WEDNESDAY, JUNE 18, 2014  
SAN FRANCISCO, CALIFORNIA**

**S065575****CHAMPION (STEVE ALLEN)  
ON H.C.**

Rehearing denied; opinion modified

THE COURT:

The opinion herein, filed April 14, 2014, appearing at 58 Cal.4th 965, is modified as follows:

On page 994, in the first sentence of the third paragraph, delete the words “school records and,” so the sentence reads: “The referee found that before petitioner’s capital trial, Defense Counsel Skyers reviewed petitioner’s CYA medical records, as well as petitioner’s criminal history and history as a juvenile offender, and that Skyers did an investigation to determine whether there was some mitigating factor or theme he could present to the jury.”

This modification does not affect the judgment.

The petition for rehearing is denied.

**S076339****PEOPLE v. GRIMES (GARY  
LEE)**

Supplemental briefing ordered

The parties are invited to file supplemental letter briefs addressing the following:

1. Does the Attorney General’s failure to argue in the answer brief that an alleged error is harmless constitute forfeiture of any harmless error argument regarding either state law errors or federal constitutional errors?
2. Assuming the trial court erred in excluding the hearsay statements of John Morris to Misty Abbott and Albert Lawson that were proffered by defendant as statements against interest, does the error require reversal of the special circumstances or death sentence?
3. Assuming that the trial court did not err in excluding Morris’s statement to Abbott that after Morris killed the victim, defendant looked at him as if he were surprised, but that the trial court did err in excluding Morris’s statements to Abbott and Lawson that defendant was not involved in the actual killing, does the error require reversal of the special circumstance findings or death sentence?

Opening supplemental letter briefs must be served and filed no later than July 2, 2014.

Supplemental reply letter briefs must be served and filed no later than July 9, 2014.

Submission of the case is vacated. The case will be automatically resubmitted as of the date that the last timely brief is filed under this order.

(RICHARD JAMES)**

Additional issues ordered

In addition to the question presented in the petition for review, the parties are requested to brief the following questions:

- (1) Do the jury verdict and Court of Appeal opinion establish that defendant is guilty of violating Penal Code section 451, subdivision (b), which governs arson of “an inhabited structure or inhabited property?” (*Italics added.*)
- (2) If so, should defendant’s conviction for violating Penal Code section 451, subdivision (b), be affirmed?

The time to serve and file the opening brief on the merits, which should include these additional questions, is extended to and including July 18, 2014.
