payment Terms and Conditions for Service Model**

a. **Contract Amount for Service Model**

The total amount the AOC will pay to the Contractor under this Agreement for performance of the Work required to provide the Service Model described herein is **$200,000 for the initial twelve month period**.
