CFCC-2021-04-LV**

**PROPOSALS DUE:
APRIL 23, 2021 NO LATER THAN 3:00 P.M. PACIFIC TIME**

1.0 BACKGROUND INFORMATION

1.1 BACKGROUND

The Judicial Council of California (JCC), chaired by the Chief Justice of California, is the chief policy making agency of the California judicial system. The California Constitution directs the JCC to improve the administration of justice by surveying judicial business, recommending improvements to the courts, and making recommendations annually to the Governor and the Legislature. The JCC also adopts rules for court administration, practice, and procedure, and performs other functions prescribed by law. The JCC staff assists both the council and its chair in performing their duties.

1.2 CENTER FOR FAMILIES, CHILDREN & THE COURTS

The JCC's Center for Families, Children & the Courts (CFCC) will coordinate this project. The CFCC focuses on juvenile and family projects that improve the lives of children through positive changes in the trial and appellate courts' handling of matters involving children and families.

The Child Support Commissioner and Family Law Facilitator Program (Assembly Bill 1058) is a mandated statewide program to expedite child support cases. The JCC administers it by adopting rules and forms, setting standards for the Office of the Family Law Facilitator, overseeing budget administration, and in other ways ensuring successful implementation of the program.

A cooperative agreement, number 10-0864-1920, between the Department of Child Support Services (DCSS) and the JCC provides for two-thirds (2/3) funding originating from the federal government and Trial Court Improvement Funds provide the one-third (1/3) state match needed to conduct the quadrennial review. The Child Support Commissioner and Family Law Facilitator Program is charged with the oversight of the JCC's review of statewide uniform child support guidelines.

1.3 REVIEW OF STATEWIDE UNIFORM CHILD SUPPORT GUIDELINE

1.3.1 California has adopted a child support guideline in compliance with federal law, 42 U.S.C. section 667(a). California Family Code section 4054(a) provides that the "Judicial Council shall periodically review the statewide uniform guideline to

recommend to the Legislature appropriate revisions.” California’s guideline is found at Family Code sections 4050–4076.

Federal law also requires that child support guidelines be reviewed by the state at least once every four years to “ensure that their application results in the determination of appropriate child support award amounts,” as promulgated by 42 U.S.C. section 667(a).

- 1.4 The purpose of this Request for Proposals is to secure a contract to provide the services of a Proposer with expertise in the evaluation of child support guidelines.

2.5 Organize and conduct one (1) focused discussion group involving child support commissioners on the interpretation of the case file review findings. Organize and conduct one (1) focused discussion group with the Department of Child Support Services (DCSS) and a representative sample of their Local Child Support Agencies (LCSAs) - selected after consultation with DCSS. Policy recommendations should include an analysis of the data from case file reviews to ensure that deviations from the guidelines are limited and guideline amounts are appropriate based on federal and state

law. Policy recommendations should also include an analysis of the impact of California’s low-income adjustment based on findings from the literature reviews and analysis of case file data. Specific recommendations should be made on 1) whether the current low-income adjustment is appropriate, 2) whether the current low-income adjustment amount is sufficient to comply with federal regulation requirement for meeting the basic subsistence needs of the noncustodial parent. , and 3) whether the annual adjustments to the low-income adjustment should be ties to some source other than the California Consumer Price Index for All Urban Consumers to ensure adequate protections for low-income parents.

10.0 INTERVIEWS

The JCC may conduct interviews with Proposers to clarify aspects set forth in their proposals or to assist in finalizing the ranking of top-ranked proposals. The interviews may be conducted in person, by phone, or by videoconference. If conducted in person, interviews will likely be held at the JCC’s offices. The JCC will not reimburse Proposers for any costs incurred in traveling to or from the interview location. The JCC will notify eligible Proposers regarding interview arrangements.

It may be necessary to interview prospective service providers to clarify aspects of their submittal. If conducted, interviews will likely be conducted by telephone conference call. The JCC will notify prospective service providers regarding the interview arrangements.

11.0 CONFIDENTIAL OR PROPRIETARY INFORMATION

PROPOSALS ARE SUBJECT TO DISCLOSURE PURSUANT TO APPLICABLE PROVISIONS OF THE CALIFORNIA PUBLIC CONTRACT CODE AND RULE 10.500 OF THE CALIFORNIA RULES OF COURT. The JCC will not disclose (i) social security numbers, or (ii) balance sheets or income statements submitted by a Proposer that is not a publicly traded corporation. All other information in proposals will be disclosed in response to applicable public records requests. Such disclosure will be made regardless of whether the proposal (or portions thereof) is marked “confidential,” “proprietary,” or otherwise, and regardless of any statement in the proposal (a) purporting to limit the JCC’s right to disclose information in the proposal, or (b) requiring the JCC to inform or obtain the consent of the Proposer prior to the disclosure of the proposal (or portions thereof). Any proposal that is password protected, or contains portions that are password protected, may be rejected. Proposers are accordingly cautioned not to include confidential, proprietary, or privileged information in proposals.

12.0 DISABLED VETERAN BUSINESS ENTERPRISE INCENTIVE

- 12.1 Qualification for the DVBE incentive is not mandatory. Failure to qualify for the DVBE incentive will not render a proposal non-responsive.
- 12.2 Eligibility for and application of the DVBE incentive is governed by the JCC’s DVBE Rules and Procedures. Proposer will receive a DVBE incentive if, in the JCC’s sole determination, Proposer has met all applicable requirements. If Proposer receives the DVBE incentive, a number of points will be added to the score assigned to Proposer’s proposal. The number of points that will be added is specified in Section 9 above.
- 12.3 To receive the DVBE incentive, at least 3% of the contract goods and/or services must be provided by a DVBE performing a commercially useful function. Or, for solicitations of non-IT goods and IT goods and services, Proposer may have an approved Business Utilization Plan (“BUP”) on file with the California Department of General Services (“DGS”).
- 12.4 If Proposer wishes to seek the DVBE incentive:
 - i. Proposer must submit with its proposal a DVBE Declaration (Attachment 7) completed and signed by each DVBE that will provide goods and/or services in connection with the contract. If Proposer is itself a DVBE, it must complete and sign the DVBE Declaration. If Proposer will use DVBE subcontractors, each DVBE subcontractor must complete and sign a DVBE Declaration. NOTE: The DVBE Declaration is not required if Proposer will qualify for the DVBE incentive using a BUP on file with DGS.

- ii. Proposer must complete and submit with its proposal the Bidder Declaration (Attachment 8). Proposer must submit with the Bidder Declaration all materials required in the Bidder Declaration.
- 12.5 Failure to complete and submit these forms as required will result in Proposer not receiving the DVBE incentive. In addition, the Judicial Council may request additional written clarifying information. Failure to provide this information as requested will result in Proposer not receiving the DVBE incentive.
- 12.6 If this solicitation is for IT goods and services, the application of the DVBE incentive may be affected by application of the small business preference. For additional information, see the JCC's Small Business Preference Procedures for the Procurement of Information Technology Goods and Services.
- 12.7 If Proposer receives the DVBE incentive: (i) Proposer will be required to complete a post-contract DVBE certification if DVBE subcontractors are used; (ii) Proposer must use any DVBE subcontractor(s) identified in its proposal unless the JCC approves in writing the substitution of another DVBE; and (iii) failure to meet the DVBE commitment set forth in its proposal will constitute a breach of contract.

FRAUDULENT MISREPRESENTATION IN CONNECTION WITH THE DVBE INCENTIVE IS A MISDEMEANOR AND IS PUNISHABLE BY IMPRISONMENT OR FINE, AND VIOLATORS ARE LIABLE FOR CIVIL PENALTIES. SEE MVC 999.9.

13.0 PROTESTS

Any protests will be handled in accordance with Chapter 7 of the Judicial Branch Contracting Manual (see www.courts.ca.gov/documents/jbcl-manual.pdf). Failure of a Proposer to comply with the protest procedures set forth in that chapter will render a protest inadequate and non-responsive, and will result in rejection of the protest. The deadline for the JCC to receive a solicitation specifications protest is the proposal due date. Protests must be sent to: Solicitations@jud.ca.gov
