### **Final EIR for the New Ukiah Courthouse in the City of Ukiah in Mendocino County, California**

April 11, 2012

Notice is hereby given that the Administrative Office of the Courts (AOC), the staff agency of the Judicial Council of California, has prepared a Final Environmental Impact Report (Final EIR) for the proposed New Ukiah Courthouse in Ukiah, California. Section 15088 of the California Environmental Quality Act (CEQA) Guidelines requires the Lead Agency to evaluate comments on environmental issues received from persons who reviewed the Draft Environmental Impact Report (Draft EIR), and prepare a written response addressing each comment.

The Final EIR consists of the oral and written comments received on the Draft EIR, and presents responses to environmental issues raised in the comments. In addition to the responses to comments, the Final EIR contains clarifications, corrections, or minor revisions that have been made to the Draft EIR. These minor changes do not affect the Draft EIR's analysis and do not change any conclusions of the Draft EIR.

You may view and/or download the Final EIR from the following website: <http://www.courts.ca.gov/facilities-mendocino.htm>. Printed copies and CDs are also available at the addresses listed below:
