The petition for review is granted. The issue to be briefed and argued is limited to the following:
Can a five-year enhancement for a prior serious felony conviction (Pen. Code, § 667, subd. (a)) be added to multiple determinate terms imposed as part of a second-strike sentence (Pen. Code, § 667, subd. (e)(1))?

S210898

**PEOPLE v. SMITH (VINCE

Supplemental briefing ordered

The trial court's instructions to the jury included the following sentence: "If the murder or voluntary manslaughter was committed for a reason independent of the common plan to commit the disturbing the peace or assault or battery, then the commission of murder or voluntary manslaughter was not a natural and probable consequence of disturbing the peace or assault or battery." (RT 8283; see CALCRIM No. 402.)

The parties are requested to brief the following questions:

- (1) Does this sentence correctly state the law?
- (2) If so, is there evidence in the record to support a jury finding that the murders of this case

were not committed for a reason independent of the common plan to commit the disturbing the peace or assault or battery?

Both parties are directed to serve and file simultaneous supplemental letter briefs limited to these questions on or before June 13, 2014. The parties may serve and file reply briefs within 15 days after the filing of the supplemental letter briefs.
