WEDNESDAY, NOVEMBER 16, 2016
SAN FRANCISCO, CALIFORNIA**

S214855 B237153 Second Appellate District, Div. 1 **DEPARTMENT OF FINANCE
v. COMMISSION ON STATE
MANDATES (COUNTY OF
LOS ANGELES)**

Rehearing denied; opinion modified

THE COURT:

The opinion in this matter filed on August 29, 2016, and appearing in the California Official Reports at 1 Cal.5th 749, is modified as follows:

On page 768 of the published opinion, a footnote is inserted at the end of the sentence that reads: “The board’s legal authority to administer the CWA and its technical experience in water quality control would call on sister agencies as well as courts to defer to that finding.” The new footnote, which is numbered as footnote 15, reads: “Of course, this finding would be case specific, based among other things on local factual circumstances.”

On page 771 of the published opinion, current footnote 15 is renumbered as footnote 16.

On page 772 of the published opinion, the word “fatally” is deleted from the sentence that reads: “The fact the EPA itself had issued permits in other cities, but did not include the trash receptacle condition, fatally undermines the argument that the requirement was federally mandated.”

This modification does not affect the judgment.

The request for judicial notice and the petition for rehearing, both filed on September 13, 2016, are denied.

Cuéllar, J., is of the opinion the petition for rehearing should be granted.

B267454 Second Appellate District, Div. 3

**M. (BIANKA) v. S.C.
(GLADYS M.)**

Order filed

L. Rachel Lerman, Esq., of Barnes & Thornburg LLP is invited to brief and argue this case, as amicus curiae, in support of the positions that (1) a superior court may deny a child's request for special immigrant juvenile status findings on the ground that the request for such findings was not made during an ongoing, bona fide proceeding relating to child welfare; and (2) a superior court may deny a child's request for special immigrant juvenile status findings on the ground that the parentage of the child's noncustodial alleged parent has not been adjudicated.

The court-appointed amicus curiae shall serve and file her brief on or before January 31, 2017. For purposes of California Rules of Court, rule 8.520, the court-appointed amicus curiae shall be treated as the respondent and her brief shall be treated as the answering brief. Accordingly, the brief of the court-appointed amicus curiae shall comply with the length limitations for an answering brief; the petitioner may serve and file a reply brief within 20 days of the date that the court-appointed amicus curiae files her brief; applications for permission to file an amicus curiae brief may be filed within 30 days of the date the reply brief is due; and the petitioner and the

court-appointed amicus curiae may answer any amicus curiae briefs filed within 30 days after the court rules on the last timely filed application to file an amicus curiae brief or the time for filing applications to file an amicus curiae brief expires, whichever is later.

The court-appointed amicus curiae is requested to discuss the effect, if any, of Assembly Bill No. 1603 (2015-2016 Reg. Sess.), section 1, on the proper disposition of the first question presented. The petitioner may respond to such discussion in her reply brief.
