Court Sends Victim Restitution Establishment Request Confirmation Notification (ACC904)

Exchange Description

Trial courts use this NIEM-based data exchange to send an acceptance response to the integration partner that initiated a victim restitution establishment request from the Receive Victim Restitution Establishment Request (ACC801) data exchange.

The message from the trial court contains the victim restitution establishment case information (e.g., CCMS case number, participant, victim restitution case information, etc.).

No response message is sent by the integration partner upon successful receipt of the request confirmation notification. Successful delivery of the request confirmation notification is assumed unless an error in delivery or processing by the integration partner occurs.

Business Response Exchanges

The business response refers to any subsequent exchanges that may occur as a direct result of this exchange.

- There are no business responses to this data exchange.

Error Handling

If the integration partner does not successfully receive and process the incoming message, the trial court will receive an error message with an error code and error reason.

PROBABLE INTERESTED INTEGRATION PARTNERS

- Attorney General
- California Department of Corrections and Rehabilitation
- California Department of Revenue and Recovery
