Clerk of the Supreme Court of California

Re: *People v. Micky Ray Cage*, S120583: Appellant's Focus Letter in
Anticipation of Oral Argument on October 6, 2015

Dear Mr. McGuire:

I represent Mr. Cage in the above captioned case. The case has been calendared for argument on October 6, 2015

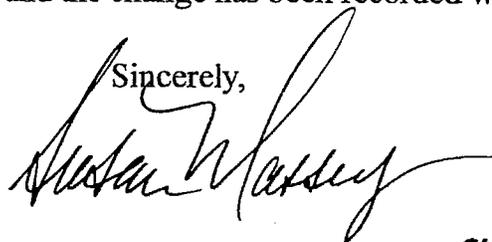

In accordance with the Court's letter of July 10, 2015, I wish to advise the Court that, as counsel for appellant, I expect to focus my argument on the following issues:

- I. The Trial Court's Admission of Irrelevant, Cumulative and Highly Inflammatory Propensity Evidence Deprived Appellant of His State and Federal Constitutional Rights and Was Error Under California Law.
- V. The Trial Court Allowed the Jury to Consider Irrelevant and Highly Prejudicial Victim Impact Testimony In the Guilt Phase of Appellant's Trial.

If the Court has any questions or needs any additional information, please feel free contact me.

I would like to take this opportunity to inform the Court that my surname changed from Marr to Massey several years ago, and the change has been recorded with the California State Bar.

Sincerely,

RECEIVED
