Court Sends Public Defender Assignment Confirmation Notification (CAS908)

Exchange Description

Trial courts use this NIEM-based data exchange to send an acceptance response to a request for a public defender assignment from an integration partner.

- The request message contains the public defender assignment case information (e.g., CCMS case number, participant, and public defender assignment case information) sent from a court to an integration partner.
- No success response message is sent by the integration partner upon successful receipt of the confirmation notification message. Successful delivery of the confirmation notification message is assumed unless an error in delivery or processing by the integration partner occurs.

Business Response Exchanges

The business response refers to any subsequent exchanges that may occur as a direct result of this exchange.

- There is no business response to this exchange.

Error Handling

If the integration partner does not successfully receive and process the incoming message, the trial court receives an error message with an error code and error reason.

PROBABLE INTERESTED INTEGRATION PARTNERS

- Attorney General
- California Department of Revenue and Recovery
- City attorney
- County jails
- District attorney—adult and juvenile
- Probation—adult and juvenile
- Public defender/alternate public defender/entity panel

RELATED EXCHANGES

Related data exchanges are preceding or subsequent data exchanges that may be used by an integration partner as part of the overall business process related to this exchange.

- Court Receives Public Defender Assignment Notification (CAS806) data exchange, which is used by the trial court to receive an updated attorney assignment from an integration partner when the public defender or alternate public defender assigns or removes an attorney from the defendant's case.
- Court Sends Case Participant Demographic Information Notification (PF901) data exchange, which is used to send case participant demographic information to integration partners.
