ORDER MODIFYING OPINION
[CHANGE IN JUDGMENT]

THE COURT:

It is ordered that the opinion filed herein on July 20, 2012, be modified as follows:

1. On page 1, second sentence of the first full paragraph, footnote 1 is deleted in its entirety, and all subsequent footnotes shall be renumbered, so the sentence and newly renumbered footnote 1 reads:

The writ petition sought to overturn the decision of respondent City and County of San Francisco (the City) to permit real parties in interest and respondents T-Mobile West Corporation, T-Mobile USA, Inc., T-Mobile Resources Corporation, and Omnipoint Communications, Inc. (collectively T-Mobile) to place sets of

wireless telecommunications equipment on existing utility poles, including a pole located near appellants' homes.¹

2. On page 14, in the second sentence under "DISPOSITION," the words "and the City" shall be inserted between the words "T-Mobile" and "shall," the word "each" shall be inserted between the words "shall" and "recover, and the words "their respective" shall be inserted in place of the word "its," so that the full second sentence of the disposition reads:

"T-Mobile and the City shall each recover their respective costs on appeal."

This modification changes the judgment.
