Re: People v. Powell S137730
Focus Issues for oral argument
scheduled on May 16, 2018

Clerk of the Court:

Please inform the court that counsel for appellant Powell will focus on one issue at oral argument.

The issue, presented in Arguments V of the opening brief and VB of the reply briefs is whether the verdict finding appellant to be sane must be reversed because the evidence of insanity was of such weight and quality that a jury could not reasonably reject it.

Sincerely,

R. Clayton Seaman, Jr.
