Court Receives Court Resource Vacation Dates Notification (CAL803)

Exchange Description

Integration partners use this NIEM-based data exchange to send vacation dates and related information to the trial court. This exchange is used by the court to determine the availability of law enforcement personnel (a court resource) to participate in court events.

The notification message from the integration partner contains court resource vacation date information (e.g., CCMS ID, court resource name, start date, end date).

No response message is sent by the integration partner upon successful receipt of the notification message. Successful delivery of the message is assumed unless an error in delivery or receipt by the integration partner occurs.

Business Response Exchanges

The business response refers to any subsequent exchanges that may occur as a direct result of this exchange.

- There are no business responses to this data exchange.

Error Handling

If the trial court does not successfully receive and process the request message, the integration partner will receive an error message with an error code and error reason.

PROBABLE INTERESTED INTEGRATION PARTNERS

- Law enforcement agencies/sheriff
