## Court Receives Traffic School Completion Notification (FCC801)

### Exchange Description

An integration partner uses this California judicial branch XML-schema based data exchange to send a traffic school completion notification to the trial court to indicate that a case participant has completed traffic school.

- The notification message sent by the integration partner to the trial court contains the traffic school completion information (e.g., participant and date completed).
- The response message sent by the trial court to the integration partner contains the traffic school completion response (e.g., accepted or rejected).

### Business Response Exchanges

The business response refers to any subsequent exchanges that may occur as a direct result of this exchange.

- There is no business response to this exchange.

### Error Handling

If the trial court does not successfully receive and process the notification message, the integration partner will receive an error message with an error code and error reason.

## PROBABLE INTERESTED INTEGRATION PARTNERS

- Traffic school vendors

## RELATED EXCHANGES

Related data exchanges are any preceding or subsequent data exchanges that may be used by an integration partner as part of the overall business process related to this exchange.

- Court Receives Traffic School Enrollment Request data exchange (FCC804), which is used to receive a traffic school enrollment request from an integration partner and precedes the completion notification data exchange (FCC801).
