ADMINISTRATIVE ORDER 2022-3-14

IN THE
COURT OF APPEAL OF THE STATE OF CALIFORNIA
IN AND FOR THE
FIFTH APPELLATE DISTRICT

**ORDER SUBSTITUTING VIDEO-CONFERENCING
FOR IN-PERSON ORAL ARGUMENT**

On April 13, 2020, in response to the COVID-19 pandemic, the court filed an order titled “ORDER SUBSTITUTING VIDEO-CONFERENCING FOR IN-PERSON ORAL ARGUMENT.” At that time, we suspended all in-person oral argument sessions.

Because California is moving from the pandemic phase to a new endemic phase of COVID-19, we rescind our April 13, 2020 order. The option to appear in-person for oral argument will resume as of the May 2022 oral argument calendar. In addition to in-person appearances, the parties may still elect to appear via CourtCall or videoconferencing.

The courtroom will be open to the public with limited seating. The public and the parties may be required to wear face coverings in the courtroom. All sessions will continue to be live-streamed on the Fifth District Court of Appeal website.

The court reserves the authority to modify the methods for appearances at oral argument, as appropriate, to address changing circumstances.
