Rehearing denied; opinion modified

The opinion herein, filed January 23, 2014, appearing at 58 Cal.4th 482, is modified as follows: On page 487, of the majority opinion, in the first paragraph, following the phrase “In this case, the Assessor for the County of Santa Barbara (Assessor) reassessed,” insert the following phrase after the word “reassessed” and before the word “two:” “26 subsequent transfers of individual interests in.” In the same sentence, delete the word “owned” and substitute the word “held.” The new sentence should read as follows: “In this case, the Assessor for the County of Santa Barbara (Assessor) reassessed 26 subsequent transfers of individual interests in two mobilehome parks held by resident-controlled nonprofit corporations after certain residents sold both their mobilehomes and their interests in the corporation.”

This modification does not affect the judgment.

Supplemental briefing ordered

The parties are directed to serve and file supplemental letter briefs addressing the following questions:

(1) Assuming that a motion for discovery of officer personnel records may be filed in an administrative proceeding (Evid. Code, § 1043, subd. (a)), and a hearing officer has authority to determine that the motion states good cause for discovery (Evid. Code, § 1043, subd. (b)(3)), is there any existing statutory mechanism that would allow the matter to be transferred to the superior court for an in camera review of the records by a judicial officer (Evid. Code, § 1045, subd. (b))? (2) If no existing statutory mechanism applies, do we have the authority to create such a transfer mechanism?

There will be two rounds of simultaneously filed letter briefs. The initial briefs must be served and filed on or before Tuesday, April 29, 2014. The responsive briefs must be served and filed on or before Monday, May 5, 2014. Existing amicus curiae may file briefs on the same schedule. Other interested persons may serve and file an application to file an amicus curiae brief, and that brief itself, by Tuesday, April 29, 2014. Record ordered unsealed

The "Motion by Appellant for Order Unsealing Confidential Transcript," filed on November 21, 2013, is granted. The Clerk is directed to unseal, make part of the public record and provide to Respondent a copy of Volume 18 of the Reporter's Transcript, pages 3053-3062.

The Los Angeles County District Attorney's request to file under seal the declaration in support of the opposition to the motion to unseal is denied as unnecessary. (Cal. Widmark Submitted for Filing Under Seal," lodged in this court on January 24, 2014.

S022998**PEOPLE v. TOWNSEL
(ANTHONY LETRICE)**

Order filed

During the trial of this matter, the superior court reviewed certain records in ruling on appellant Anthony Letrice Townsel's *Pitchess* motion. (See 15 RT 3519; *Pitchess v. Superior Court* (1974) 11 Cal.3d 531.) During record correction proceedings, the superior court ordered that those records be sealed and transmitted to this court. (See 7 CT 1651, 1655.) That order was not complied with, and the record on appeal consequently does not contain the material the superior court reviewed in ruling on appellant's *Pitchess* motion. To enable this court to review the ruling, the superior court is directed (1) to order the custodian of the records to produce in the superior court the records that the custodian previously produced and the court reviewed in ruling on appellant's *Pitchess* motion, (2) when the records are produced, to review them and confirm whether they are the records it reviewed in ruling on appellant's *Pitchess* motion, (3) to identify the particular document it ordered disclosed to appellant at trial, and then (4) to transmit all of the documents it has reviewed under seal to this court. If the custodian is unable to produce the files, he or she must submit a declaration under penalty of perjury so stating, with an explanation of why such production is not possible, and the superior court must then transmit that declaration to this court. The superior court is further directed to hold any hearings it may deem necessary to comply with this order, and is directed to transmit a record of any such hearings and any resultant findings, along with any sealed files and any declaration by the custodian of records, to this court by June 20, 2014.
