Section 123115

123115. (a) The representative of a minor shall not be entitled to inspect or obtain copies of the minor's patient records in either of the following circumstances:

(1) With respect to which the minor has a right of inspection under Section 123110.

(2) Where the health care provider determines that access to the patient records requested by the representative would have a detrimental effect on the provider's professional relationship with the minor patient or the minor's physical safety or psychological well-being. The decision of the health care provider as to whether or not a minor's records are available for inspection or copying under this section shall not attach any liability to the provider, unless the decision is found to be in bad faith.

(1) The health care provider shall make a written record, to be included with the mental health records requested, noting the date of the request and explaining the health care provider's reason for refusing to permit inspection or provide copies of the records, including a description of the specific adverse or detrimental consequences to the patient that the provider anticipates would occur if inspection or copying were permitted.

(2) (A) The health care provider shall permit inspection by, or provide copies of the mental health records to, a licensed physician and surgeon, licensed psychologist, licensed marriage and family therapist, licensed clinical social worker, or licensed professional clinical counselor, designated by request of the patient.

Prior to providing copies of mental health records to a registered marriage and family therapist intern, a receipt for those records shall be signed by the supervising licensed professional.

(C) Any person registered as a clinical counselor intern, as defined in Chapter 16 (commencing with Section 4999.10) of Division 2 of the Business and Professions Code, may not inspect the patient's mental health records or obtain copies thereof, except pursuant to the direction or supervision of a licensed professional specified in

subdivision (h) of Section 4999.12 of the Business and Professions Code. Prior to providing copies of mental health records to a person registered as a clinical counselor intern, a receipt for those records shall be signed by the supervising licensed professional.

(D) A licensed physician and surgeon, licensed psychologist, licensed marriage and family therapist, licensed clinical social worker, licensed professional clinical counselor, registered marriage and family therapist intern, or person registered as a clinical counselor intern to whom the records are provided for inspection or copying shall not permit inspection or copying by the patient.

(3) The health care provider shall inform the patient of the provider's refusal to permit him or her to inspect or obtain copies of the requested records, and inform the patient of the right to require the provider to permit inspection by, or provide copies to, a licensed physician and surgeon, licensed psychologist, licensed marriage and family therapist, licensed clinical social worker, or licensed professional clinical counselor designated by written authorization of the patient.

(4) The health care provider shall indicate in the mental health records of the patient whether the request was made under paragraph (2).
