re: *People v. J. Cordova*
S152737

Ladies and Gentlemen,

Enclosed please find an Appearance Sheet in the above matter.

Also, please allow this correspondence to serve as my "focus letter." I plan to argue the Argument II, the Evidence Code section 1108 issue, as Argument IX, the improper admission of non-statutory aggravating factors, which is related to Argument II.

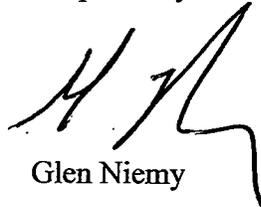

I also plan on arguing Argument III, the discovery issue, and also hope to address the speedy trial issue, Argument I, and Argument VIII, the improper instruction issue.

As indicated in the Appearance Sheet, I will need 45 minutes for the complete argument, with 10 minutes reserved for rebuttal.

I thank you for your attention to this correspondence.
